

HDC Reserve for Replacement Request Guidelines

- 1) Please note that HDC will only process 4 requests per calendar year. HDC will review additional requests that have been designated an emergency. In addition, please note that upon a complete submission the approval process will require a minimum of one month review which includes possible inspection and the disbursement of the check or wire.
- 2) Provide three (3) original bids for all individual work items whose cost exceeds \$10,000.00. Please note that the scopes must be consistent. E.g. in laymen's terms they need to be apples to apples. In addition, the bids must be **qualified**.
- 3) All scanned invoices must include and clearly show where the work is to be performed and include the quantity for each specific item to be installed. Specifically, provide quantities and exact locations for the work items. See # 9.
- 4) Scanned copies of the front and back of all cancelled checks for **all** invoices that payment is requested for, is to be provided. If operating cash flows are insufficient and the project requires a down payment on the lowest proposal, please specify the amount and submit with the request.
- 5) Provide an Excel spreadsheet listing of all work that includes: a description of the work, location where installed, date, vendor name, invoice number, reimbursement requested (\$), number of cancelled check. Please note that spreadsheet order should correspond with the electronic submission e.g. PDF etc. An Excel template is provided below.
- 6) Unless otherwise specified by HDC Asset Management, a balance of \$1,000 per dwelling unit will need to be maintained in the Replacement Reserve Account at all times.
- 7) Make reimbursement requests within two (2) years after the expenditure occurred.
- 8) Sales Tax will **not** be reimbursed from the RFR for Major Capital Improvements. Please do not include the taxes in your request.
- 9) For your reference, please refer to the typical eligible RFR list of items which has been attached below.
- 10) Please note that the above should be submitted electronically. HDC will no longer accept hard copies of the above.
- 11) Please note that the Reserve for Replacement Account is for capital upgrades and major improvement. **Maintenance items and minor repairs are not reimbursable.**
- 12) If the project has Low Income Housing Tax Credits, please obtain an approval from the tax credit investor before the request is submitted to HDC.
