Attached is a Resolution of Declaration of Intent (the “Resolution”) for a proposed new construction located at 406-465 Vandalia Avenue and 71-95 Gateway Drive, Brooklyn, NY, which is currently under review by the Corporation. The developer will be a single purpose entity to be formed by the principals of Monadnock Development and has requested that the Members adopt the Resolution on the project’s behalf. Should HDC utilize tax-exempt bond proceeds to provide financing for the proposed project, it will be operated in accordance with the restrictions of the Internal Revenue Code.

As indicated in the attached project summary sheet, the developer intends to construct thirty (30) four-story buildings with 240 low-income rental units located at 406-465 Vandalia Avenue and 71-95 Gateway Drive in Brooklyn.

The Resolution is an official intent of the Corporation for tax code purposes which can enable certain expenditures incurred as early as 60 days prior to the date of such Resolution to qualify for tax-exempt bond financing. However, the Corporation’s agreement to issue bonds may only be authorized by further action by the Members.

A fact sheet with a brief description of the project is attached (see “Exhibit A”).
