Attached is a Resolution of Declaration of Intent (the "Resolution") for a proposed preservation development located in Manhattan which is currently under review by the Corporation. The developer, a single purpose entity to be formed by Genesis Y15 Developer LLC and Abyssinian Development Corporation, has requested that the Members adopt the Resolution on the project's behalf. Should HDC utilize tax-exempt bond proceeds to provide financing for the proposed project, it will be operated in accordance with the restrictions of the Internal Revenue Code.

As indicated in the attached project summary sheet, the developer intends to rehabilitate a rental housing facility consisting of 358 residential rental units, 1 community facility space and 8 commercial units located at 20-22, 24, 26, 30 West 129th Street; 28-30, 65, 145 West 127th Street; 2092-94 Fifth Avenue; 103,105,125,127,129,131 West 137th Street; 104,137 West 138th Street; 2407, 2451, 2467-69 Frederick Douglass Boulevard; 418 St. Nicholas Avenue; 4-6,8,28-30,71,72,73,78 West 131st Street and 69-71 West 130th Street in Manhattan.

The Resolution is an official intent of the Corporation for tax code purposes which can enable certain expenditures incurred as early as 60 days prior to the date of such Resolution to qualify for tax-exempt bond financing. However, the Corporation's agreement to issue bonds may only be expressed in the Corporation's bond purchase agreement, which requires further authorization by the Members.

A fact sheet with a brief description of the project is attached (see "Exhibit A").
