Re: Ratification of Declaration of Intent
        Putnam Avenue Portfolio, Brooklyn

On July 26, 2016 the Members’ approval for a Resolution of Declaration of Intent (the "Resolution") was requested for a proposed portfolio of 12 buildings located in Bedford Stuyvesant, Brooklyn (the “Project”), which is currently under review by the Corporation. The developer, WFHA Brooklyn Restoration L.P., requested that the Members adopt the Resolution on the Project’s behalf. Pursuant to the attached Declaration of Intent memorandum and accompanying Resolution, which was approved via e-mail by a majority of the Members by August 2, 2016, we request that the Members ratify the adoption of the Resolution.

As noted in the attached memorandum, the Resolution is an official intent of the Corporation for tax code purposes which can enable certain expenditures incurred as early as 60 days prior to the date of such Resolution to qualify for tax-exempt bond financing. However, the Corporation’s agreement to issue bonds may only be authorized by further action by the Members.

Re: Resolution of Declaration of Intent
Putnam Avenue Portfolio, Brooklyn

Attached is a Resolution of Declaration of Intent (the “Resolution”) for a proposed portfolio of 12 buildings located in Bedford Stuyvesant, Brooklyn which is currently under review by the Corporation. The developer, WFHA Brooklyn Restoration L.P., has requested that the Members adopt the Resolution on the project’s behalf. Should HDC use tax-exempt bond proceeds to provide financing for the proposed project, it will be operated in accordance with the restrictions of the Internal Revenue Code.

Please email your response to Yaffa Oldak, email: voldak@nychdc.com, by August 2, 2016. At the next Member’s meeting, if four or more Members have approved the Resolution, the Members will be asked to ratify the adoption of the Resolution.

As indicated in the attached project summary sheet (Exhibit A), the developer intends to acquire and rehabilitate 118 residential rental units and 1 commercial unit located within 12 buildings in the Bedford Stuyvesant section of Brooklyn, NY.

The Resolution is an official intent of the Corporation for tax code purposes which can enable certain expenditures incurred as early as 60 days prior to the date of such Resolution to qualify for tax-exempt bond financing. However, the Corporation’s agreement to issue bonds may only be authorized by further action by the Members.

The reason for passage of the Resolution by email is that WFHA Brooklyn Restoration L.P. has incurred acquisition related expenses and has requested that the Corporation issue a Declaration of Intent prior to the end of the 60-day period. Since the next Member’s Meeting has not yet been scheduled, your response is requested by email before August 2, 2016.
