Re: Resolution of Declaration of Intent
LAMP Preservation Program
Edgecombe Preservation
Scattered Site – See Exhibit A
NEW YORK, NY

Attached is a Resolution of Declaration of Intent (the “Resolution”) for a proposed scattered site, residential development in the Sugar Hill and Hamilton Heights neighborhoods of Manhattan, which is currently under review by the Corporation. The developer, a single purpose entity to be formed by L+M Development Partners, Inc., has requested that the Members adopt the Resolution on the project’s behalf. Should HDC utilize tax-exempt bond proceeds to provide financing for the proposed project, it will be operated in accordance with the restrictions of the Internal Revenue Code.

As indicated in the attached project summary sheet, the developer intends to rehabilitate a 19 building scattered site development totaling approximately 292,000 square feet of residential space with 285 low-income residential rental units plus seven superintendent units and approximately 5,000 square feet of retail space.

The Resolution is an official intent of the Corporation for tax code purposes which can enable certain expenditures incurred as early as 60 days prior to the date of such Resolution to qualify for tax-exempt bond financing. However, the Corporation’s agreement to issue bonds may only be expressed in the Corporation’s bond purchase agreement, which requires further authorization by the Members.

A fact sheet with a brief description of the project is attached (see “Exhibit A”).
