CORPORATION

MEMORANDUM

To: The Chairperson and Members

From: Eric Enderlin 
President

Date: November 20, 2018

Re: Resolution of Declaration of Intent
North Cove Phase II
3875 Ninth Avenue (current address)
New York, New York
Block 2188, part of Lot 1 (to be sub-divided)

Attached is a Resolution of Declaration of Intent (the "Resolution") for a proposed new construction project located in Manhattan, New York, which is currently under review by the Corporation. The developer will be a single purpose entity to be formed by affiliates of Joy Construction and MADDD Equities and has requested that the Members adopt the Resolution on the project's behalf. Should HDC utilize tax-exempt bond proceeds to provide financing for the proposed project, it will be operated in accordance with the restrictions of the Internal Revenue Code.

As indicated in the attached project summary sheet, the developer intends to construct one building with 337 low- and middle- income rental units located in Manhattan. The developer intends to sub-divide the current block and lot in connection with the financing.

The Resolution is an official intent of the Corporation for tax code purposes which can enable certain expenditures incurred as early as 60 days prior to the date of such Resolution to qualify for tax-exempt bond financing. However, the Corporation's agreement to issue bonds may only be expressed in the Corporation's bond purchase agreement, which requires further authorization by the Members.

A fact sheet with a brief description of the project is attached (see "Exhibit A").
