Multi-Family Rental Housing Revenue Bonds (1133 Manhattan Avenue Development)
2012 Series A

This Official Statement (including the cover page and appendices) provides certain information concerning the New York City Housing Development Corporation (the “Corporation”) in connection with the sale of $________ aggregate principal amount of Multi-Family Rental Housing Revenue Bonds (1133 Manhattan Avenue Development), 2012 Series A (the “2012 Bonds”).

The 2012 Bonds are to be issued in accordance with the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law, constituting Chapter 44-b of the Consolidated Laws of the State of New York, as amended (the “Act”), and pursuant to a resolution entitled “Multi-Family Rental Housing Revenue Bonds (1133 Manhattan Avenue Development) Bond Resolution” adopted by the Members of the Corporation on ______, 2012. Such resolution, as amended and supplemented from time to time, is herein referred to as the “Resolution.” Pursuant to the Resolution, bonds issued thereunder are equally and ratably secured by the pledges and covenants contained therein and all such bonds, including the 2012 Bonds, are herein referred to as the “Bonds.” U.S. Bank National Association, located in New York, New York, will act as trustee for the 2012 Bonds (with its successors, the “Trustee”). Certain defined terms used herein are set forth in Appendix A hereto.

INTRODUCTION

The Corporation, which commenced operations in 1972, is a corporate governmental agency constituting a public benefit corporation, organized and existing under the laws of the State of New York (the “State”). The Corporation was created by the Act for the purpose of providing and encouraging the investment of private capital in safe and sanitary dwelling accommodations in the City of New York within the financial reach of families and persons of low income, which includes families and persons whose need for housing accommodations cannot be provided by the ordinary operations of private enterprise, or in areas designated as blighted, through the provision of low interest mortgage loans. The Act provides that the Corporation and its corporate existence shall continue at least so long as bonds, notes or other obligations of the Corporation shall be outstanding.

The 2012 Bonds are being issued to finance a portion of the mortgage loan (the “Mortgage Loan”) to 1133 Manhattan Avenue LLC, a New York limited liability company (the “Mortgagor”), for the purposes of paying a portion of the costs of acquiring, constructing and equipping a multi-family rental housing facility to be located at 1133 Manhattan Avenue in the Borough of Brooklyn, New York (the “Project”), and certain other costs related thereto. See “ESTIMATED SOURCES AND USES OF FUNDS” herein. The Corporation has authorized and expects to issue and deliver in 2013 up to $________ aggregate principal amount of additional Bonds under the Resolution on a parity with the 2012 Bonds (the “2013 Bonds”) to finance additional portions of the Mortgage Loan. In the event that the Project is not completed within 60 months after the date of initial issuance and delivery of the 2012 Bonds, as required by the Credit Agreement, there may be a mandatory tender or redemption of the 2012 Bonds, in whole or in part. See “DESCRIPTION OF THE 2012 BONDS – Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2012 Bonds Upon an Event of Termination” and “Redemption of 2012 Bonds - Mandatory - Mandatory Redemption Upon a Declaration of Acceleration – Following an Event of Termination” herein. In addition, if the Mortgage Loan is made in an amount less than the amount of 2012 Bonds issued, all or a portion of the 2012 Bonds may be redeemed. See

Simultaneously with the issuance of the 2012 Bonds, the Corporation will be making a separate subordinate mortgage loan in the amount of $6,825,000 to the Mortgagor (the “Non-Bond Loan”), the proceeds of which will be used to pay a portion of the costs of constructing and equipping the Project. No obligations will be issued by the Corporation to provide proceeds for the Non-Bond Loan and the Corporation has not pledged the scheduled or other payments required by the Non-Bond Loan or the subordinate mortgage securing the Non-Bond Loan (the "Non-Bond Mortgage") for the benefit of the owners of the 2012 Bonds.

The Mortgagor expects to receive a 25-year exemption from real estate taxes with respect to the Project in accordance with Section 421-a of the Real Property Tax Law of the State of New York. In addition, the Mortgagor expects to master lease the Low Income Units for a period of 95 years to 1133 Manhattan Avenue Master Tenant L.L.C, which expects to receive an allocation of federal low income housing tax credits with respect to the Low Income Units.

The Mortgagor also expects to finance a portion of the Project with equity raised from 1133 Manhattan Avenue GP LLC, the sole member of the Mortgagor, in connection with certain tax credits anticipated to be obtained pursuant to the New York State Brownfield Cleanup Program, which equity will be bridged through a loan from Goldman Sachs Bank USA to 1133 Manhattan Avenue GP LLC (the “Bridge Loan”). The scheduled or other payments required by the Bridge Loan are not pledged for the benefit of the owners of the 2012 Bonds and such loan will not be secured by a mortgage on the Project. [Goldman Sachs Bank USA will also fund an equity investment in the Project through an affiliate that, upon completion, is expected to acquire ownership of the affordable condominium units in the development, and, as a result, will receive future payments from the Project.]

Concurrently with, and as a condition precedent to, the issuance of the 2012 Bonds, the Corporation will cause to be delivered to the Trustee an irrevocable, direct-pay credit enhancement agreement, effective as of the date of issuance of the 2012 Bonds (sometimes referred to herein as the “Initial Credit Facility” or the “Credit Enhancement Agreement”) executed and delivered by the Federal Home Loan Mortgage Corporation (“Freddie Mac”). Under the Credit Enhancement Agreement, Freddie Mac will advance funds to the Trustee with respect to the payment of: (i) the principal of the 2012 Bonds when due by reason of acceleration, redemption, defeasance or stated maturity and (ii) up to 35 days’ interest thereon (computed at the Maximum Rate) to pay the interest on the 2012 Bonds when due on or prior to their stated maturity date. Freddie Mac will also advance funds under the Credit Enhancement Agreement to the Trustee up to the principal amount of the 2012 Bonds and interest thereon (computed at the Maximum Rate) for up to 35 days in order to pay the Purchase Price of 2012 Bonds tendered and not remarshaled. The Credit Enhancement Agreement will expire on __________, unless terminated earlier in accordance with its terms, as described herein. The Credit Enhancement Agreement constitutes a “Credit Facility” and the “Initial Credit Facility” under the Resolution and Freddie Mac constitutes a "Credit Facility Provider" and the “Initial Credit Facility Provider” under the Resolution. See “SECURITY FOR THE BONDS.” It is expected that, upon issuance of the 2013 Bonds, a new Credit Enhancement Agreement will be executed and delivered by Freddie Mac in place of the Credit Enhancement Agreement then in effect in an amount sufficient under the Resolution to secure the 2012 Bonds and the 2013 Bonds. This substitution of the Credit Enhancement Agreement shall not be deemed a replacement or substitution of the Credit Enhancement Agreement for purposes of the provisions of the Resolution and, accordingly, will not result in a mandatory tender of the Bonds.

The Mortgage Loan is to be evidenced by a mortgage note (as the same may be amended, modified or supplemented, the “Mortgage Note”) and secured by a first priority mortgage on the Project.
(as the same may be amended, modified or supplemented, the "Mortgage"). The Mortgage Note and Mortgage are to be assigned by the Corporation to the Trustee and Freddie Mac, as their interests may appear, subject to the reservation by the Corporation of certain rights. The Trustee will assign the mortgage rights assigned to it to Freddie Mac but will retain the right to receive payments relating to the Principal Reserve Fund deposits subject to Freddie Mac’s right to direct the Trustee to assign its entire interest in the Mortgage Loan to Freddie Mac. See "SECURITY FOR THE BONDS."

The 2012 Bonds are special obligations of the Corporation payable solely from payments under the Mortgage Loan and other Revenues pledged therefor under the Resolution, including any investment earnings thereon, all as provided in accordance with the terms of the Resolution. In addition, the 2012 Bonds are payable from advances under the Credit Enhancement Agreement or any Alternate Security (collectively, the "Credit Facility"). See "SECURITY FOR THE BONDS."

The Mortgagor will enter into a Reimbursement and Security Agreement (the "Credit Agreement" or the "Reimbursement Agreement") with Freddie Mac pursuant to which the Mortgagor will agree to reimburse Freddie Mac for any payments made by Freddie Mac under the Credit Enhancement Agreement. Pursuant to the Reimbursement Agreement, the Mortgagor is required to forward, or cause to be forwarded, to Freddie Mac a standby letter of credit (the "Construction LOC") to be in effect during the period of construction and rental achievement of the Project. The Mortgagor has arranged for Goldman Sachs Bank USA (the "Construction Lender") to issue the Construction LOC. The Construction LOC is security for Freddie Mac only, not the Bondholders and may not be drawn on by the Trustee. The Construction Lender and Freddie Mac will enter into a Construction Phase Financing Agreement (the "Construction Phase Financing Agreement") with respect to the administration of the Mortgage Loan while the Construction LOC is in effect. Upon compliance with certain conditions contained in the Construction Phase Financing Agreement and the Reimbursement Agreement, the Construction LOC will be returned to the issuer thereof. Failure to meet such conditions by ________ (subject to extension by the Construction Lender for up to one six-month period at the request of the Mortgagor and the satisfaction of certain conditions) or by ________ (subject to extension by Freddie Mac and the Construction Lender for up to an additional six-month period at the request of the Mortgagor and the satisfaction of certain conditions) will be an event of default under the Reimbursement Agreement and Freddie Mac may thereupon direct the mandatory redemption or, at the direction of the Construction Lender, the mandatory tender of all of the 2012 Bonds. In addition, in order to meet such conditions, the Mortgagor may be required to pay a portion of the Mortgage Loan (as a condition to returning the Construction LOC and, under certain circumstances, at a subsequent time), resulting in a redemption of an equal principal amount of the 2012 Bonds. See "THE MORTGAGE LOAN AND OTHER FINANCING" and "DESCRIPTION OF THE 2012 BONDS – Redemption of 2012 Bonds – Mandatory – Mandatory Redemption from Certain Recoveries of Principal".

Upon an event of default under the Reimbursement Agreement while the Construction LOC is in effect, Freddie Mac, at the direction of the Construction Lender or in the discretion of Freddie Mac with respect to certain events of default, may direct the mandatory tender or mandatory redemption of all of the 2012 Bonds. Upon an event of default under the Reimbursement Agreement after the Construction LOC is terminated, Freddie Mac, at its option, may direct the mandatory tender or mandatory redemption of all or a portion of the 2012 Bonds. See "SUMMARY OF CERTAIN PROVISIONS OF THE CREDIT AGREEMENT – Events of Default" and "– Remedies," "DESCRIPTION OF THE 2012 BONDS – Redemption of 2012 Bonds – Mandatory –Mandatory Redemption Following an Event of Termination" and "DESCRIPTION OF THE 2012 BONDS – Credit Facility Provider’s Right To Cause a Mandatory Tender for Purchase of 2012 Bonds Upon an Event of Termination." The Mortgagor’s reimbursement obligations to Freddie Mac will be secured by a second priority mortgage lien on the Project (the “Freddie Mac Reimbursement Mortgage”), which will be subordinate to the Mortgage.
The 2012 Bonds are being issued as variable rate obligations which will bear interest from their date of issue at a rate per annum set forth in a certificate of the Corporation delivered on the date of issue of the 2012 Bonds. Thereafter, the 2012 Bonds will initially bear interest at the Weekly Rate, to be determined weekly and as otherwise described herein by Goldman, Sachs & Co. as remarketing agent for the 2012 Bonds (in such capacity, the “Remarketing Agent”). Under certain circumstances, and with the prior written consent of Freddie Mac, the method of calculating the interest rate borne by the 2012 Bonds may be changed from time to time to a different method provided for in the Resolution or the interest rate may be converted to a fixed rate to maturity. See “DESCRIPTION OF THE 2012 BONDS.” The 2012 Bonds are subject to a maximum interest rate of twelve percent (12%) per annum, or such higher rate (which shall not exceed fifteen percent (15%) per annum) as may be established in accordance with the provisions of the Resolution (the “Maximum Rate”).

During any period of time in which the 2012 Bonds bear interest at the Weekly Rate, the 2012 Bonds are subject to purchase at a price equal to 100% of the principal amount of the 2012 Bonds plus accrued and unpaid interest thereon to the date of purchase (the “Purchase Price”). Such purchase shall be made upon demand of the owner thereof on any Business Day upon at least seven days' prior notice delivered to the Trustee prior to 4:00 p.m., New York City time. The 2012 Bonds are also subject to mandatory tender for purchase and are subject to optional and mandatory redemption as set forth in the Resolution and described herein. Payment of the Purchase Price of tendered 2012 Bonds that are not remarshaled shall be paid with amounts provided pursuant to the Credit Enhancement Agreement. As more fully described herein, the loss of exclusion of interest on the 2012 Bonds from gross income for Federal income tax purposes would not, in and of itself, result in a mandatory tender or redemption of the 2012 Bonds.

This Official Statement in general describes the 2012 Bonds only while the 2012 Bonds bear interest at the Weekly Rate.

The 2012 Bonds are not a debt of the State of New York or The City of New York and neither the State nor the City shall be liable thereon, nor shall the 2012 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged therefor. The Corporation has no taxing power.

FREDDIE MAC’S OBLIGATIONS WITH RESPECT TO THE 2012 BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE 2012 BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE 2012 BONDS UNDER THE CIRCUMSTANCES DESCRIBED HEREIN. THE 2012 BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

Descriptions of the 2012 Bonds and sources of payment, the Corporation, Freddie Mac, the Mortgage, the Project, the Mortgage Loan, the Credit Enhancement Agreement, the Resolution, the Reimbursement Agreement and certain related agreements are included in this Official Statement. All summaries or descriptions herein of documents and agreements are qualified in their entirety by reference to such documents and agreements and all summaries herein of the 2012 Bonds are qualified in their
entirety by reference to the Resolution and the provisions with respect thereto included in the aforesaid documents and agreements. Copies of the Resolution are available for inspection at the office of the Corporation. The Corporation has covenanted in the Resolution to provide a copy of each annual report of the Corporation (and certain special reports, if any) and any Accountant’s Certificate relating thereto to each Bond owner who shall have filed such owner’s name and address with the Corporation for such purposes. See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Accounts and Reports” herein. Other than as so covenanted in the Resolution, the Corporation has not committed to provide any information on an ongoing basis to any repository or other entity or person.

THE MORTGAGE LOAN AND OTHER FINANCING

The Resolution authorizes the Corporation to issue the 2012 Bonds to provide moneys to finance the Mortgage Loan for the purposes of paying a portion of the costs of acquiring, constructing and equipping the Project and certain other costs related thereto. As a condition to the initial issuance and delivery of the 2012 Bonds, Freddie Mac is to deliver the Credit Enhancement Agreement to the Trustee. The Corporation and the Mortgagor will enter into a construction and project loan agreement (as the same may be amended or supplemented, the “Loan Agreement”), simultaneously with the issuance of the 2012 Bonds. If the costs of acquiring, constructing and equipping the Project are less than the amount originally anticipated and, in turn, the Mortgage Loan is made in an amount less than the amount originally anticipated, a portion of the 2012 Bonds may be redeemed. See “DESCRIPTION OF THE 2012 BONDS — Redemption of 2012 Bonds — Optional — Special Redemption” herein. The Corporation has authorized and expects to issue and deliver in 2013 up to $____________ aggregate principal amount of the 2013 Bonds to finance additional portions of the Mortgage Loan. The Mortgage Loan is to be evidenced by the Mortgage Note, in an amount equal to the principal amount of the 2012 Bonds and, if issued, the 2013 Bonds, executed by the Mortgagor in favor of the Corporation and secured by the Mortgage. The Mortgagor is required under the Mortgage Note to make payments sufficient to pay principal of and interest on the 2012 Bonds. Pursuant to the terms of the Resolution and the Assignment and Intercreditor Agreement by and among the Corporation, the Trustee and the Credit Facility Provider and acknowledged by the Mortgagor and the Construction Lender (the “Assignment”), the Corporation will assign and deliver to Freddie Mac and the Trustee, as their interests may appear, subject to the reservation of certain rights by the Corporation, all of its right, title and interest in and to the Mortgage Loan and the Mortgage Documents. Freddie Mac has the right under the Assignment to direct the Trustee to assign the Mortgage Note and the Mortgage to Freddie Mac in certain events.

It is expected that, upon issuance of the 2013 Bonds, a new Credit Enhancement Agreement will executed and delivered by Freddie Mac in place of the Credit Enhancement Agreement then in effect in an amount sufficient under the Resolution to secure the 2012 Bonds and the 2013 Bonds. This substitution of the Credit Enhancement Agreement shall not be deemed a replacement or substitution of the Credit Enhancement Agreement for purposes of the provisions of the Resolution and, accordingly, will not result in a mandatory tender of the Bonds.
Pursuant to the terms and conditions of the Reimbursement Agreement, on or prior to the date of issuance of the 2012 Bonds, the Mortgagor is required to provide to Freddie Mac an irrevocable standby letter of credit (the “Construction LOC”) in an amount at least equal to the amount available to be drawn under the Credit Enhancement Agreement. The Mortgagor has arranged for the Construction Lender to issue the Construction LOC. The Construction LOC is to be in effect during the period of construction and rental achievement of the Project. Such Construction LOC is to provide for the timely reimbursement to Freddie Mac of advances under the Credit Enhancement Agreement in connection with a redemption or mandatory tender of the 2012 Bonds following an event of default under the Reimbursement Agreement on or before the termination of the Construction LOC. The Construction Lender will not be secured by a mortgage on the Project. The Construction LOC is security for Freddie Mac only, not the Bondholders, and may not be drawn on by the Trustee.

[The Construction Lender and the Corporation have agreed that, in the event that the Corporation does not issue the 2013 Bonds, the Construction Lender shall either, subject to the satisfaction of certain conditions, with their own funds (i) purchase from the Corporation participations in the Mortgage Loan up to the aggregate amount necessary to fully fund the Mortgage Loan (the “Mortgage Participations”) or (ii) make a subordinate loan to the Mortgagor and, in the case of the subordinate loan, the Corporation will sever and assign to the Lenders the applicable portion of the Mortgage and the Mortgage Note. The portion of the Mortgage Loan that is not funded through Mortgage Participations is referred to as the “Retained Portion.” The proceeds of the sale of the Mortgage Participations will be used to pay costs of the Project and certain other related costs and expenses and will not secure the 2012 Bonds. In the event Mortgage Participations are sold by the Corporation and thereafter the 2013 Bonds are issued, the proceeds of the 2013 Bonds will first be utilized to repurchase the Mortgage Participations. Under the Resolution, Mortgage Loan payments are to be applied to reimburse the Bank for amounts obtained under the Construction LOC to pay principal and/or interest on the 2012 Bonds, provided that prepayments of the Mortgage Loan, whether voluntary or involuntary, shall, so long as no Wrongful Dishonor has occurred and is continuing, only be so applied after all Mortgage Participations, if any, have been paid in full.]

Upon compliance with certain conditions contained in the Construction Phase Financing Agreement and the Reimbursement Agreement (the “Mortgage Loan Conversion”), the Construction LOC will be returned to the Construction Lender. Such conditions include completion of construction of the Project and the achievement of certain occupancy levels. Completion of construction of the Project depends upon, among other things, the ability of the Mortgagor to obtain various approvals, some of which have not yet been obtained. Failure of the Mortgage Loan Conversion to occur by ____________ (subject to extension by the Construction Lender for up to one six-month period at the request of the Mortgagor and the satisfaction of certain conditions) or by ____________ (subject to extension by Freddie Mac and the Construction Lender for up to an additional six-month period at the request of the Mortgagor and the satisfaction of certain conditions) will be an event of default under the Reimbursement Agreement and Freddie Mac may thereupon direct the mandatory redemption or, at the direction of the Construction Lender, the mandatory tender of all of the 2012 Bonds. In addition, upon an event of default under the Reimbursement Agreement while the Construction LOC is in effect, Freddie Mac, at the direction of the Construction Lender or in the discretion of Freddie Mac with respect to certain events of default, may direct the mandatory tender or mandatory redemption of all of the 2012 Bonds. See “DESCRIPTION OF THE 2012 BONDS — Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2012 Bonds Upon an Event of Termination” and “Redemption of 2012 Bonds – Mandatory — Mandatory Redemption — Following an Event of Termination” herein. See also “SUMMARY OF CERTAIN PROVISIONS OF THE CREDIT AGREEMENT” herein.

The Construction Phase Financing Agreement and the Reimbursement Agreement provide that, as a condition to Mortgage Loan Conversion, the principal amount of the Mortgage Loan may not be
greater than an amount determined based on the occupancy of the Project at such time and the level of net income then generated by the Project (the “Permanent Phase Mortgage Loan Amount”). If the Mortgage Loan outstanding at such time is greater than the Permanent Phase Mortgage Loan Amount, then the Mortgagor is required to prepay the Mortgage Loan in an amount equal to such difference (rounded up to the nearest $5,000). Any Mortgage Loan prepayments described in this paragraph will be applied to reimburse Freddie Mac for amounts drawn on the Credit Enhancement Agreement to effect the redemption of an equal principal amount of the 2012 Bonds. See “DESCRIPTION OF THE 2012 BONDS — Redemption of 2012 Bonds — Mandatory — Mandatory Redemption from Certain Recoveries of Principal”.

Upon an event of default under the Reimbursement Agreement after the Construction LOC is terminated, Freddie Mac, at its option, may direct the mandatory tender or mandatory redemption of all or a portion of the 2012 Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE CREDIT AGREEMENT — Events of Default” and “— Remedies,” “DESCRIPTION OF THE 2012 BONDS — Redemption of 2012 Bonds — Mandatory Redemption Following an Event of Termination” and “DESCRIPTION OF THE 2012 BONDS — Credit Facility Provider’s Right To Cause a Mandatory Tender for Purchase of 2012 Bonds Upon an Event of Termination.”

Simultaneously with the issuance of the 2012 Bonds, the Corporation will be making the Non-Bond Loan to the Mortgagor, the proceeds of which will be used to pay a portion of the costs of constructing and equipping the Project. The lien of the Non-Bond Mortgage on the Project will be subordinate to the lien of the Mortgage and the Freddie Mac Reimbursement Mortgage on the Project. No obligations will be issued by the Corporation to provide proceeds for the Non-Bond Loan and the Corporation has not pledged the scheduled or other payments required by the Non-Bond Loan or the Non-Bond Mortgage for the benefit of the owners of the 2012 Bonds. Pursuant to the Reimbursement Agreement, a default by the Mortgagor under the Non-Bond Loan constitutes a default under the Reimbursement Agreement. A default under the Reimbursement Agreement would permit Freddie Mac, at its option, to direct the mandatory tender or mandatory redemption of the 2012 Bonds in whole or in part. See “SUMMARY OF CERTAIN PROVISIONS OF THE CREDIT AGREEMENT — Events of Default” and “— Remedies,” “DESCRIPTION OF THE 2008 BONDS — Redemption of 2008 Bonds — Mandatory Redemption Following an Event of Termination” and “DESCRIPTION OF THE 2008 BONDS — Credit Facility Provider’s Right To Cause a Mandatory Tender for Purchase of 2008 Bonds Upon an Event of Termination”.

The Mortgagor expects to receive a 25-year exemption from real estate taxes with respect to the Project in accordance with Section 421-a of the Real Property Tax Law of the State of New York. In addition, the Mortgagor expects to master lease the Low Income Units for a period of 95 years to 1133 Manhattan Avenue Master Tenant LLC, which expects to receive an allocation of federal low income housing tax credits with respect to the Low Income Units.

The Mortgagor also expects to finance a portion of the Project with equity raised from 1133 Manhattan Avenue GP LLC, the sole member of the Mortgagor, in connection with certain tax credits anticipated to be obtained from the New York State Brownfield Cleanup Program, which equity will be bridged through the Bridge Loan from Goldman Sachs Bank USA to 1133 Manhattan Avenue GP LLC. The scheduled or other payments required by the Bridge Loan are not pledged for the benefit of the owners of the 2012 Bonds and such loan will not be secured by a mortgage on the Project. [Goldman Sachs Bank USA will also fund an equity investment in the Project through an affiliate that, upon completion, is expected to acquire ownership of the affordable condominium units in the development, and, as a result, will receive future payments from the Project.]
The ability of the Mortgagor to make timely payments on the Mortgage Loan is dependent on the revenues derived from the Project. Due to the inherent uncertainty of future events and conditions, no assurance can be given that revenues generated by the Project will be sufficient to pay expenses of the Project, including without limitation, debt service on the Mortgage Loan, the Non-Bond Loan, operating expenses, servicing fees, fees due to Freddie Mac and the Construction Lender, Remarketing Agent fees, Trustee and Tender Agent fees and fees owed to the Corporation. The ability of the Project to generate sufficient revenues may be affected by a variety of factors, including but not limited to completion of the Project, achievement and maintenance of a certain level of occupancy, the level of rents prevailing in the market, the ability to achieve increases in rents as necessary to cover debt service and operating expenses, interest rate levels, the level of operating expenses, project management, adverse changes in applicable laws and regulations, and general economic conditions and other factors in the metropolitan area surrounding the Project. The Mortgagor is required to rent 62 of the units in the Project to persons or families of moderate income and the amount of rent that may be charged for such units is expected to be less than market rates and the Mortgagor is required to rent an additional 43 of the units in the Project to persons or families of low and very low income and the amount of rent that may be charged for such units is expected to be materially less than market rates. In addition to these factors, other adverse events may occur from time to time which may have a negative impact on the occupancy level and rental income of the Project.

Failure of the Mortgagor to make payments when due under the Mortgage Loan, the Non-Bond Loan, or the Reimbursement Agreement will result in an event of default under the Mortgage Loan and the Reimbursement Agreement and may, at the option of the Credit Facility Provider (exercised at the direction of the Construction Lender while the Construction LOC is in effect), result in a mandatory tender or redemption of all or a portion of the 2012 Bonds. See "DESCRIPTION OF THE 2012 BONDS - Credit Facility Provider's Right to Cause a Mandatory Tender for Purchase of 2012 Bonds Upon an Event of Termination" and "- Mandatory Redemption Following Event of Termination" herein. See also "SUMMARY OF CERTAIN PROVISIONS OF THE CREDIT AGREEMENT" herein.

The Mortgage Loan is a non-recourse obligation of the Mortgagor with respect to which its members have no personal liability and as to which its members have not pledged for the benefit of the Bondholders any of their respective assets, other than the Project and its rents, profits and proceeds.

THE PROJECT AND THE MORTGAGOR

The Mortgagor has provided the following information regarding itself and the Project owned by it and the information regarding the Key Principals for use herein. While the information is believed to be reliable, neither the Corporation, the Bank, the Underwriter nor any of their respective counsel, members, directors, officers or employees makes any representation as to the accuracy or sufficiency of such information.

The Project

The 2012 Bonds are being issued to finance a Mortgage Loan in the amount of $46,000,000 (the "Mortgage Loan") to 1133 Manhattan Avenue LLC, a New York limited liability company (the "Mortgagor"), for the purpose of paying a portion of the costs of constructing and equipping a multi-family rental housing facility consisting of one residential building with commercial space and associated parking to be located at 1133 Manhattan Avenue, Kings County, Borough of Brooklyn, New York (the "Project"). The Project, after the demolition of certain existing improvements, is expected to consist of two hundred ten (210) dwelling units (one (1) studio, ninety three (93) one-bedroom units and one hundred sixteen (116) two-bedroom units), plus associated parking and approximately 8,066 square feet of commercial space. Construction of the Project is expected to take 22 months with a full lease-up of the
Project expected to be completed 8 months thereafter. It is anticipated that seven (7) of the units will be set aside for households earning no more than 40% of the New York City area median income, adjusted for family size ("AMI"), with rents for such units expected to be set at 30% of 38% AMI. Thirty-six (36) of the units will be set aside for households earning no more than 50% of AMI with rents expected to be set at 30% of 48% AMI (collectively, with the foregoing seven (7) units, the "Low Income Units"). Sixty-two (62) of the units will be set aside for households earning no more than 175% of AMI with rents expected to be set at 30% of 130% AMI. One hundred five (105) of the units will be leased at market rate.

The Mortgagor expects to receive a 25-year exemption from real estate taxes with respect to the Project in accordance with Section 421-a of the Real Property Tax Law of the State of New York. In addition, the Mortgagor expects to master lease the Low Income Units for a period of 95 years to 1133 Manhattan Avenue Master Tenant LLC, which expects to receive an allocation of federal low income housing tax credits with respect to the Low Income Units. The Mortgagor also expects to finance a portion of the Project with equity raised from 1133 Manhattan Avenue GP LLC, the sole member of the Mortgagor, in connection with certain tax credits anticipated to be obtained pursuant to the New York State Brownfield Cleanup Program, which equity will be bridged through a loan from Goldman Sachs Bank USA to 1133 Manhattan Avenue GP LLC. [Goldman Sachs Bank USA will also fund an equity investment in the Project through an affiliate that, upon completion, is expected to acquire ownership of the affordable condominium units in the development., and, as a result, will receive future payments from the Project.]

The site of the Project is owned by an unrelated corporation with no interest in either the Project or the 2012 Bonds (the "Ground Lessor"). The Ground Lessor leases the site of the Project to the Mortgagor pursuant to a 99-year ground lease (the "Ground Lease"). The Ground Lease will be superior to all fee mortgages on the site of the Project that currently exist or may exist in the future.

Mortgagor

The Project will be owned by 1133 Manhattan Avenue LLC (the "Mortgagor"). 1133 Manhattan Avenue GP LLC will be the sole member of the Mortgagor. 1133 Manhattan Avenue GP LLC is a single purpose limited liability company, the members of which will be Domain 1133 LLC, which will possess a 95% membership interest in 1133 Manhattan Avenue GP LLC and Peter Papanicolaou, who will possess a 5% membership interest in 1133 Manhattan Avenue GP LLC. The sole member of Domain 1133 LLC is The Domain Companies LLC, the members of which are Matthew Schwartz and Chris Papanicolaou. It is anticipated that certain of the obligations of the Mortgagor are to be guaranteed by Matthew Schwartz and Chris Papanicolaou (the "Key Principals").

The Mortgagor was formed solely for the purpose of developing, owning and operating the Project. As such, the Mortgagor has not previously engaged in any business operations other than certain relocation, demolition and related activities in connection with the Project, which activities were financed using the proceeds of a predevelopment loan from Goldman Sachs Bank USA to the Mortgagor, which indebtedness will be retired upon the closing of the Mortgage Loan and the Mortgagor has no historical earnings and has no assets other than its interest in the Project. Accordingly, it is expected that the Mortgagor will not have any sources of funds to make payments on the Mortgage Loan other than revenues generated by the Project. The Mortgage Loan is a non-recourse obligation of the Mortgagor with respect to which its principals have no personal liability (except as otherwise provided in the guaranty) and as to which its principals have not pledged any of their respective assets (except as otherwise provided in the guaranty), other than the Project and its rents, profits and proceeds.
The Project will be developed by 1133 Manhattan Avenue Developers LLC, a limited liability company owned by Domain 1133 LLC. The Key Principals and their affiliates have collectively developed over 1,800 residential housing units, including over 1,775 affordable units.

Domain Cos Management LLC, an affiliate of the Key Principals, will manage the Project. Domain Cos Management LLC is a full-service property management organization with a focus on affordable housing. Domain Cos Management LLC and its affiliates currently manage over 1,560 units, including over 1,125 affordable units.

Mega Contracting Group LLC ("Mega") will be the general contractor for the Project. Mega and its affiliates have constructed or rehabilitated over 3,400 residential rental units in over 50 developments in the New York City area with approximately 615 additional residential rental units currently underway.

FREDDIE MAC

The information presented under this caption "FREDDIE MAC" has been supplied by Freddie Mac. None of the Corporation, the Trustee, the Mortgagor or the Underwriter has independently verified such information, and none assumes responsibility for the accuracy of such information. The information is qualified in its entirety by reference to the Incorporated Documents, as defined below.

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. §§ 1451-1459 (the “Freddie Mac Act”). Freddie Mac’s statutory mission is (i) to provide stability in the secondary market for residential mortgages; (ii) to respond appropriately to the private capital market; (iii) to provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities); and (iv) to promote access to mortgage credit throughout the United States (including central cities, rural areas and underserved areas) by increasing the liquidity of mortgage financing. Neither the United States nor any agency or instrumentality of the United States is obligated, either directly or indirectly, to fund the mortgage purchase or financing activities of Freddie Mac or to guarantee Freddie Mac’s securities or obligations.

Freddie Mac’s principal business consists of the purchase of (i) first-lien, conventional residential mortgages subject to certain maximum loan limits and other underwriting requirements under the Freddie Mac Act and (ii) securities backed by such mortgages. Freddie Mac finances its mortgage purchases and mortgage-backed securities purchases through the issuance of a variety of securities, primarily pass-through mortgage participation certificates and unsecured debt, as well as with cash and equity capital.

On September 7, 2008, the Director of the Federal Housing Finance Agency (“FHFA”) appointed FHFA as conservator of Freddie Mac in accordance with the Federal Housing Finance Reform Act of 2008 (the “Reform Act”) and the Federal Housing Enterprises Financial Safety and Soundness Act of 1992. On September 7, 2008, in connection with the appointment of FHFA as conservator, Freddie Mac and the U.S. Department of the Treasury (“Treasury”) entered into a Senior Preferred Stock Purchase Agreement. Also, pursuant to its authority under the Reform Act, Treasury announced that it has established the Government Sponsored Enterprise Credit Facility (a lending facility to ensure credit availability to Freddie Mac, Fannie Mae, and the Federal Home Loan Banks that will provide secured funding on an as needed basis under terms and conditions established by the Treasury Secretary to protect taxpayers) and a program under which Treasury will purchase Government Sponsored Enterprise (including Freddie Mac) mortgage-backed securities (MBS) in the open market. The announcements by
FHFA and Treasury and descriptions of these programs are available at their respective websites: http://www.OFHEO.gov and http://www.Treasury.gov.

Freddie Mac registered its common stock with the U.S. Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934 (the “Exchange Act”), effective July 18, 2008. As a result, Freddie Mac files annual, quarterly and current reports, proxy statements and other information with the SEC. FREDDIE MAC’S OBLIGATIONS WITH RESPECT TO THE 2012 BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE 2012 BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE 2012 BONDS UNDER THE CIRCUMSTANCES DESCRIBED HEREIN. THE 2012 BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

DESCRIPTION OF THE 2012 BONDS

This Official Statement in general describes the 2012 Bonds only while the 2012 Bonds bear interest at a Weekly Rate.
General

The 2012 Bonds are to be dated and will mature as set forth on the cover page of this Official Statement. The 2012 Bonds will bear interest from the date of their delivery until payment of the principal thereof is made or provided for in accordance with the provisions of the Resolution, whether at maturity on __________, upon redemption or otherwise. The 2012 Bonds are being issued as variable rate obligations which will bear interest from their date of issue to but not including the Wednesday following said date of issue at a rate per annum set forth in a Certificate of the Corporation delivered on the date of issuance of the 2012 Bonds. Thereafter, the 2012 Bonds will bear interest initially at the Weekly Rate as determined from time to time by the Remarketing Agent. At no time shall the interest rate on the 2012 Bonds exceed the Maximum Rate. The 2012 Bonds are subject to conversion to alternate methods of determining interest rates thereon from time to time and to conversion to an interest rate fixed to maturity upon the terms and conditions described herein.

The 2012 Bonds shall be issued solely in fully registered form, without coupons, issuable during a Weekly Rate Period in the denomination of $100,000 or any $5,000 increment in excess of $100,000.

Interest on the 2012 Bonds shall be payable on a monthly basis on the first Business Day of each month commencing on the first Business Day of __________, on any Change Date and on the maturity date of the 2012 Bonds. Interest on the 2012 Bonds shall be computed on the basis of a 365 or 366-day year, for the actual number of days elapsed.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as the securities depository for the 2012 Bonds. The 2012 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2012 Bond certificate will be issued in the aggregate principal amount of the 2012 Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants", and together with Direct Participants, "Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.
Purchases of the 2012 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2012 Bonds on DTC’s records. The ownership interest of each actual purchaser of each 2012 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2012 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2012 Bonds, except in the event that use of the book-entry system for such 2012 Bonds is discontinued.

To facilitate subsequent transfers, all 2012 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the 2012 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2012 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such 2012 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the 2012 Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such 2012 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2012 Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the 2012 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the 2012 Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the Corporation or the Trustee on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name”, and will be the responsibility of such Participant and not of DTC, the Trustee or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Corporation or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
DTC may discontinue providing its services as securities depository with respect to the 2012 Bonds at any time by giving reasonable notice to the Corporation or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, 2012 Bond certificates are required to be printed and delivered.

The Corporation may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2012 Bond certificates will be printed and delivered to DTC.

A Beneficial Owner shall give notice to elect to have its 2012 Bonds purchased or tendered, through its Participant, to the Tender Agent, and shall effect delivery of such 2012 Bonds by causing the Direct Participant to transfer the Participant’s interest in the 2012 Bonds, on DTC’s records, to the Tender Agent. The requirement for physical delivery of the 2012 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the 2012 Bonds are transferred by Direct Participants on DTC’s records and followed by a book-entry credit of tendered 2012 Bonds to the Tender Agent’s DTC account.

The information herein concerning DTC and DTC’s book-entry system has been obtained from sources that the Corporation believes to be reliable, but the Corporation takes no responsibility for the accuracy thereof.

Each person for whom a Participant acquires an interest in the 2012 Bonds, as nominee, may desire to make arrangements with such Participant to receive a credit balance in the records of such Participant, and may desire to make arrangements with such Participant to have all notices of redemption or other communications to DTC, which may affect such persons, to be forwarded in writing by such Participant and to have notification made of all interest payments. NEITHER THE CORPORATION NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE 2012 BONDS.

So long as Cede & Co. is the registered owner of the 2012 Bonds, as nominee for DTC, references herein to the Bondholders or registered owners of the 2012 Bonds (other than under the caption “TAX MATTERS” herein) shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the 2012 Bonds.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the Trustee to DTC only.

Notwithstanding any other provision of the Resolution to the contrary, so long as any 2012 Bond is held in book-entry form, such 2012 Bond need not be delivered in connection with any optional or mandatory tender of 2012 Bonds described under “DESCRIPTION OF THE 2012 BONDS.” In such case, payment of the Purchase Price in connection with such tender shall be made to the registered owner of such 2012 Bonds on the date designated for such payment, without further action by the Beneficial Owner who delivered notice, and, notwithstanding the description of optional and mandatory tender of 2012 Bonds contained under “DESCRIPTION OF THE 2012 BONDS,” transfer of beneficial ownership shall be made in accordance with the procedures of DTC.

For every transfer and exchange of 2012 Bonds, the Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.
The Corporation, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the 2012 Bonds if the Corporation determines that (i) DTC is unable to discharge its responsibilities with respect to the 2012 Bonds, or (ii) a continuation of the requirement that all of the Outstanding Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interests of the Beneficial Owners. In the event that no substitute securities depository is found by the Corporation or restricted registration is no longer in effect, 2012 Bond certificates will be delivered as described in the Resolution.

NEITHER THE CORPORATION NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (ii) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2012 BONDS UNDER THE RESOLUTION; (iii) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2012 BONDS; (iv) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY; OR INTEREST DUE WITH RESPECT TO THE 2012 BONDS; (v) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE 2012 BONDS; OR (vi) ANY OTHER MATTER.

Interest Rate Periods

Weekly Rate Period. The 2012 Bonds shall bear interest at the Weekly Rate determined in accordance with the Resolution during the period from the date of initial issuance and delivery of the 2012 Bonds to the earlier of the first Interest Method Change Date or the final maturity or redemption in whole of the 2012 Bonds.

The Weekly Rate shall be the lowest interest rate, not exceeding the Maximum Rate, which, in the determination of the Remarketing Agent as of the date of determination and under prevailing market conditions, would result as nearly as practicable in the market price for the 2012 Bonds on the Weekly Effective Rate Date being one hundred percent (100%) of the principal amount thereof, such interest rate to be determined as follows. The Remarketing Agent shall determine the Weekly Rate for the 2012 Bonds not later than 10:00 a.m., New York City time, on the Weekly Effective Rate Date for each Weekly Rate Term; provided, however, that the Weekly Rate from the date of initial issuance and delivery of the 2012 Bonds to but not including the Wednesday following said date of issue shall be the rate for the 2012 Bonds determined by the Corporation and set forth in a Certificate delivered to the Trustee on the date of such issuance and delivery. The Remarketing Agent shall immediately give notice of the determination of any Weekly Rate to the Corporation, the Mortgagor, the Trustee, the Tender Agent, the Credit Facility Provider and the Servicer.

On the Business Day immediately following (i) the issuance and delivery of the 2012 Bonds and (ii) the establishment of any subsequent Weekly Rate Period, the Trustee shall deliver or mail by first-class mail, postage prepaid, to the owner of each 2012 Bond at the address shown on the registration books of the Corporation held by the Trustee, a notice stating the Weekly Rate to be borne by the 2012 Bonds and that from and after the Weekly Effective Rate Date the 2012 Bonds will bear interest at the Weekly Rate for the duration of the applicable Weekly Rate Period. Such notice shall further specify the name, address and telephone number of the person or persons from whom information with respect to the Weekly Rate for each succeeding Weekly Rate Term may be obtained. Unless an Interest Method
Change Date occurs, a new Weekly Rate Term shall automatically commence on the day after the termination of the current Weekly Rate Term.

If for any reason the position of the Remarketing Agent is vacant, or if the Remarketing Agent fails in the performance of its duty to determine the Weekly Rate for any Weekly Rate Term or the Weekly Rate is held to be invalid or unenforceable by a court of law, as set forth in a written notice from the Corporation to the Trustee, the Weekly Rate for such Weekly Rate Term shall be determined by the Trustee and shall be one hundred percent (100%) of the most recent seven-day The Securities Industry and Financial Markets Association (SIFMA) Municipal Swap Index published in The Bond Buyer or otherwise made available to the Trustee.

**Interest Rate Changes.** No change in the method of determining the interest rate on the 2012 Bonds shall be made unless the Trustee has received, at least thirty (30) days prior to the Change Date, (1) a Certificate of an Authorized Officer of the Mortgagor specifying (i) the date which is to be the Interest Method Change Date and (ii) the method of determining the interest rate which shall take effect on such date, (2) a Certificate of an Authorized Officer of the Initial Credit Facility Provider, evidencing consent to such change by the Initial Credit Facility Provider if a Credit Facility is then in effect and, if necessary, an amendment to such Credit Facility conforming such Credit Facility to the requirements of the Resolution applicable to such instrument from and after the Interest Method Change Date, together with various opinions of counsels as set forth in the Resolution, or provision for the issuance of an Alternate Security meeting the requirements of the Resolution, in which case the Interest Method Change Date shall also be a Facility Change Date, (3) an opinion of Bond Counsel to the effect that the proposed change in the method of determining the interest rate on the 2012 Bonds is consistent with the provisions of the Resolution and will not adversely affect the exclusion of the interest on the 2012 Bonds from gross income for Federal income tax purposes, and (4)(i) permission from Bond Counsel to the Corporation, the opinion of which as to the exclusion from gross income for Federal income tax purposes of interest on the 2012 Bonds is on file with the Trustee, to deliver such opinion in connection with the 2012 Bonds, or (ii) an opinion from Bond Counsel to the Corporation as described in the Resolution and to the effect that the interest on the 2012 Bonds is not included in gross income for Federal income tax purposes.

If the Credit Facility Provider notifies the Corporation and the Trustee in writing, that certain events of default have occurred and are continuing under the Credit Agreement, then the Credit Facility Provider may exercise all rights of the Mortgagor with respect to an Interest Method Change Date and the Mortgagor may not exercise such rights unless and until the Trustee and the Corporation are notified that such events of default are cured or waived or the Credit Facility Provider otherwise consents.

**Purchase of the 2012 Bonds on Demand of Owner**

Each owner of a 2012 Bond may, by delivery of a written notice of tender to the Principal Offices of the Tender Agent at 101 Barclay Street, New York, New York 10286 (or such other address as may be established by the Tender Agent from time to time), and the Remarketing Agent at Goldman, Sachs & Co., Attention: Municipal Money Market Sales and Trading, 200 West Street, 6th Floor, New York, New York 10282 (or such other address as may be established by the Remarketing Agent from time to time), not later than 4:00 p.m., New York City time, on any Business Day not less than seven calendar days before the particular Business Day chosen as the purchase date, demand payment of the Purchase Price on and as of such purchase date of all or a portion of such 2012 Bond in any denomination authorized by the Resolution; provided, however, that no portion of a 2012 Bond shall be purchased unless any remaining portion of such 2012 Bond is in a denomination authorized by the Resolution. Each such notice of tender shall be irrevocable and effective upon receipt and shall:
(i) be delivered to the Tender Agent and the Remarketing Agent at their respective Principal Offices and be in a form satisfactory to the Tender Agent; and

(ii) state (A) the aggregate principal amount of the 2012 Bonds to be purchased and the numbers of the 2012 Bonds to be purchased, and (B) the date on which such 2012 Bonds are to be purchased, which date shall be a Business Day not prior to the seventh (7th) day next succeeding the date of delivery of such notice and which date will be prior to any Change Date.

If any 2012 Bonds are to be purchased prior to an Interest Payment Date and after the Record Date in respect thereof, the owner of such 2012 Bond demanding purchase thereof shall deliver to the Tender Agent a due bill, payable to bearer, for interest due on such Interest Payment Date.

Any 2012 Bonds for which a demand for purchase has been made shall be delivered to the Tender Agent at or prior to 10:00 a.m., New York City time, on the date designated for purchase, with an appropriate endorsement for transfer or accompanied by a bond power endorsed in blank.

Any 2012 Bonds not so delivered to the Tender Agent on or prior to the purchase date ("Undelivered 2012 Bonds") for which there has been irrevocably deposited in trust with the Trustee or the Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2012 Bonds shall be deemed to have been purchased at the Purchase Price. IN THE EVENT OF A FAILURE BY AN OWNER OF 2012 BONDS TO DELIVER ITS 2012 BONDS ON OR PRIOR TO THE PURCHASE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE PURCHASE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2012 BONDS, AND ANY UNDELIVERED 2012 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Notwithstanding the above, in the event that any 2012 Bond whose owner has exercised its demand purchase option is remarkeched to such owner, such owner need not deliver such 2012 Bond to the Tender Agent but such 2012 Bond shall be deemed to have been delivered to the Tender Agent and remarkeched and redelivered to such owner.

Mandatory Purchase of 2012 Bonds on Interest Method Change Date

The 2012 Bonds shall be subject to mandatory tender for purchase on any Interest Method Change Date at the Purchase Price; provided that no Interest Method Change Date with respect to the 2012 Bonds shall occur if any 2012 Bonds have not been remarkeched as of the Interest Method Change Date. The Trustee shall deliver, or mail by first class mail a notice not later than fifteen (15) days prior to the Interest Method Change Date to the Remarketing Agent and to the owner of each 2012 Bond at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Interest Method Change Date and reason therefor, that all owners of 2012 Bonds shall be deemed to have tendered their 2012 Bonds for purchase on the Interest Method Change Date, and the Purchase Price for such 2012 Bonds.

Owners of 2012 Bonds shall be required to tender their 2012 Bonds to the Tender Agent for purchase at the Purchase Price on the Interest Method Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2012 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2012 Bonds shall be deemed
to have been purchased at the Purchase Price on the Interest Method Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2012 BONDS TO DELIVER ITS 2012 BONDS ON OR PRIOR TO THE INTEREST METHOD CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE INTEREST METHOD CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2012 BONDS, AND ANY UNDELIVERED 2012 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

**Mandatory Purchase of 2012 Bonds Upon Replacement, Termination or Expiration of Credit Facility**

The 2012 Bonds shall be subject to mandatory tender for purchase on any Facility Change Date at the Purchase Price; provided that no Facility Change Date with respect to the 2012 Bonds shall occur if any 2012 Bonds have not been remarketed on the Facility Change Date. The Trustee shall deliver, or mail by first class mail, a notice not later than fifteen (15) days prior to the Facility Change Date to the Remarketing Agent and to the owner of each 2012 Bond at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Facility Change Date and reason therefor, that all owners of 2012 Bonds shall be deemed to have tendered their 2012 Bonds for purchase on the Facility Change Date, and the Purchase Price for such 2012 Bonds.

Owners of 2012 Bonds shall be required to tender their 2012 Bonds to the Tender Agent for purchase at the Purchase Price on the Facility Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2012 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2012 Bonds shall be deemed to have been purchased at the Purchase Price on the Facility Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2012 BONDS TO DELIVER ITS 2012 BONDS ON OR PRIOR TO THE FACILITY CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE FACILITY CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2012 BONDS, AND ANY UNDELIVERED 2012 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

**Mortgagor’s Right to Cause a Mandatory Tender for Purchase of 2012 Bonds Upon a Notice of Prepayment of the Mortgage Loan in Full**

Pursuant to the Resolution, upon notice to the Trustee from the Corporation of the Mortgagor’s election to prepay the Mortgage Loan in full (said notice from the Corporation to the Trustee being defined in the Resolution as a “Notice of Prepayment of the Mortgage Loan in Full”), the Corporation shall specify a Change Date on which all the 2012 Bonds shall be subject to mandatory tender for purchase, which Change Date shall be the date specified by the Mortgagor for such prepayment of the Mortgage Loan in full.

Following receipt by the Trustee of such Notice of Prepayment of the Mortgage Loan in Full, the Trustee shall deliver, or mail by first-class mail a notice not less than fifteen (15) days prior to such Change Date to the Remarketing Agent and to the owner of each 2012 Bond at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice.
Any notice of mandatory tender relating to a Notice of Prepayment of the Mortgage Loan in Full shall set forth, in substance, the Change Date and reason therefor, that all owners of 2012 Bonds shall be deemed to have tendered their 2012 Bonds for purchase on the Change Date, and the Purchase Price for the 2012 Bonds. Owners of 2012 Bonds shall be required to tender their 2012 Bonds to the Tender Agent for purchase at the Purchase Price on the Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2012 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2012 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2012 BONDS TO DELIVER ITS 2012 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2012 BONDS, AND ANY UNDELIVERED 2012 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Upon such prepayment of the Mortgage Loan in full and payment to the Credit Facility Provider (other than from the proceeds of the remarketing of the 2012 Bonds or from moneys on deposit in the Principal Reserve Fund) of all amounts due under the Credit Agreement, all 2012 Bonds shall be deemed paid and shall be delivered to the Trustee for cancellation.

Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2012 Bonds Upon an Event of Termination

Pursuant to the Resolution, for so long as the Credit Facility is in effect, upon the receipt by the Trustee of written notice from the Credit Facility Provider that one or more events of default have occurred under the Credit Agreement (defined in the Resolution as an “Event of Termination”), including, but not limited to, a default under the Mortgage Loan or a failure to reimburse the Credit Facility Provider under the Credit Agreement, the Credit Facility Provider may specify a Change Date on which all or a portion of the 2012 Bonds shall be subject to mandatory tender for purchase, which Change Date shall not be later than eight (8) days following receipt by the Trustee of the direction to purchase such 2012 Bonds. If only a portion of the 2012 Bonds are to be subject to mandatory tender for purchase, the particular 2012 Bonds to be tendered (which shall be in authorized denominations) shall be selected by the Trustee by lot, using such method as it shall determine in its sole discretion except that the Trustee shall not select any 2012 Bond for tender which would result in any remaining 2012 Bond not being in an authorized denomination as provided in the Resolution. Upon receipt of such written notice from the Credit Facility Provider, the Trustee shall immediately deliver by overnight express mail or courier service, a notice of mandatory tender for purchase to the Remarketing Agent and to the owner of each 2012 Bond to which such notice relates at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. See “SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT” herein.

Any notice of mandatory tender of 2012 Bonds relating to an Event of Termination specified by the Credit Facility Provider shall set forth, in substance, the Change Date and reason therefor, that all owners of affected 2012 Bonds shall be deemed to have tendered their 2012 Bonds for purchase on the Change Date and the Purchase Price for the affected 2012 Bonds. Owners of 2012 Bonds to which a notice of mandatory tender for purchase relates shall be required to tender their 2012 Bonds to the Tender Agent for purchase at the Purchase Price with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2012 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys
sufficient to pay the Purchase Price of the Undelivered 2012 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2012 BONDS TO DELIVER ITS AFFECTED 2012 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2012 BONDS, AND ANY UNDELIVERED 2012 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Provisions Affecting 2012 Bonds if a Change of Method of Determining the Interest Rate Cannot be Effected

If (a) a notice of an Interest Method Change Date has been given in accordance with the Resolution and (b) any of the conditions precedent to an Interest Method Change Date set forth in the Resolution have not been satisfied, then,

(i) the new interest method mode shall not take effect;

(ii) the 2012 Bonds shall be subject to mandatory tender on the proposed Interest Method Change Date and the holders of 2012 Bonds shall not have the right to retain their 2012 Bonds; and

(iii) the interest rate shall remain in the Weekly Rate.

Provisions Affecting the 2012 Bonds if a Facility Change Date Cannot be Effected

If (a) a notice of a Facility Change Date has been given in accordance with the Resolution and (b) any of the conditions precedent to a Facility Change Date set forth in the Resolution have not been satisfied, then, the Facility Change Date shall be cancelled unless the prior Credit Facility is expiring within sixty (60) days after the Facility Change Date. The Trustee shall promptly deliver or mail by first class mail, postage prepaid, to the owner of each 2012 Bonds at the address shown on the registration books of the Corporation, a notice stating that the change shall not occur and the reasons therefore.

Additional Provisions Regarding Purchased Bonds

Pursuant to the Resolution, 2012 Bonds for which the Purchase Price is funded with moneys provided under the Credit Facility and which are not remarketed shall become Purchased Bonds. The Credit Facility shall not constitute security or provide liquidity support for Purchased Bonds. Purchased Bonds shall be pledged pursuant to the Pledge Agreement, except as otherwise provided in the Resolution.

Failure to pay interest on Purchased Bonds when due, or failure to pay principal and interest on Purchased Bonds upon any Redemption Date or purchase date or the maturity date of Purchased Bonds, shall not constitute an Event of Default. Upon the maturity date of the 2012 Bonds, or upon any Redemption Date for the redemption in whole of the 2012 Bonds (whether by reason of optional or mandatory redemption) or date of acceleration of all of the 2012 Bonds, all Purchased Bonds shall be deemed cancelled. Purchased Bonds shall also be cancelled at the direction of the Credit Facility Provider. At such time as a Purchased Bond is remarke
Resolution, give written notice to the Remarketing Agent, the Mortgagor and the Credit Facility Provider that such 2012 Bond is no longer a Purchased Bond.

Changes of Time Period for Provision of Notice Relating to Mandatory Purchase Provision or Demand Purchase Option

The Resolution provides that it is subject to amendment and supplement by a Supplemental Resolution, from time to time, to effect a change with respect to the time periods for provision of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination or the time periods for interest rate determination or the procedure for tendering 2012 Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option, which Supplemental Resolution may be adopted and become effective (i) upon filing of a copy thereof certified by an Authorized Officer of the Corporation with the Trustee, (ii) upon filing with the Trustee and the Corporation of a consent to such Supplemental Resolution executed by the Trustee, and (iii) after such period of time as the Trustee and the Corporation deem appropriate following notice to the 2012 Bond owners (but not less than thirty (30) days). A copy of any such Supplemental Resolution shall be provided to the owners of the 2012 Bonds.

Delivery of 2012 Bonds in Book-Entry Form

Notwithstanding any other provision of the Resolution to the contrary, so long as any 2012 Bond is held in book-entry form, such 2012 Bond need not be delivered in connection with any optional or mandatory tender of 2012 Bonds described under “DESCRIPTION OF THE 2012 BONDS.” In such case, payment of the Purchase Price in connection with such tender shall be made to the registered owner of such 2012 Bonds on the date designated for such payment, without further action by the Beneficial Owner, and transfer of beneficial ownership shall be made in accordance with the procedures of DTC. See “DESCRIPTION OF THE 2012 BONDS – Book-Entry Only System” herein.

Redemption of 2012 Bonds – Mandatory

Mandatory Redemption from Certain Recoveries of Principal. The 2012 Bonds are subject to mandatory redemption, in whole or in part, at any time prior to maturity, in an amount not in excess of any Recoveries of Principal (other than the advance payment in full of all amounts to become due pursuant to the Mortgage Loan, at the option of the Mortgagor, with monies other than amounts transferred from the Principal Reserve Fund), at a Redemption Price equal to 100% of the principal amount of the 2012 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date. Recoveries of Principal include amounts transferred from the Principal Reserve Fund at the option of the Mortgagor as more fully described under “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Principal Reserve Fund” and a partial prepayment of the Mortgage Loan made by or on behalf of the Mortgagor as required in the event that the outstanding principal amount of the Mortgage Loan is in excess of the Permanent Phase Mortgage Loan Amount as more fully described under “THE MORTGAGE LOAN AND OTHER FINANCING”.

Mandatory Redemption on Bankruptcy of Credit Facility Provider. The 2012 Bonds are subject to mandatory redemption, in whole, at any time prior to maturity, if, within thirty (30) days after an Act of Bankruptcy of the Credit Facility Provider, the Trustee has not received a new Credit Facility, at a Redemption Price equal to 100% of the principal amount of the 2012 Bonds to be redeemed plus accrued interest to the Redemption Date.

Mandatory Redemption Upon Declaration of Acceleration Following an Event of Default. The 2012 Bonds are subject to mandatory redemption, in whole, at any time prior to maturity, without notice,
upon a declaration of acceleration by the Trustee as a remedy for an Event of Default under the Resolution, at a Redemption Price equal to 100% of the principal amount of the 2012 Bonds to be redeemed, plus accrued interest to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

**Mandatory Redemption Following an Event of Termination.** The 2012 Bonds are subject to mandatory redemption, in whole or in part, at any time prior to maturity, without notice, upon a declaration of acceleration by the Trustee as a remedy for an Event of Termination under the Resolution at a Redemption Price equal to 100% of the principal amount of the 2012 Bonds or portions thereof to be redeemed, plus accrued interest to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

**Mandatory Redemption from Certain Transfers from Principal Reserve Fund.** The 2012 Bonds are subject to mandatory redemption, in whole or in part, on the first Business Day of June of each year if and to the extent amounts in excess of the Principal Reserve Amount are transferred from the Principal Reserve Fund to the Redemption Account on the immediately preceding May 10 (or, if such day is not a Business Day, the next succeeding Business Day). (See "SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Principal Reserve Fund"). Each such redemption will be at a Redemption Price equal to 100% of the principal amount of the 2012 Bonds or portions thereof to be redeemed, plus accrued interest to the Redemption Date.

**Redemption of 2012 Bonds – Optional**

**Optional Redemption.** The 2012 Bonds are subject to redemption, at the option of the Corporation (with the prior written consent of the Credit Facility Provider), in whole or in part, at any time, at a Redemption Price equal to 100% of the principal amount of the 2012 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date.

**Special Redemption.** The 2012 Bonds are subject to redemption, at the option of the Corporation, in whole or in part, at any time prior to maturity, in an amount not in excess of amounts on deposit in the Bond Proceeds Account representing unexpended amounts allocable to the 2012 Bonds that are not used to finance the Mortgage Loan, at a Redemption Price equal to 100% of the principal amount of the 2012 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date.

**Selection of 2012 Bonds to be Redeemed**

If less than all the 2012 Bonds are to be redeemed, the Trustee shall select the 2012 Bonds to be redeemed by lot, using such method as it shall determine in its sole discretion. The foregoing notwithstanding, (i) so long as the Credit Facility shall be in effect, the first 2012 Bonds to be redeemed shall be Purchased Bonds and (ii) no 2012 Bond shall be selected for redemption if the portion of such 2012 Bond remaining after such redemption would not be a denomination authorized by the Resolution.

**Notice of Redemption**

When the Trustee receives notice from the Corporation of its election or direction to redeem the 2012 Bonds, or is required pursuant to the Resolution to redeem the 2012 Bonds, the Trustee is to give notice, in the name of the Corporation, of the redemption of such 2012 Bonds. Such notice is to specify, among other things, the 2012 Bonds to be redeemed, the Redemption Price, the Redemption Date, any conditions precedent to such redemption (which conditions, in the case of a redemption at the election or direction of the Corporation, shall be subject to the approval of the Credit Facility Provider) and the place
or places where amounts due upon such redemption will be payable. The Trustee is to mail a copy of such notice postage prepaid to the registered owners of any 2012 Bonds or portions of 2012 Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry book not less than fifteen (15) days before the Redemption Date for such 2012 Bond. The foregoing provisions of this paragraph do not apply in the case of any redemption of 2012 Bonds of which, pursuant to the Resolution, notice is not required to be given. Interest shall cease to accrue and be payable on the 2012 Bonds after the Redemption Date if notice has been given, or is not required to be given, if the conditions precedent to the redemption, if any, have been satisfied, and if sufficient moneys have been deposited with the Trustee to pay the applicable Redemption Price and interest on the 2012 Bonds on such date. So long as the 2012 Bonds are in book-entry only form, notice of redemption shall only be given to DTC. See "DESCRIPTION OF THE 2012 BONDS – Book-Entry Only System."

Corporation’s Right to Purchase

The Corporation retains the right to purchase the 2012 Bonds at such times, in such amounts and at such prices less than or equal to par as the Corporation shall determine, subject to the provisions of the Resolution, and thereby reduce its obligations, if any, for the 2012 Bonds.

Disclosure Concerning Remarketing of the 2012 Bonds

The information contained under this heading "Disclosure Concerning Remarketing of the 2012 Bonds" has been provided by the Remarketing Agent for use in the Official Statement but has not been required by the Corporation to be included herein and, except to the extent such information describes express provisions of the Resolutions, the Corporation does not accept any responsibility for its accuracy or completeness.

The Remarketing Agent Was Selected by the Corporation and Paid by the Mortgagor. The Remarketing Agent’s responsibilities include determining the interest rate from time to time and remarketing 2012 Bonds that are optionally tendered by the holders thereof, all as further described in this Official Statement. The Remarketing Agent was selected by the Corporation and is paid by the Mortgagor for its services. As a result, the interests of the Remarketing Agent may differ from those of existing holders and potential purchasers of the 2012 Bonds.

The Remarketing Agent May Routinely Purchase 2012 Bonds for its Own Account. The Remarketing Agent is permitted, but not obligated, to purchase tendered 2012 Bonds for its own account. The Remarketing Agent, in its sole discretion, may routinely acquire tendered 2012 Bonds for its own inventory in order to achieve a successful remarketing of the 2012 Bonds (i.e., because there otherwise are not enough buyers to purchase the 2012 Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase 2012 Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the 2012 Bonds by routinely purchasing and selling 2012 Bonds other than in connection with a tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the 2012 Bonds. The Remarketing Agent may also sell any 2012 Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the 2012 Bonds. The purchase of 2012 Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the 2012 Bonds in the market than is actually the case. The practices described above also may reduce the supply of 2012 Bonds that may be tendered in a remarketing.

Bonds May be Offered at Different Prices on any Date. The Remarketing Agent is required to determine on the rate determination date ("Rate Determination Date") the applicable rate of interest that,
in its judgment, is the lowest rate that would permit the sale of the 2012 Bonds at par plus accrued interest, if any. The interest rate will reflect, among other factors, the level of market demand for the 2012 Bonds (including whether the Remarketing Agent is willing to purchase 2012 Bonds for its own account). The Remarketing Agreement requires that the Remarketing Agent use its best efforts to sell tendered 2012 Bonds at par, plus accrued interest. There may or may not be 2012 Bonds tendered and remarternked on a Rate Determination Date, the Remarketing Agent may or may not be able to remarket any 2012 Bonds tendered for purchase on such date at par and the Remarketing Agent may sell 2012 Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the 2012 Bonds at the remarketing price.

**The Ability to Sell the 2012 Bonds other than through Tender Process May Be Limited.** While the Remarketing Agent may buy and sell 2012 Bonds, it is not obligated to do so and may cease doing so at any time without notice. Thus, investors who purchase the 2012 Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their 2012 Bonds other than by tendering the 2012 Bonds in accordance with the tender process.

**[Under Certain Circumstances, the Remarketing Agent May Be Removed, Resign or Cease Remarketing the Bonds, Without a Successor Being Named.]** Under certain circumstances the Remarketing Agent may be removed or have the ability to resign or cease its remarketing efforts, without a successor having been named, subject to the terms of the Remarketing Agreement.

**Effect of Loss of Tax Exemption**

The Corporation has covenanted in the Resolution that it shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the 2012 Bonds shall be excluded from gross income for Federal income tax purposes. In furtherance thereof, the Corporation is to enter into the Regulatory Agreement with the Mortgagor and 1133 Manhattan Avenue Master Tenant LLC to assure compliance with the Code. However, no assurance can be given that in the event of a breach of any such covenants, or noncompliance with the procedures or certifications set forth therein, the remedies available to the Corporation and/or Bond owners can be judicially enforced in such manner as to assure compliance with the above-described requirements and therefore to prevent the loss of the exclusion of interest from gross income for Federal income tax purposes. Any loss of such exclusion of interest from gross income may be retroactive to the date from which interest on the 2012 Bonds is payable. See “TAX MATTERS.” Pursuant to the Resolution, the loss of such exclusion of interest from gross income would not, in and of itself, result in a mandatory tender or redemption of all or a portion of the 2012 Bonds. However, a default by the Mortgagor under the Regulatory Agreement would give rise to an event of default under the Credit Agreement. In such an event, the Credit Facility Provider would have the right, in its sole and absolute discretion, to cause a mandatory tender or redemption of all or a portion of the 2012 Bonds. See “DESCRIPTION OF THE 2012 BONDS — Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2012 Bonds Upon an Event of Termination” and “— Redemption of 2012 Bonds — Mandatory — Mandatory Redemption Upon a Declaration of Acceleration Following an Event of Termination” herein. In addition, an owner of a Bond may on any Business Day not less than seven calendar days before the particular Business Day chosen as the purchase date, demand payment of the Purchase Price on and as of such purchase date of all or a portion of such 2012 Bond in any denomination authorized by the Resolution. See DESCRIPTION OF THE 2012 BONDS — Purchase of the 2012 Bonds on Demand of Owner” herein.
ESTIMATED SOURCES AND USES OF FUNDS

The proceeds of the 2012 Bonds will be used to fund the Mortgage Loan to the Mortgagor in the principal amount equal to the principal amount of 2012 Bonds, which amount will be used to finance a portion of the costs of the acquisition, construction and equipping of the Project and to pay certain costs of issuance of the 2012 Bonds, including the Underwriter’s fee in an amount equal to $_______, which includes its expenses.

To the extent any proceeds of the 2012 Bonds are not used to fund the Mortgage Loan, a portion of the 2012 Bonds may be redeemed. See “DESCRIPTION OF THE 2012 BONDS – Redemption of 2012 Bonds – Optional – Special Redemption” herein.

SECURITY FOR THE BONDS

Pledge of the Resolution

The Resolution constitutes a contract among the Corporation, the Trustee and the owners of the Bonds issued thereunder and its provisions are for (i) the equal benefit, protection and security of the owners of all such Bonds, each of which, regardless of the time of issue or maturity, is to be of equal rank without preference, priority or distinction except as provided in the Resolution and (ii) the benefit of the Credit Facility Provider, as provided in the Resolution.

The Bonds are special revenue obligations of the Corporation payable from the Revenues and amounts on deposit in the Accounts (other than amounts deposited in or to be deposited in the Rebate Fund) as described herein. In addition, the 2012 Bonds, as and to the extent provided in the Credit Facility, are payable from amounts obtained under such Credit Facility. Payment of the principal or Redemption Price of and interest on all Bonds is secured by a pledge of the Revenues, which consists of all payments received by the Corporation from or on account of the Mortgage Loan, including scheduled, delinquent and advance payments of principal and interest, proceeds from the sale, assignment, or other disposition of the Mortgage Loan in the event of a default thereon, proceeds of any insurance or condemnation award, and income derived from the investment of funds held by the Trustee in Accounts established under the Resolution, including earnings and gains received by the Trustee pursuant to any investment agreement. Revenues do not, however, include any administrative or financing fee paid to the Corporation, other escrow deposits or financing, extension, late charges or settlement fees of the Servicer of the Mortgage Loan or the Credit Facility Provider on account of the Mortgage Loan. Payment of the Bonds is also secured by a pledge by the Corporation of all amounts held in any Accounts (other than amounts deposited in or to be deposited in the Rebate Fund) established pursuant to the Resolution (including the investments of such Accounts, if any). The Credit Facility Provider shall have certain rights with respect to, among other things, extensions, remedies, waivers, amendments and actions unless there is a Wrongful Dishonor of the Credit Facility by the Credit Facility Provider or the Credit Facility is no longer in effect, to the extent and as provided in the Resolution.

The pledges described in the immediately preceding paragraph are also subject to the terms and provisions of the Resolution requiring transfers of amounts to the Rebate Fund and permitting the application of the Revenues and amounts in such Accounts for the purposes described therein.

Pursuant to the Resolution and the Assignment, the Corporation will assign and deliver to Freddie Mac and the Trustee, as their interests may appear, subject to the reservation of certain rights by the Corporation, all of its right, title and interest in and to the Mortgage Loan and the Mortgage Documents. The Trustee will assign the mortgage rights assigned to it to Freddie Mac, provided that such rights will automatically revert to the Trustee in the event of a Wrongful Dishonor. The Trustee will hold the
Mortgage Note and the Mortgage Documents for the benefit of the owners of the Bonds and Freddie Mac, subject to Freddie Mac's rights under the Assignment to direct the Trustee to assign the Mortgage Note and the Mortgage to Freddie Mac in certain events. *Neither the Construction LOC nor the Non-Bond Loan will be pledged as security for the Bonds.* See "THE MORTGAGE LOAN AND OTHER FINANCING" for a more complete description.

**Credit Enhancement Agreement**

The Credit Enhancement Agreement constitutes a “Credit Facility” and the “Initial Credit Facility” under the Resolution, and Freddie Mac constitutes a “Credit Facility Provider” and the “Initial Credit Facility Provider” under the Resolution.

The following description of the Credit Enhancement Agreement does not purport to be complete or to cover all sections of the Credit Enhancement Agreement. Reference is made to the Credit Enhancement Agreement, on file with the Trustee, for the complete terms thereof and the rights, duties and obligations of Freddie Mac and the Trustee thereunder.

Freddie Mac will advance funds under the Credit Enhancement Agreement to the Trustee with respect to the payment of: (i) the principal of the 2012 Bonds (other than Purchased Bonds) when due by reason of stated maturity, redemption or acceleration in advance of maturity; (ii) up to 35 days’ interest at the Maximum Interest Rate due on the 2012 Bonds (other than Purchased Bonds) on or prior to their stated maturity date; and (iii) a portion of the Corporation’s regularly scheduled fee (the “Fee Component”), if such fee is not paid to the Corporation in a timely manner.

Freddie Mac will advance funds under the Credit Enhancement Agreement to the Trustee up to the principal amount of the 2012 Bonds and interest thereon at the Maximum Interest Rate for up to 35 days in order to pay the Purchase Price of 2012 Bonds tendered to the Trustee as Tender Agent and not remarshaled pursuant to the Remarketing Agreement.

Freddie Mac’s obligations to make advances to the Trustee upon the proper presentation of documents which conform to the terms and conditions of the Credit Enhancement Agreement are irrevocable.

To the extent of advances made under the Credit Enhancement Agreement with respect to the payment of the principal amount of the 2012 Bonds, the obligations of Freddie Mac under the Credit Enhancement Agreement to pay principal, interest thereon and a pro rata portion of the Fee Component will be correspondingly reduced, but with respect to advances made under the Credit Enhancement Agreement with respect to the Fee Component and the payment of interest on 2012 Bonds not made in connection with the payment of principal, the Fee Component and the interest component of the Credit Enhancement Agreement will be automatically reinstated. With respect to advances made under the Credit Enhancement Agreement to pay the Purchase Price of tendered or deemed tendered 2012 Bonds, the Credit Enhancement Agreement will be correspondingly reduced and will be reinstated to the extent such Bonds are subsequently remarshaled and Freddie Mac is reimbursed for such advances. Outstanding 2012 Bonds purchased by the Tender Agent with funds provided by such advances will be owned by the Mortgagor and will be pledged for the benefit of Freddie Mac (“Purchased Bonds”).

In computing the amount to be advanced under the Credit Enhancement Agreement with respect to the payment of the principal of or interest on the 2012 Bonds, the Trustee shall exclude any such amounts in respect of any such Bonds that are Purchased Bonds on the date such payment is due, and amounts advanced to the Trustee under the Credit Enhancement Agreement shall not be applied to the
payment of the principal of or interest on any Bonds that are Purchased Bonds on the date such payment is due.

To receive payment under the Credit Enhancement Agreement, the Trustee must make a presentation of certain payment documents under the Credit Enhancement Agreement on or prior to the expiration date of the Credit Enhancement Agreement at the appropriate office of Freddie Mac. The Credit Enhancement Agreement will expire on ____________ (the "Expiration Date", which is five days after the final maturity of the 2012 Bonds). It is expected that, upon issuance of the 2013 Bonds, a new Credit Enhancement Agreement will be executed and delivered by Freddie Mac in place of the Letter of Credit then in effect in an amount sufficient under the Resolution to secure the 2012 Bonds and the 2013 Bonds. The Credit Enhancement Agreement will automatically terminate on the first to occur of: (a) the date the 2012 Bonds shall have been paid in full, (b) the Expiration Date, (c) the date on which the Trustee, after having received sufficient funds to redeem all of the 2012 Bonds Outstanding in accordance with the terms of the Resolution, shall have released the trust estate encumbered by the Resolution and shall have paid to Freddie Mac all amounts required to be paid under the Resolution, the Loan Agreement, the Reimbursement Agreement or the Credit Enhancement Agreement, and (d) the date which is two Business Days after the effective date of any Alternate Security. The substitution of the Credit Enhancement Agreement in connection with the issuance of the 2013 Bonds will not constitute a replacement or substitution of the Credit Enhancement Agreement for purposes of the provisions of the Resolution.

FREDDIE MAC’S OBLIGATIONS WITH RESPECT TO THE 2012 BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE 2012 BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE 2012 BONDS UNDER THE CIRCUMSTANCES DESCRIBED HEREIN. THE 2012 BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

Alternate Security

The Credit Enhancement Agreement may be replaced with various other forms of credit enhancement (each an “Alternate Security” except as described below; the Credit Enhancement Agreement or Alternate Security being herein referred to as the “Credit Facility”) or upon conversion of the 2012 Bonds to a Fixed Rate to the maturity thereof, the Corporation may elect to provide no Credit Facility. During any Weekly Rate Period, a Credit Facility must be in effect with respect to the 2012 Bonds.

The Corporation may not exercise its right to make provision for or cause the replacement of any Credit Facility, unless the Corporation has provided the Trustee with (i) certain opinions as to, among other things, the effect of such replacement on the tax-exempt status of the 2012 Bonds and the legality, validity and enforceability of the new Credit Facility; (ii) a letter from each rating agency then rating the 2012 Bonds to the effect that such Alternate Security will provide the 2012 Bonds with an investment grade rating; and (iii) moneys sufficient to pay all costs incurred by the Trustee and the Corporation in connection with the provision of such Credit Facility.
Upon replacement of any Credit Facility except as described below, the 2012 Bonds are subject to mandatory tender as described above under the caption “DESCRIPTION OF THE 2012 BONDS – Mandatory Purchase of 2012 Bonds Upon Replacement of Credit Facility.”

Freddie Mac may provide any other form of credit or liquidity facility (or combination thereof) in substitution for the Credit Enhancement Agreement. Certain of such substitute facilities will not be considered an “Alternate Security” and such substitution will not result in a “Facility Change Date” or mandatory tender of the 2012 Bonds, so long as, among other things, each Rating Agency confirms that such substitution will not adversely affect such Rating Agency’s rating on the 2012 Bonds and the opinions described above are delivered. Such substitute facility provided by Freddie Mac will continue to constitute the “Initial Credit Facility” under the Resolution.

Principal Reserve Fund

The Principal Reserve Fund is established pursuant to the Resolution and is to be held by the Trustee. Pursuant to the Resolution, there is to be deposited into the Principal Reserve Fund all of the monthly payments made by the Mortgagor in accordance with the Principal Reserve Fund deposit schedule attached to the Credit Agreement, as such schedule may be amended and any amounts provided by or at the direction of the Mortgagor to replenish withdrawals from the Principal Reserve Fund described in paragraphs (1) and (2) below. At the request of the Mortgagor (with the written approval of the Credit Facility Provider), the Corporation, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Mortgagor (unless and to the extent such amounts, in the judgment of the Corporation, are needed to be transferred to the Rebate Fund pursuant to the Resolution), (ii) no longer require deposits to the Principal Reserve Fund and/or (iii) consent to a change in the Principal Reserve Fund deposit schedule. The consent of the Bondholders or the Trustee is not required for such actions. Any amounts so released shall no longer secure the 2012 Bonds.

Any income or interest earned or gains realized in excess of losses suffered due to the investment of amounts on deposit in the Principal Reserve Fund is to be deposited to the Revenue Account following receipt, except as otherwise provided in the Resolution and except for interest income representing accrued interest, if any, included in the purchase price of the investment, which is to be retained in the Principal Reserve Fund; provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then in lieu of retaining such amounts in the Principal Reserve Fund or depositing such amounts in the Revenue Account, such amounts (up to the amount of such deficiency) shall be transferred to the Rebate Fund.

Amounts in the Principal Reserve Fund will be applied by the Trustee:

1. at the written direction of the Credit Facility Provider, to reimburse the Credit Facility Provider for advances made under the Credit Facility which were applied to pay interest due on and/or principal of the 2012 Bonds on any Interest Payment Date, Redemption Date, date of acceleration or the maturity date or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such interest and/or principal;

2. at the written direction of the Credit Facility Provider, to reimburse the Credit Facility Provider for advances made under the Credit Facility which were applied to pay the Purchase Price of tendered 2012 Bonds to the extent that remarketing proceeds, if any pursuant to the Resolution, are insufficient for such purpose or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such Purchase Price;
(3) at the written direction of the Credit Facility Provider, with the written consent of the Mortgagor (so long as the Mortgagor is not in default under the Mortgage, Mortgage Note, Loan Agreement, Regulatory Agreement or the Credit Agreement beyond the expiration of any applicable grace or cure period), to make improvements or repairs to the Project; and

(4) at the written direction of the Credit Facility Provider, if a default has occurred and is continuing beyond the expiration of any applicable grace or cure period under the Credit Agreement, or any other Borrower Document, or if the Mortgagor otherwise consents in writing, to any other use approved in writing in the Credit Facility Provider's sole and absolute discretion, by an Authorized Officer of the Credit Facility Provider.

All amounts in the Principal Reserve Fund in excess of the Principal Reserve Amount (rounded down to the nearest multiple of $100,000) are required to be transferred to the Redemption Account on May 10 of each year (or, if such day is not a Business Day, the next succeeding Business Day) to reimburse the Credit Facility Provider for amounts advanced under the Credit Facility to effect the redemption of 2012 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of the 2012 Bonds) on the first Business Day of the next succeeding June. See "DESCRIPTION OF THE 2012 BONDS – Redemption of 2012 Bonds – Mandatory – Mandatory Redemption from Certain Transfers from Principal Reserve Fund”.

Under certain circumstances, the Credit Facility Provider is entitled to direct the Trustee to transfer from the Principal Reserve Fund to the Redemption Account all or a specified portion of the amount on deposit in the Principal Reserve Fund to be applied to reimburse the Credit Facility Provider for amounts advanced under the Credit Facility to effect the redemption of the 2012 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of the 2012 Bonds). Any amounts so transferred shall constitute a prepayment of the Mortgage Loan at the option of the Mortgagor and be a Recovery of Principal. See “DESCRIPTION OF THE 2012 BONDS – Redemption of 2012 Bonds – Mandatory – Mandatory Redemption From Certain Recoveries of Principal.” Also, under certain circumstances, the Credit Facility Provider can require that amounts on deposit in the Principal Reserve Fund be applied to reimburse the Credit Facility Provider for amounts advanced under the Credit Facility to effect the mandatory tender or mandatory redemption in whole or in part of the 2012 Bonds. See “DESCRIPTION OF THE 2012 BONDS – Redemption of 2012 Bonds – Mandatory – Mandatory Redemption Following an Event of Termination,” “DESCRIPTION OF THE 2012 BONDS” – Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2012 Bonds Upon an Event of Termination” and “SUMMARY OF CERTAIN PROVISIONS OF THE CREDIT AGREEMENT.”

See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Principal Reserve Fund.”

**SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION**

Set forth below are abridged or summarized excerpts of certain sections of the Resolution. These excerpts do not purport to be complete or to cover all sections of the Resolution. Reference is made to the Resolution, copies of which are on file with the Corporation and the Trustee, for a complete statement of the rights, duties and obligations of the Corporation, the Trustee and the Bond owners thereunder.

**Contract With Bond Owners – Security for Bonds – Limited Obligation**

In consideration of the purchase and acceptance of the Bonds by those who shall own the same from time to time, the provisions of the Resolution shall constitute a contract among the Corporation, the Trustee and the owners from time to time of such Bonds. The pledges and assignments made in the Resolution and the provisions, covenants and agreements therein set forth to be performed by or on behalf of the Corporation shall be for (i) the equal benefit, protection and security of the owners of any and all of such Bonds, each of which, regardless of the time of its issue or maturity, shall be of equal rank without preference, priority or distinction over any other thereof except as expressly provided in the Resolution and (ii) the benefit of the Credit Facility Provider, as provided in the Resolution. The Corporation pledges the Revenues and all amounts held in any Account, including investments thereof, established under the Resolution, to the Trustee for the benefit of the Bond owners and the Credit Facility Provider to secure (i) the payment of the principal or Redemption Price of and interest on the Bonds (including the Sinking Fund Payments for the retirement thereof) and (ii) all obligations owed to the Credit Facility Provider under the Credit Agreement, subject to provisions permitting the use or application of such amounts for stated purposes, as provided in the Resolution and the Assignment. The foregoing pledge does not include amounts on deposit or required to be deposited in the Rebate Fund. The Corporation also assigns to the Trustee on behalf of the Bond owners and to the Credit Facility Provider, as their interests may appear and in accordance with the terms of the Assignment, all of its right, title and interest in and to the Mortgage Loan and the Mortgage Documents, except as otherwise provided in the Assignment. The Bonds shall be special revenue obligations of the Corporation payable solely from the revenues and assets pledged under the Resolution. In addition, the Bonds shall be payable from Credit Facility Payments.

**Credit Facility**

For so long as a Credit Facility shall be in effect for any Series of the 2012 Bonds and 2013 Bonds, all Series of the 2012 Bonds and 2013 Bonds must be secured by the same Credit Facility.
Provisions for Issuance of Bonds

In order to provide sufficient funds to finance a portion of the Project and pay certain costs related thereto, Bonds of the Corporation are authorized to be issued without limitation as to amount except as may be provided by law. The Bonds shall be executed by the Corporation for issuance and delivered to the Trustee and thereupon shall be authenticated by the Trustee and delivered upon the order of the Corporation, but only upon the receipt by the Trustee of, among other things:

(a) a Bond Counsel's Opinion to the effect that (i) the Resolution and the Supplemental Resolution, if any, have been duly adopted by the Corporation and are in full force and effect and are valid and binding upon the Corporation and enforceable in accordance with their terms (except to the extent that the enforceability thereof may be limited by bankruptcy, insolvency and other laws affecting creditors' rights and remedies and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law)); (ii) the Resolution and, if applicable, such Supplemental Resolution create the valid pledge and lien which it or they purport to create of and on the Revenues and all the Accounts established under the Resolution and moneys and securities on deposit therein, subject to the use and application thereof for or to the purposes and on the terms and conditions permitted by the Resolution and such Supplemental Resolution; and (iii) upon the execution, authentication and delivery thereof, such Bonds will have been duly and validly authorized and issued in accordance with the laws of the State, including the Act as amended to the date of such Opinion, and in accordance with the Resolution and such Supplemental Resolution;

Additional Bonds

Additional Bonds may be issued, at the option of the Corporation, on a parity with the Bonds then Outstanding, for the purposes of (i) financing increases in the Mortgage Loan, (ii) refunding Bonds, (iii) establishing reserves for such Additional Bonds, and (iv) paying the Costs of Issuance related to such Additional Bonds. Additional Bonds shall contain such terms and provisions as are specified in the Supplemental Resolution authorizing the same. The Supplemental Resolution authorizing such Additional Bonds shall utilize, to the extent possible, Accounts established for the Outstanding Bonds.

The Corporation has authorized and expects to issue the 2013 Bonds, which would be on a parity with the 2012 Bonds then Outstanding. For so long as the Credit Facility shall be in effect for any Series of the 2012 Bonds and 2013 Bonds, no other Series of 2012 Bonds and 2013 Bonds or Additional Bonds shall be issued unless such Bonds are secured by the same Credit Facility in effect for such Series of the
2012 and 2013 Bonds, as such Credit Facility shall be amended, extended or replaced in connection with the issuance of such other Series of 2012 Bonds and 2013 Bonds or Additional Bonds; provided that the Credit Facility shall not secure Purchased Bonds.

**Application and Disbursements of Bond Proceeds**

The proceeds of sale of a Series of Bonds shall, as soon as practicable upon the delivery of such Bonds by the Trustee, be applied as follows:

1. the amount, if any, received at such time as a premium above the aggregate principal amount of such Bonds shall be applied as specified in a Certificate of an Authorized Officer of the Corporation, and the amount, if any, received as accrued interest shall be deposited in the Revenue Account;

2. with respect to any Series issued for the purpose of refunding Bonds, the amount, if any, required to pay Costs of Issuance, as designated by an Authorized Officer of the Corporation, shall be deposited in the Bond Proceeds Account;

3. with respect to any Series issued for the purpose of refunding Bonds, the balance remaining after such deposits have been made as specified in (1) and (2) above shall be applied as specified in the Supplemental Resolution authorizing such Series;

4. with respect to the 2012 Bonds, the balance remaining after such deposits have been made as specified in (1) above shall be deposited in the Bond Proceeds Account; and

5. with respect to any Series (other than the 2012 Bonds) issued for a purpose other than refunding Bonds, the balance remaining after such deposits have been made shall be deposited in the Bond Proceeds Account.

Amounts in the Bond Proceeds Account shall not be disbursed for financing the Mortgage Loan unless, among other things, (1) the Mortgage, the Mortgage Note, the Loan Agreement and any other document evidencing or securing the Mortgage Loan shall have been duly executed and delivered, (2) there shall have been filed with the Trustee an opinion of counsel, who may be counsel to the Corporation, to the effect that the Mortgage Loan complies with all provisions of the Act and the Resolution, and (3) the Mortgage is the subject of a policy of title insurance, in an amount not less than the amount of the unpaid principal balance of the Mortgage Loan, insuring a first mortgage lien, subject only to Permitted Encumbrances, on the real property securing the Mortgage Loan.

**Deposits and Investments**

Any amounts held by the Trustee under the Resolution may be deposited in the corporate trust department of the Trustee and secured as provided in the Resolution. In addition, any amount held by the Trustee under the Resolution may be invested in Investment Securities. In computing the amount in any Account, obligations purchased as an investment of moneys therein shall be valued at amortized value or if purchased at par, at par.

Upon receipt of written instructions from an Authorized Officer of the Corporation, the Trustee shall exchange any coin or currency of the United States of America or Investment Securities held by it pursuant to the Resolution for any other coin or currency of the United States of America or Investment Securities of like amount.
Any other provision of the Resolution notwithstanding, amounts on deposit in the Credit Facility Payments Sub-Account, pending application, may only be invested in Government Obligations maturing or being redeemable at the option of the holder thereof in the lesser of thirty (30) days or the times at which such amounts are needed to be expended; provided that so long as the Initial Credit Facility is in effect, such Government Obligations shall consist of only direct and general obligations of the United States of America or obligations of any agency or instrumentality of the United States of America the payment of the principal of and interest on which are unconditionally guaranteed by the full faith and credit of the United States of America.

Establishment of Accounts

The Resolution establishes the following special trust accounts to be held and maintained by the Trustee in accordance with the Resolution:

1. Bond Proceeds Account;
2. Revenue Account (including the Credit Facility Payments Sub-Account therein);
3. Redemption Account;
4. Rebate Fund; and
5. Principal Reserve Fund.

In the event provision is made for an Alternate Security with respect to the Bonds, the Trustee may establish a special trust account with an appropriate designation, and the provisions of the Resolution applicable to the Credit Facility Payments Sub-Account shall be applicable to the newly created trust account in all respects as if the newly created trust account replaced the Credit Facility Payments Sub-Account.

Bond Proceeds Account

There shall be deposited from time to time in the Bond Proceeds Account any proceeds of the sale of Bonds representing principal or premium or other amounts required to be deposited therein pursuant to the Resolution and any other amounts determined by the Corporation to be deposited therein from time to time.

Amounts in the Bond Proceeds Account shall be expended only (i) to finance the Mortgage Loan; (ii) to pay Costs of Issuance; (iii) to pay principal or Redemption Price of and interest on the Bonds when due, to the extent amounts in the Revenue Account and the Redemption Account are insufficient for such purposes; (iv) to purchase or redeem Bonds in accordance with the Resolution; (v) to reimburse the Credit Facility Provider for moneys obtained under the Credit Facility for the purposes set forth in (iii) above; (vi) to pay to the Credit Facility Provider or the Servicer any regularly scheduled fees due and owing to the Credit Facility Provider or the Servicer pursuant to the Credit Agreement; and (vii) to pay to the Corporation, the Construction Lender, the Remarketing Agent, the Trustee and the Tender Agent any regularly scheduled fees due and owing to such parties in connection with the Bonds.
Revenue Account

Subject to the provisions of the Assignment, the Corporation shall cause all Pledged Receipts, excluding all amounts to be deposited pursuant to the Resolution in the Principal Reserve Fund, to be deposited promptly with the Trustee in the Revenue Account. There shall also be deposited in the Revenue Account any other amounts required to be deposited therein pursuant to the Resolution, any Supplemental Resolution, the Mortgage Documents and the Loan Agreement. Except as otherwise provided in the Resolution with respect to the Principal Reserve Fund, earnings on all Accounts established under the Resolution shall be deposited, as realized, in the Revenue Account, except for moneys required to be deposited in the Rebate Fund in accordance with the provisions of the Resolution and except for interest income representing a recovery of the premium and accrued interest, if any, included in the purchase price of any Investment Security, which shall be retained in the particular account for which the Investment Security was purchased. During the term of the Initial Credit Facility, the Trustee shall obtain moneys thereunder in accordance with the terms thereof, in a timely manner and in amounts sufficient to pay the principal or Redemption Price of and interest on the Bonds, as such become due, whether at maturity or upon redemption or acceleration or on an Interest Payment Date or otherwise, and shall deposit such amounts in the Credit Facility Payments Sub-Account. In addition, during the term of the Initial Credit Facility, the Trustee, at the direction of the Corporation, shall obtain moneys under the Initial Credit Facility in accordance with the terms thereof, in amounts specified by the Corporation to pay such portion of the Administrative Fee due and owing to the Corporation that has not been paid by the Mortgagor when due under the Loan Agreement, and shall promptly transfer all such amounts to the Corporation. During the term of any other Credit Facility, the Trustee shall obtain moneys under such Credit Facility, in accordance with the terms thereof, in a timely manner, in the full amount required to pay the principal or Redemption Price of and interest on the Bonds as such become due, whether at maturity or upon redemption or acceleration or on an Interest Payment Date or otherwise and shall deposit such amounts in the Credit Facility Payments Sub-Account.

On or before each Interest Payment Date, the Trustee shall pay, from the sources described below and in the order of priority indicated, the amounts required for the payment of the Principal Installments, if any, and interest due on the Outstanding Bonds on such date, and on or before the Redemption Date or date of purchase (but not with respect to any purchase pursuant to the Mandatory Purchase Provision or the Demand Purchase Option), the amounts required for the payment of accrued interest on Outstanding Bonds to be redeemed or purchased on such date as follows:

(1) first, from the Credit Facility Payments Sub-Account, and to the extent the moneys therein are insufficient for said purpose;

(2) second, from the Revenue Account, and to the extent the moneys therein are insufficient for said purpose;

(3) third, from the Redemption Account, and to the extent the moneys therein are insufficient for said purpose;

(4) fourth, from the Bond Proceeds Account, and to the extent the moneys therein are insufficient for said purpose; and

(5) fifth, from any other moneys held by the Trustee under the Resolution and available for such purpose including, but not limited to, moneys on deposit in the Principal Reserve Fund.

- 39 -
After payment of the Principal Installments, if any, and interest due on the Outstanding Bonds has been made, and to the extent payments on the Bonds are made from the source described in subparagraph (1) above, the amounts available from the sources described in subparagraphs (2) through (5) above, in the order of priority indicated, shall be used immediately to reimburse the Credit Facility Provider for amounts obtained under the Credit Facility and so applied; provided, however, that during any Weekly Rate Period, such reimbursement shall be made only if the Credit Facility Provider or the Construction Lender on its behalf or the Servicer has notified the Trustee, in writing, that the Credit Facility Provider has not been reimbursed for said amounts obtained under the Credit Facility.

Notwithstanding any provision to the contrary which may be contained in the Resolution, (i) in computing the amount to be obtained under the Credit Facility on account of the payment of the principal of or interest on the Bonds, the Trustee shall exclude any such amounts in respect of any Bonds which are Purchased Bonds on the date such payment is due, and (ii) amounts obtained by the Trustee under the Credit Facility shall not be applied to the payment of the principal of or interest on any Bonds which are Purchased Bonds on the date such payment is due.

Any moneys accumulated in the Revenue Account up to the unsatisfied balance of each Sinking Fund Payment (together with amounts accumulated in the Revenue Account with respect to interest on the Bonds for which such Sinking Fund Payment was established) shall, if so directed in writing by the Corporation, be applied by the Trustee on or prior to the forty-fifth (45th) day preceding such Sinking Fund Payment (i) to the purchase of Bonds of the maturity for which such Sinking Fund Payment was established, at prices (including any brokerage and other charges) not exceeding the Redemption Price plus accrued interest, such purchases to be made in such manner as the Trustee (after consultation with the Corporation) shall determine, or (ii) to the redemption of such Bonds, if then redeemable by their terms, at the Redemption Prices referred to above.

Upon the purchase or redemption of any Bond for which Sinking Fund Payments have been established from amounts in the Revenue Account, an amount equal to the principal amount of the Bonds so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due with respect to the Bonds of such maturity and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer of the Corporation at the time of such purchase or redemption.

As soon as practicable after the forty-fifth (45th) day preceding the due date of any such Sinking Fund Payment, the Trustee shall call for redemption on such due date, Bonds in such amount as shall be necessary to complete the retirement of a principal amount of Bonds equal to the unsatisfied balance of such Sinking Fund Payment. The Trustee shall so call such Bonds for redemption whether or not it then has moneys in the Revenue Account sufficient to pay the applicable Redemption Price thereof on the Redemption Date.

On each Interest Payment Date, the Trustee shall transfer from the Revenue Account (after providing for all payments required to have been made prior thereto pursuant to the Resolution) (i) first, if so directed by the Corporation, to the Trustee, an amount equal to the Trustee’s unpaid fees and expenses, (ii) second, at the direction of the Corporation, to the Credit Facility Provider, an amount equal to any fees due and owing to the Credit Facility Provider pursuant to the Credit Agreement, (iii) third, if so directed by the Corporation, to the Tender Agent, an amount equal to the Tender Agent’s unpaid fees and expenses, (iv) fourth, if so directed by the Corporation, to the Remarketing Agent, an amount equal to the Remarketing Agent’s unpaid fees and expenses, (v) fifth, to the Corporation, the Administrative Fee to the extent unpaid, and (vi) sixth, if so directed by the Corporation, to the Servicer, an amount equal to the Servicer’s unpaid fees and expenses. The amount remaining after making the transfers or payments
required hereinbefore shall be retained in the Revenue Account. Such remaining balance shall be used to offset the Mortgagor's obligation under the Mortgage Loan (in direct chronological order of such obligation), unless the Trustee receives a Certificate from the Corporation stating that a default has occurred with respect to any agreement between the Corporation and the Mortgagor. If the Trustee shall thereafter receive a Certificate from the Corporation stating that such default has been cured or waived such remaining balance shall once again be used to offset the Mortgagor's obligation under the Mortgage Loan (in direct chronological order of such obligation).

Redemption Account

Subject to the provisions of the Assignment, there shall be deposited in the Redemption Account all Recoveries of Principal and any other amounts which are required by the Resolution to be so deposited and any other amounts available therefor and determined by the Corporation to be deposited therein. Subject to the provisions of the Resolution or of any Supplemental Resolution authorizing the issuance of Bonds, requiring the application thereof to the payment, purchase or redemption of any particular Bonds, the Trustee shall apply amounts from the sources described in the following paragraph equal to amounts so deposited in the Redemption Account to the purchase or redemption of Bonds at the times and in the manner provided in the Resolution.

On or before a Redemption Date or date of purchase of Bonds in lieu of redemption, the Trustee shall pay, from the sources described below and in the order of priority indicated, the amounts required for the payment of the principal of Outstanding Bonds to be redeemed or purchased and cancelled on such date as follows:

1. first, from the Credit Facility Payments Sub-Account, and to the extent the moneys therein are insufficient for such purpose;

2. second, from the Redemption Account, and to the extent the moneys therein are insufficient for such purpose;

3. third, from the Revenue Account, and to the extent the moneys therein are insufficient for such purpose;

4. fourth, from the Bond Proceeds Account, and to the extent the moneys therein are insufficient for such purpose; and

5. fifth, from any other moneys held by the Trustee under the Resolution and available for such purpose, including, but not limited to moneys on deposit in the Principal Reserve Fund.

After payment of the principal of such Outstanding Bonds to be redeemed or purchased has been made, and to the extent payments for the redemption or purchase of the Bonds are made from the source described in subparagraph (1) above, amounts available from the sources described in subparagraphs (2) through (5) above, in the order of priority indicated, shall be used to reimburse the Credit Facility Provider for amounts obtained under the Credit Facility and so applied; provided, however, that during any Weekly Rate Period that occurs after all amounts in the Bond Proceeds Account have been expended, such reimbursement shall be made only if the Credit Facility Provider has notified the Trustee, in writing, that the Credit Facility Provider has not been reimbursed for said amounts obtained under the Credit Facility.
Rebate Fund

The Resolution also establishes the Rebate Fund as a special trust account to be held and maintained by the Trustee. Earnings on all amounts required to be deposited in the Rebate Fund are to be deposited in the Rebate Fund.

The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bond owner or any other person other than as set forth in the Resolution.

The Trustee, upon the receipt of a certification of the Rebate Amount from an Authorized Officer of the Corporation, shall deposit in the Rebate Fund at least as frequently as the end of each fifth (5th) Bond Year and at the time that the last Bond that is part of the issue is required is discharged, an amount such that the amount held in the Rebate Fund after such deposit is equal to the Rebate Amount calculated as of such time of calculation. The amount deposited in the Rebate Fund pursuant to the previous sentence shall be deposited from amounts withdrawn from the Revenue Account, and to the extent such amounts are not available in the Revenue Account, directly from earnings on the Accounts. The Trustee shall also transfer amounts on deposit in the Principal Reserve Fund to the Rebate Fund in accordance with the provisions of the Resolution described under "Principal Reserve Fund."

Amounts on deposit in the Rebate Fund shall be invested in the same manner as amounts on deposit in the Accounts, except as otherwise specified by an Authorized Officer of the Corporation to the extent necessary to comply with the tax covenant set forth in the Resolution, and except that the income or interest earned and gains realized in excess of losses suffered by the Rebate Fund due to the investment thereof shall be deposited in or credited to the Rebate Fund from time to time and reinvested.

In the event that, on any date of calculation of the Rebate Amount, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the Trustee, upon the receipt of written instructions from an Authorized Officer of the Corporation, shall withdraw such excess amount and deposit it in the Revenue Account.

The Trustee, upon the receipt of written instructions and certification of the Rebate Amount from an Authorized Officer of the Corporation, shall pay to the United States, out of amounts in the Rebate Fund, (i) not less frequently than once each five (5) years after the date of original issuance of each Series for which a Rebate Amount is required, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to ninety percent (90%) of the Rebate Amount with respect to each Series for which a Rebate Amount is required as of the date of such payment, and (ii) notwithstanding the provisions of the Resolution, not later than sixty (60) days after the date on which all Bonds of a Series for which a Rebate Amount is required have been paid in full, one hundred percent (100%) of the Rebate Amount as of the date of payment.

Principal Reserve Fund

Amounts on deposit in the Principal Reserve Fund shall be applied as set forth in the Resolution. There shall be deposited into the Principal Reserve Fund all of the monthly payments made in accordance with the Principal Reserve Fund deposit schedule attached to the Credit Agreement and provided to the Trustee by the Credit Facility Provider, as such schedule may be amended in accordance with the provisions of the Credit Agreement and provided to the Trustee by the Credit Facility Provider, and any amounts provided by or at the direction of the Mortgagor to replenish withdrawals from the Principal Reserve Fund. Any income or interest earned or gains realized in excess of losses suffered due to the investment of amounts on deposit in the Principal Reserve Fund shall be deposited to the Revenue
Account following receipt, except as otherwise provided in the Resolution and except for interest income representing accrued interest, if any, included in the purchase price of the investment, which shall be retained in the Principal Reserve Fund, provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then in lieu of retaining such amounts in the Principal Reserve Fund or depositing such amounts in the Revenue Account, such amounts (up to the amount of such deficiency) shall be transferred to the Rebate Fund.

In addition to the other payments required or permitted by the Resolution, amounts in the Principal Reserve Fund shall be used, at the written direction and in the sole discretion of the Credit Facility Provider:

(1) to reimburse the Credit Facility Provider for advances made under the Credit Facility which were applied to pay interest due on and/or principal of the 2012 Bonds on any Interest Payment Date, Redemption Date, date of acceleration or the maturity date or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such interest on and/or principal of the 2012 Bonds;

(2) to reimburse the Credit Facility Provider for advances made under the Credit Facility which were applied to pay the Purchase Price of tendered 2012 Bonds to the extent that remarketing proceeds, if any, are insufficient for such purpose or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such Purchase Price;

(3) with the written consent of the Mortgagor (so long as the Mortgagor is not in default under the Mortgage, Mortgage Note, Loan Agreement, Regulatory Agreement or the Credit Agreement beyond the expiration of any applicable grace or cure period) to make improvements or repairs to the Project; and

(4) if a default has occurred and is continuing beyond the expiration of any applicable notice and cure period under the Credit Agreement, or if the Mortgagor otherwise consents in writing, to any other use approved in writing in the Credit Facility Provider’s sole and absolute discretion by an Authorized Officer of the Credit Facility Provider.

On each May 10 (or, if such date is not a Business Day, the next succeeding Business Day), after providing for all payments and transfers required to be made pursuant to the Resolution, all amounts in the Principal Reserve Fund in excess of the Principal Reserve Amount (rounded down to the nearest multiple of $100,000) shall be transferred by the Trustee to the Redemption Account to be applied to the reimbursement of the Credit Facility Provider in connection with the redemption of 2012 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of 2012 Bonds) on the first Business Day of the next succeeding June.

The Credit Facility Provider shall be entitled as may be permitted by the Resolution to direct the Trustee to transfer from the Principal Reserve Fund to the Redemption Account all or a specified portion of the amount on deposit in the Principal Reserve Fund to be applied to the reimbursement of the Credit Facility Provider in connection with the redemption of 2012 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of 2012 Bonds). Any amounts so transferred shall constitute a prepayment of the Mortgage Loan at the option of the Mortgagor and shall be a Recovery of Principal; provided however, that such right of the Credit Facility Provider to direct such transfers may be exercised only at the times, and subject to any conditions, set forth in the Loan Agreement with respect to optional prepayments of the Mortgage Loan by the Mortgagor.
Moneys on deposit in the Principal Reserve Fund shall be invested (i) so long as the Initial Credit Facility is in effect, in Investment Securities described in paragraph (A)(a) or (b) of the definition of “Investment Securities”, and (ii) at all other times, in Government Obligations or, to the extent otherwise permitted by the Resolution, (a) other short-term variable rate instruments rated by S&P in a category equivalent to the rating then in effect for the 2012 Bonds or (b) as otherwise permitted by the Credit Facility Provider, in its sole discretion.

At the request of the Mortgagor, (with the written approval of the Credit Facility Provider), the Corporation, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Mortgagor (in which case the Trustee shall release such amounts to the Mortgagor, provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then prior to any such release to the Mortgagor, any amounts on deposit in the Principal Reserve Fund (up to the amount of such deficiency) shall be transferred to the Rebate Fund) and/or (ii) no longer require deposits to the Principal Reserve Fund, and/or consent to a change in the Principal Reserve Fund deposit schedule. Any amounts so released shall no longer secure the 2012 Bonds.

Payment of Bonds

The Corporation covenants that it will duly and punctually pay or cause to be paid, as provided in the Resolution, the principal or Redemption Price of every Bond and the interest thereon, at the dates and places and in the manner stated in the Bonds, according to the true intent and meaning thereof and shall duly and punctually pay or cause to be paid all Sinking Fund Payments, if any, becoming payable with respect to any of the Bonds.

Tax Covenants

The following covenants are made solely for the benefit of the owners of, and shall be applicable solely to, the 2012 Bonds and any Additional Bonds, as designated in a Supplemental Resolution, to which the Corporation intends that the following covenants shall apply:

The Corporation shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the Bonds shall be excluded from gross income for Federal income tax purposes, except in the event that the owner of any such Bond is a “substantial user” of the facilities financed by the Bonds or a “related person” within the meaning of the Code.

The Corporation shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Corporation to be used directly or indirectly to acquire any securities, obligations or other investment property, the acquisition of which would cause any Bond to be an “arbitrage bond” as defined in Section 148(a) of the Code.

The Corporation shall not permit any person or “related person” (as defined in the Code) to purchase Bonds (other than Purchased Bonds) in an amount related to the Mortgage Loan to be acquired by the Corporation from such person or “related person.”

Covenants with Respect to the Mortgage Loan

In order to pay the Principal Installments of and interest on the Bonds when due, the Corporation covenants that it shall from time to time, with all practical dispatch and in a sound and economical manner consistent in all respects with the Act, the provisions of the Resolution and sound banking practices and principles, (i) use and apply the proceeds of the Bonds, to the extent not reasonably or
otherwise required for other purposes of the kind permitted by the Resolution, to finance the Mortgage Loan pursuant to the Act and the Resolution and any applicable Supplemental Resolution, (ii) do all such acts and things as shall be necessary to receive and collect Pledged Receipts (including diligent enforcement of the prompt collection of all arrears on the Mortgage Loan) and Recoveries of Principal, and (iii) diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Corporation to protect its rights with respect to or to maintain any insurance on the Mortgage Loan or any subsidy payments in connection with the Project or the occupancy thereof and to enforce all terms, covenants and conditions of the Mortgage Loan, the Mortgage, the Mortgage Note and all other documents which evidence or secure the Mortgage Loan, including the collection, custody and prompt application of all Escrow Payments for the purposes for which they were made; provided, however, that the obligations of the Corporation in (ii) and (iii) above shall be suspended during the term of the Assignment, except as otherwise provided in the Assignment.

Issuance of Additional Obligations

The Corporation shall not create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a superior or, except in the case of Bonds, an equal charge and lien on the Revenues and assets pledged under the Resolution. The Corporation shall not create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a subordinate charge and lien on the Revenues and assets pledged under the Resolution (other than the Non-Bond Mortgage) unless the Corporation shall have received the written consent of the Credit Facility Provider.

Accounts and Reports

The Corporation shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Mortgage Loan and all Accounts established by the Resolution which shall at all reasonable times be subject to the inspection of the Trustee and the owners of an aggregate of not less than five percent (5%) in principal amount of Bonds then Outstanding or their representatives duly authorized in writing. The Corporation may authorize or permit the Trustee to keep such books on behalf of the Corporation.

If at any time during any fiscal year there shall have occurred an Event of Default or an Event of Default shall be continuing, then the Corporation shall file with the Trustee, within forty-five (45) days after the close of such fiscal year, a special report accompanied by an Accountant’s Certificate as to the fair presentation of the financial statements contained therein, setting forth in reasonable detail the individual balances and receipts and disbursements for each Account under the Resolution.

The Corporation shall annually, within 120 days after the close of each fiscal year of the Corporation, file with the Trustee, a copy of an annual report as to the operations and accomplishments of the various funds and programs of the Corporation during such fiscal year, and financial statements for such fiscal year, setting forth in reasonable detail: (i) the balance sheet with respect to the Bonds and the Mortgage Loan, showing the assets and liabilities of the Corporation at the end of such fiscal year; (ii) a statement of the Corporation’s revenues and expenses in accordance with the categories or classifications established by the Corporation in connection with the Bonds and the Mortgage Loan during such fiscal year; (iii) a statement of changes in fund balances, as of the end of such fiscal year; and (iv) a statement of cash flows, as of the end of such fiscal year. The financial statements shall be accompanied by the Certificate of an Accountant stating that the financial statements examined present fairly the financial position of the Corporation at the end of the fiscal year, the results of its operations and the changes in its fund balances and its cash flows for the period examined, in conformity with generally accepted
accounting principles applied on a consistent basis except for changes with which such Accountant concurs.

Except as provided in the second preceding paragraph, any such financial statements may be presented on a consolidated or combined basis with other reports of the Corporation.

A copy of each annual report or special report and any Accountant's Certificate relating thereto shall be mailed promptly thereafter by the Corporation to each Bond owner who shall have filed such owner's name and address with the Corporation for such purposes.

Initial Credit Facility; No Disposition of Credit Facility

The Trustee shall not, without the prior written consent of the owners of all of the Bonds then Outstanding, transfer, assign or release the Credit Facility except (i) to a successor Trustee, or (ii) to the Credit Facility Provider either (1) upon receipt of an Alternate Security, or (2) upon expiration or other termination of the Credit Facility in accordance with its terms, including termination on its stated expiration date or upon payment thereunder of the full amount payable thereunder. Except as aforesaid, the Trustee shall not transfer, assign or release the Credit Facility until the principal of and interest on the Bonds shall have been paid or duly provided for in accordance with the terms of the Resolution.

Supplemental Resolutions

Any modification of or amendment to the provisions of the Resolution and of the rights and obligations of the Corporation and of the owners of the Bonds may be made by a Supplemental Resolution, with the written consent given as provided in the Resolution, (i) of the owners of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the Bonds then Outstanding are affected by the modification or amendment, of the owners of at least two-thirds in principal amount of the Bonds so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Payment, of the owners of at least two-thirds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Payment and Outstanding at the time such consent is given; provided, however, that a modification or amendment referred to in (iii) above shall not be permitted unless the Trustee shall have received a Bond Counsel's Opinion to the effect that such modification or amendment does not adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds to which the tax covenants apply. If any such modification or amendment will not take effect so long as any Bonds of any specified Series and maturity remain Outstanding, however, the consent of the owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this paragraph. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

The Corporation may adopt, without the consent of any owners of the Bonds, Supplemental Resolutions to, among other things, provide limitations and restrictions in addition to the limitations and restrictions contained in the Resolution on the issuance of other evidences of indebtedness; add to the covenants and agreements of or limitations and restrictions on, the Corporation's other covenants and agreements or limitations and restrictions which are not contrary to or inconsistent with the Resolution; surrender any right, power or privilege of the Corporation under the Resolution but only if such surrender
is not contrary to or inconsistent with the covenants and agreements of the Corporation contained in the Resolution; confirm any pledge under the Resolution of the Revenues or of any other revenues or assets; modify any of the provisions of the Resolution in any respect whatsoever (but no such modification shall be effective until all Bonds theretofore issued are no longer Outstanding); provide for the issuance of Bonds in coupon form payable to bearer; authorize the issuance of Additional Bonds and prescribe the terms and conditions thereof; provide that specified provisions of the Resolution that relate to the 2012 Bonds shall also apply to a Series of Additional Bonds; provide for such changes as are deemed necessary or desirable by the Corporation in connection with either providing a book-entry system with respect to a Series of Bonds or discontinuing a book-entry system with respect to a Series of Bonds; provide for such changes as are deemed necessary or desirable by the Corporation to take effect on a Change Date on which one hundred percent (100%) of the Bonds are subject to mandatory tender; cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision in the Resolution (provided that the Trustee shall consent thereto); comply with the Code; provide for such changes as are deemed necessary by the Corporation upon delivery of an Alternate Security; make any additions, deletions or modifications to the Resolution which, in the opinion of the Trustee, are not materially adverse to the interests of the Bond owners (provided that the Trustee shall consent thereto); during any period that all the Bonds bear interest at a Weekly Rate, to provide such changes (other than any changes that adversely affect the exclusion from gross income for Federal income tax purposes of interest on any series of Bonds to which the provisions of the Resolution described under "Tax Covenants" apply) as are deemed necessary or desirable by the Corporation, if, not less than thirty days (30) before the effective date of such changes, the Trustee sends notice of the proposed changes to the Bondholders and the Bondholders have the right to tender their Bonds for purchase before such effective date; or change any of the time periods for provisions of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination, or the time periods for interest rate determination on the procedure for tendering Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option (provided that the Trustee shall consent thereto, and after such period of time as the Trustee and the Corporation shall deem appropriate following notice to the owners of the Bonds (but not less than 30 days)).

Notwithstanding anything to the contrary contained in the Resolution, for so long as the Credit Facility shall be in effect, no supplement, modification or amendment of the Resolution shall take effect without the prior written consent of the Credit Facility Provider.

Amendments, Changes and Modifications to the Credit Facility.

Subject to the provisions of the Resolution, the Trustee may, without the consent of the owners of the Bonds, consent to any amendment of the Credit Facility which does not prejudice in any material respect the interests of the Bondholders. Except for such amendments, the Credit Facility may be amended only with the consent of the Trustee and the owners of a majority in aggregate principal amount of Outstanding Bonds, except that, without the written consent of the owners of all Outstanding Bonds, no amendment may be made to the Credit Facility which would reduce the amounts required to be paid thereunder or change the time for payment of such amounts; provided that any such amounts may be reduced without such consent solely to the extent that such reduction represents a reduction in any fees payable from such amounts.

Events of Default and Termination

Each of the following events set forth in clauses (1) through (3) below constitutes an "Event of Default" and the following event set forth in clause (4) below constitutes an "Event of Termination" with respect to the Bonds: (1) payment of the principal or Redemption Price, if any, of or interest on any Bond (other than Purchased Bonds) when and as the same shall become due, whether at maturity or upon call
for redemption or otherwise, shall not be made when and as the same shall become due; (2) payment of the Purchase Price of any 2012 Bond (other than Purchased Bonds) tendered in accordance with the Resolution shall not be made when and as the same shall become due; (3) the Corporation shall fail or refuse to comply with the provisions of the Resolution or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained in the Resolution or in any applicable Supplemental Resolution or the Bonds (other than any such default resulting in an Event of Default described in clause (1) or (2) above), and such failure, refusal or default shall continue for a period of forty-five days (45) after written notice thereof by the Trustee or the owners of not less than five percent (5%) in principal amount of the Outstanding Bonds; or (4) receipt by the Trustee of written notice from the Credit Facility Provider that (i) an “Event of Default” has occurred under the Credit Agreement, together with a written direction from the Credit Facility Provider to the Trustee to exercise either the remedy set forth in clause (5) of the following paragraph or the remedy set forth in clause (8) of the following paragraph as provided in such direction.

Remedies

Upon the happening and continuance of an Event of Termination specified in the Resolution, the Trustee shall proceed, in its own name pursuant to the direction of the Credit Facility Provider as described in clause (4) of the preceding paragraph, to protect and enforce the remedies of the Bond owners and the Credit Facility Provider by the remedies set forth in either clause (5) or (8) below, as specified in the direction of the Credit Facility Provider as described in clause (4) of the preceding paragraph; provided, however, that anything in the Resolution to the contrary notwithstanding, the Trustee shall enforce the remedy set forth in clause (5) and clause (8) below within the time limits provided therein. Upon the happening and continuance of any Event of Default specified in clause (1) or (2) of the preceding paragraph, the Trustee shall proceed, or upon the happening and continuance of any Event of Default specified in clause (3) of the preceding paragraph, the Trustee may proceed and, upon the written request of the owners of not less than twenty-five (25%) in principal amount of the Outstanding Bonds, shall proceed, in its own name, subject, in each such case, to the provisions of the Resolution and the receipt of the written consent of the Credit Facility Provider, to protect and enforce the rights of the Bond owners by the remedies specified below for particular Events of Default, and such other of the remedies set forth in clauses (1) through (7) below, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights: (1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bond owners, including the right to require the Corporation to receive and collect Revenues adequate to carry out the covenants and agreements as to the Mortgage Loan (subject to the provisions of the Assignment) and to require the Corporation to carry out any other covenants or agreements with such Bond owners, and to perform its duties under the Act; (2) by bringing suit upon the Bonds; (3) by action or suit in equity, to require the Corporation to account as if it were the trustee of an express trust for the owners of the Bonds; (4) by action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds; (5) with the written consent of the Credit Facility Provider in the case of an Event of Default or upon the direction described in clause (4) of the preceding paragraph in the case of an Event of Termination, by immediately declaring all Bonds or, with respect to an Event of Termination, a portion of the 2012 Bonds in the principal amount specified by the Credit Facility Provider, due and payable whereupon, with respect to any affected 2012 Bonds, such Bonds shall be immediately redeemed, pursuant to the Resolution, provided that upon the happening and continuance of an Event of Default specified in clause (1) or (2) of the preceding paragraph, the Trustee shall declare all Bonds due and payable; (6) in the event that all Outstanding Bonds are declared due and payable, by selling the Mortgage Loan (subject to the provisions of the Assignment) and any Investment Securities securing such Bonds; (7) by taking such action with respect to or in connection with the Credit Facility as the Trustee deems necessary to protect the interests of the owners of the 2012 Bonds; or (8) upon the happening and continuance of an Event of Termination and upon receipt of direction from the Credit Facility Provider, by carrying out a purchase of all or, if so
designated by the Credit Facility Provider, a portion of, the 2012 Bonds pursuant to the Resolution on a
date specified by the Credit Facility Provider, which date shall not be later than eight (8) days following
receipt by the Trustee of such direction.

Anything in the Resolution to the contrary notwithstanding, except as otherwise provided in
clause (5) or (8) of the preceding paragraph, the owners of the majority in principal amount of the Bonds
then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and
delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the
Trustee under the Resolution, provided that such direction shall not be otherwise than in accordance with
law or the provisions of the Resolution, and that the Trustee shall have the right to decline to follow any
such direction which in the opinion of the Trustee would be unjustly prejudicial to Bond owners not
parties to such direction and provided, further, that notwithstanding the foregoing, the Credit Facility
Provider shall be entitled to direct the method of conducting all remedial proceedings to be taken by the
Trustee under the Resolution so long as the Credit Agreement is in full force and effect and no Wrongful
Dishonor shall have occurred and be continuing.

No owner of any Bond shall have any right to institute any suit, action, mandamus or other
proceeding in equity or at law under the Resolution, or for the protection or enforcement of any right
under the Resolution unless such owner shall have given to the Trustee written notice of the Event of
Default or an Event of Termination or breach of duty on account of which such suit, action or proceeding
is to be taken, and unless the owners of not less than twenty-five (25%) in principal amount of the Bonds
then Outstanding shall have made written request of the Trustee after the right to exercise such powers or
right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable
opportunity either to proceed to exercise the powers granted in the Resolution or granted under the law or
to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the
Trustee reasonable security and indemnity against the fees, costs, expenses and liabilities to be incurred
therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a
reasonable time. Nothing contained in the Resolution shall affect or impair the right of any Bond owner
to enforce the payment of the principal of and interest on such owner's Bonds, or the obligation of the
Corporation to pay the principal of and interest on each Bond to the owner thereof at the time and place in
said Bond expressed.

Unless remedied or cured, the Trustee shall give to the Bond owners notice of each Event of
Default under the Resolution known to the Trustee within ninety (90) days after actual knowledge by the
Trustee of the occurrence thereof. However, except in the case of default in the payment of the principal
or Redemption Price, if any, of or interest on any of the Bonds, or in the making of any payment required
to be made into the Bond Proceeds Account, the Trustee may withhold such notice if it determines that
the withholding of such notice is in the interest of the Bond owners.

Priority of Payments After Event of Default or Event of Termination

In the event that upon the happening and continuance of any Event of Default or an Event of
Termination the funds held by the Trustee shall be insufficient for the payment of the principal or
Redemption Price, if any, of and interest then due on the Bonds affected, such funds (other than funds
held for the payment or redemption of particular Bonds which have theretofore become due at maturity or
by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the
Act and the Resolution, after making provision for the payment of any expenses necessary in the opinion
of the Trustee to protect the interest of the owners of such Bonds and for the payment of the fees, charges
and expenses and liabilities incurred and advances made by the Trustee in the performance of its duties
under the Resolution, shall be applied in the order or priority with respect to Bonds as set forth in the
following paragraph and as follows:
(1) Unless the principal of all of such Bonds shall have become or have been declared due and payable, first, to the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; second, to the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any such Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference; third, to the payment of amounts owed to the Credit Facility Provider under the Credit Agreement or under any other agreement or document securing obligations owed by the Mortgagor to the Credit Facility Provider or otherwise relating to the provision of the Credit Facility, including amounts to reimburse the Credit Facility Provider to the extent it has made payments under the Credit Facility; and fourth, to the payment of amounts owed to the Construction Lender under the Construction Phase Credit Documents or under any other agreement or document securing obligations owed by the Mortgagor to the Construction Lender or otherwise relating to the provision of the Construction Phase Credit Facility, including amounts to reimburse the Construction Lender to the extent it has made payments under the Construction Phase Credit Facility.

(2) If the principal of all such Bonds shall have become or have been declared due and payable, first, to the payment of the principal and interest then due and unpaid upon such Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any such Bond over any other such Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds; second, to pay the Credit Facility Provider amounts owed to it under the Credit Agreement, including reimbursement to the extent it has made payments under the Credit Facility; and third, to pay the Construction Lender amounts owed to it under the Construction Phase Credit Documents, including reimbursement to the extent it has made payments under the Construction Phase Credit Facility.

If, at the time the Trustee is to apply amounts in accordance with the provisions of the preceding paragraph, any of the Bonds Outstanding are Purchased Bonds, the Trustee shall make the payments with respect to the Bonds prescribed by the preceding paragraph, first, to the owners of all Bonds Outstanding other than Purchased Bonds and second, to the owner of Purchased Bonds.

Rights of the Credit Facility Provider

Notwithstanding anything contained in the Resolution to the contrary, (i) all rights of the Credit Facility Provider under the Resolution, including, but not limited to, the right to consent to, approve, initiate or direct extensions, remedies, waivers, actions and amendments thereunder shall (as to the Credit Facility Provider) cease, terminate and become null and void (a) if, and for so long as, there is a Wrongful Dishonor of the Credit Facility by the Credit Facility Provider, or (b) if the Credit Facility is no longer in effect; provided, however, that notwithstanding any such Wrongful Dishonor, the Credit Facility Provider shall be entitled to receive notices pursuant to the Resolution in accordance with the terms of the Resolution, and (ii) if, and for so long as, there is a Wrongful Dishonor of the Credit Facility by the Credit Facility Provider or if the Credit Agreement is no longer in effect, all rights of the Credit Facility Provider
with respect to the Principal Reserve Fund (including, but not limited to, directing the use of amounts therein) may be exercised by the Corporation.

Payments Due on Days Not Business Days

If the date for making any payment of principal or Redemption Price of or interest on any of the Bonds shall be a day other than a Business Day, then payment of such principal or Redemption Price of or interest on such Bonds need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date originally fixed for such payment, except that during any Weekly Rate Period, interest shall continue to accrue on any unpaid principal to such next succeeding Business Day.

SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT

The obligations of the Mortgagor to Freddie Mac to repay advances made by Freddie Mac under the Credit Enhancement Agreement are evidenced by the Reimbursement Agreement. The following is a brief summary of the Reimbursement Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full text of the Reimbursement Agreement, a copy of which is on file with the Trustee.

Under the Reimbursement Agreement, the Mortgagor has promised to repay Freddie Mac all sums of money Freddie Mac has advanced to the Trustee under the Credit Enhancement Agreement. The Reimbursement Agreement also provides that the Mortgagor will pay to Freddie Mac the credit enhancement fee, the servicing fee and other fees and expenses as provided therein.

Events of Default

Under the provisions of the Reimbursement Agreement, one or more of the following shall constitute an Event of Default:

(a) the Mortgagor fails to pay any amounts due under the Reimbursement Agreement, including, without limitation, any fees, costs or expenses;

(b) the Mortgagor fails to observe or perform any of the covenants, conditions or agreements set forth in the Reimbursement Agreement or in any of the other Mortgagor Documents;

(c) an Event of Default occurs under the Reimbursement Mortgage or any of the other Mortgagor Documents referred to in the Reimbursement Agreement;

(d) any representation or warranty made by or on behalf of the Mortgagor under the Reimbursement Agreement or any of the other Mortgagor Documents or in any certificate delivered by the Mortgagor to Freddie Mac or the Servicer pursuant to the Reimbursement Agreement or any other Mortgagor Document referred to in the Reimbursement Agreement was or becomes inaccurate or incorrect in any material respect;

(e) Purchased Bonds have not been remarkeated as of the ninetieth day following purchase by the Trustee on behalf of the Mortgagor and the Mortgagor has not reimbursed Freddie Mac for the amount advanced to purchase the Purchased Bonds, together with any fees due under the Reimbursement Agreement;
(f) a Term Rate Period expires prior to maturity of the Bonds and the Mortgagor has not either received the prior written consent of Freddie Mac for a change in interest mode or the maintenance of the existing mode or delivered an Alternate Security;

(g) prior to the Conversion Date, Freddie Mac is given a direction to draw on the Construction LOC by the Construction Lender;

(h) the occurrence of a Borrower Default, Letter of Credit Default or Construction Lender Default under the Construction Phase Financing Agreement (as such terms are defined in the Construction Phase Financing Agreement); or

(i) a default or event of default occurs under the terms of any other indebtedness permitted to be incurred by the Mortgagor (after taking into account any applicable cure period).

Remedies

Upon an Event of Default, Freddie Mac may declare all the obligations of the Mortgagor under the Reimbursement Agreement to be immediately due and payable, in which case all such obligations shall become due and payable, without presentment, demand, protest or notice of any kind, including notice of default, notice of intent to accelerate or notice of acceleration. In addition to the foregoing, Freddie Mac may terminate the Credit Enhancement Agreement in accordance with its terms and take any other action at law or equity to protect its rights against the Mortgagor in the Project, including foreclosing against the Project subject to the Bond Mortgage. If Freddie Mac elects to foreclose against the Project, it has the option to keep the Bonds outstanding or cause a redemption of the Bonds.

Freddie Mac shall have the right, to be exercised in its discretion, to waive any Event of Default under the Reimbursement Agreement. Unless such waiver expressly provides to the contrary, any waiver so granted shall extend only to the specific event or occurrence and not to any other similar event or occurrence which occurs subsequent to the date of such waiver.

The obligations of the Mortgagor under the Reimbursement Agreement will be secured by the Reimbursement Mortgage in favor of Freddie Mac. The Reimbursement Mortgage will be subordinate to the Mortgage. Bondholders will have no rights under and are not third-party beneficiaries under the Reimbursement Mortgage.

AGREEMENT OF THE STATE

Section 657 of the Act provides that the State agrees with the holders of obligations of the Corporation, including owners of the 2012 Bonds, that it will not limit or alter the rights vested by the Act in the Corporation to fulfill the terms of any agreements made with the owners of the 2012 Bonds, or in any way impair the rights and remedies of such owners until the 2012 Bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such owners of the 2012 Bonds, are fully met and discharged.

CONTINUING DISCLOSURE

The Mortgagor has undertaken all responsibilities for any continuing disclosure to owners of the 2012 Bonds as described below, and the Corporation shall have no liability to the owners or any other person with respect to such disclosures. The Mortgagor has covenanted for the benefit of owners and Beneficial Owners of the 2012 Bonds to provide its audited financial statements and certain financial information and operating data relating to the Mortgagor by not later than one hundred eighty (180) days
after the end of each fiscal year (which fiscal year currently ends on December 31), commencing with the report for the fiscal year ending December 31, 2013 (the “Annual Report”), and to provide notices of the occurrence of certain enumerated events, if material. The Annual Report is required to be filed by the Mortgagor with the Municipal Securities Rulemaking Board (the “Repository”). All notices of material events are required to be filed by the Mortgagor with the Repository. The specific nature of the information to be contained in the Annual Report and the notices of material events is described in Appendix D — “FORM OF CONTINUING DISCLOSURE AGREEMENT.” These covenants have been made in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5).

The Mortgagor has not previously been subject to the continuing disclosure requirements of Rule 15c2-12.

TAX MATTERS

Opinion of Bond Counsel to the Corporation

In the opinion of Bond Counsel to the Corporation, under existing statutes and court decisions, (i) interest on the 2012 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, except that no opinion is expressed as to the exclusion of interest on any 2012 Bond for any period during which such 2012 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with the proceeds of the 2012 Bonds or a “related person,” and (ii) interest on the 2012 Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code and is not included in adjusted current earnings of corporations for purposes of calculating the alternative minimum tax. In rendering such opinion, Bond Counsel to the Corporation has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagor, 1133 Manhattan Avenue Master Tenant LLC, and others in connection with the 2012 Bonds, and Bond Counsel to the Corporation has assumed compliance by the Corporation, the Mortgagor, and 1133 Manhattan Avenue Master Tenant LLC with certain ongoing covenants to comply with the applicable requirements of the Code to assure the exclusion of interest on the 2012 Bonds from gross income under Section 103 of the Code.

In the opinion of Bond Counsel to the Corporation, under existing statutes, interest on the 2012 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

Bond Counsel to the Corporation expresses no opinion regarding any other Federal or state tax consequences with respect to the 2012 Bonds. Bond Counsel to the Corporation renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel to the Corporation expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2012 Bonds, or the exemption from personal income taxes of interest on the 2012 Bonds under state and local tax law.
Summary of Certain Federal Tax Requirements

Under applicable provisions of the Code, the exclusion from gross income of interest on the 2012 Bonds for purposes of Federal income taxation requires that (i) at least 20% of the units in the Project financed by the 2012 Bonds be occupied during the “Qualified Project Period” (defined below) by individuals whose incomes, determined in a manner consistent with Section 8 of the United States Housing Act of 1937, as amended, do not exceed 50% of the median income for the area, as adjusted for family size and (ii) all of the units of the Project be rented or available for rental on a continuous basis during the Qualified Project Period. “Qualified Project Period” for the Project means a period commencing upon the later of (a) occupancy of 10% of the units in the Project or (b) the date of issue of the 2012 Bonds and running until the later of (i) the date which is 15 years after occupancy of 50% of the units in the Project, (ii) the first date on which no tax-exempt private activity bonds issued with respect to the Project are outstanding, or (iii) the date on which any assistance provided with respect to such Project under Section 8 of the 1937 Housing Act terminates. An election has been made by the Mortgagor and 1133 Manhattan Avenue Master Tenant LLC to treat the Project as a deep rent skewed project which requires that (i) at least 15% of the low income units in the Project be occupied during the Qualified Project Period by individuals whose income is 40% of less of the median income for the area, as adjusted for family size, (ii) the gross rent of each low income unit in the Project not exceed 30% of the applicable income limit which applies to the individuals occupying the unit and (iii) the gross rent with respect to each low income unit in the Project not exceed one-half of the average gross rent with respect to units of comparable size which are not occupied by individuals who meet the applicable income limit. Under the deep rent skewing election, the Project will meet the continuing low income requirement as long as the income of the individuals occupying the unit does not increase to more than 170% of the applicable limit. Upon an increase over 170% of the applicable limit, the next available low income unit of comparable or smaller size in the Project must be rented to an individual having an income of 40% or less of the area median income.

In the event of noncompliance with the above requirements arising from events occurring after the issuance of the 2012 Bonds, the Treasury Regulations provide that the exclusion of interest on the 2012 Bonds from gross income for Federal income tax purposes will not be impaired if the Corporation takes appropriate corrective action within a reasonable period of time after such noncompliance is first discovered or should have been discovered by the Corporation.

Compliance and Additional Requirements

The Code establishes certain additional requirements which must be met subsequent to the issuance and delivery of the 2012 Bonds in order that interest on the 2012 Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to the use and expenditure of the proceeds of the 2012 Bonds, yield and other limits regarding investment of the proceeds of the 2012 Bonds and other funds, and rebate of certain investment earnings on such amounts on a periodic basis to the United States.

The Corporation has covenanted in the Resolution that it shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the 2012 Bonds shall be excluded from gross income for Federal income tax purposes. In furtherance thereof, the Corporation is to enter into the Regulatory Agreement with the Mortgagor and 1133 Manhattan Avenue Master Tenant LLC to assure compliance with the Code. However, no assurance can be given that in the event of a breach of any such covenants, or noncompliance with the procedures or certifications set forth therein, the remedies available to the Corporation and/or 2012 Bond owners can be judicially enforced in such manner as to assure compliance with the above-described requirements and therefore to prevent the loss of the exclusion of interest from gross income for Federal income tax purposes. Any loss of such
exclusion of interest from gross income may be retroactive to the date from which interest on the 2012 Bonds is payable.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the 2012 Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a 2012 Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the 2012 Bonds.

Prospective owners of 2012 Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S corporations and certain foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security or railroad retirement benefits, individuals otherwise eligible for the earned income credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the 2012 Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Information Reporting and Backup Withholding

Information reporting requirements will apply to interest paid on tax-exempt obligations, including the 2012 Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9 “Request for Taxpayer Identification Number and Certification”, or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to “backup withholding”, which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a “payor” generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a 2012 Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the 2012 Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner’s Federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous

In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the 2012 Bonds.

Prospective purchasers of the 2012 Bonds should consult their own tax advisors regarding the foregoing matters.

I. BOND PROGRAMS. The Corporation issues bonds and notes to fund mortgage loans for multi-family residential developments under the programs described below. The multi-family residential developments financed under the corporation's multi-family housing revenue bonds bond resolution, adopted by its members on July 27, 1993, as amended from time to time (the "general resolution") are described below in "section c – housing revenue bond program." As of ______________, the corporation had bonds outstanding in the aggregate principal amount of approximately $________________. All of the bonds are separately secured, except for the bonds issued under the general resolution which are equally and ratably secured by the assets pledged under the general resolution. None of the bonds under the bond programs described in "section a – multi-family program," "section b – military housing revenue bond program," "section d – liberty bond program," "section e – section 223(f) refinancing program." And "section f – capital fund revenue bond program" provide security under the general resolution, and none of the bonds under these programs is secured by the general resolution.

A. Multi-Family Program. The Corporation established its Multi-Family Program to develop privately-owned multi-family housing, all or a portion of which is reserved for low income tenants. The following describes the Corporation’s activities under its Multi-Family Program.

1. **Rental Projects: Fannie Mae or Freddie Mac Enhanced:** The Corporation has issued tax-exempt and/or taxable bonds which either (i) are secured by mortgage loan payments, which payments are secured by obligations of Fannie Mae under various collateral agreements, (ii) are secured by a Direct Pay Credit Enhancement Instrument issued by Fannie Mae or (iii) are secured by a Direct Pay Credit Enhancement Agreement with Federal Home Loan Mortgage Corporation ("Freddie Mac").

2. **Rental Projects: Letter of Credit Enhanced:** The Corporation has issued tax-exempt and/or taxable bonds to finance a number of mixed income projects and entirely low income projects, which bonds are secured by letters of credit issued by investment-grade rated commercial lending institutions.

3. **Residential Housing: Credit Enhanced:** The Corporation has issued bonds to provide financing for residential facilities for hospital staff and for post-secondary students, faculty and staff which bonds are secured by letters of credit issued by investment-grade rated institutions.

6. **Rental Projects: Not Rated:** The Corporation has issued bonds to provide financing for rental projects, which bonds are not rated by a rating agency and were not publicly offered.
B. **Military Housing Revenue Bond Program.** Under this program, the Corporation has issued taxable obligations in order to fund a portion of the costs of the design, demolition, renovation, construction and operation of housing units in residential family housing areas located at Fort Hamilton.

C. **Housing Revenue Bond Program.** Under its Housing Revenue Bond Program, the Corporation may issue bonds payable solely from and secured by the assets held under the General Resolution which include a pool of mortgage loans, some of which are construction loans (which pool contains FHA-insured mortgage loans, REMIC-insured mortgage loans, SONYMA-insured mortgage loans, GNMA mortgage-backed securities, other mortgage loans and participation interests in mortgage loans), the revenues received on account of all such loans and securities, and other assets pledged under such resolution and any supplemental resolution for a particular series of bonds. Certain of the projects, which secure a portion of the mortgage loans, receive the benefits of subsidy payments. As of __________, 2012, __________ (____) series of bonds have been issued under the Housing Revenue Bond Program including the Corporation’s Multi-Family Housing Revenue Bonds (Federal New Issue Bond Program), 2009 Series 1 and 2009 Series 2, which are not secured by the General Resolution.

D. **Liberty Bond Program.** In accordance with Section 301 of the Job Creation and Worker Assistance Act of 2002, the Corporation has issued tax-exempt and taxable bonds, each secured by a letter of credit, to finance the development of multi-family housing within an area of lower Manhattan designated in such legislation as the “Liberty Zone.”

E. **Section 223(f) Refinancing Program.** Under this program, the Corporation acquires mortgages originally made by The City of New York (the “City”), obtains federal insurance thereon and either sells such insured mortgages or issues its obligations secured by said insured mortgages and pays the net proceeds of the sale of such mortgages or issuance of obligations to the City. Each series of bonds issued under this program is secured by a mortgage loan insured by FHA pursuant to Section 223(f) of Title II of the National Housing Act of 1934, as amended (the “National Housing Act”). Debt service on each series of bonds is paid only from monies received on account of the applicable mortgage loan securing such series, including, with respect to certain projects, interest reduction subsidy payments received by the Corporation pursuant to Section 236 of the National Housing Act.

F. **Capital Fund Revenue Bond Program.** Under this program, the Corporation has issued tax-exempt obligations in order to assist the New York City Housing Authority with the execution of a multi-year construction initiative that will address critical capital improvement needs of their aging housing portfolio.

G. **Secured Mortgage Revenue Bond Program.** Under this program, the Corporation may issue bonds to finance loans evidenced by a note and secured by a mortgage for privately owned multi-family housing. Such mortgage loans or the related bonds are required to be subject to supplemental security as defined in the applicable bond resolution. As of __________, 2012, three (3) series of bonds have been issued under the Secured Mortgage Revenue Bond Program.

#### B. Low-Income Affordable Marketplace Program.** The Corporation has established a Low-income Affordable Marketplace Program (“LAMP”) to finance the construction or substantial rehabilitation of developments affordable to low-income tenants. LAMP projects are financed primarily with a first mortgage loan funded from tax-exempt bonds proceeds, as of right 4% Federal tax credits and
a subordinate mortgage loan funded from the Corporation's reserves. The subordinate loan is provided at 1% interest with fixed minimum payments of at least interest only but may provide for amortization.

C. Low-Income Affordable Marketplace Preservation Program. The Corporation has established a Low-income Affordable Marketplace Preservation Program ("LAMP Preservation") to finance the acquisition and moderate rehabilitation of developments affordable to low-income tenants. LAMP Preservation projects are financed with a mortgage loan funded by tax-exempt bonds proceeds and as of right 4% Federal tax credits.

D. Mitchell-Lama Program. The Corporation has established the Mitchell Lama Restructuring Program and the Mitchell Lama Repair Loan Program. The Mitchell Lama Repair Loan Program provides Mitchell-Lama projects with additional loans to fund system modernizations, capital improvements or repairs.

E. Mixed Income Program. The Corporation has established a Mixed-Income Program to finance the construction or substantial rehabilitation of mixed-income multi-family rental housing. Mixed Income projects are financed with a first mortgage loan funded from tax-exempt bond proceeds, a subordinate mortgage loan funded from the Corporation's reserves and in some cases, as of right 4% Federal tax credits. Typically, the developments reserve 50% of the units for market rate tenants, 30% of the units for moderate to middle income tenants and 20% of the units for low income tenants.

F. New Housing Opportunities Program. The Corporation has established a New Housing Opportunities Program ("New HOP") to finance the construction or substantial rehabilitation of developments affordable to low and moderate income tenants. New HOP projects are financed with a first mortgage loan funded from taxable or tax-exempt bonds proceeds and a subordinate mortgage loan funded from the Corporation's reserves. The subordinate loan is provided at 1% interest with fixed minimum payments of at least interest only but may provide for amortization.

III. OTHER LOAN PROGRAMS. In addition to funding mortgage loans, the Corporation funds loans not secured by a mortgage under various programs, including the programs described below.

A. New Ventures Incentive Program. The Corporation participated in the New Ventures Incentive Program ("NewVIP"), a multi-million dollar public-private partnership between the City and member banks established in the fall of 2003. The Corporation originated three NewVIP loans, all of which have been repaid.

B. Other. The Corporation has provided interest-free working capital loans to not-for-profit sponsors of projects through HPD's Special Initiatives Program. The proceeds of such loans are used for rent-up expenses and initial operation costs of such projects. [PROPOSED FORM OF OPINION OF BOND COUNSEL TO THE CORPORATION]

Upon delivery of the 2012 Bonds, Hawkins Delafield & Wood LLP, Bond Counsel to the Corporation, proposes to issue its approving opinion in substantially the following form:

NEW YORK CITY HOUSING DEVELOPMENT CORPORATION
110 William Street
New York, New York 10038

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance of $40,000,000 Multi-Family Rental Housing Revenue Bonds (1133 Manhattan Avenue Development), 2012 Series A (the "2012 Bonds") of the New York City Housing Development Corporation (the "Corporation"), a corporate governmental agency, constituting a public benefit corporation created and existing under and pursuant to the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law (Chapter 44-b of the Consolidated Laws of New York), as amended (the "Act").

The 2012 Bonds are authorized to be issued pursuant to the Act and the Multi-Family Rental Housing Revenue Bonds (1133 Manhattan Avenue Development), 2012 Series A of the Corporation, adopted ____ __, 2012 (herein called the "Resolution"). The 2012 Bonds are being issued for the purpose of financing the Mortgage Loan (as defined in the Resolution).

The 2012 Bonds are dated, mature, are payable, bear interest and are subject to redemption and tender as provided in the Resolution.

The Corporation is authorized to issue other Bonds (as defined in the Resolution), in addition to the 2012 Bonds, for the purposes and upon the terms and conditions set forth in the Resolution, and such Bonds, when issued, shall, with the 2012 Bonds and with all other such Bonds theretofore issued, be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

We have not examined nor are we passing upon matters relating to the real and personal property referred to in the Mortgage, nor are we passing upon the Loan Agreement, the Mortgage, the other Mortgage Documents or the Assignment (as such terms are defined in the Resolution). In rendering this opinion, we have assumed the validity and enforceability of the Loan Agreement, the Mortgage, the other Mortgage Documents and the Assignment.

Upon the basis of the foregoing, we are of the opinion that:

1. The Corporation has been duly created and validly exists as a corporate governmental agency constituting a public benefit corporation, under and pursuant to the laws of the State of New York (including the Act), and has good right and lawful authority, among other things, to finance the Mortgage Loan, to provide sufficient funds therefor by the adoption of the Resolution and the issuance and sale of the 2012 Bonds, and to perform its obligations under the terms and conditions of the Resolution, including financing the Mortgage Loan, as covenanted in the Resolution.
2. The Resolution has been duly adopted by the Corporation, is in full force and effect, and is valid and binding upon the Corporation and enforceable in accordance with its terms.

3. The 2012 Bonds have been duly authorized, sold and issued by the Corporation in accordance with the Resolution and the laws of the State of New York (the “State”), including the Act.

4. The 2012 Bonds are valid and legally binding special revenue obligations of the Corporation payable solely from the revenues, funds or moneys pledged for the payment thereof pursuant to the Resolution, are enforceable in accordance with their terms and the terms of the Resolution, and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

5. The Bonds, including the 2012 Bonds, are secured by a pledge in the manner and to the extent set forth in the Resolution. The Resolution creates the valid pledge of and lien on the Revenues (as defined in the Resolution) and all the Accounts (other than the Rebate Fund) established by the Resolution and moneys and securities therein, which the Resolution purports to create, subject only to the provisions of the Resolution permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Resolution.

6. Pursuant to the Resolution, the Corporation has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to finance the Mortgage Loan, subject to the requirements of the Resolution with respect thereto.

7. The 2012 Bonds are not a debt of the State or The City of New York and neither is liable thereon, nor shall the 2012 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged for the payment thereof.

8. Under existing statutes and court decisions, (i) interest on the 2012 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), except that no opinion is expressed as to such exclusion of interest on any 2012 Bond for any period during which such 2012 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with the proceeds of the 2012 Bonds or a “related” person, and (ii) interest on the 2012 Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code and is not included in adjusted current earnings of corporations for purposes of calculating the alternative minimum tax. In rendering this opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagor (as defined in the Resolution), 1133 Manhattan Avenue Master Tenant LLC, and others in connection with the 2012 Bonds, and we have assumed compliance by the Corporation, the Mortgagor, and 1133 Manhattan Avenue Master Tenant LLC with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2012 Bonds from gross income under Section 103 of the Code. In addition, under existing statutes, interest on the 2012 Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

We express no opinion regarding any other Federal or state tax consequences with respect to the 2012 Bonds. We render our opinion under existing statutes and court decisions as of the issue date, and we assume no obligation to update our opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation or otherwise. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2012 Bonds or the exemption from personal income taxes of interest on the 2012 Bonds under state and local tax law.
In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2012 Bonds and the Resolution may be limited by bankruptcy, insolvency and other laws affecting creditors’ rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2012 Bond and in our opinion the form of said Bond and its execution are regular and proper.

Very truly yours,
