III. INCOME:

A. **Employment Income/Wages:**

(i) Preferred Income Verification, **OR** (ii) Secondary Income Verification.

i. **Preferred Income Verification Sources:** Only one (1) of the below methods of verification are required:

- Employment Verification Form (Attachment I-3) filled out in its entirety. Any questions left unanswered or unclear will require clarification.

ii. **Secondary Income Verification Sources:** The 2019 W-2 form is required along with either Oral Verification OR Self-Declaration:

- W-2 Form if applicant has had the same employer for at least two years and increases can be accurately projected, and
- Oral Verification: Telephone or in-person contact with employer specifying amount to be paid per pay period and length of pay period. This includes frequency of gross pay (i.e., hourly, biweekly, monthly, bimonthly); anticipated increases in pay and effective dates; overtime, etc.), or
- Self-Declaration: Notarized affidavit signed by applicant describing amount and source of income

Note:

- *Self-Declaration will not suffice unless the file documents a reason as to why a third-party and/or oral verification was not obtained. Additionally, documentation that supports the credibility and accuracy of the projection noted on the affidavit is needed when the self-declaration is used as a method of verification.*

B. **Business Income & Self-Employment Income:**

If Business/Self-Employment Income in the same line of work has been reported for at least two (2) years, the following two (2) methods of verification are required:

- Most recent FEDERAL & STATE TAX returns including 1099(s), Schedule C and other schedules, and
- An estimate of current year's net self-employment earnings certified in: (i) a letter from a licensed accountant or tax preparer, or (ii) a notarized self-statement.

If Business/Self-Employment income in the same line of work does not have two-year documented history, the following three (3) methods of verification are required:

- Tax returns from at least the previous year, even if the income was not from self-employment, and
- An estimate of current year's net self-employment earnings certified in: (i) a letter from a licensed accountant or tax preparer, or (ii) a notarized self-statement, and
- All third-party documentation supporting the estimate so that the Agent may make a reasonable attempt to establish the applicant's self-employment income and determine eligibility. See Attachment I-4 for examples of self-employment records.

C. **Recurring contributions and gifts:**

At least two (2) of the below methods of verification are required:

- Notarized affidavit signed by the person providing the assistance giving the purpose, dates, and value.

- Oral Verification: Telephone or in-person contact with income source
- Self-Declaration*: Notarized affidavit from applicant indicating the source and amount of income received other than wages.

Note:

- *Unemployment Benefits: For applicant's who were previously employed (as evidenced by the application or W-2/Tax Return) & currently in the process of filing for unemployment benefits (federal and state); if the unemployment income cannot be documented, as long as there is evidence that an application for benefits has successfully been submitted, the file may continue processing. However, the applicant may not sign a lease until verification for such benefits is provided. It is expected that Owners will allow applicants a two-week period (10 business days) to provide any missing documentation before being rejected/waitlisted.*
- *In the event the third-party verification is older than 120 days, the Self-Declaration can be used to reaffirm the anticipated gross income that will be received. The Self-Declaration will be used to bridge the 120-Day gap, therefore, the document must be within 120-days*
- *Self-Declaration will not suffice unless the file documents a reason as to why a third-party and/or oral verification was not obtained. Additionally, documentation that supports the credibility and accuracy of the projection noted on the affidavit is needed when the self-declaration is used as a method of verification.*
- *Self-Declarations and Affidavits may be notarized electronically pursuant to Executive Order 202.7.*
