INTRODUCTION

The Corporation, which commenced operations in 1972, is a corporate governmental agency constituting a public benefit corporation organized and existing under the laws of the State of New York (the “State”). The Corporation was created by the Act for the purpose of providing and encouraging the investment of private capital in safe and sanitary dwelling accommodations in the City of New York within the financial reach of families and persons of low income, which includes families and persons whose need for housing accommodations cannot be provided by the ordinary operations of private enterprise, through the provision of low interest mortgage loans. The Act provides that the Corporation and its corporate existence shall continue at least so long as bonds, notes or other obligations of the Corporation shall be outstanding.

For a description of the recent developments at the Corporation, see “THE CORPORATION — Recent Developments” herein.

The 2003 Bonds are being issued to finance a mortgage loan (the “Mortgage Loan”) to JDM Washington Street LLC, a New York limited liability company (the “Mortgagor”), for the purposes of paying a portion of the costs of acquiring a building that is located on a ground leasehold estate located at 90 Washington Street in the Borough of Manhattan, New York, and converting such office building into a multi-family rental housing development (the “Project”), and certain other costs related thereto. See “THE PROJECT AND THE MORTGAGOR” and “ESTIMATED SOURCES AND USES OF FUNDS” herein. In the event that the Project is not completed within 18 months, subject to force majeure, after the date of initial issuance and delivery of the 2003 Bonds, as required by the Credit Agreement (hereinafter described), there may be a mandatory tender or redemption of the 2003 Bonds, in whole or in part. See “DESCRIPTION OF THE 2003 BONDS — Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon an Event of Termination” and “Redemption of 2003 Bonds - Mandatory — Mandatory Redemption Upon a Declaration of Acceleration — Following an Event of Termination” herein. In addition, if the Mortgage Loan is made in an amount less than the amount originally anticipated, all or a portion of the 2003 Bonds may be redeemed. See “DESCRIPTION OF THE 2003 BONDS — Redemption of 2003 Bonds - Optional — Special Redemption Without Premium” herein.

Concurrently with, and as a condition precedent to, the issuance of the 2003 Bonds, the Corporation will cause to be delivered to The Bank of New York as trustee (the "Trustee") under the Resolution, an irrevocable direct pay letter of credit (the "Letter of Credit") issued by KeyBank National Association ("KeyBank" or the "Bank"). The Letter of Credit will permit the Trustee to draw up to an amount equal to the aggregate principal amount of the 2003 Bonds then Outstanding plus an amount equal to at least 35 days of interest at the Maximum Rate (defined below) on the Outstanding 2003 Bonds, in order to pay the principal or Purchase Price (defined below) of, and interest on, the 2003 Bonds. The Letter of Credit will be issued pursuant to the provisions of the Letter of Credit Reimbursement and Disbursement Agreement dated as of the date of initial issuance of the 2003 Bonds (the "Credit Agreement"), among the Mortgagor, the Bank, in its capacity as the provider of the Letter of Credit and in its capacity as co-lender (the Bank and any other lenders who become co-lenders pursuant to the Credit Agreement are referred to collectively as the "Lenders") and in its capacity as servicer and agent for the Lenders (the "Agent"). The sole obligor under the Letter of Credit will be the Bank. The other Lenders will have no obligation under the Letter of Credit. The Letter of Credit will expire on July 15, 2005, unless extended or terminated earlier in accordance with its terms. See "LETTER OF CREDIT BANK," "SECURITY FOR THE 2003 BONDS — Letter of Credit" and "SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT" herein. See "SECURITY FOR THE 2003 BONDS — Alternate Security" and "SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT" herein.

The 2003 Bonds are special obligations of the Corporation payable from Revenues (as defined herein) and certain other moneys pledged therefor under the Resolution, including any investment earnings thereon. The 2003 Bonds are subject to a maximum interest rate of twelve percent (12%) per annum or such higher rate (which shall not exceed fifteen percent (15%) per annum) as may be established in accordance with the provisions of the Resolution (the "Maximum Rate").

During any period of time in which any Series of the 2003 Bonds bears interest at the Weekly Rate, the 2003 Bonds of such Series are subject to purchase at a price equal to 100% of the principal amount of such 2003 Bonds plus accrued and unpaid interest thereon to the date of purchase (the "Purchase Price"). THE CORPORATION

Recent Developments

Since 2002, an investigation relating to the Corporation has been made and is continuing. Additionally, in May 2003, the Corporation experienced significant changes in senior management. Information concerning these activities is further detailed below.

Investigation. The United States Attorney for the Southern District of New York (the "U.S. Attorney") and The City of New York Department of Investigation ("DOI") have been jointly investigating, among other things, alleged misuse of corporate funds by certain former officers of the Corporation (the "Investigation") since 2002. As a result of the Investigation, on March 13, 2003, Russell A. Harding, President of the Corporation from June 1998 to February 2002, was indicted on federal felony charges for participating with others in a scheme to defraud the Corporation of hundreds of thousands of dollars. Mr. Harding has entered a plea of not guilty to the charges against him. On May 5, 2003, Luke Cusack, Senior Vice President for Administration of the Corporation from June 1998 to March 2002, pled guilty to a federal felony by participating in a scheme to defraud the Corporation of hundreds of thousands of dollars.

During the course of the Investigation, the Corporation retained a private law firm to review the controls and financial procedures in place at the Corporation, and recommend enhancements to those procedures to safeguard the Corporation's assets. As a result of the recommendations, on March 18, 2003, the Corporation adopted certain policy and procedural changes designed to assure oversight of the expenditures of the Corporation which have been implemented. In addition, the Corporation entered into a memorandum of understanding with DOI dated March 6, 2003, which was ratified by the Board on March 18, 2003, pursuant to which any allegations of corruption must be referred to DOI, concurrent with the statutory oversight by the State.

The U.S. Attorney and DOI have stated that the Investigation is continuing.

Senior Management Changes. On May 6, 2003, the Mayor announced the resignations, effective immediately, of the President, the Senior Vice President and General Counsel, and the Senior Vice President and Chief Financial Officer of the Corporation, all of whom had been long-serving senior officers of the Corporation. On May 7, 2003, the Chief Information Officer of the Corporation also resigned. In addition, on May 7, 2003, William W. Traylor was appointed Acting President of the Corporation. On May 19, 2003, Randi E. Gordon was appointed Acting Chief Financial Officer of the Corporation. Joy F. Willig, Deputy General Counsel, has been serving as acting General Counsel since May 6, 2003, as provided in the Corporation's By-Laws. See "THE CORPORATION — Organization and Membership" and "Principal Officers."

While the Corporation can give no assurance as to the future course or the ultimate outcome of the Investigation, the Corporation does not believe that either (a) the aforementioned indictment or plea, or the results of the Investigation, or (b) the aforementioned senior management changes will adversely affect the operations of the Corporation, or the pledge, collection or application of any monies or security provided for the payment of the Bonds (including the 2003 Bonds).

Purposes and Powers of the Corporation

The Corporation is a corporate governmental agency constituting a public benefit corporation organized and existing under the laws of the State, created for the purposes of providing, and encouraging the investment of private capital in, safe and sanitary dwelling accommodations in the City of New York for families and persons of low income, which include families and persons whose need for housing accommodations cannot be provided by the ordinary operations of private enterprise, through the provision of low interest mortgage loans. Powers granted the Corporation under the Act include the power to issue bonds, notes and other obligations to obtain funds to carry out its corporate purposes, and to refund the same; to acquire, hold and dispose of real and personal property; to make mortgage loans to specified private entities; to purchase loans from lending institutions; to make loans insured or coinsured by the Federal government for new construction and rehabilitation of multiple dwellings; to make and to contract for the making of loans for the purpose of financing the acquisition, construction or rehabilitation of multi-family housing accommodations; to acquire and to contract to acquire any Federally-guaranteed security evidencing indebtedness on a mortgage securing a loan; to acquire mortgages from the City, obtain Federal insurance thereon and either sell such insured mortgages or issue its obligations secured by said insured mortgages and to pay the net proceeds of such sale of mortgages or issuance of obligations to the City; and to do any and all things necessary or convenient to carry out its purposes. The Act further provides that the Corporation and its corporate existence shall continue at least so long as its bonds, including the 2003 Bonds, notes, or other obligations are outstanding.

The sale of the 2003 Bonds and the terms of such sale are subject to the approval of the Comptroller of the City. The Corporation is a “covered organization” as such term is defined in the New York State Financial Emergency Act for The City of New York, as amended, and the issuance of the 2003 Bonds is subject to the review of the New York State Financial Control Board for The City of New York.

For a description of the other activities of the Corporation, see “Appendix B – Other Activities of the Corporation.”

THE MORTGAGE LOAN

The Resolution authorizes the Corporation to issue the 2003 Bonds to provide moneys to finance the Mortgage Loan for the purposes of paying a portion of the costs of acquiring a building that is located on a ground leasehold estate where the Project is located, converting such office building located thereon into a multi-family rental housing development, and certain other costs related thereto. As a condition to the initial issuance and delivery of the 2003 Bonds, the Bank is to deliver the Letter of Credit for the benefit of the Trustee. In addition, the Corporation and the Mortgagor will enter into a construction and project loan agreement (as the same may be amended or supplemented, the “Loan Agreement”), prior to or simultaneously with such issuance of the 2003 Bonds. The Mortgage Loan is to be (i) evidenced by two mortgage notes (as the same may be amended or supplemented, collectively, the “Mortgage Note”), in an aggregate amount equal to the principal amount of the 2003 Bonds and (ii) secured by two mortgages (as the same may be amended or supplemented, collectively, the “Mortgage”), each executed by the Mortgagor in favor of the Corporation. The Mortgagor is required under the Mortgage Note to make payments sufficient to pay principal of and interest on the 2003 Bonds. Pursuant to the terms of the Resolution and the Assignment and Servicing Agreement by and among the Corporation, the Trustee, the Credit Issuer and the Mortgagor (the “Assignment”), the Corporation is to assign to the Trustee and to the Bank, as Agent, all of its right, title and interest in the Mortgage Loan, the Loan Agreement, the Mortgage Note, the Mortgage and other assigned documents (except certain reserved rights as described in the Assignment).

In the Credit Agreement, the Mortgagor agrees to complete the renovation of the Project within 18 months, subject to force majeure, after the date of the initial issuance and delivery of the 2003 Bonds. There can be no assurance that the Project will be completed or that it will be completed on schedule. An event of default under the Credit Agreement may cause a mandatory tender or redemption in whole or in part of the 2003 Bonds. See "DESCRIPTION OF THE 2003 Bonds - Credit Issuer's Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon an Event of Termination" and "Redemption of 2003 Bonds - Mandatory – Mandatory Redemption Upon a Declaration of Acceleration – Following an Event of Termination" and "SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT" herein. If the costs of acquiring the building that is located on the ground leasehold estate where the Project is located and constructing and equipping the Project are less than the amount originally anticipated and, in turn, the Mortgage Loan is made in an amount less than the amount originally anticipated, a portion of the 2003 Bonds may be redeemed. See “DESCRIPTION OF THE 2003 BONDS – Redemption of 2003 Bonds - Optional – Special Redemption Without Premium” herein.

The Mortgagor has agreed to pay fees to the Lenders in connection with the issuance and maintenance of the Letter of Credit and to indemnify the Lenders in certain circumstances. Failure of the Mortgagor to make payments when due under the Mortgage Loan or the Credit Agreement, as the case may be, will result in an event of default under the Credit Agreement and may, at the option of the Credit Issuer, result in a mandatory tender or redemption, in whole or in part, of the 2003 Bonds. See “DESCRIPTION OF THE 2003 BONDS – Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon an Event of Termination” and “Redemption of 2003 Bonds - Mandatory – Mandatory Redemption – Mandatory Redemption Upon a Declaration of Acceleration – Following an Event of Termination” herein. See also “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT” herein.

Under the terms of a guaranty of completion and a limited guaranty of payment (collectively, as the same may be amended or supplemented, the “Guaranty”), executed and delivered by Joseph Moinian (the “Guarantor”), to the Agent for the benefit of the Lenders, the Guarantor has agreed to guarantee (i) completion of construction of the Project and (ii) payment of a portion of the principal of and interest on the Mortgage Note. The liability of the Guarantor under the Guaranty terminates upon the occurrence of certain events. Failure by the Guarantor to perform its obligations under the Guaranty may result in an event of default under the Credit Agreement and may, at the option of the Credit Issuer, result in a mandatory tender or redemption, in whole or in part, of the 2003 Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT” and “DESCRIPTION OF THE 2003 BONDS—Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon an Event of

Termination” and “Redemption of 2003 Bonds - Mandatory - Mandatory Redemption Upon a Declaration of Acceleration - Following an Event of Termination” herein. Neither the owners of the 2003 Bonds nor the Corporation will have any rights with respect to the Guaranty, and the obligations thereunder, provided by the Guarantor. The Guaranty is provided for the sole benefit of the Agent on behalf of the Lenders.

The Mortgage Loan is a non-recourse (subject to customary exceptions) obligation of the Mortgagor with respect to which its members have no personal liability and as to which its members have not pledged any of their respective assets, other than the Project and its rents, profits and proceeds.

THE PROJECT AND THE MORTGAGOR

The following information has been provided by the Mortgagor for use herein. While the information is believed to be reliable, neither the Corporation, the Agent, the Bank, the Underwriter nor any of their respective counsel, members, directors, officers or employees makes any representations as to the accuracy or sufficiency of such information.

The Project

The 2003 Bonds are being issued to finance a Mortgage Loan to the Mortgagor for the purposes of paying a portion of the costs of acquiring a building that is located on a ground leasehold estate located at 90 Washington Street, New York, New York, and converting such office building located thereon into a multi-family residential housing development, and certain other costs related thereto. The Project is expected to consist of a total of 398 residential units (30 one-bedroom units and 368 studios, including one studio that will be occupied by the superintendent of the building and 80 of which studios will contain home offices) located in the existing 27-story building. In addition to the residential units, the Project will contain approximately 900 square feet of retail space, a 9,039 square foot accessory parking garage, laundry facilities on every floor, and a 2,700 square foot fitness center and recreation room with an outdoor terrace for exclusive use of all the residents.

In connection with the Mortgagor's acquisition of the building, the Mortgagor executed and delivered to 90 Washington LLC a non-recourse (subject to customary exceptions) purchase money mortgage in the principal amount of \$29,000,000, which mortgage shall mature on January 14, 2006 (subject to earlier prepayment upon placement of permanent credit enhancement). The purchase money mortgage is not recorded, and by its terms provides that it shall not be recorded unless and until there is an event of default thereunder. Said purchase money mortgage shall, pursuant to an amended and restated intercreditor agreement between the Credit Issuer and 90 Washington LLC, be fully subordinated to the Mortgage securing the Mortgage Loan and the Mortgage shall be a first and prior lien encumbering the ground leasehold estate and the Project.

The Mortgagor expects to obtain a twelve-year phased exemption and a fourteen-year phased abatement from real estate taxes for the Project in accordance with Section 421-g of the Real Property Tax Law of the State of New York, which provides a tax exemption and a tax abatement benefit for the conversion of non-residential buildings located in the area of the Project, to residential buildings. Pursuant to Section 421-g, all residential units in the Project are required to be subject to rent regulation for the duration of the benefit period in accordance with the New York City Rent Stabilization Code.

The estimated Mortgage Loan amount to be financed is \$82,000,000. The Mortgage Loan for the Project will have a term of approximately thirty-two (32) years. The architect for the Project is Avinash K. Malhotra Architects. Regal Washington LLC will be the general contractor for the construction of the Project and Newmark Construction Services, LLC will be the construction management advisor. Demolition work for the Project began in January of 2003. During the recent course of construction at the Project, an explosion occurred that resulted in the fatality of a workman and injuries to others working at the site. The Mortgagor believes that any suits, claims, actions or proceedings brought against the Mortgagor or the Project arising out of, or in connection with, the explosion should be covered by insurance. In addition, as a result of the explosion, a number of violations were issued against the Mortgagor and various contractors involved with the renovation of the Project, some of which could result in liens against the property. Any violations

related to the Mortgagor and/or the property should not constitute an event of default under the Credit Agreement so long as the Mortgagor continues to diligently attempt to cure such violations.

The Project will be managed by Insignia Residential Group, Inc. (the "Management Agent"). The Management Agent is located in New York City where it provides marketing, maintenance, administrative, asset management and accounting services for over 60,000 apartment units in and around the New York City metropolitan area.

Due to the inherent uncertainty of future events and conditions, including, without limitation, general interest rate levels, no assurance can be given that revenues generated by the Project will be sufficient to pay debt service on the Mortgage Loan, operating expenses of the Project, Lender fees, Remarketing Agent fees, Trustee and Tender Agent fees, and fees owed to the Corporation. The ability of the Mortgagor to generate sufficient revenues will be affected by a variety of factors including, but not limited to, the maintenance of a sufficient level of occupancy, the level of rents prevailing in the market, the ability to achieve increases in rents to cover increases in debt service and operating expenses, the level of operating expenses, Project management, adverse changes in applicable laws and regulations, and general economic conditions and other factors in the metropolitan area surrounding the Project. The Project is located in downtown Manhattan, in an area directly affected by the destruction of the World Trade Center in the September 11, 2001 attack. The Mortgagor believes that it is not possible to ascertain what the long-term impact of the attack will be on the real estate market, employment levels or the economy of this area or New York City generally. Furthermore, adverse changes may occur from time to time with respect to any of the preceding factors or other factors or events which may have a negative impact on the occupancy level and rental income of the Project. Failure of the Mortgagor to make payments under the Mortgage Loan will result in an event of default under the Credit Agreement and may, at the option of the Credit Issuer, result in a mandatory tender or redemption in whole or in part of the 2003 Bonds. See "DESCRIPTION OF THE 2003 BONDS - Credit Issuer's Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon an Event of Termination" and "Redemption of 2003 Bonds - Mandatory – Mandatory Redemption Upon a Declaration of Acceleration – Following an Event of Termination" and "SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT" herein.

The Mortgagor

The Mortgagor is a single purpose New York limited liability company formed in 2002 for the purposes of acquiring, renovating, and operating the Project. As such, the Mortgagor has not previously engaged in any business operations, has no historical earnings and has no material assets other than its interest in the Project. Accordingly, it is expected that the Mortgagor will not have any sources of funds to make payments on the Mortgage Loan other than revenues generated by the Project. The managing member of the Mortgagor is Joseph Moinian. The other member of the Mortgagor is David Moinian. Mr. Moinian is the Chief Executive Officer and Chief Operating Officer of The Moinian Group. Mr. Moinian has more than twenty years of real estate experience and is responsible for overseeing all aspects of the development and financing of The Moinian Group's real estate projects in the New York City market. The Moinian Group manages various entities controlled by Mr. Moinian, and those entities own 50 commercial, residential, retail and hotel properties throughout the United States and abroad, the majority of which are located in Manhattan. Since 1995, The Moinian Group has renovated over 4 million square feet of office and residential projects in New York City.

DESCRIPTION OF THE 2003 BONDS

General

The 2003 Bonds are to be dated and will mature as set forth on the cover page of this Official Statement. The 2003 Bonds will bear interest from the date of their delivery until payment of the principal thereof is made or provided for in accordance with the provisions of the Resolution, whether at maturity on July 1, 2035, upon redemption or otherwise. The 2003 Series A Bonds are being issued as variable rate obligations which will bear interest from their date of issue to but not including the Wednesday following said date of issue, at a rate per annum set forth in a certificate of the Corporation delivered on the date of issuance of the 2003 Series A Bonds. The 2003 Series B Bonds are being issued as variable rate obligations which will bear interest from their date of issue to but not including the Wednesday following said date of issue, at a rate per annum set forth in a certificate of the Corporation delivered on the date of issuance of the 2003 Series B Bonds. Thereafter, each Series of the 2003 Bonds will bear interest initially at the Weekly Rate as determined from time to time by the Remarketing Agent. The interest rate established with respect to each Series of the 2003 Bonds during any Weekly Rate Period shall be determined separately for each Series and need not be the same interest rate. At no time shall the interest rate on the 2003 Bonds exceed the Maximum Rate.

This Official Statement in general describes the 2003 Bonds only while the 2003 Bonds bear interest at a Weekly Rate.

Each Series of the 2003 Bonds shall be issued solely in fully registered form, without coupons, issuable during a Weekly Rate Period in the denomination of \$100,000 or any whole multiple of \$100,000.

Interest on the 2003 Bonds shall be payable on a monthly basis on the first Business Day of each month commencing August 1, 2003, on any Change Date and on the final maturity date of such Series of the 2003 Bonds. Interest on the 2003 Bonds of the applicable Series shall be computed on the basis of a 365 or 366-day year, actual number of days elapsed.

Book-Entry Only System

The Depository Trust Company, New York, New York (“DTC”), will act as securities depository for the 2003 Bonds. The 2003 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2003 Bond certificate will be issued for each Series of the 2003 Bonds, each in the aggregate principal amount of the 2003 Bonds of such Series, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, also subsidiaries of DTCC, as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to Participants are on file with the Securities and Exchange Commission.

Purchases of 2003 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such 2003 Bonds on DTC’s records. The ownership interest of each actual purchaser of each 2003 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2003 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2003 Bonds, except in the event that use of the book-entry system for the 2003 Bonds is discontinued.

To facilitate subsequent transfers, all 2003 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2003 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2003 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such 2003 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2003 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2003 Bonds, such as redemptions, tenders, defaults, and proposed amendments to

the 2003 Bond documents. For example, Beneficial Owners of 2003 Bonds may wish to ascertain that the nominee holding the 2003 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners.

Redemption notices shall be sent to DTC. If less than all of a Series of the 2003 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series of the 2003 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2003 Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the 2003 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the 2003 Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Corporation or Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Corporation or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its 2003 Bonds purchased or tendered, through its Participant, to the Tender Agent, and shall effect delivery of such 2003 Bonds by causing the Direct Participant to transfer the Participant's interest in the 2003 Bonds, on DTC's records, to the Tender Agent. The requirement for physical delivery of the 2003 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the 2003 Bonds are transferred by Direct Participants on DTC's records.

DTC may discontinue providing its services as securities depository with respect to a Series of the 2003 Bonds at any time by giving reasonable notice to the Corporation or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, such 2003 Bond certificates of such Series are required, pursuant to the Resolution, to be printed and delivered. The Corporation may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, 2003 Bond certificates of the applicable Series will be printed and delivered.

The above information concerning DTC and DTC's book-entry system has been obtained from sources that the Corporation and the Underwriter believe to be reliable, but neither the Corporation nor the Underwriter take responsibility for the accuracy thereof. The Beneficial Owners should confirm the foregoing information with DTC or the Direct Participants or Indirect Participants.

So long as Cede & Co. is the registered owner of 2003 Bonds of a Series, as nominee for DTC, references herein to Bondholders or registered owners of the 2003 Bonds of such Series (other than under the caption "TAX MATTERS") shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the 2003 Bonds of such Series.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the Trustee to DTC only.

Notwithstanding any other provision of the Resolution to the contrary, so long as any 2003 Bond is held in book-entry form, such 2003 Bond need not be delivered in connection with any optional or mandatory tender of 2003

Bonds described under “DESCRIPTION OF THE 2003 BONDS.” In such case, payment of the Purchase Price in connection with such tender shall be made to the registered owner of such 2003 Bonds on the date designated for such payment, without further action by the Beneficial Owner who delivered notice, and, notwithstanding the description of optional and mandatory tender of 2003 Bonds contained under “DESCRIPTION OF THE 2003 BONDS,” transfer of beneficial ownership shall be made in accordance with the procedures of DTC.

NEITHER THE CORPORATION NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (ii) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2003 BONDS UNDER THE RESOLUTION; (iii) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2003 BONDS; (iv) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2003 BONDS; (v) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE 2003 BONDS; OR (vi) ANY OTHER MATTER.

Interest Rate Periods

Weekly Rate Period. Each Series of the 2003 Bonds shall bear interest at the Weekly Rate determined in accordance with the Resolution, during the period from the date of initial issuance and delivery of the 2003 Bonds to the earlier of the first Interest Method Change Date with respect to such Series or the final maturity or redemption in whole of such Series.

The Weekly Rate shall be the lowest interest rate, not exceeding the Maximum Rate, which, in the determination of the Remarketing Agent as of the date of determination and under prevailing market conditions, would result as nearly as practicable in the market price for the 2003 Bonds of the applicable Series on the Weekly Effective Rate Date being one hundred percent (100%) of the principal amount thereof, such interest rate to be determined as follows. The Remarketing Agent will determine a separate Weekly Rate for each Series of the 2003 Bonds and reference to the Weekly Rate shall mean the Weekly Rate as it applies to the applicable Series. The Remarketing Agent shall determine the Weekly Rate not later than 10:00 a.m., New York City time, on the Weekly Effective Rate Date for each Weekly Rate Term; provided, however, that the Weekly Rate from the date of initial issuance and delivery of the 2003 Bonds to but not including the Wednesday following said date of issue shall be the rate for each Series of 2003 Bonds determined by the Corporation and delivered in writing to the Trustee on the date of such issuance and delivery. The Remarketing Agent shall immediately give notice of the determination of any Weekly Rate to the Corporation, the Mortgagor, the Trustee, the Tender Agent and the Credit Issuer by telecopy or other similar means of electronic communication or by such other method of communication as shall be mutually agreed upon by the Remarketing Agent and the recipients of such notice.

On the Business Day immediately following (i) the issuance and delivery of the 2003 Bonds and (ii) the establishment of any subsequent Weekly Rate Period, the Trustee shall deliver or mail by first-class mail, postage prepaid, to the owner of each 2003 Bond of the applicable Series, at the address shown on the registration books of the Corporation held by the Trustee, a notice stating the Weekly Rate to be borne by the 2003 Bonds of such Series, and that from and after the Weekly Effective Rate Date the 2003 Bonds of such Series will bear interest at the Weekly Rate for the duration of the applicable Weekly Rate Period. Such notice shall further specify the name, address and telephone number of the person or persons from whom information with respect to the Weekly Rate for each succeeding Weekly Rate Term may be obtained. Unless an Interest Method Change Date occurs, a new Weekly Rate Term shall automatically commence on the day after the termination of the current Weekly Rate Term.

If for any reason the position of the Remarketing Agent is vacant, or if the Remarketing Agent fails in the performance of its duty to determine the Weekly Rate for any Weekly Rate Term or the Weekly Rate is held to be invalid or unenforceable by a court of law, as set forth in a written notice from the Corporation to the Trustee, the Weekly Rate for such Weekly Rate Term shall be determined by the Trustee and shall be one hundred percent (100%) of the most

recent seven day The Bond Market Association Municipal Swap Index™ theretofore published in the Bond Buyer or otherwise made available to the Trustee, except that with respect to the 2003 Series B Bonds, said rate shall be one hundred percent (100%) of the most recent thirty (30) day Federal Reserve Composite Index as published in Report H-15 of the Federal Reserve Bank of New York.

Interest Rate Changes. No change in the method of determining the interest rate on the 2003 Bonds of a Series shall be made unless the Trustee has received, at least thirty (30) days prior to the Change Date, (1) a Certificate of an Authorized Officer of the Mortgagor specifying (i) the date which is to be the Interest Method Change Date and (ii) the method of determining the interest rate which shall take effect on such date, (2) a Certificate of an Authorized Officer of the Credit Issuer, evidencing consent to such change by the Credit Issuer if a Credit Facility is then in effect and, if necessary, an amendment to such Credit Facility conforming such Credit Facility to the requirements of the Resolution applicable to such instrument from and after the Interest Method Change Date, together with various opinions of counsels as set forth in the Resolution, or provision for the issuance of a Substitute Letter of Credit or Alternate Security meeting the requirements of the Resolution, in which case the Interest Method Change Date shall also be a Facility Change Date, (3) an opinion of Bond Counsel to the effect that the proposed change in the method of determining the interest rate on such Series of the 2003 Bonds is consistent with the provisions of the Resolution and will not adversely affect the exclusion of the interest on such Series of the Bonds from gross income for Federal income tax purposes, and (4)(i) permission from Bond Counsel, the opinion of which as to the exclusion from gross income for Federal income tax purposes of interest on such Series of the 2003 Bonds is on file with the Trustee, to deliver such opinion in connection with such Series of the 2003 Bonds, or (ii) an opinion from Bond Counsel as described in the Resolution to the effect that the interest on such Series of the 2003 Bonds is not included in gross income for Federal income tax purposes. The provisions of this paragraph concerning opinions of Bond Counsel regarding the exclusion of interest from gross income shall not apply to the 2003 Series B Bonds. Notwithstanding anything to the contrary contained in the Resolution, the 2003 Series A Bonds and the 2003 Series B Bonds will always have the same method of determining interest so that during any Weekly Rate Period, each Series of 2003 Bonds will bear interest at the Weekly Rate, provided, however, that the actual interest rate established with respect to each Series of 2003 Bonds during any such Period will be determined separately for each Series of 2003 Bonds and need not be the same interest rate.

Purchase of the 2003 Bonds on Demand of Owner

Each owner of a 2003 Bond of such Series may by delivery of a written, personal, electronic or telephonic notice of tender to the principal offices of the Tender Agent at 101 Barclay Street, Floor 21W, Attention: New York Municipal Finance Unit, New York, New York 10286 (or such other address as may be established by the Tender Agent from time to time), and the Remarketing Agent (Merrill Lynch, Pierce, Fenner & Smith Incorporated at 4 World Financial Center, 9th Floor, New York, New York 10080 (or such other address as may be established by the Remarketing Agent from time to time) prior to 5:00 p.m., New York City time, on any Business Day not less than seven calendar days before the particular Business Day chosen as the purchase date, demand payment of the Purchase Price on and as of such purchase date of all or a portion of such Series of 2003 Bonds, in any denomination authorized by the Resolution; provided, however, that no 2003 Bonds shall be purchased unless any remaining 2003 Bonds of such owner are in a denomination authorized by the Resolution. Each such notice of tender shall be irrevocable and effective upon receipt and shall:

(i) be delivered to the Tender Agent and the Remarketing Agent at their respective Principal Offices and be in a form satisfactory to the Tender Agent; and

(ii) state (A) the Series and the aggregate principal amount of the 2003 Bonds of such Series to be purchased and the numbers of such 2003 Bonds to be purchased, and (B) the date on which such 2003 Bonds are to be purchased, which date shall be a Business Day not prior to the seventh (7th) day next succeeding the date of delivery of such notice and which date will be prior to any Change Date.

If any 2003 Bonds are to be purchased prior to an Interest Payment Date and after the Record Date in respect thereof, the owner of such 2003 Bond demanding purchase thereof shall deliver to the Tender Agent a due bill check, payable to bearer, for interest due on such Interest Payment Date.

Any 2003 Bonds for which a demand for purchase has been made shall be delivered to the Tender Agent as agent for the Credit Issuer at or prior to 12:00 noon, New York City time on the date designated for purchase, with an appropriate endorsement for transfer or accompanied by a bond power endorsed in blank.

Any 2003 Bonds not so delivered to the Tender Agent (“Undelivered 2003 Bonds”) on or prior to the purchase date for which there has been irrevocably deposited in trust with the Trustee or the Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2003 Bonds shall be deemed to have been purchased at the Purchase Price. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2003 BONDS TO DELIVER ITS AFFECTED 2003 BONDS ON OR PRIOR TO THE PURCHASE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE PURCHASE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2003 BONDS, AND ANY UNDELIVERED 2003 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Notwithstanding the above, in the event that any 2003 Bond whose owner has exercised its demand purchase option is remarketed to such owner, such owner need not deliver such 2003 Bond to the Tender Agent, but such 2003 Bond shall be deemed to have been delivered to the Tender Agent and redelivered to such owner.

Mandatory Purchase of 2003 Bonds on Interest Method Change Date

The 2003 Bonds of a Series shall be subject to mandatory tender for purchase on any Interest Method Change Date at the Purchase Price. The Trustee shall deliver, or mail by first class mail, to the Remarketing Agent and to the owner of each 2003 Bond of the applicable Series, at its address shown on the registration books of the Corporation held by the Trustee, a notice not later than fifteen (15) days prior to the Interest Method Change Date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Interest Method Change Date and reason therefor, that such owners of 2003 Bonds shall be deemed to have tendered their 2003 Bonds for purchase on the Interest Method Change Date, and the Purchase Price for such 2003 Bonds.

Owners of the applicable Series of the 2003 Bonds shall be required to tender their 2003 Bonds to the Tender Agent for purchase at the Purchase Price on the Interest Method Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2003 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2003 Bonds shall be deemed to have been purchased at the Purchase Price on the Interest Method Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2003 BONDS TO DELIVER ITS AFFECTED 2003 BONDS ON OR PRIOR TO THE INTEREST METHOD CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE INTEREST METHOD CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2003 BONDS, AND ANY UNDELIVERED 2003 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Mandatory Purchase of 2003 Bonds Upon Replacement, Termination or Expiration of Credit Facility

On any Facility Change Date the 2003 Bonds are subject to mandatory tender for purchase at the Purchase Price. In connection with a purchase on a Facility Change Date, the Trustee shall deliver, or mail by first class mail, postage prepaid, a notice not later than fifteen (15) days prior to the Facility Change Date to the Remarketing Agent and to the owner of each 2003 Bond at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Facility Change Date and reason therefor, that all owners of 2003 Bonds shall be deemed to have tendered their 2003 Bonds for purchase on the Facility Change Date, and the Purchase Price for such 2003 Bonds.

Owners of 2003 Bonds shall be required to tender their 2003 Bonds to the Tender Agent for purchase at the Purchase Price on the Facility Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2003 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2003 Bonds shall be deemed to have been purchased at the Purchase Price on the Facility Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2003 BONDS TO DELIVER ITS AFFECTED 2003 BONDS ON OR PRIOR TO THE FACILITY CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE FACILITY CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2003 BONDS, AND ANY UNDELIVERED 2003 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Mortgagor's Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon a Notice of Prepayment of the Mortgage Loan

Pursuant to the Resolution, upon notice to the Trustee from the Corporation of the Mortgagor's election to prepay, in full, the portion of the Mortgage Loan relating to all Series of the 2003 Bonds bearing interest at the Weekly Rate (said notice from the Corporation to the Trustee being defined in the Resolution as a "Notice of Prepayment of the Mortgage Loan"), the Corporation shall specify a Change Date on which all the 2003 Bonds bearing interest at the Weekly Rate shall be subject to mandatory tender for purchase, which Change Date shall be the date specified by the Mortgagor for such prepayment of the Mortgage Loan.

Following receipt by the Trustee of such Notice of Prepayment of the Mortgage Loan, the Trustee shall deliver, or mail by first-class mail, postage prepaid, to the Remarketing Agent and to the owner of each 2003 Bond to which such notice relates, at its address shown on the registration books of the Corporation held by the Trustee, a notice not less than fifteen (15) days prior to such Change Date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice.

Any notice of mandatory tender relating to a Notice of Prepayment of the Mortgage Loan shall set forth, in substance, the Change Date and reason therefor, that all owners of 2003 Bonds of such Series shall be deemed to have tendered their 2003 Bonds of such Series for purchase on the Change Date and the Purchase Price for the 2003 Bonds of such Series. Owners of 2003 Bonds to which a mandatory tender for purchase relates shall be required to tender their 2003 Bonds to the Tender Agent for purchase at the Purchase Price on the Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2003 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2003 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2003 BONDS TO DELIVER ITS AFFECTED 2003 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2003 BONDS, AND ANY UNDELIVERED 2003 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Upon such prepayment of the Mortgage Loan and payment to the Credit Issuer (other than from the proceeds of the remarketing of the 2003 Bonds so purchased or from moneys on deposit in the Principal Reserve Fund) of all amounts due under the Credit Agreement, all 2003 Bonds tendered or deemed tendered as a result of such prepayment shall be deemed paid and shall be delivered to the Trustee for cancellation.

Credit Issuer's Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon an Event of Termination

Pursuant to the Resolution, for so long as the Credit Facility is in effect, upon the receipt by the Trustee of written notice from the Credit Issuer that one or more events of default have occurred under the Credit Agreement (defined in the Resolution as an "Event of Termination"), including, but not limited to, a default under the Mortgage

Loan or the Guaranty, a failure to reimburse the Credit Issuer under the Credit Agreement or a failure to complete the Project within the time required by the Credit Agreement, the Credit Issuer may specify a Change Date on which the 2003 Bonds of a Series shall be subject to mandatory tender for purchase, which Change Date shall not be later than eight (8) days following receipt by the Trustee of the direction to purchase such 2003 Bonds; provided however, that if the Credit Issuer shall have directed that the mandatory tender for purchase of the 2003 Bonds of the applicable Series be for a portion of such Series, only such portion of such Series shall be subject to mandatory tender for purchase by the owners thereof on such Change Date, the particular Bonds to be tendered (which shall be in authorized denominations) shall be selected by the Trustee by lot, using such method as it shall determine in its sole discretion, except that the Trustee shall not select any 2003 Bond for tender which would result in any remaining 2003 Bonds not being in an authorized denomination as provided in the Resolution. Upon receipt of such written notice from the Credit Issuer, the Trustee shall promptly deliver to the Remarketing Agent and to the owner of each affected 2003 Bond a notice of mandatory tender for purchase by overnight express mail or courier service. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. See "SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND CREDIT AGREEMENT" herein.

Any notice of mandatory tender relating to an Event of Termination specified by the Credit Issuer shall set forth, in substance, the Change Date and reason therefor, that all owners of affected 2003 Bonds of the applicable Series shall be deemed to have tendered their 2003 Bonds for purchase on the Change Date and the Purchase Price for such 2003 Bonds. Owners of affected 2003 Bonds of the applicable Series shall be required to tender their 2003 Bonds to the Tender Agent for purchase at the Purchase Price with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2003 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2003 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2003 BONDS TO DELIVER ITS AFFECTED 2003 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2003 BONDS, AND ANY UNDELIVERED 2003 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Additional Provisions Regarding Pledged Bonds

Pursuant to the Resolution, 2003 Bonds for which the Purchase Price is funded with moneys provided under the Credit Facility and which are not remarketed shall become Pledged Bonds. The Credit Facility shall not constitute security or provide liquidity support for Pledged Bonds. Pledged Bonds shall be pledged pursuant to the Pledge Agreement.

Failure to pay interest on Pledged Bonds when due, or failure to pay principal and interest on Pledged Bonds upon any Redemption Date or purchase date or the maturity date of Pledged Bonds, shall not constitute an Event of Default. Upon the maturity date of a Series of the 2003 Bonds, or upon any Redemption Date for the redemption in whole of such Series of 2003 Bonds (whether by reason of optional or mandatory redemption) or date of acceleration of such Series, all Pledged Bonds of such Series shall be deemed cancelled. Pledged Bonds of such Series shall also be cancelled at the direction of the Credit Issuer. At such time as a Pledged Bond is remarketed, the Trustee or the Tender Agent, as appropriate, shall (a) remit the proceeds from the remarketing to the Credit Issuer, and (b) to the extent that the Credit Facility has been reinstated by the amount required as specified in the Resolution, give written notice to the Remarketing Agent, the Mortgagor and the Credit Issuer that such Bond is no longer a Pledged Bond.

Provisions Affecting 2003 Bonds if a Change of Method of Determining the Interest Rate Cannot be Effected or if a Credit Facility Cannot be Replaced

In the event of a Facility Change Date or an Interest Method Change Date and following the provision of notice of mandatory purchase of 2003 Bonds, the Trustee receives notice from the Corporation or the Remarketing Agent, as applicable, that a change in the method of determining the interest rate on the 2003 Bonds cannot be effected, or a Credit Facility that was to be replaced cannot be replaced, the Change Date shall be cancelled, unless the prior Credit Facility is

expiring within sixty (60) days after the Change Date. The Trustee shall promptly deliver or mail by first class mail, postage prepaid, a notice to the owners of the 2003 Bonds stating that such change shall not occur and the reasons therefor.

Changes of Time Period for Provision of Notice Relating to Mandatory Purchase Provision or Demand Purchase Option

The Resolution provides that it is subject to amendment and supplement by a Supplemental Resolution, from time to time, to effect a change with respect to the time periods for provision of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination or the time periods for interest rate determination or the procedure for tendering 2003 Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option, which Supplemental Resolution may be adopted and become effective (i) upon filing of a copy thereof certified by an Authorized Officer of the Corporation with the Trustee, (ii) upon filing with the Trustee and the Corporation of a consent to such Supplemental Resolution executed by the Trustee, and (iii) if such Supplemental Resolution is to effect a change with respect to the time periods for provision of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination or the time periods for interest rate determination or the procedure for tendering 2003 Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option, after such period of time as the Trustee and the Corporation deem appropriate following notice to the 2003 Bond owners. A copy of any such Supplemental Resolution shall be provided to the owners of the 2003 Bonds.

Delivery of 2003 Bonds in Book-Entry-Only Form

Notwithstanding any other provision of the Resolution to the contrary, so long as any 2003 Bond is held in book-entry form, such 2003 Bond need not be delivered in connection with any optional or mandatory tender of 2003 Bonds described under “DESCRIPTION OF THE 2003 BONDS.” In such case, payment of the Purchase Price in connection with such tender shall be made to the registered owner of such 2003 Bonds on the date designated for such payment, without further action by the Beneficial Owner who delivered notice, and transfer of beneficial ownership shall be made in accordance with the procedures of DTC. See “DESCRIPTION OF THE 2003 BONDS – Book-Entry-Only System” herein.

Redemption of 2003 Bonds - Mandatory

Mandatory Redemption From Certain Recoveries of Principal and Other Moneys. The 2003 Bonds shall be subject to mandatory redemption, in whole or in part, at any time prior to maturity, in an amount not in excess of any Recoveries of Principal (other than the advance payment in full of all amounts to become due pursuant to the Mortgage Loan, at the option of the Mortgagor, with moneys other than amounts transferred from the Principal Reserve Fund) at a Redemption Price equal to 100% of the principal amount of the 2003 Bonds or portions thereof to be redeemed plus accrued interest to the Redemption Date.

Mandatory Redemption on Bankruptcy of Credit Issuer. The 2003 Bonds are subject to mandatory redemption in whole at any time prior to maturity, if, within 30 days after an Act of Bankruptcy of the Credit Issuer, the Trustee has not received a new Credit Facility, at a Redemption Price equal to 100% of the principal amount of the 2003 Bonds to be redeemed, plus accrued interest to the Redemption Date.

Mandatory Redemption Upon a Declaration of Acceleration.

Following an Event of Default. The 2003 Bonds are subject to mandatory redemption, in whole, without notice, upon a declaration of acceleration by the Trustee as a remedy for an Event of Default under the Resolution at a Redemption Price equal to 100% of the principal amount of the 2003 Bonds to be redeemed, plus accrued interest thereon to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

Following an Event of Termination. The 2003 Bonds are subject to mandatory redemption, in whole or in part, without notice, upon a declaration of acceleration by the Trustee as a remedy for an Event of

Termination under the Resolution at a Redemption Price equal to 100% of the principal amount of the 2003 Bonds to be redeemed, plus accrued interest to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

Mandatory Redemption from Certain Transfers from Principal Reserve Fund. The 2003 Bonds are subject to mandatory redemption, in whole or in part, on the first Business Day of July of each year if and to the extent amounts in excess of the Principal Reserve Amount are transferred from the Principal Reserve Fund to the Redemption Account on the immediately preceding June 5th (or, if such day is not a Business Day, the next succeeding Business Day). (See SECURITY FOR THE BONDS – Principal Reserve Fund” and “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Principal Reserve Fund”). Each such redemption will be at a Redemption Price equal to 100% of the principal amount of such 2003 Bonds or portions thereof to be redeemed plus accrued interest to the Redemption Date.

Redemption of 2003 Bonds - Optional

Optional Redemption. The 2003 Bonds shall be subject to redemption, at the option of the Corporation, in whole or in part, on any Interest Payment Date, at a Redemption Price equal to 100% of the principal amount of the 2003 Bonds or portions thereof to be so redeemed plus accrued interest to the Redemption Date.

Special Redemption Without Premium. The 2003 Bonds are subject to redemption, at the option of the Corporation, in whole or in part, at any time prior to maturity, in an amount not in excess of (i) amounts on deposit in the Bond Proceeds Account representing unexpended amounts allocable to the 2003 Bonds that are not used to finance the Mortgage Loan and (ii) any other moneys made available under the Resolution in connection with the redemption described in (i) above, at a Redemption Price equal to 100% of the principal amount of the 2003 Bonds to be so redeemed, plus interest accrued thereon to the Redemption Date.

Selection of 2003 Bonds to be Redeemed

In connection with any redemption of a Series of the 2003 Bonds in part, the Trustee, after first selecting for redemption any 2003 Bonds pledged to the Credit Issuer, shall select the remaining 2003 Bonds of such Series or portions thereof to be redeemed by lot in such manner as the Trustee may determine. If less than all Series of the 2003 Bonds are to be redeemed, the Corporation may select which Series of the 2003 Bonds are to be redeemed and the principal amount of such Series of the 2003 Bonds to be redeemed. Notwithstanding the foregoing, for so long as the Credit Facility shall be in effect, (i) the first 2003 Bonds of a Series to be redeemed shall be Pledged Bonds of such Series and (ii) no 2003 Bond shall be selected for redemption if the portion of such 2003 Bond remaining after such redemption would not be a denomination authorized by the Resolution.

Notice of Redemption

When the Trustee receives notice from the Corporation of its election or direction to redeem the 2003 Bonds, or is required pursuant to the Resolution to redeem the 2003 Bonds, the Trustee is to give notice, in the name of the Corporation, of the redemption of such 2003 Bonds. Such notice is to specify, among other things, the 2003 Bonds to be redeemed, the Redemption Price, the Redemption Date, any conditions precedent to such redemption and the place or places where amounts due upon such redemption will be payable. The Trustee is to mail a copy of such notice postage prepaid to the registered owners of any 2003 Bonds or portions of 2003 Bonds which are to be redeemed, at their last addresses appearing upon the registry books not less than fifteen (15) days before the Redemption Date. The foregoing provisions of this paragraph do not apply in the case of any redemption of 2003 Bonds for which, pursuant to the Resolution, notice is not required to be given. If the conditions precedent to the redemption, if any, have been satisfied, interest shall cease to accrue and be payable on the 2003 Bonds after the Redemption Date if notice has been given, or is not required to be given, and if sufficient moneys have been deposited with the Trustee to pay the applicable Redemption Price and interest on the 2003 Bonds on such date. So long as the 2003 Bonds are in book-entry form, notice of redemption shall be given to Cede & Co., as nominee for DTC. See “DESCRIPTION OF THE 2003 BONDS – Book-Entry-Only System.”

Corporation's Right to Purchase

The Corporation retains the right to purchase the 2003 Bonds at such times, in such amounts and at such prices less than or equal to par as the Corporation shall determine, subject to the provisions of the Resolution, and thereby reduce its obligations, if any, for the 2003 Bonds.

Effect of Loss of Tax Exemption

The Corporation has covenanted in the Resolution that it shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the 2003 Series A Bonds shall be excluded from gross income for Federal income tax purposes. In furtherance thereof, the Corporation is to enter into the Regulatory Agreement with the Mortgagor to assure compliance with the Code. However, no assurance can be given that in the event of a breach of any such covenants, or noncompliance with the procedures or certifications set forth therein, the remedies available to the Corporation and/or Bond owners can be judicially enforced in such manner as to assure compliance with the above-described requirements and therefore to prevent the loss of the exclusion of interest from gross income for Federal income tax purposes. Any loss of such exclusion of interest from gross income may be retroactive to the date from which interest on the 2003 Series A Bonds is payable. See "TAX MATTERS." Pursuant to the Resolution, the loss of such exclusion of interest from gross income would not, in and of itself, result in a mandatory tender or redemption of all or a portion of the 2003 Bonds. However, a default by the Mortgagor under the Regulatory Agreement would give rise to an event of default under the Credit Agreement. In such an event, the Credit Issuer would have the right, in its sole and absolute discretion, to cause a mandatory tender or redemption of all or a portion of 2003 Bonds. See "DESCRIPTION OF THE 2003 BONDS – Credit Issuer's Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon an Event of Termination" and "Mandatory Redemption Following an Event of Termination" herein. In addition, an owner of a 2003 Bond may on any Business Day not less than seven calendar days before the particular Business Day chosen as the purchase date, demand payment of the Purchase Price on and as of such purchase date of all or a portion of such 2003 Bond in any denomination authorized by the Resolution. See DESCRIPTION OF THE 2003 BONDS – Purchase of the 2003 Bonds on Demand of Owner" herein.

ESTIMATED SOURCES AND USES OF FUNDS

The proceeds of the 2003 Bonds will be used to fund the Mortgage Loan to the Mortgagor in the maximum principal amount of \$82,000,000, which amount will be used to finance the Project development costs and certain other costs related thereto, including the Underwriter's fee in the amount of \$175,828. Subject to satisfying certain conditions specified in the Resolution and the Credit Agreement, the Mortgagor expects to draw approximately \$25,000,000 of the Mortgage Loan upon the issuance of the 2003 Bonds and approximately \$28,000,000 from time to time thereafter. The balance of \$29,000,000 is not expected to be drawn down until the expiration date of the Letter of Credit.

To the extent any proceeds of the 2003 Bonds are not used to fund the Mortgage Loan, a portion of the 2003 Bonds may be redeemed. See "DESCRIPTION OF THE 2003 BONDS – Redemption of 2003 Bonds - Optional – Special Redemption Without Premium" herein.

SECURITY FOR THE BONDS

Pledge of the Resolution

The Resolution constitutes a contract among the Corporation, the Trustee and the owners of the Bonds issued thereunder and its provisions are for the equal benefit, protection and security of the owners of all such Bonds, each of which, regardless of the time of issue or maturity, is to be of equal rank without preference, priority or distinction except as provided in the Resolution.

The Bonds are special obligations of the Corporation payable from the Revenues and amounts on deposit in the Accounts (other than amounts deposited in or to be deposited in the Rebate Fund) as described herein. In addition, the 2003 Bonds are payable from amounts obtained under the Credit Facility. Payment of the principal or Redemption Price

of and interest on all Bonds is secured by a pledge of Revenues, which consists of all payments received by the Corporation from or on account of the Mortgage Loan, including scheduled, delinquent and advance payments of principal and interest, proceeds from the sale, assignment, or other disposition of the Mortgage Loan in the event of a default thereon, proceeds of any insurance or condemnation award, and income derived from the investment of funds held by the Trustee in Accounts established under the Resolution, including earnings and gains received by the Trustee pursuant to any investment agreement. Revenues do not, however, include any administrative or financing fee paid to the Corporation, other escrow deposits or financing, extension, late charges or settlement fees on account of the Mortgage Loan. Payment of the Bonds is also secured by a pledge by the Corporation all amounts held in any Accounts (other than amounts deposited in or to be deposited in the Rebate Fund) established pursuant to the Resolution (including the investments of such Accounts, if any). The Credit Issuer shall have certain rights with respect to, among other things, extensions, remedies, waivers, amendments and actions unless there is a Wrongful Dishonor of the Credit Facility by the Credit Issuer or the Credit Facility is no longer in effect, to the extent and as provided in the Resolution.

The pledges described in the immediately preceding paragraph are also subject to the terms and provisions of the Resolution requiring transfers of amounts to the Rebate Fund and permitting the application of the Revenues and amounts in such Accounts for the purposes described therein.

Pursuant to the Assignment, all of the Corporation's rights under the Mortgage Loan (except certain reserved rights as described in the Assignment) will be assigned to the Trustee on behalf of the owners from time to time of the Bonds, as security for the payment of the principal of and interest on the Bonds, and to the Agent, on behalf of the Lenders, as security for the obligations of the Mortgagor under the Credit Agreement. The Corporation has also assigned under the Assignment its rights to enforce the terms, covenants and conditions of the Mortgage Loan to the Agent and the Trustee as their respective interests may appear. See "SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Covenants with Respect to the Mortgage Loan."

Letter of Credit

The 2003 Bonds when initially issued will have the benefit of an irrevocable direct pay Letter of Credit issued by the Bank, which Letter of Credit will expire on July 15, 2005 unless earlier extended or terminated earlier in accordance with its terms. The Bank will deliver the Letter of Credit to the Trustee upon the issuance of the 2003 Bonds. The Letter of Credit may be replaced with a Substitute Letter of Credit or various other forms of credit enhancement ("Alternate Security"; the Letter of Credit, Substitute Letter of Credit or Alternate Security being herein referred to as the "Credit Facility"), as described below under the caption "Alternate Security". Upon replacement, termination or expiration of the Letter of Credit, the 2003 Bonds are subject to mandatory tender as described above under the caption "DESCRIPTION OF THE 2003 BONDS – Mandatory Purchase of 2003 Bonds Upon Replacement, Termination or Expiration of Credit Facility." Further information regarding the Letter of Credit is contained herein under the caption "SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT" and further information regarding the Bank is contained herein under the caption "LETTER OF CREDIT BANK."

Alternate Security

Pursuant to the Resolution, the Corporation reserves the right to make provision for or cause the replacement of any Credit Facility; provided, however, that during any Weekly Rate Period, a Credit Facility must be in effect with respect to the 2003 Bonds.

The Corporation may not exercise its right to make provision for or cause the replacement of any Credit Facility, unless the Corporation has provided the Trustee with (i) certain opinions as to, among other things, the effect of such replacement on the tax status of the 2003 Series A Bonds and the legality, validity and enforceability of the new Credit Facility; (ii) a letter from Standard & Poor's Ratings Services, a Division of The McGraw-Hill Companies, Inc. or the national rating agency or agencies then rating the 2003 Bonds (a) in the case of a Substitute Letter of Credit, to the effect that such Substitute Letter of Credit will not result in a reduction or withdrawal of the rating on the 2003 Bonds in effect at the time of such substitution; and (b) in the case of Alternate Security, to the effect that such Alternate Security will provide the 2003 Bonds with an investment grade rating; and (iii) moneys sufficient to pay all costs incurred by the Trustee and the Corporation in connection with the provision of such Credit Facility.

Principal Reserve Fund

The Principal Reserve Fund is established pursuant to the Resolution and is to be held by the Trustee. Pursuant to the Resolution, there is to be deposited into the Principal Reserve Fund all of the monthly payments made by the Mortgagor in accordance with the Principal Reserve Schedule attached to the Credit Agreement, as such Schedule may be amended and any amounts provided by or at the direction of the Mortgagor to replenish withdrawals from the Principal Reserve Fund described in paragraphs (1) and (2) below. *At the request of the Mortgagor, the Credit Issuer, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Mortgagor (unless and to the extent such amounts, in the judgment of the Corporation, are needed to be transferred to the Rebate Fund pursuant to the Resolution), (ii) no longer require deposits to the Principal Reserve Fund and/or (iii) consent to a change in the Principal Reserve Schedule. The consent of the Bondholders, the Trustee or the Corporation is not required for such actions. Any amounts so released shall no longer secure the 2003 Bonds.*

Any income or interest earned or gains realized in excess of losses suffered due to the investment of amounts on deposit in the Principal Reserve Fund is, if the amount in the Principal Reserve Fund is less than the Principal Reserve Amount, to be retained therein, or, if there is no such deficiency, is to be deposited to the Revenue Account following receipt, except as otherwise provided in the Resolution and except for interest income representing accrued interest, if any, included in the purchase price of the investment, which is to be retained in the Principal Reserve Fund; provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then in lieu of retaining such amounts in the Principal Reserve Fund or depositing such amounts in the Revenue Account, such amounts (up to the amount of such deficiency) shall be transferred to the Rebate Fund.

Amounts in the Principal Reserve Fund will be applied by the Trustee:

(1) at the written direction of the Credit Issuer to reimburse the Credit Issuer for advances under the Letter of Credit which were applied to pay interest due on and/or principal of the 2003 Bonds on any Interest Payment Date, Redemption Date, date of acceleration or the maturity date or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such interest and/or principal;

(2) at the written direction of the Credit Issuer to reimburse the Credit Issuer for advances under the Letter of Credit which were applied to pay the Purchase Price of tendered 2003 Bonds to the extent that remarketing proceeds, if any, are insufficient for such purpose or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such Purchase Price;

(3) at the written direction of the Credit Issuer with the written consent of the Mortgagor (so long as the Mortgagor is not in default under the Mortgage, Mortgage Note, Loan Agreement, Regulatory Agreement or the Credit Agreement) to make improvements or repairs to the Project; and

(4) at the written direction of the Credit Issuer if a default has occurred and is continuing under the Credit Agreement, or if the Mortgagor otherwise consents, to any other use approved in writing by the General Counsel of the Initial Credit Issuer or by an Authorized Officer of any other Credit Issuer.

All amounts in the Principal Reserve Fund in excess of the Principal Reserve Amount (rounded down to the nearest multiple of \$100,000) are required to be transferred to the Redemption Account on May 5th of each year (or, if such date is not a Business Day, the next succeeding Business Day) to be applied to reimburse the Credit Issuer for amounts advanced under the Letter of Credit to effect the redemption of the 2003 Bonds on the next succeeding Interest Payment Date. See “DESCRIPTION OF THE 2003 BONDS – Redemption of 2003 Bonds – Mandatory – Mandatory Redemption from Certain Transfers from Principal Reserve Fund.”

Under certain circumstances, the Mortgagor is entitled to direct the Trustee to transfer from the Principal Reserve Fund to the Redemption Account all or a specified portion of the amount on deposit in the Principal Reserve Fund to be applied to reimburse the Credit Issuer for amounts advanced under the Letter of Credit to effect the redemption of the 2003 Bonds as directed by the Mortgagor. Any amounts so transferred shall constitute a prepayment

of the Mortgage Loan and be a Recovery of Principal. See “DESCRIPTION OF THE 2003 BONDS – Redemption of 2003 Bonds – Mandatory – Mandatory Redemption From Certain Recoveries of Principal.” Also, under certain circumstances, the Credit Issuer can require that amounts on deposit in the Principal Reserve Fund be applied to reimburse the Credit Issuer for amounts advanced under the Letter of Credit to effect the mandatory tender or mandatory redemption in whole or in part of the 2003 Bonds. See “DESCRIPTION OF THE 2003 BONDS – Redemption of 2003 Bonds – Mandatory – Mandatory Redemption Following an Event of Termination,” “DESCRIPTION OF THE 2003 BONDS” – Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2003 Bonds Upon an Event of Termination” and “SUMMARY OF CERTAIN PROVISIONS OF THE CREDIT AGREEMENT.”

See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Principal Reserve Fund.”

Additional Bonds

Additional Bonds, on parity with the 2003 Bonds then Outstanding, may be issued by the Corporation pursuant to the Resolution for any one or more of the following purposes: (i) financing increases in the Mortgage Loan, (ii) refunding 2003 Bonds, (iii) establishing reserves for such Additional Bonds, and (iv) paying the costs of issuance related to such Additional Bonds. For so long as the Credit Facility shall be in effect for the 2003 Bonds, no Additional Bonds shall be issued unless such Bonds are secured by the same Credit Facility in effect for the 2003 Bonds, as such Credit Facility shall be amended, extended or replaced in connection with the issuance of such Additional Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Parity Bonds” herein.

2003 Bonds Not a Debt of the State or the City

The 2003 Bonds are not a debt of the State of New York or of The City of New York, and neither the State nor the City shall be liable thereon, nor shall the 2003 Bonds be payable out of any funds other than those of the Corporation pledged therefor. The Corporation has no taxing power.

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

Set forth below are abridged or summarized excerpts of certain sections of the Resolution. These excerpts do not purport to be complete or to cover all sections of the Resolution. Reference is made to the Resolution, copies of which are on file with the Corporation and the Trustee, for a complete statement of the rights, duties and obligations of the Corporation, the Trustee and the 2003 Bond owners thereunder.

Contract With Bond Owners – Security for Bonds – Limited Obligation

In consideration of the purchase and acceptance of the Bonds by those who shall own the same from time to time, the provisions of the Resolution shall be deemed to be and shall constitute a contract among the Corporation, the Trustee and the owners from time to time of such Bonds. The pledges and assignments made in the Resolution and the provisions, covenants and agreements therein set forth to be performed by or on behalf of the Corporation shall be for the equal benefit, protection and security of the owners of any and all of such Bonds, each of which, regardless of the time of its issue or maturity, shall be of equal rank without preference, priority or distinction over any other thereof except as expressly provided in the Resolution. The Corporation pledges the Revenues and all amounts held in any Account, including investments thereof, established under the Resolution, to the payment of the principal or Redemption Price of and interest on the Bonds, subject to provisions permitting the use or application of such amounts for stated purposes, as provided in the Resolution and the Assignment. The foregoing pledge does not include amounts on deposit in or required to be deposited in the Rebate Fund. The Corporation also assigns to the Trustee on behalf of the Bond owners and to the Credit Issuer, as their interests may appear and in accordance with the terms of the Assignment, all of its right, title and interest in and to the Mortgage Loan and the Mortgage Documents, except as otherwise provided in the Assignment. The Bonds shall be special revenue obligations of the Corporation payable solely from the revenues and assets pledged therefor under the Resolution. In addition, the Bonds shall be payable from Credit Facility Payments.

Credit Facility

For so long as a Credit Facility shall be in effect for any Series of the 2003 Bonds, all Series of the 2003 Bonds must be secured by the same Credit Facility.

Provisions for Issuance of Bonds

In order to provide sufficient funds to finance the Project and pay certain costs related thereto, Bonds of the Corporation are authorized to be issued without limitation as to amount except as may be provided by law. The Bonds shall be executed by the Corporation for issuance and delivered to the Trustee and thereupon shall be authenticated by the Trustee and delivered upon the order of the Corporation, but only upon the receipt by the Trustee of, among other things:

- a. a Bond Counsel's Opinion to the effect that (i) the Resolution and the Supplemental Resolution, if any, have been duly adopted by the Corporation and are in full force and effect and are valid and binding upon the Corporation and enforceable in accordance with their terms (except to the extent that the enforceability thereof may be limited by bankruptcy, insolvency and other laws affecting creditors' rights and remedies and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law)); (ii) the Resolution and, if applicable, such Supplemental Resolution create the valid pledge and lien which it or they purport to create of and on the Revenues and all the Accounts established under the Resolution and moneys and securities on deposit therein, subject to the use and application thereof for or to the purposes and on the terms and conditions permitted by the Resolution and such Supplemental Resolution; and (iii) upon the execution, authentication and delivery thereof, such Bonds will have been duly and validly authorized and issued in accordance with the laws of the State, including the Act as amended to the date of such Opinion, and in accordance with the Resolution and such Supplemental Resolution;
- b. a written order as to the delivery of such Bonds, signed by an Authorized Officer of the Corporation;
- c. the amount of the proceeds of such Bonds to be deposited with the Trustee pursuant to the Resolution; and
- d. with respect to the 2003 Bonds, the Letter of Credit, and with respect to the 2003 Bonds or any Additional Bonds, the Credit Facility, if required.

Parity Bonds

Additional Bonds may be issued, at the option of the Corporation, on a parity with the Bonds then Outstanding, for the purposes of (i) financing increases in the Mortgage Loan, (ii) refunding Bonds, (iii) establishing reserves for such Additional Bonds and (iv) paying the Costs of Issuance related to such Additional Bonds. Additional Bonds shall contain such terms and provisions as are specified in the Supplemental Resolution authorizing the same. The Supplemental Resolution authorizing such Additional Bonds shall utilize, to the extent possible, Accounts established for the Outstanding Bonds.

For so long as a Credit Facility shall be in effect for the 2003 Bonds, no Additional Bonds shall be issued unless such Bonds are secured by the same Credit Facility in effect for the 2003 Bonds, as such Credit Facility shall be amended, extended or replaced in connection with the issuance of such Additional Bonds; provided that the Credit Facility shall not secure Pledged Bonds.

Application and Disbursements of Bond Proceeds

The proceeds of sale of a Series of Bonds shall, as soon as practicable upon the delivery of such Bonds by the Trustee, be applied as follows:

- (1) the amount, if any, received at such time as a premium above the aggregate principal amount of such Bonds shall be applied as specified in a certificate of an Authorized Officer, and the amount, if any, received as accrued interest shall be deposited in the Revenue Account;

(2) with respect to any Series issued for the purpose of refunding Bonds, the amount, if any, required to pay Costs of Issuance, as designated by an Authorized Officer of the Corporation, shall be deposited in the Bond Proceeds Account;

(3) with respect to any Series issued for the purpose of refunding Bonds, the balance remaining after such deposits have been made as specified in (1) and (2) above shall be applied as specified in the Supplemental Resolution authorizing such Series;

(4) with respect to the 2003 Bonds, the balance remaining after such deposits have been made as specified in (1) above shall be deposited in the Bond Proceeds Account; and

(5) with respect to any Series (other than the 2003 Bonds) issued for a purpose other than refunding Bonds, the balance remaining after such deposits have been made shall be deposited in the Bond Proceeds Account.

Amounts in the Bond Proceeds Account shall not be disbursed for financing the Mortgage Loan, unless, among other things, (1) the Mortgage Documents and any other document securing the Mortgage Loan shall have been duly executed and delivered, (2) there shall have been filed with the Trustee an opinion of counsel to the effect that the Mortgage Loan complies with all provisions of the Act and the Resolution, and (3) the Mortgage is the subject of a policy of title insurance in an amount not less than the amount of the unpaid principal balance of the Mortgage Loan, insuring a first mortgage lien subject only to Permitted Encumbrances on the real property securing the Mortgage Loan.

Deposits and Investments

Any amounts held by the Trustee under the Resolution may be deposited in the corporate trust department of the Trustee and secured as provided in the Resolution. In addition, any amount held by the Trustee under the Resolution may be invested in Investment Securities. In computing the amount in any Account, obligations purchased as an investment of moneys therein shall be valued at amortized value or if purchased at par value, at par.

Upon receipt of written instructions from an Authorized Officer of the Corporation, the Trustee shall exchange any coin or currency of the United States of America or Investment Securities held by it pursuant to the Resolution for any other coin or currency of the United States of America or Investment Securities of like amount.

Any other provisions of the Resolution notwithstanding, amounts on deposit in the Letter of Credit Payments Sub-Account, pending application, may only be invested in Government Obligations maturing or being redeemable at the option of the holder thereof in the lesser of thirty (30) days or the times at which such amounts are needed to be expended.

Establishment of Accounts

The Resolution establishes the following special trust accounts to be held and maintained by the Trustee in accordance with the Resolution:

- (1) Bond Proceeds Account;
- (2) Revenue Account (including the Letter of Credit Payments Sub-Account therein);
- (3) Redemption Account; and
- (4) Principal Reserve Fund.

In the event provision is made for Alternate Security with respect to the Bonds, the Trustee may establish a special trust account with an appropriate designation, and the provisions of the Resolution applicable to the Letter of

Credit Payments Sub-Account shall be applicable to the newly created trust account in all respects as if the newly created trust account replaced the Letter of Credit Payments Sub-Account.

Bond Proceeds Account

There shall be deposited from time to time in the Bond Proceeds Account any proceeds of the sale of Bonds representing principal or premium or other amounts required to be deposited therein pursuant to the Resolution and any other amounts determined by the Corporation to be deposited therein from time to time.

Amounts in the Bond Proceeds Account shall be expended only (i) to finance the Mortgage Loan; (ii) to pay Costs of Issuance; (iii) to pay principal or Redemption Price of and interest on the Bonds when due, to the extent amounts in the Revenue Account and the Redemption Account are insufficient for such purposes; (iv) to purchase or redeem Bonds in accordance with the Resolution; (v) to reimburse the Credit Issuer for moneys obtained under the Credit Facility for the purposes set forth in (iii) above; and (vi) to pay to the Credit Issuer any regularly scheduled fees due and owing to the Credit Issuer pursuant to the Credit Agreement.

Revenue Account

Subject to the provisions of the Assignment, the Corporation shall cause all Pledged Receipts, excluding all amounts to be deposited pursuant to the Resolution in the Principal Reserve Fund, to be deposited promptly with the Trustee in the Revenue Account. There shall also be deposited in the Revenue Account any other amounts required to be deposited therein pursuant to the Resolution. Except as otherwise provided in the Resolution with respect to the Principal Reserve Fund, earnings on all Accounts established under the Resolution shall be deposited, as realized, in the Revenue Account, except for moneys required to be deposited in the Rebate Fund in accordance with the provisions of the Resolution and except for interest income representing a recovery of the premium and accrued interest, if any, included in the purchase price of any Investment Security, which shall be retained in the particular account for which the Investment Security was purchased. During the term of the Letter of Credit, the Trustee shall draw moneys thereunder in accordance with the terms thereof, in a timely manner and in amounts sufficient to pay the principal or Redemption Price of and interest on the Bonds as such become due, whether at maturity or upon redemption or acceleration or on an Interest Payment Date or otherwise, and shall deposit such amounts in the Letter of Credit Payments Sub-Account. During the term of any other Credit Facility, the Trustee shall obtain moneys under such Credit Facility, in accordance with the terms thereof, in a timely manner, in the full amount required to pay the principal or Redemption Price of and interest on the Bonds as such become due, whether at maturity or upon redemption or acceleration or on an Interest Payment Date or otherwise and shall deposit such amounts in the Letter of Credit Payments Sub-Account.

On or before each Interest Payment Date, the Trustee shall pay, from the sources described below and in the order of priority indicated, the amounts required for the payment of the Principal Installments, if any, and interest due on the Outstanding Bonds on such date, and on or before the Redemption Date or date of purchase (but not with respect to any purchase pursuant to the Mandatory Purchase Provision or the Demand Purchase Option), the amounts required for the payment of accrued interest on Outstanding Bonds to be redeemed or purchased on such date (unless the payment of such accrued interest shall be otherwise provided for) as follows:

- (1) first, from the Letter of Credit Payments Sub-Account, and to the extent the moneys therein are insufficient for said purpose;
- (2) second, from the Revenue Account, and to the extent the moneys therein are insufficient for said purpose;
- (3) third, from the Redemption Account, and to the extent moneys therein are insufficient for said purpose;
- (4) fourth, from the Bond Proceeds Account, and to the extent that moneys therein are insufficient for said purpose; and

(5) fifth, from any other moneys held by the Trustee under the Resolution and available for such purpose.

After payment of the Principal Installments, if any, and interest due on the Outstanding Bonds has been made, and to the extent payments on the Bonds are made from the source described in subparagraph (1) above, the amounts available from the sources described in subparagraphs (2) through (5) above, in the order of priority indicated, shall be used immediately to reimburse the Credit Issuer for amounts obtained under the Credit Facility and so applied.

Notwithstanding any provision to the contrary which may be contained in the Resolution, (i) in computing the amount to be drawn under the Credit Facility on account of the payment of the principal of or interest on the Bonds, the Trustee shall exclude any such amounts in respect of any Bonds which are Pledged Bonds on the date such payment is due, and (ii) amounts drawn by the Trustee under the Credit Facility shall not be applied to the payment of the principal of or interest on any Bonds which are Pledged Bonds on the date such payment is due.

Any moneys accumulated in the Revenue Account up to the unsatisfied balance of each Sinking Fund Payment (together with amounts accumulated in the Revenue Account with respect to interest on the Bonds for which such Sinking Fund Payment was established) shall, if so directed in writing by the Corporation, be applied by the Trustee on or prior to the forty-fifth day preceding such Sinking Fund Payment (i) to the purchase of Bonds of the maturity for which such Sinking Fund Payment was established, at prices (including any brokerage and other charges) not exceeding the Redemption Price plus unpaid accrued interest or (ii) to the redemption of such Bonds, if then redeemable by their terms, at the Redemption Prices referred to above.

Upon the purchase or redemption of any Bond for which Sinking Fund Payments have been established from amounts in the Revenue Account, an amount equal to the principal amount of the Bonds so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due with respect to the Bonds of such maturity and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer of the Corporation at the time of such purchase or redemption.

As soon as practicable after the forty-fifth day preceding the due date of any such Sinking Fund Payment, the Trustee shall call for redemption on such due date, Bonds in such amount as shall be necessary to complete the retirement of a principal amount of Bonds equal to the unsatisfied balance of such Sinking Fund Payment. The Trustee shall so call such Bonds for redemption whether or not it then has moneys in the Revenue Account sufficient to pay the applicable Redemption Price thereof on the Redemption Date.

On each Interest Payment Date, the Trustee shall transfer from the Revenue Account (after providing for all payments required to have been made prior thereto pursuant to the Resolution) (i) first, if so directed by the Corporation, to the Trustee, an amount equal to the Trustee's unpaid fees and expenses, (ii) second, at the direction of the Corporation, to the Credit Issuer, an amount equal to any fees due and owing to the Credit Issuer pursuant to the Credit Agreement, (iii) third, if so directed by the Corporation, to the Tender Agent, an amount equal to the Tender Agent's unpaid fees and expenses, (iv) fourth, if so directed by the Corporation, to the Remarketing Agent, an amount equal to the Remarketing Agent's unpaid fees and expenses, and (v) fifth, to the Corporation, the Administrative Fee to the extent unpaid. The amount remaining after making the transfers or payments required hereinabove shall be retained in the Revenue Account. Such remaining balance shall be used to offset the Mortgagor's obligation under the Mortgage Loan (in direct chronological order of such obligation), unless the Trustee receives a certificate from the Corporation stating that a default has occurred with respect to any agreement between the Corporation and the Mortgagor. If the Trustee shall thereafter receive a Certificate from the Corporation stating that such default has been cured or waived, such remaining balance shall once again be used to offset the Mortgagor's obligation under the Mortgage Loan (in direct chronological order of such obligation).

Redemption Account

Subject to the provisions of the Assignment, there shall be deposited in the Redemption Account all Recoveries of Principal and any other amounts which are required by the Resolution to be so deposited and any other amounts

available therefor and determined by the Corporation to be deposited therein. Subject to the provisions of the Resolution or of any Supplemental Resolution authorizing the issuance of Bonds, requiring the application thereof to the payment, purchase or redemption of any particular Bonds, the Trustee shall apply amounts from the sources described in the following paragraph equal to amounts so deposited in the Redemption Account to the purchase or redemption of Bonds at the times and in the manner provided in the Resolution.

On or before a Redemption Date or date of purchase of Bonds in lieu of redemption, the Trustee shall pay, from the sources described below and in the order of priority indicated, the amounts required for the payment of the principal of Outstanding Bonds to be redeemed or purchased and cancelled on such date, as follows:

- (1) first, from the Letter of Credit Payments Sub-Account, and to the extent the moneys therein are insufficient for such purpose;
- (2) second, from the Redemption Account, and to the extent the moneys therein are insufficient for such purpose;
- (3) third, from the Revenue Account, and to the extent the moneys therein are insufficient for such purpose;
- (4) fourth, from the Bond Proceeds Account, and to the extent the moneys therein are insufficient for such purpose; and
- (5) fifth, from any other moneys held by the Trustee under the Resolution and available for such purpose.

After payment of the principal of such Outstanding Bonds to be redeemed or purchased has been made, and to the extent payments for the redemption or purchase of the Bonds are made from the source described in subparagraph (1) above, amounts available from the sources described in subparagraphs (2) through (5) above, in the order of priority indicated, shall be used to reimburse the Credit Issuer for amounts obtained under the Credit Facility and so applied.

Rebate Fund

The Resolution also establishes the Rebate Fund as a special trust account to be held and maintained by the Trustee. Earnings on all amounts required to be deposited in the Rebate Fund are to be deposited in the Rebate Fund.

The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bond owner or any other person other than as set forth in the Resolution.

The Trustee, upon the receipt of a certification of the Rebate Amount from an Authorized Officer of the Corporation, shall deposit in the Rebate Fund at least as frequently as the end of each fifth Bond Year and at the time that the last Bond that is part of the Series for which a Rebate Amount is required is discharged, an amount such that the amount held in the Rebate Fund after such deposit is equal to the Rebate Amount calculated as of such time of calculation. The amount deposited in the Rebate Fund pursuant to the previous sentence shall be deposited from amounts withdrawn from the Revenue Account, and to the extent such amounts are not available in the Revenue Account, directly from earnings on the Accounts. The Trustee shall also transfer certain amounts on deposit in the Principal Reserve Fund to the Rebate Fund in accordance with the provisions of the Resolution described under "Principal Reserve Fund."

Amounts on deposit in the Rebate Fund shall be invested in the same manner as amounts on deposit in the Accounts, except as otherwise specified by an Authorized Officer of the Corporation to the extent necessary to comply with the tax covenant set forth in the Resolution, and except that the income or interest earned and gains realized in excess of losses suffered by the Rebate Fund due to the investment thereof shall be deposited in or credited to the Rebate Fund from time to time and reinvested.

In the event that, on any date of calculation of the Rebate Amount, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the Trustee, upon the receipt of written instructions from an Authorized Officer of the Corporation, shall withdraw such excess amount and deposit it in the Revenue Account.

The Trustee, upon the receipt of written instructions and certification of the Rebate Amount from an Authorized Officer of the Corporation, shall pay to the United States, out of amounts in the Rebate Fund, (i) not less frequently than once each five (5) years after the date of original issuance of each Series for which a Rebate Amount is required, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Amount with respect to each Series for which a Rebate Amount is required as of the date of such payment, and (ii) notwithstanding the provisions of the Resolution, not later than sixty (60) days after the date on which all Bonds of a Series for which a Rebate Amount is required have been paid in full, 100% of the Rebate Amount as of the date of payment.

Principal Reserve Fund

Amounts on deposit in the Principal Reserve Fund shall be applied as set forth in the Resolution. There shall be deposited into the Principal Reserve Fund all of the monthly payments made in accordance with the Principal Reserve Schedule attached to the Credit Agreement and provided to the Trustee by the Credit Issuer, as such schedule may be amended in accordance with the provisions of the Credit Agreement and provided to the Trustee by the Credit Issuer, and any amounts provided by or at the direction of the Mortgagor to replenish withdrawals from the Principal Reserve Fund described in paragraphs (1) and (2) below. Any income or interest earned or gains realized in excess of losses suffered due to the investment of amounts on deposit in the Principal Reserve Fund shall, if the amount in the Principal Reserve Fund is less than the Principal Reserve Amount, be retained therein, or, if there is no such deficiency, shall be deposited to the Revenue Account following receipt, except as otherwise provided in the Resolution and except for interest income representing accrued interest, if any, included in the purchase price of the investment, which is to be retained in the Principal Reserve Fund; provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then in lieu of retaining such amounts in the Principal Reserve Fund or depositing such amounts in the Revenue Account, such amounts (up to the amount of such deficiency) shall be transferred to the Rebate Fund.

In addition to the other payments required or permitted by the Resolution, amounts in the Principal Reserve Fund shall be used to pay, at the written direction of the Credit Issuer:

- (1) to reimburse the Credit Issuer for advances under the Credit Facility which were used to pay interest due on and/or principal of the 2003 Bonds on any Interest Payment Date, Redemption Date, date of acceleration or the maturity date or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such interest and/or principal;
- (2) to reimburse the Credit Issuer for advances under the Credit Facility which were used to pay the Purchase Price of tendered 2003 Bonds to the extent that remarketing proceeds, if any, are insufficient for such purpose or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such Purchase Price;
- (3) with the written consent of the Mortgagor (so long as the Mortgagor is not in default under the Mortgage, Mortgage Note, Loan Agreement, Regulatory Agreement or the Credit Agreement) to make improvements or repairs to the Project; and
- (4) if a default has occurred and is continuing under the Credit Agreement, or if the Mortgagor otherwise consents, to any other use approved in writing by the General Counsel of the Initial Credit Issuer or by an Authorized Officer of any other Credit Issuer.

On each June 5th (or, if such date is not a Business Day, the next succeeding Business Day), after providing for all payments and transfers required to be made pursuant to the Resolution, all amounts in the Principal Reserve Fund in excess of the Principal Reserve Amount (rounded down to the nearest multiple of \$100,000) shall be transferred by the

Trustee to the Redemption Account to be applied to the reimbursement of the Credit Issuer in connection with the redemption of 2003 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of 2003 Bonds) on the first Business Day of the next succeeding July.

If the Mortgagor certifies in writing to the Trustee and the Corporation that no “Event of Default” or “Default” exists under the Credit Agreement, and if such certificate shall bear the written acknowledgement of the Credit Issuer, the Mortgagor shall be entitled to direct the Trustee to transfer from the Principal Reserve Fund to the Redemption Account all or a specified portion of the amount on deposit in the Principal Reserve Fund to be applied to the reimbursement of the Credit Issuer in connection with the redemption of 2003 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of 2003 Bonds). Any amounts so transferred shall constitute a prepayment of the Mortgage Loan at the option of the Mortgagor and shall be a Recovery of Principal; provided however, that such right of the Mortgagor to direct such transfers may be exercised only at the times, and subject to any conditions, set forth in the Loan Agreement with respect to optional prepayments of the Mortgage Loan by the Mortgagor.

Moneys on deposit in the Principal Reserve Fund shall be invested in Government Obligations or, to the extent otherwise permitted by the Resolution, (a) other short-term variable rate instruments rated by S&P in a category equivalent to the rating then in effect for the 2003 Bonds or (b) as otherwise permitted by the Credit Issuer, in its sole discretion.

At the request of the Mortgagor, the Credit Issuer, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Mortgagor (in which case the Trustee shall release such amounts to the Mortgagor, provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then prior to any such release to the Mortgagor, any amounts on deposit in the Principal Reserve Fund (up to the amount of such deficiency) shall be transferred to the Rebate Fund) and/or (ii) no longer require deposits to the Principal Reserve Fund. Any amounts so released shall no longer secure the 2003 Bonds.

Payment of Bonds

The Corporation covenants that it will duly and punctually pay or cause to be paid, as provided in the Resolution, the principal or Redemption Price of every Bond and the interest thereon, at the dates and places and in the manner stated in the Bonds, according to the true intent and meaning thereof and shall duly and punctually pay or cause to be paid all Sinking Fund Payments, if any, becoming payable with respect to any of the Bonds.

Tax Covenants

The following covenants are made solely for the benefit of the owners of, and shall be applicable solely to, the 2003 Series A Bonds and any Additional Bonds, as designated in a Supplemental Resolution, to which the Corporation intends that the following covenants shall apply (the provisions of this section shall not apply to the 2003 Series B Bonds):

The Corporation shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the Bonds shall be excluded from gross income for Federal income tax purposes, except in the event that the owner of any such Bond is a “substantial user” of the facilities financed by the Bonds or a “related person” within the meaning of the Code.

The Corporation shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Corporation to be used directly or indirectly to acquire any securities, obligations or other investment property, the acquisition of which would cause any Bond to be an “arbitrage bond” as defined in Section 148(a) of the Code.

The Corporation shall not permit any person or “related person” (as defined in the Code) to purchase Bonds (other than Pledged Bonds) in an amount related to the Mortgage Loan to be acquired by the Corporation from such person or “related person.”

Covenants with Respect to Mortgage Loan

In order to pay the Principal Installments of and interest on the Bonds when due, the Corporation covenants that it shall from time to time, with all practical dispatch and in a sound and economical manner consistent in all respects with the Act, the provisions of the Resolution and sound banking practices and principles, (i) use and apply the proceeds of the Bonds, to the extent not reasonably or otherwise required for other purposes of the kind permitted by the Resolution, to finance the Mortgage Loan pursuant to the Act and the Resolution and any applicable Supplemental Resolution, (ii) do all such acts and things as shall be necessary to receive and collect Pledged Receipts (including diligent enforcement of the prompt collection of all arrears on the Mortgage Loan) and Recoveries of Principal, and (iii) diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Corporation to protect its rights with respect to or to maintain any insurance on the Mortgage Loan or any subsidy payments in connection with the Project or the occupancy thereof and to enforce all terms, covenants and conditions of the Mortgage Loan and the Mortgage Documents, including the collection, custody and prompt application of all Escrow Payments for the purposes for which they were made; provided, however, that the obligations of the Corporation in (ii) and (iii) above may be suspended during the term of the Assignment, except as otherwise provided in the Assignment.

Issuance of Additional Obligations

The Corporation shall not create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a superior or, except in the case of Bonds, an equal charge and lien on the Revenues and assets pledged under the Resolution. The Corporation shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a subordinate charge and lien on the Revenues and assets pledged under the Resolution unless the Corporation shall have received the written consent of the Credit Issuer.

Accounts and Reports

The Corporation shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Mortgage Loan and all Accounts established by the Resolution which shall at all reasonable times be subject to the inspection of the Trustee and the owners of an aggregate of not less than 5% in principal amount of Bonds then Outstanding or their representatives duly authorized in writing. The Corporation may authorize or permit the Trustee to keep such books on behalf of the Corporation.

If at any time during any fiscal year there shall have occurred an Event of Default or an Event of Default shall be continuing, then the Corporation shall file with the Trustee, within forty-five (45) days after the close of such fiscal year, a special report accompanied by an Accountant's Certificate as to the fair presentation of the financial statements contained therein, setting forth in reasonable detail the individual balances and receipts and disbursements for each Account under the Resolution.

The Corporation shall annually, within one hundred twenty (120) days after the close of each fiscal year of the Corporation, file with the Trustee a copy of an annual report as to the operations and accomplishments of the various funds and programs of the Corporation during such fiscal year, and financial statements for such fiscal year, setting forth in reasonable detail: (i) the balance sheet with respect to the Bonds and Mortgage Loan, showing the assets and liabilities of the Corporation at the end of such fiscal year; (ii) a statement of the Corporation's revenues and expenses in accordance with the categories or classifications established by the Corporation in connection with the Bonds and Mortgage Loan during such fiscal year; (iii) a statement of changes in fund balances, as of the end of such fiscal year; and (iv) a statement of cash flows, as of the end of such fiscal year. The financial statements shall be accompanied by the Certificate of an Accountant stating that the financial statements examined present fairly the financial position of the Corporation at the end of the fiscal year, the results of its operations and the changes in its fund balances and its cash flows for the period examined, in conformity with generally accepted accounting principles applied on a consistent basis except for changes with which such Accountant concurs.

Except as provided in the second preceding paragraph, any such financial statements may be presented on a consolidated or combined basis with other reports of the Corporation.

A copy of each annual report or special report and any Accountant's Certificate relating thereto shall be mailed promptly thereafter by the Corporation to each Bond owner who shall have filed such owner's name and address with the Corporation for such purposes.

Supplemental Resolutions

Any modification of or amendment to the provisions of the Resolution and of the rights and obligations of the Corporation and of the owners of the Bonds may be made by a Supplemental Resolution, with the written consent given as provided in the Resolution, (i) of the owners of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the Bonds then Outstanding are affected by the modification or amendment, of the owners of at least two-thirds in principal amount of the Bonds so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Payment, of the owners of at least two-thirds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Payment and Outstanding at the time such consent is given; provided, however, that a modification or amendment referred to in (iii) above shall not be permitted unless the Trustee shall have received a Bond Counsel's Opinion to the effect that such modification or amendment does not adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds to which the tax covenants of the Resolution apply. If any such modification or amendment will not take effect so long as any Bonds of any specified Series and maturity remain Outstanding, the consent of the owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this paragraph. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

The Corporation may adopt, without the consent of any owners of the Bonds, Supplemental Resolutions, to, among other things, provide limitations and restrictions in addition to the limitations and restrictions contained in the Resolution on the issuance of other evidences of indebtedness; add to the covenants and agreements of or limitations and restrictions on, the Corporation's other covenants and agreements or limitations and restrictions which are not contrary to or inconsistent with the Resolution; surrender any right, power or privilege of the Corporation under the Resolution but only if such surrender is not contrary to or inconsistent with the covenants and agreements of the Corporation contained in the Resolution; confirm any pledge under the Resolution, of the Revenues or of any other revenues or assets; modify any of the provisions of the Resolution in any respect whatever (but no such modification shall be effective until all Bonds theretofore issued are no longer Outstanding); provide for the issuance of Bonds in coupon form payable to bearer; authorize the issuance of Additional Bonds and prescribe the terms and conditions thereof; provide that specified provisions of the Resolution that relate to the 2003 Bonds shall also apply to a Series of Additional Bonds; cure any ambiguity or correct any defect or inconsistent provision in the Resolution (provided that the Trustee shall consent thereto); comply with the Code; provide for such changes (other than any changes that adversely affect the exclusion of gross income for Federal income tax purposes of interest on any series of bonds to which the tax covenants apply) as are deemed necessary or desirable by the Corporation upon delivery of an Alternate Security or a Substitute Letter of Credit; provide for such changes as are deemed necessary or desirable by the Corporation in connection with either (a) providing for a book-entry system with respect to a Series of Bonds or (b) discontinuing a book-entry system with respect to a Series of Bonds; provide for such changes as are deemed necessary or desirable by the Corporation to take effect on a Change Date on which 100% of the Bonds are subject to mandatory tender; during any period that that all Bonds bear interest at a Weekly Rate, provide such changes as are deemed necessary or desirable by the Corporation, if, not less than thirty (30) days before the effective date of such changes, the Trustee sends notice of the proposed changes to the Bond owners and the Bond owners have the right to tender their Bonds for purchase before such effective date; or make any additions, deletions or modifications to the Resolution which, in the opinion of the Trustee, are not materially adverse to the interests of the Bond owners.

The foregoing notwithstanding, for so long as the Credit Facility shall be in effect, no supplement, modification or amendment of the Resolution shall take effect without the consent of the Credit Issuer.

Events of Default and Termination

Each of the following events set forth in clauses (1) through (4) below constitutes an “Event of Default” and the following event set forth in clause (5) below constitutes an “Event of Termination” with respect to the Bonds: (1) payment of the principal or Redemption Price, if any, of or interest on any Bond (other than Pledged Bonds) when and as the same shall become due, whether at maturity or upon call for redemption or otherwise, shall not be made when and as the same shall become due; (2) payment of the Purchase Price of any 2003 Bond (other than Pledged Bonds) tendered in accordance with the Resolution shall not be made when and as the same shall become due; (3) an Act of Bankruptcy of the Corporation; (4) the Corporation shall fail or refuse to comply with the provisions of the Resolution or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained in the Resolution or in any applicable Supplemental Resolution or the Bonds (other than any such default resulting in an Event of Default described in clause (1) or (2) above), and such failure, refusal or default shall continue for a period of forty-five (45) days after written notice thereof by the Trustee or the owners of not less than five percent (5%) in principal amount of the Outstanding Bonds; or (5) receipt by the Trustee of written notice from the Credit Issuer that an “Event of Default” has occurred under the Credit Agreement together with a written direction from the Credit Issuer to the Trustee to exercise either the remedy set forth in clause (5) of the following paragraph or the remedy set forth in clause (8) of the following paragraph, as provided in such direction.

Remedies

Upon the happening and continuance of an Event of Termination specified in the Resolution, the Trustee shall proceed, in its own name pursuant to the direction of the Credit Issuer as described in clause (5) of the preceding paragraph, to protect and enforce the remedies of the Bond owners and the Credit Issuer by the remedies set forth in either clause (5) or (8) below; provided, however, that anything in the Resolution to the contrary notwithstanding, the Trustee shall enforce the remedies set forth in clause (5) and (8) as specified in the direction of the Credit Issuer as described in clause (5) of the preceding paragraph within the time limits provided therein. Upon the happening and continuance of any Event of Default specified in clause (1) or (2) of the preceding paragraph, the Trustee shall proceed, or upon the happening and continuance of any Event of Default specified in clause (4) of the preceding paragraph, the Trustee may proceed and, upon the written request of the owners of not less than 25% in principal amount of the Outstanding Bonds, shall proceed, in its own name, subject, in each such case, to the provisions of the Resolution, including the receipt of the written consent of the Credit Issuer, to protect and enforce the rights of the Bond owners by the remedies specified below for particular Events of Default, and such other of the remedies set forth in clauses (1) through (7) below, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights: (1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bond owners, including the right to require the Corporation to receive and collect Revenues adequate to carry out the covenants and agreements as to the Mortgage Loan (subject to the provisions of the Assignment) and to require the Corporation to carry out any other covenants or agreements with such Bond owners, and to perform its duties under the Act; (2) by bringing suit upon the Bonds; (3) by action or suit in equity, to require the Corporation to account as if it were the trustee of an express trust for the owners of the Bonds; (4) by action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds; (5) with the written consent of the Credit Issuer in the case of an Event of Default or upon the direction described in clause (5) of the preceding paragraph in the case of an Event of Termination, by immediately declaring all Bonds or, with respect to an Event of Termination, a portion of one or more Series of the 2003 Bonds specified by the Credit Issuer due and payable, whereupon, with respect to any affected 2003 Bonds, such Bonds shall be immediately redeemed, without premium, pursuant to the Resolution, provided that upon the happening and continuance of an Event of Default specified in clause (1) or (2) of the preceding paragraph, the Trustee shall declare all Bonds due and payable; (6) in the event that all Outstanding Bonds are declared due and payable, by selling the Mortgage Loan (subject to the provisions of the Assignment) and any Investment Securities securing such Bonds; (7) by taking such action with respect to or in connection with the Credit Facility as the Trustee deems necessary to protect the interests of the owners of the 2003 Bonds; or (8) upon the happening and continuance of an Event of Termination and upon receipt of direction from the Credit Issuer, by carrying out a purchase of all or, if so designated by the Credit Issuer, a portion of one or more Series of the 2003 Bonds pursuant to the Resolution on a date specified by the Credit Issuer, which date shall not be later than eight (8) days following receipt by the Trustee of such direction.

Anything in the Resolution to the contrary notwithstanding, except as otherwise provided in clause (5) or (8) of the preceding paragraph, the owners of the majority in principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee under the Resolution, provided that such direction shall not be otherwise than in accordance with law or the provisions of the Resolution, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bond owners not parties to such direction and provided, further, that notwithstanding the foregoing, the Credit Issuer shall be entitled to direct the method of conducting all remedial proceedings to be taken by the Trustee under the Resolution.

No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law under the Resolution, or for the protection or enforcement of any right under the Resolution unless such owner shall have given to the Trustee written notice of the Event of Default or an Event of Termination or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 25% in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in the Resolution or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the fees, costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Nothing contained in the Resolution shall affect or impair the right of any Bond owner to enforce the payment of the principal of and interest on such owner's Bonds, or the obligation of the Corporation to pay the principal of and interest on each Bond to the owner thereof at the time and place in said Bond expressed.

Unless remedied or cured, the Trustee shall give to the Bond owners notice of each Event of Default or Event of Termination under the Resolution known to the Trustee within ninety (90) days after actual knowledge by the Trustee of the occurrence thereof; provided that in the case of the 2003 Bonds, such notice need not be given with respect to any 2003 Bond for which the Trustee has proceeded to carry out a mandatory purchase of such 2003 Bonds as described in clause (8) under the heading "Remedies" above or has proceeded to carry out a redemption of such 2003 Bonds as described in clause (5) under the heading "Events of Default and Termination" above. However, except in the case of default in the payment of the principal or Redemption Price, if any, of or interest on any of the Bonds, or in the making of any payment required to be made into the Bond Proceeds Account, the Trustee may withhold such notice if it determines that the withholding of such notice is in the interest of the Bond owners.

Priority of Payments After Event of Default or Event of Termination

In the event that upon the happening and continuance of any Event of Default or an Event of Termination the funds held by the Trustee shall be insufficient for the payment of the principal or Redemption Price, if any, of and interest then due on the Bonds affected, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the Act and the Resolution, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interest of the owners of such Bonds and for the payment of the fees, charges and expenses and liabilities incurred and advances made by the Trustee in the performance of its duties under the Resolution, shall be applied in the order of priority with respect to Bonds as set forth in the following paragraph and as follows:

- (1) Unless the principal of all of such Bonds shall have become or have been declared due and payable:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any such Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the principal of all such Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon such Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any such Bond over any other such Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds.

If, at the time the Trustee is to apply amounts in accordance with the provisions of the preceding paragraph, any of the Bonds Outstanding are Pledged Bonds, the Trustee shall make the payments with respect to the Bonds prescribed by the preceding paragraph, first, to the owners of all Bonds Outstanding other than Pledged Bonds and second, to the owner of Pledged Bonds.

Rights of the Credit Issuer

Notwithstanding anything contained in the Resolution to the contrary, all rights of the Credit Issuer under the Resolution, including, but not limited to, the right to consent to, approve, initiate or direct extensions, remedies, waivers, actions and amendments thereunder shall cease, terminate and become null and void (a) if, and for so long as, there is a Wrongful Dishonor of the Credit Facility by the Credit Issuer, or (b) if the Credit Facility is no longer in effect; provided, however, that notwithstanding any such Wrongful Dishonor, the Credit Issuer shall be entitled to receive notices pursuant to the Resolution in accordance with the terms of the Resolution.

Payments Due on Days Not Business Days

If the date for making any payment of principal or Redemption Price of or interest on any of the Bonds shall be a day other than a Business Day, then payment of such principal or Redemption Price of or interest on such Bonds need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date originally fixed for such payment, except that interest shall continue to accrue on any unpaid principal to such next succeeding Business Day.

SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT

The following is a summary of certain provisions of the Letter of Credit and the Credit Agreement to which reference is made for the complete provisions thereof. All terms used in this summary and not defined in this Official Statement have the respective meanings ascribed to such terms in the Credit Agreement.

The Letter of Credit

The Letter of Credit, which is irrevocable, shall be issued in an original stated amount of \$82,943,562 of which \$82,000,000 shall be with respect to the principal of the 2003 Bonds or the portion of the Purchase Price corresponding to the principal thereof, and \$943,562 shall be with respect to up to thirty-five (35) days of accrued interest with respect to the 2003 Bonds, or in each case the portion of the Purchase Price corresponding to interest at the Maximum Rate. The Letter of Credit shall be issued to the Trustee for the account of the Mortgagor. The stated amount of the Letter of Credit shall be reduced after the date of issuance in amounts equal to the amount of any drawing thereunder, subject to reinstatement as described below.

The Letter of Credit will terminate upon the earliest of: (i) the honoring of the final drawing available to be made under the Letter of Credit which is not subject to reinstatement; (ii) receipt by the Bank of a written notice that

either no 2003 Bonds remain Outstanding and unpaid or a substitute Credit Facility has been received by the Trustee; or (iii) July 15, 2005, the Letter of Credit expiration date, unless extended. In addition, the portion of the Letter of Credit relating to the 2003 Series A Bonds or the 2003 Series B Bonds, as the case may be, will terminate upon the conversion of the interest borne by such Series of 2003 Bonds to certain other interest rate calculation methods.

The Credit Agreement

Issuance of the Letter of Credit. The Mortgagor requested the issuance by the Bank of the Letter of Credit to enhance the marketability of the 2003 Bonds by securing a source of funds to be devoted exclusively to the payment by the Trustee, when and as due, of the principal or Purchase Price of and interest on the 2003 Bonds. The Bank has agreed to provide the Letter of Credit subject to certain terms and conditions as provided in the Credit Agreement. The Mortgagor has agreed to pay fees to the Bank in connection with the issuance and maintenance of the Letter of Credit and to indemnify the Bank in certain circumstances.

The Mortgagor agrees to reimburse the Bank in full for drawings made upon the Letter of Credit on the date each drawing is honored, or in the case of a drawing to acquire unremarketed 2003 Bonds, on the earliest to occur of (i) the second anniversary of the date of such drawing or (ii) July 15, 2005 or (iii) the date of redemption of the related unremarketed 2003 Bonds.

Reduction. Upon payment by the Bank of a drawing to pay principal on the 2003 Bonds (upon maturity, acceleration or redemption, but not to acquire unremarketed 2003 Bonds), the amount available to be drawn under the Letter of Credit for payment of principal on the 2003 Bonds shall be reduced automatically and permanently by an amount equal to the amount so drawn, the reduction of such amount to be effective on the date payment of such drawing is made by the Bank. In addition, upon payment by the Bank of any such drawing to pay principal on the 2003 Bonds upon maturity, acceleration or redemption, the amount available to be drawn under the Letter of Credit for payment of interest on the 2003 Bonds shall be reduced automatically and permanently in an amount equal to with respect to the 2003 Bonds, thirty-five (35) days' interest on the amount of such principal reduction in the amount available to be drawn under the Letter of Credit for payment of principal on the 2003 Bonds.

Upon payment by the Bank of a drawing to pay interest on the 2003 Bonds (other than interest on Pledged Bonds and on the 2003 Bonds paid upon maturity, acceleration or redemption), the amount available to be drawn under the Letter of Credit for the payment of interest on the 2003 Bonds shall be reduced automatically, subject to reinstatement as described below, by an amount equal to the amount so drawn, the reduction of such amount to be effective on the date payment of such drawing is made by the Bank.

Upon payment by the Bank of a drawing to acquire unremarketed 2003 Bonds, the stated amount of the Letter of Credit shall be reduced automatically, subject to reinstatement, as described below.

Reinstatement. The amount available to be drawn under the Letter of Credit for payment of interest on the 2003 Bonds shall be reinstated automatically in the full amount of the amount so drawn (other than such amounts pertaining to a drawing to pay interest on 2003 Bonds paid with a drawing to pay principal on the 2003 Bonds upon maturity, acceleration or redemption) immediately following payment of such drawing.

The amount available to be drawn under the Letter of Credit to acquire unremarketed 2003 Bonds will be reinstated upon receipt by the Bank of (i) an amount by which the Bank is then requested to increase such amount (as to interest and/or principal); and (ii) notice from the Trustee in the appropriate form, unless prior to receipt by the Bank of such notice, the Trustee shall have received from the Bank notice or telephonic notice, promptly confirmed in writing, of the occurrence of an event of default under the Credit Agreement.

Events of Default. Each of the following events, among others, shall be an event of default under the Credit Agreement:

- (i) a default after any applicable grace and cure periods in the payment of any Letter of Credit fee or other amount required to be paid under the Credit Agreement or any of the other Credit Facility Documents;

(ii) an “Event of Taxability” shall occur which term is defined under the Credit Agreement to be any event the result of which is that interest on any Series of Bonds issued under the Resolution to which the tax covenants of the Resolution apply shall not be excludable from gross income for Federal income tax purposes, other than by reason of any such Bonds being held by a person who, within the meaning of Section 147(a) of the Code is a substantial user of the premises and the improvements (the “Improvements”) to be constructed in connection with the Project, or is a related person, within the meaning of said Section 147(a);

(iii) any survey required or requested by the Agent shows any material adverse condition not approved by the Agent and such condition is not removed within the applicable time period after notice by the Agent to the Mortgagor;

(iv) the Improvements are not completed in accordance with the provisions of the Credit Agreement on or before the completion date specified therein;

(v) construction of the Improvements once commenced is suspended for a period of twenty (20) consecutive Business Days (other than by reason of the occurrence of an event of force majeure), or if in the reasonable judgment of the Agent or a construction consultant to be retained pursuant to the terms of the Credit Agreement, construction of the Improvements once commenced is not carried on with reasonable diligence;

(vi) the Mortgagor fails to obtain and maintain a partial exemption from real property taxes for the Improvements pursuant to Section 421-g of the New York Real Property Tax Law;

(vii) the Mortgagor shall fail to cover any Construction Loan Project Cost Deficiency, any General Project Loan Deficiency or any Non-Qualified Cost Deficiency (as such terms are defined in the Credit Agreement) in the manner and within the time period specified in the Credit Agreement;

(viii) the Mortgagor executes any chattel mortgage or other security agreement with respect to any materials, equipment, furniture or fixtures used in the construction of the Improvements or the operation of the Improvements or with respect to any articles of personal property constituting part of the Project, or if any such materials, equipment, furniture, fixtures or articles of personal property are not substantially in accordance with the plans and specifications or are leased or purchased pursuant to any conditional sales contract or other security agreement or otherwise so that the ownership thereof will not vest unconditionally in Mortgagor free from encumbrances upon being made a part of the Project;

(ix) the Mortgagor or the Guarantor shall fail to comply with the financial covenants specified in the Credit Agreement in all respects at any time during the term of the Letter of Credit and for so long as such financial covenants are in effect;

(x) any Credit Facility Document shall cease to be in full force or effect or shall cease to constitute, or to continue as, a lien on the assets, property or collateral purported to be encumbered thereby, and such default has not been cured within twenty (20) Business Days after notice thereof by Agent to the Mortgagor;

(xi) any person guaranteeing payment or performance of the obligations under the Credit Facility Documents shall disclaim any obligations pursuant to any such guaranty or shall otherwise be in default under any such guaranty beyond applicable grace and cure periods; or

(xii) any other default shall have occurred and be continuing beyond any applicable grace and cure period under the Credit Agreement or any of the other Credit Facility Documents, the Resolution, the Subordinate Mortgage, the Ground Lease or any other note or loan agreement with any Co-Lender or any other agreement executed and delivered in connection with the 2003 Bonds.

Remedies. During the continuance of any such event of default, the Agent on behalf of the Lenders may do any or all of the following:

- (i) declare the indebtedness evidenced and secured by the Mortgage Note and the Mortgage immediately due and payable;
- (ii) give notice to the Trustee that an event of default under the Credit Agreement has occurred and direct that the Trustee (a) accelerate the 2003 Bonds and call Outstanding 2003 Bonds for redemption in whole or in part in accordance with the Resolution (such redemption to be effected with the proceeds of a draw under the Letter of Credit); (b) cause a purchase of the 2003 Bonds in whole or in part in accordance with the Resolution (such purchase to be effected with the proceeds of a draw under the Letter of Credit); or (c) take such actions as are permitted by the Resolution and the Credit Facility Documents;
- (iii) demand immediate payment of any amounts due or to become due under any Credit Facility Documents;
- (iv) take possession and control of the Project, whereupon the Agent on behalf of the Lenders may discontinue or complete construction of the Project, at the Mortgagor's expense;
- (v) require cash collateral or letters of credit aggregating an amount equal to the amount of the Letter of Credit;
- (vi) authorize the disbursement of the Collateral Amount to Administrative Agent; and/or
- (vii) pursue any other action available under the Credit Facility Documents (subject to the terms and provisions of the Assignment), at law or in equity.

The Lenders, acting in accordance with the provisions of the Credit Agreement, will have sole discretion as to which, if any, of the foregoing remedies will be exercised by the Agent. Accordingly, an event of default under the Credit Agreement may not result in an Event of Termination under the Resolution.

AGREEMENT OF THE STATE

Section 657 of the Act provides that the State agrees with the holders of obligations of the Corporation, including owners of the 2003 Bonds, that it will not limit or alter the rights vested by the Act in the Corporation to fulfill the terms of any agreements made with the owners of the 2003 Bonds, or in any way impair the rights and remedies of such owners until the 2003 Bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such owners of the 2003 Bonds, are fully met and discharged.

TAX MATTERS

Opinion of Bond Counsel

2003 Series A Bonds. In the opinion of Bond Counsel, under existing statutes and court decisions, (i) interest on the 2003 Series A Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, except that no opinion is expressed as to the exclusion of interest on any 2003 Series A Bond for any period during which such 2003 Series A Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a "substantial user" of the facilities financed with the proceeds of the 2003 Series A Bonds or a "related person," and (ii) interest on the 2003 Series A Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations. In rendering such opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagor and others, in connection with the 2003 Series A Bonds, and Bond Counsel has assumed compliance by the Corporation and the Mortgagor with certain ongoing

covenants to comply with the applicable requirements of the Code to assure the exclusion of interest on the 2003 Series A Bonds from gross income under Section 103 of the Code.

2003 Series B Bonds. In the opinion of Bond Counsel, interest on the 2003 Series B Bonds is included in gross income for Federal income tax purposes pursuant to the Code.

In the opinion of Bond Counsel, under existing statutes, interest on the 2003 Series A Bonds and the 2003 Series B Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

Bond Counsel expresses no opinion regarding any other Federal or state tax consequences with respect to the 2003 Bonds. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2003 Series A Bonds, or under state and local tax law.

Summary of Certain Federal Tax Requirements

The 2003 Series A Bonds are being issued as “Qualified New York Liberty Bonds” pursuant to the Job Creation and Worker Assistance Act of 2002 (the “Liberty Bond Act”). Under the Liberty Bond Act, Qualified New York Liberty Bonds, the interest on which is excluded from gross income for Federal income tax purposes, may be issued to finance residential rental property within the boundaries of a zone generally described as being located in the borough of Manhattan, below Canal Street, East Broadway and Grand Street (the “Liberty Zone”). The Project is a residential rental property located within the Liberty Zone.

The Code establishes certain additional requirements which must be met subsequent to the issuance and delivery of the 2003 Series A Bonds in order that interest on the 2003 Series A Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to the use and expenditure of the proceeds of the 2003 Series A Bonds, yield and other limits regarding investment of the proceeds of the 2003 Series A Bonds and other funds, and rebate of certain investment earnings on such amounts on a periodic basis to the United States.

The Corporation has covenanted in the Resolution that it shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the 2003 Series A Bonds shall be excluded from gross income for Federal income tax purposes. In furtherance thereof, the Corporation is to enter into the Regulatory Agreement with the Mortgagor to assure compliance with the Code. However, no assurance can be given that in the event of a breach of any such covenants, or noncompliance with the procedures or certifications set forth therein, the remedies available to the Corporation and/or 2003 Series A Bond owners can be judicially enforced in such manner as to assure compliance with the above-described requirements and therefore to prevent the loss of the exclusion of interest from gross income for Federal income tax purposes. Any loss of such exclusion of interest from gross income may be retroactive to the date from which interest on the 2003 Series A Bonds is payable.

Certain Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the 2003 Series A Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a 2003 Series A Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the 2003 Series A Bonds.

Prospective owners of 2003 Series A Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S Corporations and certain foreign corporations), financial institutions, property and casualty and life insurance companies,

individual recipients of Social Security or railroad retirement benefits, individuals otherwise eligible for the earned income credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the 2003 Series A Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Legislation affecting municipal bonds is frequently considered by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the 2003 Series A Bonds will not have an adverse effect on the tax-exempt status of the 2003 Series A Bonds or the market price of the 2003 Series A Bonds.

PROPOSED FORM OF BOND COUNSEL OPINION

Upon delivery of the 2003 Bonds, Hawkins, Delafield & Wood, Bond Counsel, proposes to issue its approving opinion in substantially the following form:

NEW YORK CITY HOUSING
DEVELOPMENT CORPORATION
110 William Street
New York, New York 10038

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance of \$74,800,000 Multi-Family Mortgage Revenue Bonds (90 Washington Street), 2003 Series A (the "2003 Series A Bonds") and \$7,200,000 Multi-Family Mortgage Revenue Bonds (90 Washington Street), 2003 Series B (the "2003 Series B Bonds;" the 2003 Series A Bonds and the 2003 Series B Bonds being collectively referred to as the "2003 Bonds") of the New York City Housing Development Corporation (the "Corporation"), a corporate governmental agency, constituting a public benefit corporation, created and existing under and pursuant to the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law (Chapter 44-b of the Consolidated Laws of New York), as amended (the "Act").

The 2003 Bonds are authorized to be issued pursuant to the Act and the Multi-Family Mortgage Revenue Bonds (90 Washington Street) Bond Resolution of the Corporation, adopted June 3, 2003 (herein called the "Resolution"). The 2003 Bonds are being issued for the purpose of financing the Mortgage Loan (as defined in the Resolution).

The 2003 Bonds are dated, mature, are payable, bear interest and are subject to redemption and tender as provided in the Resolution.

The Corporation is authorized to issue other Bonds (as defined in the Resolution), in addition to the 2003 Bonds, for the purposes and upon the terms and conditions set forth in the Resolution, and such Bonds, when issued, shall, with the 2003 Bonds and with all other such Bonds theretofore issued, be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

We have not examined nor are we passing upon matters relating to the real and personal property referred to in the Mortgage, nor are we passing upon the Loan Agreement, the Mortgage, the other Mortgage Documents or the Assignment (as such terms are defined in the Resolution). In rendering this opinion, we have assumed the validity and enforceability of the Loan Agreement, the Mortgage, the other Mortgage Documents and the Assignment.

Upon the basis of the foregoing, we are of the opinion that:

(1) The Corporation has been duly created and validly exists as a corporate governmental agency constituting a public benefit corporation, under and pursuant to the laws of the State of New York (including the Act), and has good right and lawful authority, among other things, to finance the Mortgage Loan, to provide sufficient funds therefor by the adoption of the Resolution and the issuance and sale of the 2003 Bonds, and to perform its obligations under the terms and conditions of the Resolution, including financing the Mortgage Loan, as covenanted in the Resolution.

(2) The Resolution has been duly adopted by the Corporation, is in full force and effect, and is valid and binding upon the Corporation and enforceable in accordance with its terms.

(3) The 2003 Bonds have been duly authorized, sold and issued by the Corporation in accordance with the Resolution and the laws of the State of New York (the “State”), including the Act.

(4) The 2003 Bonds are valid and legally binding special revenue obligations of the Corporation payable solely from the revenues, funds or moneys pledged for the payment thereof pursuant to the Resolution, are enforceable in accordance with their terms and the terms of the Resolution, and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

(5) The Bonds, including the 2003 Bonds, are secured by a pledge in the manner and to the extent set forth in the Resolution. The Resolution creates the valid pledge of and lien on the Revenues (as defined in the Resolution) and all the Accounts (other than the Rebate Fund) established by the Resolution and moneys and securities therein, which the Resolution purports to create, subject only to the provisions of the Resolution permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Resolution.

(6) Pursuant to the Resolution, the Corporation has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to finance the Mortgage Loan, subject to the requirements of the Resolution with respect thereto.

(7) The 2003 Bonds are not a debt of the State or The City of New York and neither is liable thereon, nor shall the 2003 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged for the payment thereof.

(8) Under existing statutes and court decisions, (i) interest on the 2003 Series A Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), except that no opinion is expressed as to such exclusion of interest on any 2003 Series A Bond for any period during which such 2003 Series A Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with the proceeds of the 2003 Series A Bonds or a “related person,” and (ii) interest on the 2003 Series A Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations. In rendering this opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagor (as defined in the Resolution) and others, in connection with the 2003 Series A Bonds, and we have assumed compliance by the Corporation and the Mortgagor with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2003 Series A Bonds from gross income under Section 103 of the Code. In addition, under existing statutes, interest on the 2003 Series A Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

(9) Interest on the 2003 Series B Bonds is included in gross income for Federal income tax purposes pursuant to the Code. Under existing statutes, interest on the 2003 Series B Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

We express no opinion regarding any other Federal or state tax consequences with respect to the 2003 Bonds. We render our opinion under existing statutes and court decisions as of the issue date, and we assume no obligation to update our opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation or otherwise. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2003 Series A Bonds, or under state and local tax law.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2003 Bonds and the Resolution may be limited by bankruptcy, insolvency and other laws affecting creditors’ rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2003 Series A Bond and an executed 2003 Series B Bond and in our opinion the forms of said Bonds and their execution are regular and proper.

Very truly yours,
