NEW YORK CITY HOUSING DEVELOPMENT CORPORATION
Multi-Family Mortgage Revenue Bonds (Spring Creek Apartments I and II), 2006 Series A

This Official Statement (including the cover page and appendices) provides certain information concerning the New York City Housing Development Corporation (the “Corporation”) in connection with the sale of \$24,000,000 aggregate principal amount of its Multi-Family Mortgage Revenue Bonds (Spring Creek Apartments I and II), 2006 Series A (the “2006 Bonds”).

The 2006 Bonds are to be issued in accordance with the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law, constituting Chapter 44-b of the Consolidated Laws of the State of New York, as amended (the “Act”), and pursuant to a resolution relating to the 2006 Bonds adopted by the Members of the Corporation on November 9, 2006. Such resolution, as amended and supplemented from time to time, is herein referred to as the “Resolution”. Pursuant to the Resolution, bonds issued thereunder are equally and ratably secured by the pledges and covenants contained therein and all such bonds, including the 2006 Bonds issued thereunder, are herein referred to as the “Bonds”. Deutsche Bank Trust Company Americas, located in New York, New York, will act as trustee for the 2006 Bonds (in its capacity as trustee for the 2006 Bonds, with its successors, the “Trustee”). Certain defined terms used herein are set forth in Appendix A hereto.

INTRODUCTION

The Corporation, which commenced operations in 1972, is a corporate governmental agency constituting a public benefit corporation organized and existing under the laws of the State of New York (the “State”). The Corporation was created by the Act for the purpose of providing and encouraging the investment of private capital in safe and sanitary dwelling accommodations in the City of New York within the financial reach of families and persons of low income, which includes families and persons whose need for housing accommodations cannot be provided by the ordinary operations of private enterprise, or in areas designated as blighted through the provision of low interest mortgage loans. The Act provides that the Corporation and its corporate existence shall continue at least so long as bonds, notes or other obligations of the Corporation shall be outstanding.

The 2006 Bonds are being issued to finance a mortgage loan (the “Mortgage Loan”) to Spring Creek Housing L.P., a New York limited partnership (the “Mortgagor”), for the purposes of paying a portion of the costs of acquiring, rehabilitating and equipping a multi-family rental housing facility located at 901-903 Drew Street in the Borough of Brooklyn, New York (the “Project”), and certain other costs related thereto. See “ESTIMATED SOURCES AND USES OF FUNDS” herein. The general partner of the Mortgagor is a single purpose limited liability company, the members of which are AD Spring Creek LLC, and Spring Creek Housing Development Fund Corp. The members of AD Spring Creek LLC are Northern Lights LLC and Domain Spring Creek LLC, whose sole member is The Domain Companies LLC. The members of Northern Lights LLC (Sol Arker, Allan Arker and Alex Arker) and The Domain Companies LLC (Matthew Schwartz and Chris Papamichael) are the developers of the Project. See “THE PROJECT AND THE MORTGAGOR”.

Completion of construction of the Project depends upon, among other things, the ability of the Mortgagor to obtain various permits and approvals, some of which have not yet been obtained. In the event that the Project is not completed within approximately 30 months, subject to a six month extension and subject to force majeure, after the date of initial issuance and delivery of the 2006 Bonds, as required by the Reimbursement Agreement (as hereinafter defined), there may be a mandatory tender or redemption of the 2006 Bonds in whole or in part. See “DESCRIPTION OF THE 2006 BONDS—Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination” and “Redemption of 2006 Bonds - Mandatory - Mandatory Redemption Following an Event of Termination” herein. In addition, if the Mortgage Loan is made in an amount less than the amount originally anticipated, all or a portion of the 2006 Bonds may be redeemed. See “DESCRIPTION OF THE 2006 BONDS—Redemption of 2006 Bonds - Optional - Special Redemption Without Premium” herein.

Upon the earlier of (i) completion of construction of the Project and satisfaction of certain other conditions or (ii) the Letter of Credit Expiration Date (as defined below), subject to extension by the Bank, the Mortgagor is required to prepay a portion of the Mortgage Loan in the approximate amount of \$900,000 (the “Mandatory Mortgage Loan Prepayment”) unless such requirement is waived as described herein. The Mandatory Mortgage Loan Prepayment is

required to be applied to redeem the 2006 Bonds in a principal amount equal to the amount of the Mandatory Mortgage Loan Prepayment. See “THE MORTGAGE LOAN” and “DESCRIPTION OF THE 2006 BONDS—Redemption of the 2006 Bonds – Mandatory – Mandatory Redemption From Certain Recoveries of Principal”.

Concurrently with, and as a condition precedent to, the issuance of the 2006 Bonds, the Corporation will cause to be delivered to the Trustee an irrevocable direct pay letter of credit (the “Letter of Credit”) executed and delivered by Citibank, N.A. (the “Bank”). The principal of, interest on and Purchase Price (as defined below) of the 2006 Bonds are payable from funds advanced under the Letter of Credit. The Bank will advance funds under the Letter of Credit to the Trustee with respect to the payment of: (i) the principal of the 2006 Bonds when due by reason of acceleration, redemption, defeasance or stated maturity and (ii) up to 35 days’ interest (computed at the Maximum Rate) on the 2006 Bonds when due on or prior to their stated maturity date. The Bank will also advance funds under the Letter of Credit to the Trustee up to the principal amount of the 2006 Bonds and interest thereon (computed at the Maximum Rate) for up to 35 days in order to pay the Purchase Price of 2006 Bonds that are tendered and not remarketed. The Letter of Credit will expire on June 15, 2009 (the “Letter of Credit Expiration Date”), unless extended or terminated earlier in accordance with its terms, as described herein. See “THE LETTER OF CREDIT BANK”, “SECURITY FOR THE BONDS-Letter of Credit” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT” herein. Under certain circumstances, the Corporation or the Mortgageor may replace the Letter of Credit with a Substitute Letter of Credit or an Alternate Security. The Letter of Credit constitutes a “Credit Facility” and the “Initial Construction Phase Credit Facility” under the Resolution, and the Bank constitutes a “Credit Facility Provider” and the “Initial Construction Phase Credit Facility Provider” under the Resolution. See “SECURITY FOR THE BONDS—Alternate Security” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND REIMBURSEMENT AGREEMENT” herein.

The Mortgageor will enter into a Credit and Disbursement Agreement (the “Reimbursement Agreement”) with the Bank, in its capacity as the provider of the Letter of Credit and as agent and servicer (the “Agent”), and any other lenders who become co-lenders pursuant to the Reimbursement Agreement (collectively, “Lenders”) pursuant to which the Mortgageor will agree to reimburse the Bank for any payments made by the Bank under the Letter of Credit. The sole obligor under the Letter of Credit will be the Bank. The other Lenders will have no obligation under the Letter of Credit. Upon an event of default under the Reimbursement Agreement, the Bank may direct the mandatory tender or mandatory redemption of all or a portion of the 2006 Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT – Events of Default” and “– Remedies,” “DESCRIPTION OF THE 2006 BONDS – Redemption of 2006 Bonds – Mandatory –Mandatory Redemption Following an Event of Termination” and “DESCRIPTION OF THE 2006 BONDS – Credit Facility Provider’s Right To Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination”.

Federal Home Loan Mortgage Corporation (“Freddie Mac”) has agreed that upon completion of the Project and the satisfaction of certain other conditions, it will issue a direct pay irrevocable transferable Credit Enhancement Agreement (the “Freddie Mac Credit Enhancement Agreement”) with respect to the 2006 Bonds to the Trustee. The Freddie Mac Credit Enhancement Agreement will replace the Letter of Credit for the 2006 Bonds and will provide for the payment of the principal of and interest on the 2006 Bonds and the Purchase Price of the 2006 Bonds that are tendered for purchase and not remarketed. The 2006 Bonds will be subject to mandatory tender on the date of issuance of the Freddie Mac Credit Enhancement Agreement. See “DESCRIPTION OF THE 2006 BONDS – Mandatory Purchase of 2006 Bonds Upon Replacement or Expiration of Credit Facility.” The Letter of Credit will be surrendered to the Bank for cancellation at such time. Failure to meet the conditions for the issuance of the Freddie Mac Credit Enhancement Agreement before the Letter of Credit Expiration Date, subject to extension by the Bank, will be an event of default under the Reimbursement Agreement, and the Bank may thereupon direct the mandatory redemption or the mandatory tender of all or a portion of the 2006 Bonds. In addition, in order to meet such conditions, unless waived by Freddie Mac, the Mortgageor will be required to make the Mandatory Mortgage Loan Prepayment, resulting in a redemption of an equal principal amount of the 2006 Bonds. See “THE MORTGAGE LOAN” and “DESCRIPTION OF THE 2006 BONDS – Redemption of 2006 Bonds – Mandatory – Mandatory Redemption from Certain Recoveries of Principal”.

The Mortgage Loan is to be evidenced by a mortgage note (as the same may be amended and supplemented, the “Mortgage Note”) and secured by a mortgage on the Project (as the same may be amended and supplemented, the “Mortgage”). The Mortgage Note and Mortgage are to be assigned by the Corporation to the Trustee and the Bank, as their interests may appear, subject to the reservation by the Corporation of certain rights. The Trustee will assign the Mortgage Rights assigned to it to the Bank but will retain the right to receive payments relating to any Principal

Reserve Fund deposits subject to the Bank's right to direct the Trustee to assign its entire interest in the Mortgage Loan to the Bank. There are not expected to be any deposits into the Principal Reserve Fund prior to the Conversion Date. See "SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION—Covenants with Respect to the Mortgage Loan."

The 2006 Bonds are special obligations of the Corporation payable solely from payments under the Mortgage Loan and other Revenues pledged therefor under the Resolution, including any investment earnings thereon, all as provided in accordance with the terms of the Resolution. In addition, the 2006 Bonds are payable from advances under the Letter of Credit or any Alternate Security. See "SECURITY FOR THE BONDS."

The 2006 Bonds are being issued as variable rate obligations which will bear interest from their date of issue to but not including the Wednesday following said date of issue at a rate per annum set forth in a certificate of the Corporation delivered on the date of issue of the 2006 Bonds. Thereafter, the 2006 Bonds will initially bear interest at the Weekly Rate, to be determined for the 2006 Bonds weekly and as otherwise described herein by Goldman, Sachs & Co., as remarketing agent for the 2006 Bonds (in such capacity, the "Remarketing Agent"). Under certain circumstances, and with the prior written consent of the Bank, the method of calculating the interest rate borne by the 2006 Bonds may be changed from time to time to a different method provided for in the Resolution or the interest rate may be converted to a fixed rate to maturity. See "DESCRIPTION OF THE 2006 BONDS." So long as the Letter of Credit is in effect, the 2006 Bonds are subject to a maximum interest rate of ten percent (10%) per annum or such higher rate (which shall not exceed fifteen percent (15%) per annum) as may be established in accordance with the provisions of the Resolution (the "Maximum Rate").

During any period of time in which the 2006 Bonds bear interest at the Weekly Rate, the 2006 Bonds are subject to purchase at a price equal to 100% of the principal amount thereof plus accrued and unpaid interest thereon to the date of purchase (the "Purchase Price"). Such purchase shall be made upon demand of the owner thereof on any Business Day upon at least seven days' prior notice delivered to the Trustee prior to 4:00 p.m., New York City time. The 2006 Bonds are also subject to mandatory tender for purchase and are subject to optional and mandatory redemption as set forth in the Resolution and described herein. Payment of the Purchase Price of tendered 2006 Bonds that are not remarketed shall be paid with amounts provided pursuant to the Letter of Credit. As more fully described herein, the loss of exclusion of interest on the 2006 Bonds from gross income for Federal income tax purposes would not, in and of itself, result in a mandatory tender or redemption of the 2006 Bonds.

This Official Statement in general describes the 2006 Bonds only while the 2006 Bonds bear interest at the Weekly Rate and only while the Letter of Credit is in effect.

The 2006 Bonds are not a debt of the State of New York or The City of New York and neither the State nor the City shall be liable thereon, nor shall the 2006 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged therefor. The Corporation has no taxing power.

Descriptions of the 2006 Bonds and sources of payment, the Corporation, the Bank, the Mortgagor, the Project, the Mortgage Loan, the Letter of Credit, the Resolution, the Reimbursement Agreement and certain related agreements are included in this Official Statement. All summaries or descriptions herein of documents and agreements are qualified in their entirety by reference to such documents and agreements and all summaries herein of the 2006 Bonds are qualified in their entirety by reference to the Resolution and the provisions with respect thereto included in the aforesaid documents and agreements. Copies of the Resolution are available for inspection at the office of the Corporation. The Corporation has covenanted in the Resolution to provide a copy of each annual report of the Corporation (and certain special reports, if any) and any Accountant's Certificate relating thereto to each Bond owner who shall have filed such owner's name and address with the Corporation for such purposes. See "SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Accounts and Reports" herein. Other than as so covenanted in the Resolution, the Corporation has not committed to provide any information on an ongoing basis to any repository or other entity or person. The Mortgagor has covenanted that in the event it exercises its right to convert the interest rate of the 2006 Bonds to a Term Rate or a Fixed Rate, it will execute a continuing disclosure agreement satisfactory to the Corporation and the Remarketing Agent prior to such conversion.

THE MORTGAGE LOAN

The Resolution authorizes the issuance by the Corporation of the 2006 Bonds to provide moneys to finance the Mortgage Loan for the purposes of paying a portion of the costs of acquiring, rehabilitating and equipping the Project and certain other costs related thereto. As a condition to the initial issuance and delivery of the 2006 Bonds, the Bank is to deliver the Letter of Credit to the Trustee. In addition, the Corporation and the Mortgagor will enter into a financing agreement (as the same may be amended or supplemented, the "Loan Agreement"), simultaneously with the issuance of the 2006 Bonds. The Mortgage Loan is to be evidenced by the Mortgage Note, in an amount equal to the principal amount of the 2006 Bonds, executed by the Mortgagor in favor of the Corporation and secured by a Mortgage on the Project. The Mortgagor is required under the Mortgage Note to make payments sufficient to pay principal of and interest on the 2006 Bonds. Pursuant to the terms of the Resolution and the Assignment and Intercreditor Agreement by the Corporation to the Trustee and the Bank, and acknowledged by the Mortgagor (the "Assignment"), the Corporation will assign and deliver to the Bank and the Trustee, as their interests may appear, subject to the reservation of certain rights by the Corporation, all of its right, title and interest in and to the Mortgage Loan and the Mortgage Documents. If the costs of acquiring, rehabilitating and equipping the Project are less than the amount originally anticipated and, in turn, the Mortgage Loan is made in an amount less than the amount originally anticipated, a portion of the 2006 Bonds may be redeemed. See "DESCRIPTION OF THE 2006 BONDS — Redemption of 2006 Bonds – Optional – Special Redemption Without Premium" herein.

Freddie Mac has agreed to issue a Freddie Mac Credit Enhancement Agreement with respect to the 2006 Bonds to the Trustee upon compliance with certain conditions contained in the Construction Phase Financing Agreement (the "Conversion"). At such time, the Letter of Credit will be returned to the Bank. In addition, at such time the 2006 Bonds will be subject to mandatory tender. Such conditions for Conversion include completion of construction of the Project and the achievement of certain occupancy levels. Completion of construction of the Project depends upon, among other things, the ability of the Mortgagor to obtain various approvals, some of which have not yet been obtained. Failure of the Conversion to occur by the Letter of Credit Expiration Date, subject to extension by the Bank, will be an event of default under the Reimbursement Agreement, and the Bank may thereupon direct the mandatory redemption or the mandatory tender of all or a portion of the 2006 Bonds. See "THE MORTGAGE LOAN" and "DESCRIPTION OF THE 2006 BONDS – Redemption of 2006 Bonds – Mandatory – Mandatory Redemption from Certain Recoveries of Principal."

Upon an event of default under the Reimbursement Agreement, the Bank, at its option, may direct the mandatory tender or mandatory redemption of all or a portion of the 2006 Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT – Events of Default” and “– Remedies,” “DESCRIPTION OF THE 2006 BONDS – Redemption of 2006 Bonds – Mandatory – Mandatory Redemption Following an Event of Termination” and “DESCRIPTION OF THE 2006 BONDS – Credit Facility Provider’s Right To Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination.”

In the Reimbursement Agreement, the Mortgagor agrees to complete the acquisition, rehabilitation, equipping and leasing of the Project within approximately 30 months, subject to a six-month extension and subject to force majeure, after the date of the initial issuance and delivery of the 2006 Bonds. There can be no assurance that the Project will be completed or that it will be completed on schedule. Failure to complete construction of the Project by the date required in the Reimbursement Agreement is an event of default under the Reimbursement Agreement and may, at the option of the Bank, result in a mandatory tender or redemption in whole or in part of the 2006 Bonds. See “DESCRIPTION OF THE 2006 BONDS—Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination” and “Redemption of 2006 Bonds - Mandatory - Mandatory Redemption Following an Event of Termination” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT” herein.

The Mortgagor has elected to enter into a swap arrangement (the “Swap Contract”) with Citibank, N.A., that will provide the Mortgagor with interest protection with respect to the interest rate payable on the Mortgage Note during the construction phase and the permanent phase of the Project and does not apply to payments with respect the 2006 Bonds. The Reimbursement Agreement will provide that if the Mortgagor defaults under its Swap Contract, it shall be an event of default under the Mortgage and Reimbursement Agreement and may, at the option of the Bank, result in a mandatory tender or redemption in whole or in part of the 2006 Bonds. See “DESCRIPTION OF THE 2006 BONDS—Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination” and “Redemption of 2006 Bonds - Mandatory - Mandatory Redemption Following an Event of Termination” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT” herein.

Further, upon the earlier of (i) completion of construction of the Project and satisfaction of certain other conditions or (ii) the Letter of Credit Expiration Date, subject to extension by the Bank, the Mortgagor is required to make a Mandatory Mortgage Loan Prepayment unless such requirement is waived by Freddie Mac. Such prepayment is required to be applied to redeem prior to maturity a portion of the 2006 Bonds (see “DESCRIPTION OF THE 2006 BONDS—Redemption of the 2006 Bonds – Mandatory – Mandatory Redemption From Recoveries of Principal”). The source of funds for the Mandatory Mortgage Loan Prepayment is expected to be proceeds of the sale of federal low income housing tax credits anticipated to be available to the Mortgagor. The proceeds from the sale of such federal low income housing tax credits will only be made available to the Mortgagor upon completion of rehabilitation of the Project and the satisfaction of certain other conditions. However, unless waived by Freddie Mac, the Mortgagor is required to make the Mandatory Mortgage Loan Prepayment regardless of whether or in what amount such proceeds are available. A failure of the Mortgagor to make the required Mandatory Mortgage Loan Prepayment is an event of default under the Mortgage Loan and the Reimbursement Agreement. Upon an event of default under the Reimbursement Agreement, the Bank may cause a mandatory tender or redemption in whole or in part of the 2006 Bonds. See “DESCRIPTION OF THE 2006 BONDS—Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination” and “Redemption of 2006 Bonds-Mandatory – Mandatory Redemption – Following an Event of Termination” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT” herein.

The ability of the Mortgagor to pay its Mortgage Loan is dependent on the revenues derived from the Project. Due to the inherent uncertainty of future events and conditions, no assurance can be given that revenues generated by the Project will be sufficient to pay expenses of the Project, including without limitation, debt service on the Mortgage Loan, operating expenses, servicing fees, fees due to the Bank or Freddie Mac, Remarketing Agent fees, Trustee and Tender Agent fees and fees owed to the Corporation. The ability of the Project to generate sufficient revenues may be affected by a variety of factors, including but not limited to completion of the Project, achievement and maintenance of a certain level of occupancy, the level of rents prevailing in the market, the ability to achieve increases in rents as necessary to cover debt service and operating expenses, interest rate levels, the level of operating expenses, project management, adverse changes in applicable laws and regulations, and general economic conditions and other factors in the metropolitan area surrounding the Project. The Mortgagor is required to rent certain units in the Project to persons

or families of moderate income, and the amount of rent that may be charged for such units is expected to be less than market rates. In addition to these factors, other adverse events may occur from time to time which may have a negative impact on the occupancy level and rental income of the Project.

Failure of the Mortgagor to make payments when due under the Mortgage Loan or the Reimbursement Agreement will result in an event of default under the Mortgage Loan and Reimbursement Agreement and may, at the option of the Credit Facility Provider, result in a mandatory tender or redemption of all or a portion of the 2006 Bonds. See “DESCRIPTION OF THE 2006 BONDS – Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination” and “– Mandatory Redemption Following Event of Termination” herein. See also “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT” herein.

Under the terms of a joint and several guaranty of completion and a joint and several guaranty of payment (collectively, as the same may be amended or supplemented, a “Guaranty”), executed and delivered by Sol Arker, Allan Arker, Alex Arker, Matthew Schwartz and Chris Papamichael (each a “Key Principal,” and collectively, the “Key Principals”) in connection with the Project, to the Bank, the Key Principals have agreed to guarantee (i) completion of construction of the Project and (ii) payment of a portion of the principal of and interest on the Mortgage Note. Failure by the Key Principals to perform their obligations under the Guaranty may result in an event of default under the Reimbursement Agreement and may, at the option of the Bank, result in a mandatory tender or redemption, in whole or in part, of the 2006 Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT” and “DESCRIPTION OF THE 2006 BONDS – Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination” and “Redemption of 2006 Bonds – Mandatory – Mandatory Redemption – Following an Event of Termination” herein. Neither the owners of the 2006 Bonds nor the Corporation will have any rights with respect to the Guaranty, and the obligations thereunder, provided by the Key Principals. The Guaranty is provided for the sole benefit of the Bank.

The Mortgage Loan is a non-recourse obligation of the Mortgagor with respect to which its partners have no personal liability and as to which its partners have not pledged for the benefit of the Bondholders any of its assets, other than the Project and its rents, profits and proceeds.

THE PROJECT AND THE MORTGAGOR

The Mortgagor has provided the following information regarding itself and the Project owned by it and the information regarding the Key Principals for use herein. While the information is believed to be reliable, neither the Corporation, the Bank, the Underwriter nor any of their respective counsel, members, directors, officers or employees makes any representation as to the accuracy or sufficiency of such information.

The Project

The 2006 Bonds are being issued to finance a Mortgage Loan in the amount of \$24,000,000 (the “Mortgage Loan”) to Spring Creek Housing L.P., a New York limited partnership (the “Mortgagor”), for the purpose of paying a portion of the costs of acquiring, rehabilitating and equipping an existing multi-family rental housing facility located at 901-903 Drew Street, in the Borough of Brooklyn, New York (the “Project”). The Project is expected to consist of (i) three (3) condominium units containing an aggregate of five hundred eighty two (582) dwelling units (one hundred ninety three (193) studios, ninety eight (98) one-bedroom units, and two hundred ninety one (291) two-bedroom units (including two superintendent’s units), plus associated parking, community rooms and a playground (collectively, the “Residential Units”); and (ii) seven (7) condominium units consisting, in the aggregate, of approximately 8,200 square feet of ground floor retail space (collectively, the “Commercial Units”). Proceeds from the sale of the 2006 Bonds will be spent only on the Residential Units. Rehabilitation of the Project is expected to take 16 months and will be completed with tenants in place. At least 70% of the units (excluding the superintendent’s units) are to be set-aside for households earning no more than 60% of the New York City area median income (“AMI”), adjusted for family size although the Mortgagor anticipates that the percentage of units to be set-aside for households earning no more than 60% of AMI will be significantly greater than the required minimum percentage.

The Mortgagor expects to receive a 30-year exemption from real estate taxes with respect to the Residential Units in accordance with Section 420-c of the Real Property Tax Law of the State of New York, which program currently requires that all residential units in the Project be subject to rent regulation in accordance with the New York

City Rent Stabilization Code. The Mortgagor also expects to receive a 25 year partial exemption from real estate taxes with respect to the Commercial Units in accordance with the Industrial Commercial Incentive Program under Section 11-257 of the Administrative Code of The City of New York. In addition, the Mortgagor expects to receive an allocation of federal low income housing tax credits for the Project. See "THE MORTGAGE LOAN" above.

It is anticipated that Spring Creek Housing Development Fund Corp., a New York not-for-profit corporation organized pursuant to Article XI of the Private Housing Finance Law of the State of New York and Section 402 of the Not-for-Profit Corporation Law of the State of New York (the "HDFC") will hold legal title to the site of the Project solely as nominee of the Mortgagor. Under the terms of a declaration of interest and nominee agreement (the "Nominee Agreement") to be entered into between the Mortgagor and the HDFC, the Mortgagor will possess all of the equitable and beneficial fee interest in the site of the Project and will be unconditionally obligated for all financial obligations and economic risk that will or may arise in connection with the site of the Project. It is expected (and the Nominee Agreement will so provide) that upon completion of rehabilitation of the Project, at the request of the Mortgagor, the HDFC will assign all of its right title and interest in the Project to the Mortgagor.

Mortgagor

The Project will be owned by Spring Creek Housing L.P. (the "Mortgagor"). Spring Creek GP LLC will be the sole general partner of the Mortgagor, which will possess an approximate .01% ownership interest in the Mortgagor. Spring Creek GP LLC is a single purpose limited liability company, the members of which will be AD Spring Creek LLC and the HDFC, each of which will possess a 50% membership interest in Spring Creek GP LLC. The sole member of the HDFC is Northeast Brooklyn Housing Development Corporation. The members of AD Spring Creek LLC are Northern Lights LLC and Domain Spring Creek LLC. The members of Northern Lights LLC are Sol Arker, Allan Arker and Alex Arker. The sole member of Domain Spring Creek LLC is The Domain Companies LLC, the members of which are Matthew Schwartz and Chris Papamichael. It is anticipated that an affiliate of CharterMac Capital LLC, a low-income housing tax credit investor, will possess a 99.98% limited partner interest in the Mortgagor with an affiliate of CharterMac Capital LLC owning the remaining .01% as a special limited partner. Certain of the obligations of the general partner are to be guaranteed by the Key Principals.

The Mortgagor was formed solely for the purpose of developing, owning and operating the Project. As such, the Mortgagor has not previously engaged in any business operations, has no historical earnings and has no assets other than its interest in the Project. Accordingly, it is expected that the Mortgagor will not have any sources of funds to make payments on the Mortgage Loan other than revenues generated by the Project. The Mortgage Loan is a non-recourse obligation of the Mortgagor with respect to which its principals have no personal liability (except as otherwise provided in the Guaranty) and as to which its principals have not pledged any of their respective assets (except as otherwise provided in the Guaranty), other than the Project and its rents, profits and proceeds.

The Project will be developed by AD Spring Creek LLC, a joint venture of the Key Principals. The Key Principals and their affiliates have collectively developed over 4,000 residential housing units, including over 2,000 affordable units.

AD Diversified Management LLC ("AD Management"), an affiliate of the Key Principals, will manage the Project. AD Management is a full-service property management organization with a focus on affordable housing. AD Management and its affiliates currently manage over 3,000 units throughout New York City, including 1,300 affordable units.

AD Diversified Builders LLC ("AD Builders"), also an affiliate of the Key Principals, will be the general contractor for the Project. AD Builders specializes in the new construction and rehabilitation of affordable housing. AD Builders or its affiliates have constructed over 1,000 affordable units in 20 developments in the New York City area with approximately 800 additional affordable units currently underway.

THE LETTER OF CREDIT BANK

Citibank, N.A. ("Citibank") was originally organized on June 16, 1812, and now is a national banking association organized under the National Bank Act of 1864. Citibank is an indirect wholly-owned subsidiary of Citigroup Inc. ("Citigroup"), a Delaware holding company. The obligations of Citibank under the Letter of Credit will not be guaranteed by Citigroup. As of September 30, 2006, the total assets of Citibank and its consolidated subsidiaries represented approximately 47% of the total assets of Citigroup and its consolidated subsidiaries.

Citibank is a commercial bank that, along with its subsidiaries and affiliates, offers a wide range of banking and trust services to its customers throughout the United States and the world.

As a national bank, Citibank is a regulated entity permitted to engage only in banking and activities incidental to banking. Citibank's earnings may be affected by certain monetary policies of the Board of Governors of the Federal Reserve System (the "Federal Reserve Board"). Citibank is primarily regulated by the Office of the Comptroller of the Currency (the "Comptroller"), which also examines its loan portfolios and reviews the sufficiency of its allowance for credit losses.

Citibank's deposits at its U.S. branches are insured by the Federal Deposit Insurance Corporation (the "FDIC") and are subject to FDIC insurance assessments. The Letter of Credit is not insured by the FDIC or any other regulatory agency of the United States or any other jurisdiction.

Any FDIC-insured depository institution sharing common ownership with a failed FDIC-insured institution can be required to indemnify the FDIC for the FDIC's losses resulting from the insolvency of the failed FDIC-insured institution, even if such indemnification causes the affiliated institution also to become insolvent. As a result, Citibank may, under certain circumstances, be obligated for the liabilities of its affiliates that are FDIC-insured depository institutions. Citibank's FDIC-insured depository affiliates include: Citibank (South Dakota), National Association; Citicorp Trust Bank, fsb; Citibank (Banamex USA); and Department Stores National Bank.

Under U.S. law, deposits in U.S. offices and certain claims for administrative expenses and employee compensation against a U.S. insured depository institution which has failed will be afforded a priority over other general unsecured claims, including deposits in non-U.S. offices and claims under non-depository contracts in all offices, against such an institution in the "liquidation or other resolution" of such an institution by any receiver. Such priority creditors (including the FDIC, as the subrogee of insured depositors) of such FDIC-insured depository institution will be entitled to priority over unsecured creditors in the event of a "liquidation or other resolution" of such institution.

As conservator or receiver for an insured depository institution, the FDIC also may disaffirm or repudiate any burdensome contract to which such institution is a party. The FDIC has not taken the position that such repudiation would impair the right of a holder of an unsecured obligation, such as the beneficiaries of the Letter of Credit, to claim principal and interest accrued through the date of appointment of a conservator or receiver. (The amount paid on such a claim would depend on the amount of assets in the receivership and the relative priority of the claim.) Disaffirmance or repudiation could, at a minimum, expose the beneficiaries of the Letter of Credit to reinvestment risk.

As conservator or receiver, the FDIC is also empowered to enforce most types of contracts, including the Letter of Credit, pursuant to their terms notwithstanding any acceleration provisions therein, and may transfer to a new obligor any of Citibank's assets or liabilities, including the Letter of Credit, without the approval or consent of Citibank's creditors.

The FDIC is authorized to settle all uninsured and unsecured claims in the insolvency of an insured bank by making a final settlement payment at a percentage rate reflecting an average of the FDIC's receivership recovery experience and constituting full payment and disposition of the FDIC's obligation to uninsured and unsecured creditors.

The Basel Committee on Banking Supervision (the Basel Committee), consisting of central banks and bank supervisors from 13 countries, has developed a new set of risk-based capital standards (the New Accord or Basel II), on which it has received significant input from Citibank and other major banking organizations. Citibank supports the move to a new set of risk-based regulatory capital standards, published on June 26, 2004 (and subsequently amended in November 2005) by the Basel Committee. Basel II will allow Citibank to leverage internal risk models used to measure credit, operational, and market risk exposures to drive regulatory capital calculations. On September 30, 2005, the U.S. banking regulators delayed the U.S. implementation of Basel II by one year. The current U.S. implementation timetable consists of parallel calculations under the current regulatory capital regime (Basel I) and Basel II, starting January 1, 2008, and an implementation transition period, starting January 1, 2009 through year-end 2011 or possibly later. The U.S. regulators have also reserved the right to change how Basel II is applied in the U.S., and retain the existing Prompt Corrective Action and leverage capital requirements applicable to U.S. banking organizations. The new timetable, clarifications, and other proposals will be set forth in a notice of proposed rulemaking (NPR), which the U.S. banking regulators are expected to issue during 2006. Citibank continues to monitor and analyze the developing capital standards in the U.S. and in countries where Citibank has significant presence, in order to assess their collective impact and allocate project management and funding resources accordingly.

Citibank does not publish audited financial statements. However, Citigroup publishes audited financial statements which include certain data relevant to Citibank and its consolidated subsidiaries, including an audited balance sheet of Citibank and its consolidated subsidiaries. Citibank's earnings may differ significantly from those of Citigroup. The activities carried on by subsidiaries of Citigroup other than Citibank and its subsidiaries generally include certain consumer lending activities in the United States (including the credit card business, some residential mortgage lending, and secured and unsecured personal loans) and certain overseas banking operations, as well as investment banking services and securities brokerage activities around the world.

The Quarterly Report on Form 10-Q of Citigroup and its subsidiaries for the quarter ended September 30, 2006 (the "September 2006 10-Q"), sets forth certain data relative to the consolidated financial position of Citibank and its subsidiaries as of September 30, 2006 and December 31, 2005.

The Consolidated Balance Sheets of Citibank as of December 31, 2005 and as of December 31, 2004 are set forth on page 107 of the Annual Report on Form 10-K of Citigroup and its subsidiaries for the year ended December 31, 2005 and as of September 30, 2006 and December 31, 2005 are set forth on page 90 of the September 2006 10-Q. Consolidated Balance Sheets of Citibank subsequent to September 30, 2006 will be included in the Form 10-Q's (quarterly) and Form 10-K's (annually) subsequently filed by Citigroup with the Securities and Exchange Commission (the "SEC"), which will be filed not later than 40 days after the end of the calendar quarter or 60 days after the end of the calendar year to which the report relates, or on Form 8-K with respect to certain interim events. For further information regarding Citibank, reference is made to the September 2006 10-Q and to any subsequent reports on Forms 10-K, 10-Q or 8-K filed by Citigroup with the SEC, which are incorporated herein by reference. Copies of such material may be obtained, upon payment of a duplicating fee, by writing to the SEC at 100 F Street, N.E., Washington, D.C. 20549. Please call the SEC at (800) SEC-0330 for further information on the operation of the public reference rooms. In addition, such reports are available at the SEC's web site (<http://www.sec.gov>).

In addition, Citibank submits quarterly to the Comptroller certain reports called "Consolidated Reports of Condition and Income for a Bank With Domestic and Foreign Offices" ("Call Reports"). The Call Reports are on file with and publicly available at the Comptroller's offices at 250 E Street, S.W., Washington, D.C. 20219 and are also available on the web site of the FDIC (<http://www.fdic.gov>). Each Call Report consists of a Balance Sheet, Income Statement, Changes in Equity Capital and other supporting schedules at the end of and for the period to which the report relates. The Call Reports are prepared in accordance with regulatory instructions issued by the Federal Financial Institutions Examination Council. While the Call Reports are supervisory and regulatory documents, not primarily accounting documents, and do not provide a complete range of financial disclosure about Citibank, the reports nevertheless provide important information concerning the financial condition and results of operations of Citibank. Citibank's Call Report as of the close of business on September 30, 2006 is incorporated herein by reference. Any subsequent Call Reports filed by Citibank with the Comptroller are incorporated herein by reference.

Any of the above reports incorporated herein by reference are available upon request, without charge, by writing or calling Citigroup Document Services, 140 58th Street, Brooklyn, New York 11220, (718) 765-6514.

None of such information or any of the statements referred to in the preceding paragraphs under this heading "Letter of Credit Bank" is guaranteed as to accuracy or completeness by the Corporation, the Underwriter or the Mortgagor, or is to be construed as a representation by the Corporation, the Underwriter or the Mortgagor. Furthermore, neither the Corporation, the Underwriter nor the Mortgagor makes any representations as to the financial condition or resources of Citibank or as to the absence of material adverse changes subsequent to June 30, 2006 in such information or in the information contained in the statements referred to above.

DESCRIPTION OF THE 2006 BONDS

General

The 2006 Bonds are to be dated and will mature as set forth on the cover page of this Official Statement. The 2006 Bonds will bear interest from the date of their delivery until payment of the principal thereof is made or provided for in accordance with the provisions of the Resolution, whether at maturity on December 1, 2039, upon redemption or otherwise. The 2006 Bonds are being issued as variable rate obligations which will bear interest from their date of issue to but not including the Wednesday following said date of issue at a rate per annum set forth in a certificate of the Corporation delivered on the date of issuance of the 2006 Bonds. Thereafter, the 2006 Bonds will bear interest initially at the Weekly Rate as determined from time to time by the Remarketing Agent. So long as the Letter of Credit is in effect, at no time shall the interest rate on the 2006 Bonds exceed the maximum rate of 10% or such higher rate, which

shall not exceed fifteen percent (15%), as may be established in accordance with the provisions of the Resolution (the “Maximum Rate”). The 2006 Bonds are subject to conversion to alternate methods of determining interest rates thereon from time to time and to conversion to an interest rate fixed to maturity upon the terms and conditions described herein.

This Official Statement in general describes the 2006 Bonds only while the 2006 Bonds bear interest at a Weekly Rate.

The 2006 Bonds shall be issued solely in fully registered form, without coupons, issuable during a Weekly Rate Period in the denomination of \$100,000 or any \$5,000 increment in excess of \$100,000.

Interest on the 2006 Bonds shall be payable on a monthly basis on the first Business Day of each month commencing January 2, 2007, on any Change Date and on the maturity date of the 2006 Bonds. Interest on the 2006 Bonds shall be computed on the basis of a 365 or 366-day year, for the actual number of days elapsed. If the date for payment of interest on or principal or Redemption Price of the 2006 Bonds is a day other than a Business Day, then payment may be made on the next succeeding Business Day with the same force and effect as if made on the date originally fixed for payment, and in the case of such payment, interest shall continue to accrue on any unpaid principal to such next succeeding Business Day.

Book-Entry Only System

The Depository Trust Company, New York, New York (“DTC”), will act as securities depository for the 2006 Bonds. The 2006 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2006 Bond certificate will be issued for the 2006 Bonds in the aggregate principal amount of the 2006 Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation, and Emerging Markets Clearing Corporation (NSCC, FICC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to Participants are on file with the Securities and Exchange Commission.

Purchases of 2006 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such 2006 Bonds on DTC’s records. The ownership interest of each actual purchaser of each 2006 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2006 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2006 Bonds, except in the event that use of the book-entry system for the 2006 Bonds is discontinued.

To facilitate subsequent transfers, all 2006 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2006 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2006 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2006 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2006 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2006 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the 2006 Bond documents. For example, Beneficial Owners of 2006 Bonds may wish to ascertain that the nominee holding the 2006 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners.

Redemption notices shall be sent to DTC. If less than all of a Series of the 2006 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series of the 2006 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2006 Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the 2006 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the 2006 Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Corporation or Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Corporation or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its 2006 Bonds purchased or tendered, through its Participant, to the Tender Agent, and shall effect delivery of such 2006 Bonds by causing the Direct Participant to transfer the Participant's interest in the 2006 Bonds, on DTC's records, to the Tender Agent. The requirement for physical delivery of the 2006 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the 2006 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered 2006 Bonds to the Tender Agent's DTC Account.

DTC may discontinue providing its services as securities depository with respect to the 2006 Bonds at any time by giving reasonable notice to the Corporation or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, such 2006 Bond certificates are required, pursuant to the Resolution, to be printed and delivered. The Corporation may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, 2006 Bond certificates will be printed and delivered.

The above information concerning DTC and DTC's book-entry system has been obtained from sources that the Corporation and the Underwriter believe to be reliable, but neither the Corporation nor the Underwriter takes responsibility for the accuracy thereof. The Beneficial Owners should confirm the foregoing information with DTC or the Direct Participants or Indirect Participants.

So long as Cede & Co. is the registered owner of 2006 Bonds of a Series, as nominee for DTC, references herein to Bondholders or registered owners of the 2006 Bonds of such Series (other than under the caption "TAX MATTERS") shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the 2006 Bonds of such Series.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the Trustee to DTC only.

Notwithstanding any other provision of the Resolution to the contrary, so long as any 2006 Bond is held in book-entry form, such 2006 Bond need not be delivered in connection with any optional or mandatory tender of 2006 Bonds described under "DESCRIPTION OF THE 2006 BONDS." In such case, payment of the Purchase Price in connection with such tender shall be made to the registered owner of such 2006 Bonds on the date designated for such payment, without further action by the Beneficial Owner who delivered notice, and, notwithstanding the description of optional and mandatory tender of 2006 Bonds contained under "DESCRIPTION OF THE 2006 BONDS," transfer of beneficial ownership shall be made in accordance with the procedures of DTC.

NEITHER THE CORPORATION NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (ii) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2006 BONDS UNDER THE RESOLUTION; (iii) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2006 BONDS; (iv) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2006 BONDS; (v) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE 2006 BONDS; OR (vi) ANY OTHER MATTER.

Interest Rate Periods

Weekly Rate Period. During the period from the date of initial issuance and delivery of the 2006 Bonds to the earlier of the first Interest Method Change Date or the final maturity or redemption in whole of the 2006 Bonds, and during any subsequent period from and after any date designated by the Mortgagor, with the prior written consent of the Credit Facility Provider, for a change of the interest rate on the 2006 Bonds to the Weekly Rate until the earlier of the next succeeding Interest Method Change Date or the final maturity or redemption in whole of the 2006 Bonds, the 2006 Bonds shall bear interest at the Weekly Rate determined in accordance with the Resolution.

The Weekly Rate shall be the lowest interest rate, not exceeding the Maximum Rate, which, in the determination of the Remarketing Agent as of the date of determination and under prevailing market conditions, would result as nearly as practicable in the market price for the 2006 Bonds on the Weekly Effective Rate Date being one hundred percent (100%) of the principal amount thereof, such interest rate to be determined as follows. The Remarketing Agent shall determine the Weekly Rate for the 2006 Bonds not later than 10:00 a.m., New York City time, on the Weekly Effective Rate Date for each Weekly Rate Term; provided, however, that the Weekly Rate from the date of initial issuance and delivery of the 2006 Bonds to but not including the Wednesday following said date of issue shall be the rate for the 2006 Bonds determined by the Corporation and delivered in writing to the Trustee on the date of such issuance and delivery. The Remarketing Agent shall immediately give notice of the determination of any Weekly Rate to the Corporation, the Mortgagor, the Trustee, the Tender Agent, the Credit Facility Provider and the Servicer.

On the Business Day immediately following (i) the issuance and delivery of the 2006 Bonds and (ii) the establishment of any subsequent Weekly Rate Period, the Trustee shall deliver or mail by first-class mail, postage prepaid, to the owner of each 2006 Bond at the address shown on the registration books of the Corporation held by the Trustee, a notice stating the Weekly Rate to be borne by the 2006 Bonds and that from and after the Weekly Effective Rate Date the 2006 Bonds will bear interest at the Weekly Rate for the duration of the Weekly Rate Period. Such notice shall further specify the name, address and telephone number of the person or persons from whom information with respect to the Weekly Rate for each succeeding Weekly Rate Term may be obtained. Unless an Interest Method

Change Date occurs, a new Weekly Rate Term shall automatically commence on the day after the termination of the current Weekly Rate Term.

If for any reason the position of the Remarketing Agent is vacant, or if the Remarketing Agent fails in the performance of its duty to determine the Weekly Rate for any Weekly Rate Term or the Weekly Rate is held to be invalid or unenforceable by a court of law, as set forth in a written notice from the Corporation to the Trustee, the Weekly Rate for such Weekly Rate Term shall be determined by the Trustee and shall be one hundred percent (100%) of the most recent seven-day The Bond Market Association™ Municipal Swap Index published in *The Bond Buyer* or otherwise made available to the Trustee.

Interest Rate Changes. No change in the method of determining the interest rate on the 2006 Bonds shall be made unless the Trustee has received, at least 30 days prior to the Change Date, (1) a Certificate of an Authorized Officer of the Mortgagor specifying (i) the date which is to be the Interest Method Change Date and (ii) the method of determining the interest rate which shall take effect on such date, (2) a certificate of an Authorized Officer of the Corporation evidencing consent to such change by the Credit Facility Provider and such other matters as may be required by the Resolution, (3) an opinion of Bond Counsel to the Corporation to the effect that the proposed change in the method of determining the interest rate on the 2006 Bonds is consistent with the provisions of the Resolution and will not adversely affect the exclusion of the interest on the 2006 Bonds from gross income for Federal income tax purposes, and (4)(i) permission from Bond Counsel to the Corporation, the opinion of which as to the exclusion from gross income for Federal income tax purposes of interest on the 2006 Bonds is on file with the Trustee, to deliver such opinion in connection with the 2006 Bonds, or (ii) an opinion from Bond Counsel to the Corporation as described in the Resolution to the effect that the interest on the 2006 Bonds is not included in gross income for Federal income tax purposes.

If, however, after the Conversion Date, the Initial Permanent Phase Credit Facility Provider notifies the Corporation and the Trustee that certain events have occurred and are continuing under the Reimbursement Agreement, then the Initial Permanent Phase Credit Facility Provider may exercise all rights of the Mortgagor with respect to an Interest Method Change Date and the Mortgagor may not exercise such rights unless and until the Trustee and the Corporation are notified that such events of default are cured or waived or the Initial Permanent Phase Credit Facility Provider otherwise consents.

Purchase of the 2006 Bonds on Demand of Owner

Each owner of a 2006 Bond may, by delivery of a written notice of tender to the Principal Offices of the Tender Agent at 60 Wall Street, 27th Floor, New York, New York 10005, Attention: Trust and Securities Services (or such other address as may be established by the Tender Agent from time to time), and the Remarketing Agent at 85 Broad Street, 24th Floor, New York, New York 10004 (or such other address as may be established by the Remarketing Agent from time to time), not later than 4:00 p.m., New York City time, on any Business Day not less than seven calendar days before the particular Business Day chosen as the purchase date, demand payment of the Purchase Price on and as of such purchase date of all or a portion of such 2006 Bond in any denomination authorized by the Resolution; provided, however, that no portion of a 2006 Bond shall be purchased unless any remaining portion of such 2006 Bond is in a denomination authorized by the Resolution. Each such notice of tender shall be irrevocable and effective upon receipt and shall:

- (i) be delivered to the Tender Agent and the Remarketing Agent at their respective Principal Offices and be in a form satisfactory to the Tender Agent; and
- (ii) state (A) the aggregate principal amount of the 2006 Bonds to be purchased and the numbers of the 2006 Bonds to be purchased, and (B) the date on which such 2006 Bonds are to be purchased, which date shall be a Business Day not prior to the seventh (7th) day next succeeding the date of delivery of such notice and which date will be prior to any Change Date.

If any 2006 Bonds are to be purchased prior to an Interest Payment Date and after the Record Date in respect thereof, the owner of such 2006 Bond demanding purchase thereof shall deliver to the Tender Agent a due bill, payable to bearer, for interest due on such Interest Payment Date.

Any 2006 Bonds for which a demand for purchase has been made shall be delivered to the Tender Agent at or prior to 10:00 a.m., New York City time, on the date designated for purchase, with an appropriate endorsement for transfer or accompanied by a bond power endorsed in blank.

Any 2006 Bonds not so delivered to the Tender Agent (“Undelivered 2006 Bonds”) on or prior to the purchase date for which there has been irrevocably deposited in trust with the Trustee or the Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2006 Bonds shall be deemed to have been purchased at the Purchase Price. IN THE EVENT OF A FAILURE BY AN OWNER OF 2006 BONDS TO DELIVER ITS 2006 BONDS ON OR PRIOR TO THE PURCHASE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE PURCHASE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2006 BONDS, AND ANY UNDELIVERED 2006 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Notwithstanding the above, in the event that any 2006 Bond whose owner has exercised its demand purchase option is remarketed to such owner, such owner need not deliver such 2006 Bond to the Tender Agent but such 2006 Bond shall be deemed to have been delivered to the Tender Agent and remarketed and redelivered to such owner.

Mandatory Purchase of 2006 Bonds on Interest Method Change Date

The 2006 Bonds shall be subject to mandatory tender for purchase on any Interest Method Change Date at the Purchase Price. The Trustee shall deliver, or mail by first class mail to the Remarketing Agent and to the owner of each 2006 Bond to which such notice relates, at its address shown on the registration books of the Corporation held by the Trustee, a notice not later than the fifteenth (15th) day prior to the Interest Method Change Date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Interest Method Change Date and reason therefor, that all owners of 2006 Bonds shall be deemed to have tendered their 2006 Bonds for purchase on the Interest Method Change Date, and the Purchase Price for such 2006 Bonds.

Owners of 2006 Bonds shall be required to tender their 2006 Bonds to the Tender Agent for purchase at the Purchase Price on the Interest Method Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2006 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2006 Bonds shall be deemed to have been purchased at the Purchase Price on the Interest Method Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2006 BONDS TO DELIVER ITS 2006 BONDS ON OR PRIOR TO THE INTEREST METHOD CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE INTEREST METHOD CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2006 BONDS, AND ANY UNDELIVERED 2006 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Mandatory Purchase of 2006 Bonds Upon Replacement or Expiration of Credit Facility

On any Facility Change Date, the 2006 Bonds are subject to mandatory tender for purchase at the Purchase Price. In connection with a purchase on a Facility Change Date, the Trustee shall deliver, or mail by first class mail, a notice not later than the fifteenth (15th) day prior to the Facility Change Date to the Remarketing Agent and to the owner of each 2006 Bond to which such notice relates at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Facility Change Date and reason therefor, that all owners of 2006 Bonds shall be deemed to have tendered their 2006 Bonds for purchase on the Facility Change Date, and the Purchase Price for such 2006 Bonds. The date on which the Freddie Mac Credit Enhancement is issued and replaces the Letter of Credit will be a Facility Change Date. See “SECURITY FOR THE BONDS-Conversion and “THE MORTGAGE .”

Owners of 2006 Bonds shall be required to tender their 2006 Bonds to the Tender Agent for purchase at the Purchase Price on the Facility Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2006 Bonds for which there has been irrevocably

deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2006 Bonds shall be deemed to have been purchased at the Purchase Price on the Facility Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2006 BONDS TO DELIVER ITS 2006 BONDS ON OR PRIOR TO THE FACILITY CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE FACILITY CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2006 BONDS, AND ANY UNDELIVERED 2006 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Mortgagor's Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon a Notice of Prepayment of the Mortgage Loan in Full

Pursuant to the Resolution, upon notice to the Trustee from the Corporation of the Mortgagor's election to prepay the Mortgage Loan in full (said notice from the Corporation to the Trustee being defined in the Resolution as a "Notice of Prepayment of the Mortgage Loan in Full"), the Corporation shall specify a Change Date on which all the 2006 Bonds shall be subject to mandatory tender for purchase, which Change Date shall be the date specified by the Mortgagor for such prepayment of the Mortgage Loan in full.

Following receipt by the Trustee of such Notice of Prepayment of the Mortgage Loan in Full, the Trustee shall deliver, or mail by first-class mail to the Remarketing Agent and to the owner of each 2006 Bond, at its address shown on the registration books of the Corporation held by the Trustee, a notice not less than fifteen (15) days prior to such Change Date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice.

Any notice of mandatory tender relating to a Notice of Prepayment of the Mortgage Loan in Full shall set forth, in substance, the Change Date and reason therefor, that all owners of 2006 Bonds shall be deemed to have tendered their 2006 Bonds for purchase on the Change Date and the Purchase Price for the 2006 Bonds. Owners of 2006 Bonds shall be required to tender their 2006 Bonds to the Tender Agent for purchase at the Purchase Price on the Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2006 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2006 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2006 BONDS TO DELIVER ITS 2006 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2006 BONDS, AND ANY UNDELIVERED 2006 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Upon such prepayment of the Mortgage Loan in full and payment to the Credit Facility Provider (other than from the proceeds of the remarketing of the 2006 Bonds) of all amounts due under the Reimbursement Agreement, all 2006 Bonds shall be deemed paid and shall be delivered to the Trustee for cancellation.

Credit Facility Provider's Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination

Pursuant to the Resolution, for so long as the Credit Facility is in effect, upon the receipt by the Trustee of written notice from the Credit Facility Provider that one or more events of default or certain other events have occurred under the Reimbursement Agreement (defined in the Resolution as an "Event of Termination"), including, but not limited to, a default under the Mortgage Loan or a failure to reimburse the Credit Facility Provider under the Reimbursement Agreement, the Credit Facility Provider may specify a Change Date on which all or a portion of the 2006 Bonds shall be subject to mandatory tender for purchase, which Change Date shall not be later than eight (8) days following receipt by the Trustee of the direction to purchase such 2006 Bonds. If only a portion of the 2006 Bonds are to be subject to mandatory tender for purchase, the particular 2006 Bonds to be tendered (which shall be in authorized denominations) shall be selected by the Trustee by lot, using such method as it shall determine in its sole discretion except that the Trustee shall not select any 2006 Bond for tender which would result in any remaining 2006 Bond not being in an authorized denomination as provided in the Resolution. Upon receipt of such written notice from the Credit Facility Provider, the Trustee shall immediately deliver to the Remarketing Agent and to the owner of each 2006 Bond

to which such notice relates a notice of mandatory tender for purchase by overnight express mail or courier service. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. See "SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT" herein.

Any notice of mandatory tender relating to an Event of Termination specified by the Credit Facility Provider shall set forth, in substance, the Change Date and reason therefor, that all owners of affected 2006 Bonds shall be deemed to have tendered their 2006 Bonds for purchase on the Change Date and the Purchase Price for the 2006 Bonds. Owners of affected 2006 Bonds shall be required to tender their 2006 Bonds to the Tender Agent for purchase at the Purchase Price with an appropriate endorsement for transfer to the Tender Agent or accompanied by a bond power endorsed in blank. Any Undelivered 2006 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2006 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2006 BONDS TO DELIVER ITS 2006 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2006 BONDS, AND ANY UNDELIVERED 2006 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Provisions Affecting 2006 Bonds if a Change of Method of Determining the Interest Rate Cannot be Effected

If (a) a notice of an Interest Method Change Date has been given in accordance with the Resolution and (b) the conditions precedent to an Interest Method Change Date set forth in the Resolution have not been satisfied, then,

- (i) the new interest method mode shall not take effect;
- (ii) the 2006 Bonds shall be subject to mandatory tender on the proposed Interest Method Change Date and the holders of 2006 Bonds shall not have the right to retain their 2006 Bonds; and
- (iii) the interest rate shall remain in the Weekly Rate.

Provisions Affecting the 2006 Bonds if a Facility Change Cannot be Effected

If (a) a notice of a Facility Change Date has been given in accordance with the Resolution and (b) any of the conditions precedent to Facility Change Date set forth in the Resolution have not been satisfied, then, the Change Date shall be cancelled unless the prior Credit Facility is expiring within sixty (60) days after the Change Date. The Trustee shall promptly deliver or mail by first class mail, postage prepaid, to the owner of each 2006 Bond at the address shown on the registration books of the Corporation, a notice stating that the change shall not occur and the reasons therefor.

Changes of Time Period for Provision of Notice Relating to Mandatory Purchase Provision or Demand Purchase Option

The Resolution provides that it is subject to amendment and supplement by a Supplemental Resolution, from time to time, to effect a change with respect to the time periods for provision of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination or the time periods for interest rate determination or the procedure for tendering 2006 Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option, which Supplemental Resolution may be adopted and become effective (i) upon filing of a copy thereof certified by an Authorized Officer of the Corporation with the Trustee, (ii) upon filing with the Trustee and the Corporation of a consent to such Supplemental Resolution executed by the Trustee, and (iii) if such Supplemental Resolution is to effect a change with respect to the time periods for provision of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination or the time periods for interest rate determination or the procedure for tendering 2006 Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option, after such period of time as the Trustee and the Corporation deem appropriate following notice to the 2006 Bond owners but not less than thirty (30) days. A copy of any such Supplemental Resolution shall be provided to the owners of the 2006 Bonds.

Delivery of 2006 Bonds in Book-Entry Form

Notwithstanding any other provision of the Resolution to the contrary, so long as any 2006 Bond is held in book-entry form, such 2006 Bond need not be delivered in connection with any optional or mandatory tender of 2006 Bonds described under “DESCRIPTION OF THE 2006 BONDS.” In such case, payment of the Purchase Price in connection with such tender shall be made to the registered owner of such 2006 Bonds on the date designated for such payment, without further action by the Beneficial Owner, and transfer of beneficial ownership shall be made in accordance with the procedures of DTC. See “DESCRIPTION OF THE 2006 BONDS – Book-Entry Only System” herein.

Redemption of 2006 Bonds – Mandatory

Mandatory Redemption from Certain Recoveries of Principal. The 2006 Bonds are subject to mandatory redemption, in whole or in part, at any time prior to maturity, in an amount to the extent of any Recoveries of Principal (other than the advance payment in full of all amounts to become due pursuant to the Mortgage Loan, at the option of the Mortgagor, with monies other than amounts transferred from the Principal Reserve Fund), at a Redemption Price equal to 100% of the principal amount of the 2006 Bonds or portions thereof to be redeemed plus accrued interest to the Redemption Date.

Mandatory Redemption on Bankruptcy of Credit Facility Provider. The 2006 Bonds are subject to mandatory redemption in whole at any time prior to maturity, if, within 30 days after an Act of Bankruptcy of the Credit Facility Provider, the Trustee has not received a new Credit Facility, at a Redemption Price equal to 100% of the principal amount of the 2006 Bonds to be redeemed plus accrued interest to the Redemption Date.

Mandatory Redemption Following an Event of Default. The 2006 Bonds are subject to mandatory redemption, in whole, without notice, upon a declaration of acceleration by the Trustee as a remedy for an Event of Default under the Resolution at a Redemption Price equal to 100% of the principal amount of the 2006 Bonds to be redeemed, plus accrued interest thereon to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

Mandatory Redemption Following an Event of Termination. The 2006 Bonds are subject to mandatory redemption, in whole or in part, without notice, upon a declaration of acceleration by the Trustee as a remedy for an Event of Termination under the Resolution at a Redemption Price equal to 100% of the principal amount of the 2006 Bonds to be redeemed, plus accrued interest to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

Mandatory Redemption from Certain Transfers from Principal Reserve Fund. During any Weekly Rate Period, the 2006 Bonds are subject to mandatory redemption, in whole or in part, on the first Business Day of December of each year if and to the extent amounts in excess of the Principal Reserve Amount are transferred from the Principal Reserve Fund to the Redemption Account on the immediately preceding November 1. (See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Principal Reserve Fund.”) Each such redemption will be at a Redemption Price equal to 100% of the principal amount of such 2006 Bonds or portions thereof to be redeemed plus accrued interest to the Redemption Date.

Redemption of 2006 Bonds – Optional

Optional Redemption. The 2006 Bonds are subject to redemption, at the option of the Corporation (with the prior written consent of the Credit Facility Provider), in whole or in part, at any time, at a Redemption Price equal to 100% of the principal amount of the 2006 Bonds or portions thereof to be so redeemed plus accrued interest to the Redemption Date.

Special Redemption Without Premium. The 2006 Bonds are subject to redemption, at the option of the Corporation, in whole or in part, at any time prior to maturity, to the extent of amounts on deposit in the Bond Proceeds Account representing unexpended amounts allocable to the 2006 Bonds that are not used to finance the Mortgage Loan, at a Redemption Price equal to 100% of the principal amount of the 2006 Bonds or portions thereof to be so redeemed, plus interest accrued thereon to the Redemption Date.

Selection of 2006 Bonds to be Redeemed

If less than all the 2006 Bonds are to be redeemed, the Trustee may select the 2006 Bonds to be redeemed by lot, using such method as it shall determine. Notwithstanding the foregoing, for so long as the Credit Agreement shall be in full force and effect, (i) the first 2006 Bonds to be redeemed shall be Purchased Bonds and (ii) no 2006 Bond shall be selected for redemption if the portion of such 2006 Bond remaining after such redemption would not be a denomination authorized by the Resolution.

Notice of Redemption

When the Trustee receives notice from the Corporation of its election or direction to redeem the 2006 Bonds, or is required pursuant to the Resolution to redeem the 2006 Bonds, the Trustee is to give notice, in the name of the Corporation, of the redemption of such 2006 Bonds. Such notice is to specify, among other things, the 2006 Bonds to be redeemed, the Redemption Price, the Redemption Date, any conditions precedent to such redemption (which conditions, in the case of a redemption at the election or direction of the Corporation, shall be subject to the approval of the Credit Facility Provider) and the place or places where amounts due upon such redemption will be payable. The Trustee is to mail a copy of such notice postage prepaid to the registered owners of any 2006 Bonds or portions of 2006 Bonds which are to be redeemed, at their last addresses appearing upon the registry book not less than fifteen (15) days before the Redemption Date. The foregoing provisions of this paragraph do not apply in the case of any redemption of 2006 Bonds of which, pursuant to the Resolution, notice is not required to be given. Interest shall cease to accrue and be payable on the 2006 Bonds after the Redemption Date if notice has been given, or is not required to be given, if the conditions precedent to the redemption, if any, have been satisfied, and if sufficient moneys have been deposited with the Trustee to pay the Redemption Price and interest on the 2006 Bonds on such date. So long as the 2006 Bonds are in book-entry only form, notice of redemption shall only be given to DTC. See “DESCRIPTION OF THE 2006 BONDS – Book-Entry Only System.”

Corporation’s Right to Purchase

The Corporation retains the right to purchase the 2006 Bonds at such times, in such amounts and at such prices less than or equal to par as the Corporation shall determine, subject to the provisions of the Resolution, and thereby reduce its obligations, if any, for the 2006 Bonds.

Effect of Loss of Tax Exemption

The Corporation has covenanted in the Resolution that it shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the 2006 Bonds shall be excluded from gross income for Federal income tax purposes. In furtherance thereof, the Corporation is to enter into the Regulatory Agreement with the Mortgagor to assure compliance with the Code. However, no assurance can be given that in the event of a breach of any such covenants, or noncompliance with the procedures or certifications set forth therein, the remedies available to the Corporation and/or Bond owners can be judicially enforced in such manner as to assure compliance with the above-described requirements and therefore to prevent the loss of the exclusion of interest from gross income for Federal income tax purposes. Any loss of such exclusion of interest from gross income may be retroactive to the date from which interest on the 2006 Bonds is payable. See “TAX MATTERS.” *Pursuant to the Resolution, the loss of such exclusion of interest from gross income would not, in and of itself, result in a mandatory tender or redemption of all or a portion of the 2006 Bonds. However, a default by the Mortgagor under the Regulatory Agreement would give rise to an event of default under the Reimbursement Agreement. In such an event, the Credit Facility Provider would have the right, in its sole and absolute discretion, to cause a mandatory tender or redemption of all or a portion of the 2006 Bonds. See “DESCRIPTION OF THE 2006 BONDS – Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination” and “Mandatory Redemption Following an Event of Termination” herein. In addition, an owner of a Bond may on any Business Day not less than seven calendar days before the particular Business Day chosen as the purchase date, demand payment of the Purchase Price on and as of such purchase date of all or a portion of such 2006 Bond in any denomination authorized by the Resolution. See DESCRIPTION OF THE 2006 BONDS – Purchase of the 2006 Bonds on Demand of Owner” herein.*

ESTIMATED SOURCES AND USES OF FUNDS

The proceeds of the 2006 Bonds will be used to fund the Mortgage Loan to the Mortgagor in the principal amount equal to the principal amount of the 2006 Bonds, which amount will be used to finance a portion of the costs of the acquisition, construction and equipping of the Project and to pay certain costs of issuance of the 2006 Bonds, including the Underwriter's fee in an amount equal to \$98,370.67. Subject to satisfying certain conditions specified in the Resolution and the Reimbursement Agreement, the Mortgagor expects to draw approximately \$15,000,000 of the Mortgage Loan upon the issuance of the 2006 Bonds and approximately \$9,000,000 from time to time thereafter.

To the extent any proceeds of the 2006 Bonds are not used to fund the Mortgage Loan, a portion of the 2006 Bonds may be redeemed. See "DESCRIPTION OF THE 2006 BONDS – Redemption of 2006 Bonds – Optional – Special Redemption Without Premium" herein.

SECURITY FOR THE BONDS

The description of the security for the 2006 Bonds set forth below. The 2006 Bonds are secured only by the Resolution, Mortgage Loan and Letter of Credit and not by any other resolution, mortgage loan or letter of credit.

Pledge of the Resolution

The Resolution constitutes a contract among the Corporation, the Trustee and the owners of the Bonds issued thereunder and its provisions are for (i) the equal benefit, protection and security of the owners of all such Bonds, each of which, regardless of the time of issue or maturity, is to be of equal rank without preference, priority or distinction except as provided in the Resolution and (ii) the benefit of the Credit Facility Provider, as provided in the Resolution.

The Bonds are special obligations of the Corporation payable from the Revenues and amounts on deposit in the Accounts (other than amounts deposited in or to be deposited in the Rebate Fund) as described herein. In addition, the 2006 Bonds, as and to the extent provided in the Credit Facility, are payable from amounts obtained under the Letter of Credit or an Alternate Security. Payment of the principal or Redemption Price of and interest on all Bonds is secured by a pledge of the Revenues, which consists of all payments received by the Corporation from or on account of the Mortgage Loan, including scheduled, delinquent and advance payments of principal and interest, proceeds from the sale, assignment, or other disposition of the Mortgage Loan in the event of a default thereon, proceeds of any insurance or condemnation award, and income derived from the investment of funds held by the Trustee in Accounts established under the Resolution, including earnings and gains received by the Trustee pursuant to any investment agreement. Revenues do not, however, include any administrative or financing fee paid to the Corporation, other escrow deposits or financing, extension, late charges or settlement fees of the Servicer of the Mortgage Loan or the Credit Facility Provider on account of the Mortgage Loan. Payment of the Bonds is also secured by a pledge by the Corporation of all amounts held in any Accounts (other than amounts deposited in or to be deposited in the Rebate Fund) established pursuant to the Resolution (including the investments of such Accounts, if any). The Credit Facility Provider shall have certain rights with respect to, among other things, extensions, remedies, waivers, amendments and actions unless there is a Wrongful Dishonor of the Credit Facility by the Credit Facility Provider or the Credit Facility is no longer in effect, to the extent and as provided in the Resolution.

The pledges described in the immediately preceding paragraph are also subject to the terms and provisions of the Resolution requiring transfers of amounts to the Rebate Fund and permitting the application of the Revenues and amounts in such Accounts for the purposes described therein.

Pursuant to the Resolution and the Assignment, the Corporation will assign and deliver to the Bank and the Trustee, as their interests may appear, subject to the reservation of certain rights by the Corporation, all of its right, title and interest in and to the Mortgage Loan and the Mortgage Documents. The Trustee will assign the Mortgage Rights to the Bank but will retain the right to receive payments relating to the Principal Reserve Fund deposits. There are not expected to be any deposits into the Principal Reserve Fund prior to the Conversion Date.

Letter of Credit

The 2006 Bonds when initially issued will have the benefit of an irrevocable direct pay Letter of Credit issued by the Bank, which Letter of Credit will expire on June 15, 2009, unless earlier extended or terminated earlier in

accordance with its terms. The Bank will deliver the Letter of Credit to the Trustee upon the issuance of the 2006 Bonds. The Letter of Credit may be replaced with a Substitute Letter of Credit or various other forms of credit enhancement (“Alternate Security”; the Letter of Credit, Substitute Letter of Credit or Alternate Security being herein referred to as the “Credit Facility”), as described below under the caption “Alternate Security.” Upon replacement, termination or expiration of the Letter of Credit, the 2006 Bonds are subject to mandatory tender as described above under the caption “DESCRIPTION OF THE 2006 BONDS – Mandatory Purchase of 2006 Bonds Upon Replacement or Expiration of Credit Facility.” Further information regarding the Letter of Credit is contained herein under the caption “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT” and further information regarding the Bank is contained herein under the caption “THE LETTER OF CREDIT BANK.”

Alternate Security

The Letter of Credit may be replaced with various other forms of credit enhancement (an “Alternate Security”; the Letter of Credit or Alternate Security being herein referred to as the “Credit Facility”) or upon conversion of the 2006 Bonds to bear interest at a rate fixed to the maturity thereof, the Corporation may elect to provide no Credit Facility. During any Weekly Rate Period, a Credit Facility must be in effect with respect to the 2006 Bonds.

The Corporation may not exercise its right to make provision for or cause the replacement of any Credit Facility, unless the Corporation has provided the Trustee with (i) certain opinions as to, among other things, the effect of such replacement on the tax status of the 2006 Bonds and the legality, validity and enforceability of the new Credit Facility; (ii) a letter from each national rating agency or agencies then rating the 2006 Bonds to the effect that such Alternate Security will provide the 2006 Bonds with an investment grade rating; and (iii) moneys sufficient to pay all costs incurred by the Trustee and the Corporation in connection with the provision of such Credit Facility.

Upon replacement of the Letter of Credit, the 2006 Bonds are subject to mandatory tender as described above under the caption “DESCRIPTION OF THE 2006 BONDS – Mandatory Purchase of 2006 Bonds Upon Replacement or Expiration of Credit Facility.”

The Initial Permanent Phase Credit Facility Provider has agreed that upon completion of the Project and the satisfaction of certain conditions to issue the Initial Permanent Phase Credit Facility with respect to the 2006 Bonds to the Trustee. The Initial Permanent Phase Credit Facility will replace the Initial Construction Phase Credit Facility and will provide for the payment of principal of, and interest on the 2006 Bonds and the Purchase Price of the 2006 Bonds that are tendered for purchase and not remarketed. The date in which the Initial Permanent Phase Credit Facility is issued and replaces the Initial Construction Phase Credit Facility will be a Facility Change Date and the 2006 Bonds will be subject to mandatory tender on such date. See “THE MORTGAGE” herein.

Conversion

If the Conversion Notice is issued on or before the Forward Commitment Maturity Date, Conversion shall occur on the Conversion Date (which shall be an Interest Payment Date) specified in the Conversion Notice. The Trustee shall, not less than fifteen (15) Business Days prior to the Conversion Date, give written notice of Conversion to the Corporation, the Credit Facility Provider, the Mortgagor, the Remarketing Agent, the Servicer and the Initial Permanent Phase Credit Facility Provider. Conversion shall not require, and shall be effective without, the consent of the Bondholders. The Conversion Date shall constitute a Facility Change Date and the 2006 Bonds will be subject to mandatory tender on such date. The Corporation and the Trustee acknowledge that on the Conversion Date, the Initial Permanent Phase Credit Facility Provider will, pursuant to the Construction Phase Credit Facility Provider Assignment, succeed to all of the rights and interests of the Initial Construction Phase Credit Facility Provider under the Assignment with the authority to exercise the rights otherwise granted to the Initial Construction Phase Credit Facility Provider under the Assignment. Upon receipt by the Trustee of the Initial Permanent Phase Credit Facility, the Trustee shall surrender the Initial Construction Phase Credit Facility to the Initial Construction Phase Credit Facility Provider for cancellation.

If the Conversion Notice is not issued on or before the Forward Commitment Maturity Date, Conversion will not occur and the Initial Permanent Phase Credit Facility Provider will not have any obligation to provide the Initial Permanent Phase Credit Facility and will not otherwise have any obligation with respect to the 2006 Bonds or the Mortgage Loan.

Principal Reserve Fund

The Principal Reserve Fund is established pursuant to the Resolution and is to be held by the Trustee. Pursuant to the Resolution, there is to be deposited into the Principal Reserve Fund all of the monthly payments made by the Mortgagor in accordance with the Principal Reserve Schedule attached to the Credit Agreement, as such Schedule may be amended and any amounts provided by or at the direction of the Mortgagor to replenish withdrawals from the Principal Reserve Fund described in paragraphs (1) and (2) below. *At the request of the Mortgagor, the Credit Facility Provider, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Mortgagor (unless and to the extent such amounts, in the judgment of the Corporation, are needed to be transferred to the Rebate Fund pursuant to the Resolution), (ii) no longer require deposits to the Principal Reserve Fund and/or (iii) consent to a change in the Principal Reserve Schedule. The consent of the Bondholders, the Trustee or the Corporation is not required for such actions. Any amounts so transferred or released shall no longer secure the 2006 Bonds.* There are not expected to be any deposits into the Principal Reserve Fund prior to the Conversion Date.

Any income or interest earned or gains realized in excess of losses suffered due to the investment of amounts on deposit in the Principal Reserve Fund shall, if the amount in the Principal Reserve Fund is less than the Principal Reserve Amount, be retained therein, or, if there is no such deficiency, shall be deposited to the Revenue Account following receipt, except as otherwise provided in the Resolution and except for interest income representing accrued interest, if any, included in the purchase price of the investment, which shall be retained in the Principal Reserve Fund, provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then in lieu of retaining such amounts in the Principal Reserve Fund or depositing such amounts in the Revenue Account, such amounts (up to the amount of such deficiency) shall be transferred to the Rebate Fund.

Amounts in the Principal Reserve Fund will be applied by the Trustee:

(1) at the written direction of the Credit Facility Provider to reimburse the Credit Facility Provider for advances under the Letter of Credit which were applied to pay interest due on and/or principal of the 2006 Bonds on any Interest Payment Date, Redemption Date, date of acceleration or the maturity date or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such interest and/or principal;

(2) at the written direction of the Credit Facility Provider to reimburse the Credit Facility Provider for advances under the Letter of Credit which were applied to pay the Purchase Price of tendered 2006 Bonds to the extent that remarketing proceeds, if any, are insufficient for such purpose or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such Purchase Price;

(3) at the written direction of the Credit Facility Provider with the written consent of the Mortgagor (so long as the Mortgagor is not in default under the Mortgage, Mortgage Note, Loan Agreement, Regulatory Agreement or the Reimbursement Agreement beyond the expiration of any applicable cure or grace period) to make improvements or repairs to the Project; and

(4) at the written direction of the Credit Facility Provider if a default has occurred and is continuing beyond the expiration of any applicable cure or grace period under the Reimbursement Agreement, or if the Mortgagor otherwise consents in writing to any other use approved in writing by an Authorized Officer of the Credit Facility Provider in its sole and absolute discretion.

All amounts in the Principal Reserve Fund in excess of the Principal Reserve Amount (rounded down to the nearest multiple of \$100,000) are required to be transferred to the Redemption Account on November 1 of each year (or, if such day is not a Business Date, the next succeeding Business Day) automatically and used on the next Interest Payment Date to reimburse the Credit Facility Provider for amounts advanced under the Letter of Credit to effect the redemption of 2006 Bonds. See “DESCRIPTION OF THE 2006 BONDS – Redemption of 2006 Bonds – Mandatory – Mandatory Redemption from Certain Transfers from Principal Reserve Fund.”

Under certain circumstances, the Mortgagor is entitled to direct the Trustee to transfer from the Principal Reserve Fund to the Redemption Account all or a specified portion of the amount on deposit in the Principal Reserve Fund to be applied to reimburse the Credit Facility Provider for amounts advanced under the Letter of Credit to effect

the redemption of the 2006 Bonds as directed by the Mortgagor. Any amounts so transferred shall constitute a prepayment of the Mortgage Loan and be a Recovery of Principal. See “DESCRIPTION OF THE 2006 BONDS – Redemption of 2006 Bonds – Mandatory – Mandatory Redemption From Certain Recoveries of Principal.” Also, under certain circumstances, the Credit Facility Provider can require that amounts on deposit in the Principal Reserve Fund be applied to reimburse the Credit Facility Provider for amounts advanced under the Letter of Credit to effect the mandatory tender or mandatory redemption in whole or in part of the 2006 Bonds. See “DESCRIPTION OF THE 2006 BONDS – Redemption of 2006 Bonds – Mandatory – Mandatory Redemption Following an Event of Termination,” “DESCRIPTION OF THE 2006 BONDS” – Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2006 Bonds Upon an Event of Termination” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT.”

See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Principal Reserve Fund.”

Additional Bonds

Additional Bonds, on parity with the 2006 Bonds then Outstanding, may be issued by the Corporation pursuant to the Resolution for any one or more of the following purposes: (i) financing increases in the Mortgage Loan, (ii) refunding Bonds, (iii) establishing reserves for such Additional Bonds, and (iv) paying the costs of issuance related to such Additional Bonds. For so long as the Credit Facility shall be in effect for the 2006 Bonds, no Additional Bonds shall be issued unless such Bonds are secured by the same Credit Facility in effect for the 2006 Bonds, as such Credit Facility shall be amended, extended or replaced in connection with the issuance of such Additional Bonds; provided that the Credit Facility shall not secure Purchased Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION – Additional Bonds” herein.

Bonds Not a Debt of the State or the City

The Bonds are not a debt of the State of New York or of The City of New York, and neither the State nor the City shall be liable thereon, nor shall the Bonds be payable out of any funds other than those of the Corporation pledged therefor. The Corporation has no taxing power.

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

Set forth below are abridged or summarized excerpts of certain sections of the Resolution. The 2006 Bonds are authorized and issued pursuant to the Resolution and are secured thereunder. The Resolution secures only the 2006 Bonds and any other bonds issued thereunder (the 2006 Bonds and any other bonds issued under the Resolution are referred to as the “Bonds”). These excerpts do not purport to be complete or to cover all sections of the Resolution. Reference is made to the Resolution, a copy of which is on file with the Corporation and the Trustee, for a complete statement of the rights, duties and obligations of the Corporation, the Trustee and the Bond owners thereunder.

Contract With Bond Owners – Security for Bonds – Limited Obligation

In consideration of the purchase and acceptance of the Bonds by those who shall own the same from time to time, the provisions of the Resolution shall constitute a contract among the Corporation, the Trustee and the owners from time to time of such Bonds. The pledges and assignments made in the Resolution and the provisions, covenants and agreements therein set forth to be performed by or on behalf of the Corporation shall be for (i) the equal benefit, protection and security of the owners of any and all of such Bonds, each of which, regardless of the time of its issue or maturity, shall be of equal rank without preference, priority or distinction over any other thereof except as expressly provided in the Resolution and (ii) the benefit of the Credit Facility Provider, as provided in the Resolution. The Corporation pledges the Revenues and all amounts held in any Account, including investments thereof, established under the Resolution, to the Trustee for the benefit of the Bond owners and the Credit Facility Provider to secure (i) the payment of the principal or Redemption Price of and interest on the Bonds (including the Sinking Fund Payments for the retirement thereof) and (ii) all obligations owed to the Credit Facility Provider under the Reimbursement Agreement, the Assignment and the Assigned Documents (as defined in the Assignment), subject to provisions permitting the use or application of such amounts for stated purposes, as provided in the Resolution and the Assignment. The foregoing pledge does not include amounts on deposit or required to be deposited in the Rebate Fund. The Corporation also assigns to the Trustee on behalf of the Bond owners and to the Credit Facility Provider, as their

interests may appear and in accordance with the terms of the Assignment, all of its right, title and interest in and to the Mortgage Loan and said Assigned Documents, except as otherwise provided in the Assignment, including but not limited to all rights to receive payments on the Mortgage Note and under the Mortgage Documents, including all proceeds of insurance or condemnation awards. The Bonds shall be special revenue obligations of the Corporation payable solely from the revenues and assets pledged under the Resolution. In addition, the Bonds shall, as and to the extent provided in the Credit Facility, be payable from Credit Facility Payments; provided, however, that the Credit Facility and the proceeds thereof shall not secure or provide liquidity for Bonds during any period they are Purchased Bonds.

Provisions for Issuance of Bonds

In order to provide sufficient funds to finance the Project, Bonds of the Corporation are authorized to be issued without limitation as to amount except as may be provided by law. The Bonds shall be executed by the Corporation for issuance and delivered to the Trustee and thereupon shall be authenticated by the Trustee and delivered upon the order of the Corporation, but only upon the receipt by the Trustee of, among other things:

(a) a Bond Counsel's Opinion to the effect that (i) the Resolution and the Supplemental Resolution, if any, have been duly adopted by the Corporation and are in full force and effect and are valid and binding upon the Corporation and enforceable in accordance with their terms (except to the extent that the enforceability thereof may be limited by bankruptcy, insolvency and other laws affecting creditors' rights and remedies and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law)); (ii) the Resolution and, if applicable, such Supplemental Resolution create the valid pledge and lien which it or they purport to create of and on the Revenues and all the Accounts established under the Resolution and moneys and securities on deposit therein, subject to the use and application thereof for or to the purposes and on the terms and conditions permitted by the Resolution and such Supplemental Resolution; and (iii) upon the execution, authentication and delivery thereof, such Bonds will have been duly and validly authorized and issued in accordance with the laws of the State, including the Act as amended to the date of such Opinion, and in accordance with the Resolution and such Supplemental Resolution;

(b) a written order as to the delivery of such Bonds, signed by an Authorized Officer of the Corporation;

(c) the amount of the proceeds of such Bonds to be deposited with the Trustee pursuant to the Resolution;

(d) with respect to the 2006 Bonds, the Initial Construction Phase Credit Facility, or if required with respect to any Additional Bonds, the Credit Facility;

(e) with respect to the 2006 Bonds, executed copies of the Assignment, the Loan Agreement, the Regulatory Agreement, the Remarketing Agreement, the Pledge Agreement, the Tender Agent Agreement, the Mortgage, the Mortgage Note, the Construction Phase Financing Agreement and the Credit Agreement, and with respect to Additional Bonds, such documents as are specified in the Supplemental Resolution authorizing the same; and

(f) such further documents and moneys as are required by the provisions of the Resolution or any Supplemental Resolution.

Additional Bonds

Additional Bonds may be issued, at the option of the Corporation, on a parity with the Bonds then Outstanding for the purposes of (i) financing increases in the Mortgage Loan, (ii) refunding Bonds, (iii) establishing reserves for such Additional Bonds, and (iv) paying the Costs of Issuance related to such Additional Bonds. Additional Bonds shall contain such terms and provisions as are specified in the Supplemental Resolution authorizing the same. The Supplemental Resolution authorizing such Additional Bonds shall utilize, to the extent possible, Accounts established for the Outstanding Bonds.

For so long as a Credit Facility shall be in effect for the 2006 Bonds, no Additional Bonds shall be issued unless such Bonds are secured by the same Credit Facility in effect for the 2006 Bonds, as such Credit Facility shall be amended, extended or replaced in connection with the issuance of such Additional Bonds; provided that the Credit Facility shall not secure Purchased Bonds.

Application and Disbursements of Bond Proceeds

The proceeds of sale of the Bonds, shall, as soon as practicable upon the delivery of such Bonds by the Trustee, be applied as follows:

- (1) the amount, if any, received at such time as a premium above the aggregate principal amount of such Bonds shall be applied as specified in a Certificate of an Authorized Officer, and the amount, if any, received as accrued interest shall be deposited in the Revenue Account;
- (2) with respect to any Series issued for the purpose of refunding Bonds, the amount, if any, required to pay Costs of Issuance, as designated by an Authorized Officer of the Corporation, shall be deposited in the Bond Proceeds Account;
- (3) with respect to any Series issued for the purpose of refunding Bonds, the balance remaining after such deposits have been made as specified in (1) and (2) above shall be applied as specified in the Supplemental Resolution authorizing such Series;
- (4) with respect to the 2006 Bonds, the balance remaining after such deposits have been made as specified in (1) above shall be deposited in the Bond Proceeds Account; and
- (5) with respect to any Series (other than the 2006 Bonds) issued for a purpose other than refunding Bonds, the balance remaining after such deposits have been made shall be deposited in the Bond Proceeds Account.

Amounts in the Bond Proceeds Account shall not be disbursed for financing the Mortgage Loan unless, among other things, (1) the Mortgage, the Mortgage Note, the Loan Agreement and any other document evidencing or securing the Mortgage Loan shall have been duly executed and delivered, (2) there shall have been filed with the Trustee an opinion of counsel to the effect that the Mortgage Loan complies with all provisions of the Act and the Resolution, and (3) the Mortgage is the subject of a policy of title insurance, in an amount not less than the amount of the unpaid principal balance of the Mortgage Loan, insuring a mortgage or leasehold mortgage lien, as applicable, subject only to Permitted Encumbrances and any mortgage securing bonds previously issued by the Corporation for the Project on the real property or leasehold estate, as applicable, securing the Mortgage Loan.

Deposits and Investments

Any amounts held by the Trustee under the Resolution may be deposited in the corporate trust department of the Trustee and secured as provided in the Resolution. In addition, any amount held by the Trustee under the Resolution may be invested in Investment Securities. In computing the amount in any Account, obligations purchased as an investment of moneys therein shall be valued at amortized value or if purchased at par value, at par.

Upon receipt of written instructions from an Authorized Officer of the Corporation, the Trustee shall exchange any coin or currency of the United States of America or Investment Securities held by it pursuant to the Resolution for any other coin or currency of the United States of America or Investment Securities of like amount.

Any other provisions of the Resolution notwithstanding, amounts on deposit in the Credit Facility Payments Sub-Account, pending application may only be invested in Government Obligations maturing or being redeemable at the option of the holder thereof in the lesser of thirty (30) days or the times at which such amounts are needed to be expended subject to certain further limitations contained in the Resolution.

Establishment of Accounts

The Resolution establishes the following special trust accounts to be held and maintained by the Trustee in accordance with the Resolution:

- (1) Bond Proceeds Account;
- (2) Revenue Account (including the Credit Facility Payments Sub-Account therein);
- (3) Redemption Account; and
- (4) Principal Reserve Fund.

In the event provision is made for an Alternate Security with respect to the Bonds, the Trustee may establish a special trust account with an appropriate designation, and the provisions of the Resolution applicable to the Credit Facility Payments Sub-Account shall be applicable to the newly created trust account in all respects as if the newly created trust account replaced the Credit Facility Payments Sub-Account.

Bond Proceeds Account

There shall be deposited from time to time in the Bond Proceeds Account any proceeds of the sale of Bonds representing principal or premium or other amounts required to be deposited therein pursuant to the Resolution and any other amounts determined by the Corporation to be deposited therein from time to time.

Amounts in the Bond Proceeds Account shall be expended only (i) to finance the Mortgage Loan; (ii) to pay Costs of Issuance; (iii) to pay principal or Redemption Price of and interest on the Bonds when due, to the extent amounts in the Revenue Account and the Redemption Account are insufficient for such purposes; (iv) to purchase or redeem Bonds in accordance with the Resolution; (v) to reimburse the Credit Facility Provider for moneys obtained under the Credit Facility for the purposes set forth in (iii) above, (vi) to pay to the Credit Facility Provider or the Servicer any regularly scheduled fees due and owing to the Credit Facility Provider or the Servicer pursuant to the Credit Agreement; and (vii) to pay to the Corporation, the Initial Construction Phase Credit Facility Provider, the Remarketing Agent, the Trustee and the Tender Agent any regularly scheduled fees due and owing to such parties in connection with the Bonds.

Revenue Account

Subject to the provisions of the Assignment, the Corporation shall cause all Pledged Receipts, excluding all amounts to be deposited pursuant to the Resolution in the Principal Reserve Fund, to be deposited promptly with the Trustee in the Revenue Account. There shall also be deposited in the Revenue Account any other amounts required to be deposited therein pursuant to the Resolution, any Supplemental Resolution, the Mortgage Documents and the Loan Agreement. Except as otherwise provided in the Resolution with respect to the Principal Reserve Fund, earnings on all Accounts established under the Resolution shall be deposited, as realized, in the Revenue Account, except for moneys required to be deposited in the Rebate Fund in accordance with the provisions of the Resolution and except for interest income representing a recovery of the premium and accrued interest, if any, included in the purchase price of any Investment Security, which shall be retained in the particular account for which the Investment Security was purchased. During the term of any Credit Facility, the Trustee shall obtain moneys thereunder in accordance with the terms thereof, in a timely manner and in amounts sufficient to pay the principal or Redemption Price of and interest on the Bonds covered by the Credit Facility, as such become due, whether at maturity or upon redemption or acceleration or on an Interest Payment Date or otherwise, and shall deposit such amounts in the Credit Facility Payments Sub-Account. In addition, during the term of the Initial Permanent Phase Credit Facility, the Trustee, at the direction of the Corporation, shall obtain moneys under the Credit Facility in accordance with the terms thereof, in amounts specified by the Corporation to pay such portion of the Administrative Fee due and owing to the Corporation that has not been paid by the Mortgagor pursuant to the Loan Agreement, and shall promptly transfer all such amounts to the Corporation.

On or before each Interest Payment Date, the Trustee shall pay, from the sources described below and in the order of priority indicated, the amounts required for the payment of the Principal Installments, if any, and interest due on the Outstanding Bonds on such date, and on or before the Redemption Date or date of purchase (but not with respect

to any purchase pursuant to the Mandatory Purchase Provision or the Demand Purchase Option), the amounts required for the payment of accrued interest on Outstanding Bonds to be redeemed or purchased (unless the payment of such accrued interest shall be otherwise provided for) as follows:

- (1) first, from the Credit Facility Payments Sub-Account, and to the extent the moneys therein are insufficient for said purpose;
- (2) second, from the Revenue Account, and to the extent the moneys therein are insufficient for said purpose;
- (3) third, from the Redemption Account, and to the extent moneys therein are insufficient for said purpose;
- (4) fourth, from the Bond Proceeds Account and to the extent that moneys therein are insufficient for said purpose; and
- (5) fifth, from any other moneys held by the Trustee under the Resolution and available for such purpose.

After payment of the Principal Installments, if any, and interest due on the Outstanding Bonds has been made, and to the extent payments on the Bonds are made from the source described in subparagraph (1) above, the amounts available from the sources described in subparagraphs (2) through (5) above, in the order of priority indicated, shall be used immediately to reimburse the Credit Facility Provider for amounts obtained under the Credit Facility and so applied; provided, however, that during any Weekly Rate Period, such reimbursement shall be made only if the Credit Facility Provider has notified the Trustee, in writing, that the Credit Facility Provider has not been reimbursed for said amounts obtained under the Credit Facility.

Notwithstanding any provision to the contrary which may be contained in the Resolution, (i) in computing the amount to be obtained under the Credit Facility on account of the payment of the principal of or interest on the Bonds, the Trustee shall exclude any such amounts in respect of any Bonds which are Purchased Bonds on the date such payment is due, and (ii) amounts obtained by the Trustee under the Credit Facility shall not be applied to the payment of the principal of or interest on any Bonds which are Purchased Bonds on the date such payment is due.

Any moneys accumulated in the Revenue Account up to the unsatisfied balance of each Sinking Fund Payment (together with amounts accumulated in the Revenue Account with respect to interest on the Bonds for which such Sinking Fund Payment was established) shall, if so directed in writing by the Corporation, be applied by the Trustee on or prior to the forty-fifth day preceding such Sinking Fund Payment (i) to the purchase of Bonds of the maturity for which such Sinking Fund Payment was established, at prices (including any brokerage and other charges) not exceeding the Redemption Price plus accrued interest or (ii) to the redemption of such Bonds, if then redeemable by their terms, at the Redemption Prices referred to above.

Upon the purchase or redemption of any Bond for which Sinking Fund Payments have been established from amounts in the Revenue Account, an amount equal to the principal amount of the Bonds so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due with respect to the Bonds of such maturity and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer of the Corporation, with the consent of the Credit Facility Provider, at the time of such purchase or redemption.

As soon as practicable after the forty-fifth day preceding the due date of any such Sinking Fund Payment, the Trustee shall call for redemption on such due date, Bonds in such amount as shall be necessary to complete the retirement of a principal amount of Bonds equal to the unsatisfied balance of such Sinking Fund Payment. The Trustee shall so call such Bonds for redemption whether or not it then has moneys in the Revenue Account sufficient to pay the Redemption Price thereof on the Redemption Date.

On each Interest Payment Date, the Trustee shall transfer from the Revenue Account (after providing for all payments required to have been made prior thereto pursuant to the Resolution) (i) first, if so directed by the

Corporation, to the Trustee, an amount equal to the Trustee's unpaid fees and expenses, (ii) second, at the direction of the Corporation, to the Credit Facility Provider, an amount equal to any fees due and owing to the Credit Facility Provider pursuant to the Credit Agreement, (iii) third, if so directed by the Corporation, to the Tender Agent, an amount equal to the Tender Agent's unpaid fees and expenses, (iv) fourth, if so directed by the Corporation, to the Remarketing Agent, an amount equal to the Remarketing Agent's unpaid fees and expenses, (v) fifth, to the Corporation, the Administrative Fee to the extent unpaid, and (vi) sixth, if so directed by the Corporation, to the Servicer, an amount equal to the Servicer's unpaid fees and expenses. The amount remaining after making the transfers or payments required hereinbefore shall be retained in the Revenue Account. Such remaining balance shall be used to offset the Mortgagor's obligation under the Mortgage Loan (in direct chronological order of such obligation), unless the Trustee receives a certificate from the Corporation stating that a default has occurred with respect to any agreement between the Corporation and the Mortgagor. If the Trustee shall thereafter receive a Certificate from the Corporation stating that such default has been cured or waived such remaining balance shall once again be used to offset the Mortgagor's obligation under the Mortgage Loan (in direct chronological order of such obligation).

Redemption Account

Subject to the provisions of the Assignment, there shall be deposited in the Redemption Account all Recoveries of Principal and any other amounts which are required by the Resolution to be so deposited and any other amounts available therefor and determined by the Corporation to be deposited therein. Subject to the provisions of the Resolution or of any Supplemental Resolution authorizing the issuance of Bonds, requiring the application thereof to the payment, purchase or redemption of any particular Bonds, the Trustee shall apply amounts from the sources described in the following paragraph equal to amounts so deposited in the Redemption Account to the purchase or redemption of Bonds at the times and in the manner provided in the Resolution.

On or before a Redemption Date or date of purchase of Bonds in lieu of redemption, the Trustee shall pay, from the sources described below and in the order of priority indicated, the amounts required for the payment of the principal of Outstanding Bonds to be redeemed or purchased and cancelled on such date as follows:

- (1) first, from the Credit Facility Payments Sub-Account, to the extent the moneys therein are insufficient for such purpose;
- (2) second, from the Redemption Account, and to the extent the moneys therein are insufficient for such purpose;
- (3) third, from the Revenue Account, and to the extent the moneys therein are insufficient for such purpose;
- (4) fourth, from the Bond Proceeds Account, and to the extent the moneys therein are insufficient for such purpose; and
- (5) fifth, from any other moneys held by the Trustee under the Resolution and available for such purpose.

After payment of the principal of such Outstanding Bonds to be redeemed or purchased has been made, and to the extent payments for the redemption or purchase of the Bonds are made from the source described in subparagraph (1) above, amounts available from the sources described in subparagraphs (2) through (5) above, in the order of priority indicated, shall be used to reimburse the Credit Facility Provider for amounts obtained under the Credit Facility and so applied; provided, however, that during any Weekly Rate Period that occurs after all amounts in the Bond Proceeds Account have been expended, such reimbursement shall be made only if the Credit Facility Provider has notified the Trustee, in writing, that the Credit Facility Provider has not been reimbursed for said amounts obtained under the Credit Facility.

Rebate Fund

The Resolution also establishes the Rebate Fund as a special trust account to be held and maintained by the Trustee. Earnings on all amounts required to be deposited in the Rebate Fund are to be deposited in the Rebate Fund.

The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bond owner or any other person other than as set forth in the Resolution.

The Trustee, upon the receipt of a certification of the Rebate Amount from an Authorized Officer of the Corporation, shall deposit in the Rebate Fund at least as frequently as the end of each fifth Bond Year and at the time that the last Bond that is part of the Series for which a Rebate Amount is required is discharged, an amount such that the amount held in the Rebate Fund after such deposit is equal to the Rebate Amount calculated as of such time of calculation. The amount deposited in the Rebate Fund pursuant to the previous sentence shall be deposited from amounts withdrawn from the Revenue Account, and to the extent such amounts are not available in the Revenue Account, directly from earnings on the Accounts. The Trustee shall also transfer certain amounts on deposit in the Principal Reserve Fund to the Rebate Fund in accordance with the provisions of the Resolution described under "Principal Reserve Fund."

Amounts on deposit in the Rebate Fund shall be invested in the same manner as amounts on deposit in the Accounts, except as otherwise specified by an Authorized Officer of the Corporation to the extent necessary to comply with the tax covenant set forth in the Resolution, and except that the income or interest earned and gains realized in excess of losses suffered by the Rebate Fund due to the investment thereof shall be deposited in or credited to the Rebate Fund from time to time and reinvested.

In the event that, on any date of calculation of the Rebate Amount, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the Trustee, upon the receipt of written instructions from an Authorized Officer of the Corporation, shall withdraw such excess amount and deposit it in the Revenue Account.

The Trustee, upon the receipt of written instructions and certification of the Rebate Amount from an Authorized Officer of the Corporation, shall pay to the United States, out of amounts in the Rebate Fund, (i) not less frequently than once each five (5) years after the date of original issuance of each Series for which a Rebate Amount is required, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Amount with respect to each Series for which a Rebate Amount is required as of the date of such payment, and (ii) notwithstanding the provisions of the Resolution, not later than sixty (60) days after the date on which all Bonds for which a Rebate Amount is required have been paid in full, 100% of the Rebate Amount as of the date of payment.

Principal Reserve Fund

Amounts on deposit in the Principal Reserve Fund shall be applied as set forth in the Resolution. There shall be deposited into the Principal Reserve Fund all of the monthly payments made in accordance with the Principal Reserve Schedule attached to the Credit Agreement and provided to the Trustee by the Credit Facility Provider, as such schedule may be amended in accordance with the provisions of the Credit Agreement and provided to the Trustee by the Credit Facility Provider, and any amounts provided by or at the direction of the Mortgagor to replenish withdrawals from the Principal Reserve Fund described in paragraphs (1) and (2) below. Any income or interest earned or gains realized in excess of losses suffered due to the investment of amounts on deposit in the Principal Reserve Fund shall if the amount in the Principal Reserve Fund is less than the Principal Reserve Amount, be retained therein, or if no such deficiency exists, shall be deposited in the Revenue Account except as otherwise provided in the Resolution, provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then in lieu of retaining such amounts in the Principal Reserve Fund, such amounts (up to the amount of such deficiency) shall be transferred to the Rebate Fund.

In addition to the other payments required or permitted by the Resolution, amounts in the Principal Reserve Fund shall be used to pay, at the written direction of the Credit Facility Provider:

- (1) to reimburse the Credit Facility Provider for advances under the Credit Facility which were used to pay interest due on and/or principal of the 2006 Bonds on any Interest Payment Date, Redemption Date, date of acceleration or the maturity date or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such interest and/or principal;

(2) to reimburse the Credit Facility Provider for advances under the Credit Facility which were used to pay the Purchase Price of tendered 2006 Bonds to the extent that remarketing proceeds, if any, are insufficient for such purpose or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such Purchase Price;

(3) with the written consent of the Mortgagor (so long as the Mortgagor is not in default under the Mortgage, Mortgage Note, Loan Agreement, Regulatory Agreement or the Reimbursement Agreement) to make improvements or repairs to the Project; and

(4) if a default has occurred and is continuing under the Reimbursement Agreement, or if the Mortgagor otherwise consents, to any other use approved in writing by an Authorized Officer of the Credit Facility Provider.

Subject to the provisions described in the succeeding paragraph, from and after the Conversion Date, during any Weekly Rate Period, on each November 1 (or, if such day is not a Business Day, the next succeeding Business Day), after providing for all payments and transfers required to be made pursuant to the Resolution, all amounts in the Principal Reserve Fund in excess of the Principal Reserve Amount (rounded down to the nearest multiple of \$100,000) shall be transferred by the Trustee to the Redemption Account to be applied to the reimbursement of the Credit Facility Provider in connection with the redemption of 2006 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of 2006 Bonds) on the first Business Day of the next succeeding December.

If the Mortgagor certifies in writing to the Trustee and the Corporation that no “Event of Default” or “Default” exists under the Credit Agreement, and if such certificate shall bear the written acknowledgement and consent of the Credit Facility Provider, the Mortgagor shall be entitled to direct the Trustee to transfer from the Principal Reserve Fund to the Redemption Account all or a specified portion of the amount on deposit in the Principal Reserve Fund to be applied to the reimbursement of the Credit Facility Provider in connection with the redemption of 2006 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of 2006 Bonds). Any amounts so transferred shall constitute a prepayment of the Mortgage Loan at the option of the Mortgagor and shall be a Recovery of Principal; provided however, that such right of the Mortgagor to direct such transfers may be exercised only at the times, and subject to any conditions, set forth in the Loan Agreement with respect to optional prepayments of the Mortgage Loan by the Mortgagor.

Moneys on deposit in the Principal Reserve Fund shall be invested (i) so long as the Initial Permanent Phase Credit Facility is in effect, in Investment Securities described in paragraph (A)(a) of the definition of “Investment Securities” or, to the extent otherwise permitted by the Resolution, other short-term variable rate instruments that are “Investment Securities” within the meaning of paragraph (A)(h) of the definition of “Investment Securities,” and (ii) at all other times, in Government Obligations or, to the extent otherwise permitted by the Resolution, (a) other short-term variable rate instruments rated by S&P in a category equivalent to the rating then in effect for the 2006 Bonds or (b) as otherwise permitted by the Credit Facility Provider, in its sole discretion.

At the request of the Mortgagor, the Credit Facility Provider, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Mortgagor (in which case the Trustee shall release such amounts to the Mortgagor, provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then prior to any such release to the Mortgagor, any amounts on deposit in the Principal Reserve Fund (up to the amount of such deficiency) shall be transferred to the Rebate Fund) and/or (ii) no longer require deposits to the Principal Reserve Fund and/or (iii) consent to a change in the Principal Reserve Schedule. Any amounts so transferred or released shall no longer secure the 2006 Bonds.

Payment of Bonds

The Corporation covenants that it will duly and punctually pay or cause to be paid, as provided in the Resolution, the principal or Redemption Price of every Bond and the interest thereon, at the dates and places and in the manner stated in the Bonds, according to the true intent and meaning thereof and shall duly and punctually pay or cause to be paid all Sinking Fund Payments, if any, becoming payable with respect to any of the Bonds.

Tax Covenants

The following covenants are made solely for the benefit of the owners of, and shall be applicable solely to, the 2006 Bonds and any Additional Bonds, as designated in a Supplemental Resolution, to which the Corporation intends that the following covenants shall apply:

The Corporation shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the Bonds shall be excluded from gross income for Federal income tax purposes, except in the event that the owner of any such Bond is a “substantial user” of the facilities financed by the Bonds or a “related person” within the meaning of the Code.

The Corporation shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Corporation to be used directly or indirectly to acquire any securities, obligations or other investment property, the acquisition of which would cause any Bond to be an “arbitrage bond” as defined in Section 148(a) of the Code.

The Corporation shall not permit any person or “related person” (as defined in the Code) to purchase Bonds (other than Purchased Bonds) in an amount related to the Mortgage Loan to be acquired by the Corporation from such person or “related person.”

Covenants with Respect to Mortgage Loan

In order to pay the Principal Installments of and interest on the Bonds when due, the Corporation covenants that it shall from time to time, with all practical dispatch and in a sound and economical manner consistent in all respects with the Act, the provisions of the Resolution and sound banking practices and principles, (i) use and apply the proceeds of the Bonds, to the extent not reasonably or otherwise required for other purposes of the kind permitted by the Resolution, to finance the Mortgage Loan pursuant to the Act and the Resolution and any applicable Supplemental Resolution, (ii) do all such acts and things as shall be necessary to receive and collect Pledged Receipts (including diligent enforcement of the prompt collection of all arrears on the Mortgage Loan) and Recoveries of Principal, and (iii) diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Corporation to protect its rights with respect to or to maintain any insurance on the Mortgage Loan or any subsidy payments in connection with the Project or the occupancy thereof and to enforce all terms, covenants and conditions of the Mortgage Loan, the Mortgage, the Mortgage Note and all other documents which evidence or secure the Mortgage Loan, including the collection, custody and prompt application of all Escrow Payments for the purposes for which they were made; provided, however, that the obligations of the Corporation in (ii) and (iii) above shall be suspended during the term of the Assignment, except as otherwise provided in the Assignment.

Issuance of Additional Obligations

The Corporation shall not create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a superior or, except in the case of Bonds, an equal charge and lien on the Revenues and assets pledged under the Resolution. The Corporation shall not create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a subordinate charge and lien on the Revenues and assets pledged under the Resolution unless the Corporation shall have received the written consent of the Credit Facility Provider.

Accounts and Reports

The Corporation shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Mortgage Loan and all Accounts established by the Resolution which shall at all reasonable times be subject to the inspection of the Trustee, the Credit Facility Provider, the Servicer (as to the Mortgage Loan) and the owners of an aggregate of not less than 5% in principal amount of Bonds then Outstanding or their representatives duly authorized in writing. The Corporation may authorize or permit the Trustee to keep such books on behalf of the Corporation.

If at any time during any fiscal year there shall have occurred an Event of Default or an Event of Default shall be continuing, then the Corporation shall file with the Trustee, the Credit Facility Provider and the Servicer, within forty-five (45) days after the close of such fiscal year, a special report accompanied by an Accountant’s Certificate as to

the fair presentation of the financial statements contained therein, setting forth in reasonable detail the individual balances and receipts and disbursements for each Account under the Resolution.

The Corporation shall annually, within one hundred twenty (120) days after the close of each fiscal year of the Corporation, file with the Trustee, the Credit Facility Provider and the Servicer a copy of an annual report as to the operations and accomplishments of the various funds and programs of the Corporation during such fiscal year, and financial statements for such fiscal year, setting forth in reasonable detail: (i) the balance sheet with respect to the Bonds and Mortgage Loan, showing the assets and liabilities of the Corporation at the end of such fiscal year; (ii) a statement of the Corporation's revenues and expenses in accordance with the categories or classifications established by the Corporation in connection with the Bonds and Mortgage Loan during such fiscal year; (iii) a statement of changes in fund balances, as of the end of such fiscal year; and (iv) a statement of cash flows, as of the end of such fiscal year. The financial statements shall be accompanied by the Certificate of an Accountant stating that the financial statements examined present fairly the financial position of the Corporation at the end of the fiscal year, the results of its operations and the changes in its fund balances and its cash flows for the period examined, in conformity with generally accepted accounting principles applied on a consistent basis except for changes with which such Accountant concurs.

Except as provided in the second preceding paragraph, any such financial statements may be presented on a consolidated or combined basis with other reports of the Corporation.

A copy of each annual report or special report and any Accountant's Certificate relating thereto shall be mailed promptly thereafter by the Corporation to each Bond owner who shall have filed such owner's name and address with the Corporation for such purposes.

No Disposition of Credit Facility

The Trustee shall not, without the prior written consent of the owners of all of the Bonds then Outstanding, transfer, assign or release the Credit Facility except (i) to a successor Trustee, or (ii) to the Credit Facility Provider either (1) upon receipt of an Alternate Security, or (2) upon expiration or other termination of the Credit Facility in accordance with its terms, including termination on its stated expiration date or upon payment thereunder of the full amount payable thereunder. Except as aforesaid, the Trustee shall not transfer, assign or release the Credit Facility until the principal of and interest on the Bonds shall have been paid or duly provided for in accordance with the terms of the Resolution. Notwithstanding the foregoing, the substitution described in the definition of the term "Initial Construction Phase Credit Facility" is not prohibited by the foregoing.

Supplemental Resolutions

Any modification of or amendment to the provisions of the Resolution and of the rights and obligations of the Corporation and of the owners of the Bonds may be made by a Supplemental Resolution, with the written consent given as provided in the Resolution, (i) of the owners of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the Bonds then Outstanding are affected by the modification or amendment, of the owners of at least two-thirds in principal amount of the Bonds so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Payment, of the owners of at least two-thirds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Payment and Outstanding at the time such consent is given; provided, however, that a modification or amendment referred to in (iii) above shall not be permitted unless the Trustee shall have received a Bond Counsel's Opinion to the effect that such modification or amendment does not adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds to which the tax covenants apply. If any such modification or amendment will not take effect so long as any Bonds of any specified Series and maturity remain Outstanding, the consent of the owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this paragraph. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee or the Credit Facility Provider without its written assent thereto.

The Corporation may adopt, without the consent of any owners of the Bonds, Supplemental Resolutions to, among other things, provide limitations and restrictions in addition to the limitations and restrictions contained in the Resolution on the issuance of other evidences of indebtedness; add to the covenants and agreements of or limitations and restrictions on, the Corporation's other covenants and agreements or limitations and restrictions which are not contrary to or inconsistent with the Resolution; surrender any right, power or privilege of the Corporation under the Resolution but only if such surrender is not contrary to or inconsistent with the covenants and agreements of the Corporation contained in the Resolution; confirm any pledge under the Resolution, of the Revenues or of any other revenues or assets; modify any of the provisions of the Resolution in any respect whatsoever (but no such modification shall be effective until all Bonds theretofore issued are no longer Outstanding); provide for the issuance of Bonds in coupon form payable to bearer; authorize the issuance of Additional Bonds and prescribe the terms and conditions thereof; provide for such changes as are deemed necessary or desirable by the Corporation in connection with either providing a book-entry system with respect to a Series of Bonds or discontinuing a book-entry system with respect to a Series of Bonds; provide for such changes as are deemed necessary or desirable by the Corporation to take effect on a Change Date on which 100% of the Bonds are subject to mandatory tender; cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision in the Resolution (provided that the Trustee shall consent thereto); comply with the Code; provide for such changes as are deemed necessary by the Corporation upon delivery of an Alternate Security; make any additions, deletions or modifications to the Resolution which, in the opinion of the Trustee, are not materially adverse to the interests of the Bond owners; or during any period that all the Bonds bear interest at a Weekly Rate, to provide such changes (other than any changes that adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds) as are deemed necessary or desirable by the Corporation, if, not less than thirty days before the effective date of such changes, the Trustee sends notice of the proposed changes to the Bondholders and the Bondholders have the right to tender their Bonds for purchase before such effective date.

Notwithstanding anything to the contrary contained in the Resolution, for so long as the Credit Agreement shall be in full force and effect, no supplement, modification or amendment of the Resolution shall take effect without the prior written consent of the Credit Facility Provider.

Amendments, Changes and Modifications to the Credit Facility.

Subject to the provisions of the Resolution, the Trustee may, without the consent of the owners of the Bonds, consent to any amendment of the Credit Facility which does not prejudice in any material respect the interests of the Bondholders. Except for such amendments, the Credit Facility may be amended only with the consent of the Trustee and the owners of a majority in aggregate principal amount of Outstanding Bonds, except that, without the written consent of the owners of all Outstanding Bonds, no amendment may be made to the Credit Facility which would reduce the amounts required to be paid thereunder or change the time for payment of such amounts; provided that any such amounts may be reduced without such consent solely to the extent that such reduction represents a reduction in any fees payable from such amounts.

Events of Default and Termination

Each of the following events set forth in clauses (1) through (4) below constitutes an "Event of Default" and the following event set forth in clause (5) below constitutes an "Event of Termination" with respect to the Bonds: (1) payment of the principal or Redemption Price, if any, of or interest on any Bond (other than Purchased Bonds) when and as the same shall become due, whether at maturity or upon call for redemption or otherwise, shall not be made when and as the same shall become due; (2) payment of the Purchase Price of any 2006 Bond (other than Purchased Bonds) tendered in accordance with the Resolution shall not be made when and as the same shall become due; (3) Reserved; (4) the Corporation shall fail or refuse to comply with the provisions of the Resolution or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained in the Resolution or in any applicable Supplemental Resolution or the Bonds (other than any such default resulting in an Event of Default described in clause (1) or (2) above), and such failure, refusal or default shall continue for a period of forty-five days after written notice thereof by the Trustee or the owners of not less than 5% in principal amount of the Outstanding Bonds, or (5) receipt by the Trustee of written notice from the Credit Facility Provider that an "Event of Default" has occurred and is continuing under the Credit Agreement

Remedies

Upon the happening and continuance of an Event of Termination specified in the Resolution, the Trustee shall proceed, in its own name pursuant to the direction of the Credit Facility Provider as described in clause (5) of the preceding paragraph, to protect and enforce the remedies of the Bond owners and the Credit Facility Provider by the remedies set forth in either clause (5) or (8) below; provided, however, the Trustee shall enforce the remedy set forth in clause (5) and clause (8) below within the time limits provided therein. Upon the happening and continuance of any Event of Default specified in clause (1) or (2) of the preceding paragraph, the Trustee, shall proceed, or upon the happening and continuance of any Event of Default specified in clause (4) of the preceding paragraph, the Trustee, may proceed and, upon the written request of the owners of not less than 25% in principal amount of the Outstanding Bonds, shall proceed, in its own name, subject, in each such case, to the provisions of the Resolution and the receipt of the written consent of the Credit Facility Provider, to protect and enforce the rights of the Bond owners by the remedies specified below for particular Events of Default, and such other of the remedies set forth in clauses (1) through (7) below, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights: (1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bond owners, including the right to require the Corporation to receive and collect Revenues adequate to carry out the covenants and agreements as to the Mortgage Loan (subject to the provisions of the Assignment) and to require the Corporation to carry out any other covenants or agreements with such Bond owners, and to perform its duties under the Act; (2) by bringing suit upon the Bonds; (3) by action or suit in equity, to require the Corporation to account as if it were the trustee of an express trust for the owners of the Bonds; (4) by action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds; (5) with the prior written consent of the Credit Facility Provider in the case of an Event of Default or upon the written direction described in clause (5) of the preceding paragraph in the case of an Event of Termination by immediately declaring all Bonds or, with respect to an Event of Termination, a portion of the 2006 Bonds in the principal amount specified by the Credit Facility Provider, due and payable whereupon, with respect to any affected 2006 Bonds, such Bonds shall be immediately redeemed, without premium, pursuant to the Resolution, provided that upon the happening and continuance of an Event of Default specified in clause (1) or (2) of the preceding paragraph, the Trustee shall declare all Bonds due and payable; (6) in the event that all Outstanding Bonds are declared due and payable, by selling the Mortgage Loan (subject to the provisions of the Assignment) and any Investment Securities securing such Bonds; (7) by taking such action with respect to or in connection with the Credit Facility, in accordance with its terms, as the Trustee deems necessary to protect the interests of the owners of the 2006 Bonds; or (8) upon the happening and continuance of an Event of Termination and upon receipt of written direction from the Credit Facility Provider, by carrying out a purchase of all or, if so designated by the Credit Facility Provider, a portion of, the 2006 Bonds pursuant to the Resolution on a date specified by the Credit Facility Provider, which date shall not be later than eight (8) days following receipt by the Trustee of such direction.

Anything in the Resolution to the contrary notwithstanding, except as otherwise provided in clause (8) of the preceding paragraph, the owners of the majority in principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee under the Resolution, provided that such direction shall not be otherwise than in accordance with law or the provisions of the Resolution, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bond owners not parties to such direction and provided, further, that notwithstanding the foregoing, the right of such Bond owners to direct proceedings shall be subject to the rights of the Credit Facility Provider, it being understood that the Credit Facility Provider shall in all cases be entitled to direct the method of conducting all remedial proceedings to be taken by the Trustee under the Resolution so long as the Credit Agreement is in full force and effect and no Wrongful Dishonor shall have occurred and be continuing.

No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law under the Resolution, or for the protection or enforcement of any right under the Resolution unless a Wrongful Dishonor shall have occurred and be continuing and such owner shall have given to the Trustee and the Credit Facility Provider written notice of the Event of Default or an Event of Termination or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 25% in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in the Resolution or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the fees, costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have

refused or neglected to comply with such request within a reasonable time. Nothing contained in the Resolution shall affect or impair the right of any Bond owner to enforce the payment of the principal of and interest on such owner's Bonds, or the obligation of the Corporation to pay the principal of and interest on each Bond to the owner thereof at the time and place in said Bond expressed.

Unless remedied or cured, the Trustee shall give to the Bond owners notice of each Event of Default or Event of Termination under the Resolution known to the Trustee within ninety days after actual knowledge by the Trustee of the occurrence thereof; provided that in the case of the 2006 Bonds, such notice need not be given with respect to any 2006 Bonds for which the Trustee has proceeded to carry out a mandatory purchase of such 2006 Bonds as described in clause (8) under the heading "Events of Default and Termination" above or has proceeded to carry out a redemption of such 2006 Bonds as described in clause (5) under the heading "Events of Default and Termination" above. However, except in the case of default in the payment of the principal or Redemption Price, if any, of or interest on any of the Bonds, or in the making of any payment required to be made into the Bond Proceeds Account, the Trustee may withhold such notice if it determines that the withholding of such notice is in the interest of the Bond owners.

Priority of Payments After Event of Default or Event of Termination

In the event that upon the happening and continuance of any Event of Default or an Event of Termination the funds held by the Trustee shall be insufficient for the payment of the principal or Redemption Price, if any, of interest then due on the Bonds affected, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the Act and the Resolution, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interest of the owners of such Bonds and for the payment of the fees, charges and expenses and liabilities incurred and advances made by the Trustee in the performance of its duties under the Resolution, shall be applied in the order or priority with respect to Bonds as set forth in the following paragraph and as follows:

(1) Unless the principal of all of such Bonds shall have become or have been declared due and payable, first to the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; second, to the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any such Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference; third, to the payment of amounts owed to the Credit Facility Provider under the Reimbursement Agreement or under any other agreement or document securing obligations owed by the Mortgagor to the Credit Facility Provider or otherwise relating to the provision of the Credit Facility, including amounts to reimburse the Credit Facility Provider to the extent it has made payments under the Credit Facility and fourth, to the payment of amounts owed to the Construction Phase Credit Facility Provider under the Construction Phase Credit Documents or under any other agreement or document securing obligations owed by the Mortgagor to the Construction Phase Credit Facility Provider or otherwise relating to the provision of the Construction Phase Credit Facility, including amounts to reimburse the Construction Phase Credit Facility Provider to the extent it has made payments under the Construction Phase Credit Facility.

(2) If the principal of all such Bonds shall have become or have been declared due and payable, first, to the payment of the principal and interest then due and unpaid upon such Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any such Bond over any other such Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds; second, to pay the Credit Facility Provider amounts owed to it under the Reimbursement Agreement, including reimbursement to the extent it has made payments under the Credit Facility; and third, to pay the Construction Phase Credit Facility Provider amounts owed to it under the Construction Phase Credit Documents.

If, at the time the Trustee is to apply amounts in accordance with the provisions of the preceding paragraph, any of the Bonds Outstanding are Purchased Bonds, the Trustee shall make the payments with respect to the Bonds prescribed by the preceding paragraph, first, to the owners of all Bonds Outstanding other than Purchased Bonds and second, to the owner of Purchased Bonds.

Rights of the Credit Facility Provider

Notwithstanding anything contained in the Resolution to the contrary, (i) all rights of the Credit Facility Provider under the Resolution, including, but not limited to, the right to consent to, approve, initiate or direct extensions, remedies, waivers, actions and amendments thereunder shall (as to the Credit Facility Provider) cease, terminate and become null and void (a) if, and for so long as, there is a Wrongful Dishonor of the Credit Facility by the Credit Facility Provider, or (b) if the Credit Facility is no longer in effect; provided, however, that notwithstanding any such Wrongful Dishonor, the Credit Facility Provider shall be entitled to receive notices pursuant to the Resolution in accordance with the terms of the Resolution and (ii) if, and for so long as, there is a Wrongful Dishonor of the Credit Facility by the Credit Facility Provider or if the Credit Agreement is no longer in effect, all rights of the Credit Facility Provider with respect to the Principal Reserve Fund (including, but not limited to, directing the use of amounts therein) may be exercised by the Corporation.

Payments Due on Days Not Business Days

If the date for making any payment of principal or Redemption Price of or interest on any of the Bonds shall be a day other than a Business Day, then payment of such principal or Redemption Price of or interest on such Bonds need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date originally fixed for such payment, except that during any Weekly Rate Period, interest shall continue to accrue on any unpaid principal to such payment and ending on such next succeeding Business Day.

SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT

The 2006 Bonds are secured by the Letter of Credit, which is issued pursuant to the Reimbursement Agreement that obligates the Mortgagor, among other things, to reimburse the Bank for funds provided by the Bank under the Letter of Credit and to pay various fees and expenses, in each case as provided in the Reimbursement Agreement. The Reimbursement Agreement governs obligations of the Mortgagor to the Bank on account of the Bank providing such credit enhancement.

The Reimbursement Agreement sets forth various affirmative and negative covenants of the Mortgagor.

Set forth below is an abridged or summarized excerpt of the events of default and remedies sections of the Reimbursement Agreement. This excerpt does not purport to be complete or to cover all sections of the Reimbursement Agreement. Reference is made to the Reimbursement Agreement, a copy of which is on file with the Trustee, for a complete statement of the rights, duties and obligations of the Bank and the Mortgagor. Any defined terms used in the summary below that are not otherwise defined shall have the respective meanings ascribed to them in the Reimbursement Agreement.

default cannot be cured by the payment of money and cannot reasonably be cured within such thirty (30) day period and the Mortgagor shall have commenced to cure such other default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as it shall require the Mortgagor in the exercise of due diligence to cure such other default, it being agreed that no such extension shall be for a period in excess of one hundred twenty (120) days, or shall be construed as having the effect of extending the completion date;

(iii) a default shall occur and be continuing beyond any applicable grace and cure period under the Mortgage Note, the Mortgage, the Loan Agreement, the Resolution, the Regulatory Agreement, any of the other Borrower Documents or any of the other Credit Facility Documents (as defined in the Reimbursement Agreement);

Remedies

Upon the occurrence and during the continuance of an "Event of Default" under the Reimbursement Agreement described above, the Bank may, but shall not be obligated to, exercise any or all of the following remedies:

(i) declare the indebtedness evidenced and secured by the Mortgage Note and the Mortgage immediately due and payable;

(ii) give notice to the Trustee that an event of default under the Reimbursement Agreement has occurred and direct the Trustee to (a) accelerate the 2006 Bonds and call such outstanding 2006 Bonds for redemption in whole or in part in accordance with the Resolution (such redemption to be effected with the proceeds of a draw under the Letter of Credit); (b) cause a purchase of the 2006 Bonds in whole or in part in accordance with the Resolution (such purchase to be effected with the proceeds of a draw under the Letter of Credit); or (c) take such actions as are permitted by the Resolution and the Credit Facility Documents;

The Bank shall have sole discretion as to which, if any, of the foregoing remedies will be exercised by the Bank. Accordingly, an event of default under the Reimbursement Agreement may not result in an Event of Termination under the Resolution.

AGREEMENT OF THE STATE

Section 657 of the Act provides that the State agrees with the holders of obligations of the Corporation, including owners of the 2006 Bonds, that it will not limit or alter the rights vested by the Act in the Corporation to fulfill the terms of any agreements made with the owners of the 2006 Bonds, or in any way impair the rights and remedies of such owners until the 2006 Bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such owners of the 2006 Bonds, are fully met and discharged.

TAX MATTERS

Opinion of Bond Counsel to the Corporation

In the opinion of Bond Counsel to the Corporation, under existing statutes and court decisions, (i) interest on the 2006 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, except that no opinion is expressed as to such exclusion of interest on any 2006 Bond for any period during which such 2006 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with the proceeds of the 2006 Bonds or a “related person,” and (ii) interest on the 2006 Bonds, however, is treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code. In rendering such opinion, Bond Counsel to the Corporation has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagor and others, in connection with the 2006 Bonds, and Bond Counsel to the Corporation has assumed compliance by the Corporation and the Mortgagor with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2006 Bonds from gross income under Section 103 of the Code.

In the opinion of Bond Counsel to the Corporation, under existing statutes, interest on the 2006 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

Bond Counsel to the Corporation expresses no opinion regarding any other Federal or state tax consequences with respect to the 2006 Bonds. Bond Counsel to the Corporation renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel to the Corporation expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2006 Bonds, or the exemption of interest on the 2006 Bonds from personal income taxes under state and local tax law.

Summary of Certain Federal Tax Requirements

Under applicable provisions of the Code, the exclusion from gross income of interest on the 2006 Bonds for purposes of Federal income taxation requires that (i) at least 25% of the units in the Project financed by the 2006 Bonds be occupied during the “Qualified Project Period” (defined below) by individuals whose incomes, determined in a manner consistent with Section 8 of the United States Housing Act of 1937, as amended, do not exceed 60% of the median income for the area, and (ii) all of the units of such Project be rented or available for rental on a continuous basis during the Qualified Project Period. “Qualified Project Period” for the Project means a period commencing upon the later of (a) occupancy of 10% of the units in such Project or (b) the date of issue of the 2006 Bonds and running until the later of (i) the date which is 15 years after occupancy of 50% of the units in such Project, (ii) the first date on which no tax-exempt private activity bonds issued with respect to such Project are outstanding, or (iii) the date on which any assistance provided with respect to such Project under Section 8 of the 1937 Housing Act terminates. Such Project will meet the continuing low income requirement as long as the income of the individuals occupying the unit does not increase to more than 140% of the applicable limit. Upon an increase over 140% of the applicable limit, the

next available unit of comparable or smaller size must be rented to an individual having an income of 60% or less of the area median income, as adjusted for family size. In the event of noncompliance with the above requirements arising from events occurring after the issuance of the 2006 Bonds, the Treasury Regulations provide that the exclusion of interest on the 2006 Bonds from gross income for Federal income tax purposes will not be impaired if the Corporation takes appropriate corrective action within a reasonable period of time after such noncompliance is first discovered or should have been discovered by the Corporation.

The Code establishes certain additional requirements which must be met subsequent to the issuance and delivery of the 2006 Bonds in order that interest on the 2006 Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to the use and expenditure of proceeds of the 2006 Bonds, yield and other limits regarding investment of the proceeds of the 2006 Bonds and other funds, and rebate of certain investment earnings on such amounts on a periodic basis to the United States.

The Corporation has covenanted in the Resolution that it shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the 2006 Bonds shall be excluded from gross income for Federal income tax purposes. In furtherance thereof, the Corporation is to enter into the Regulatory Agreement with the Mortgagor to assure compliance with the Code. However, no assurance can be given that in the event of a breach of any such covenants, or noncompliance with the procedures or certifications set forth therein, the remedies available to the Corporation and/or 2006 Bond owners can be judicially enforced in such manner as to assure compliance with the above-described requirements and therefore to prevent the loss of the exclusion of interest from gross income for Federal income tax purposes. Any loss of such exclusion of interest from gross income may be retroactive to the date from which interest on the 2006 Bonds is payable.

Certain Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the 2006 Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a 2006 Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the 2006 Bonds.

Prospective owners of 2006 Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S Corporations and certain foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security or railroad retirement benefits, individuals otherwise eligible for the earned income credit, and to taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the 2006 Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Legislation

Legislation affecting municipal bonds is frequently considered by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the 2006 Bonds will not have an adverse effect on the tax-exempt status of the 2006 Bonds or the market price of the 2006 Bonds.

A. Multi-Family Program. The Corporation established its Multi-Family Program to develop privately-owned multi-family rental housing, all or a portion of which is reserved for low income tenants. The following describes the Corporation's activities under its Multi-Family Program.

(1) Rental Projects; Fannie Mae or Freddie Mac Enhanced: The Corporation has issued tax-exempt and/or taxable bonds which either (i) are secured by mortgage loan payments, which payments are secured by obligations of Fannie Mae under various collateral agreements, (ii) are secured by a Direct Pay Credit Enhancement Instrument issued by Fannie Mae or (iii) are secured by a Direct Pay Credit Enhancement Agreement with Federal Home Loan Mortgage Corporation ("Freddie Mac").

(2) Rental Projects; Letter of Credit Enhanced: The Corporation has issued tax-exempt and/or taxable bonds to finance a number of mixed income projects and entirely low income projects, which bonds are secured by letters of credit issued by investment-grade rated commercial lending institutions.

(3) Rental Projects; FHA-Insured Mortgage Loan: The Corporation has issued bonds to finance a number of mixed income projects with mortgages insured by the Federal Housing Administration ("FHA").

(4) Hospital Staff Housing; Credit Enhanced: The Corporation has issued bonds to provide financing for residential facilities for hospital staff, which bonds are secured by bond insurance or letters of credit issued by investment-grade rated institutions.

(5) Cooperative Housing; SONYMA-Insured Mortgage Loan: The Corporation has issued tax-exempt obligations in order to fund underlying mortgage loans to cooperative housing developments. Each mortgage loan in this program is insured by the State of New York Mortgage Agency ("SONYMA").

(6) Rental Project; REMIC-Insured Mortgage Loan: The Corporation has issued tax-exempt bonds to finance a mortgage loan for a residential facility, which mortgage loan is insured by the New York City Residential Mortgage Insurance Corporation ("REMIC"), which is a subsidiary of the Corporation.

(7). Senior Housing; Letter of Credit Enhanced: The Corporation has issued tax-exempt obligations to finance a mortgage loan for low-income senior housing, which obligations are secured by letters of credit issued by investment-grade rated commercial lending institutions.

B. Housing Revenue Bond Program. Under its Housing Revenue Bond Program, the Corporation may issue bonds payable solely from and secured by the assets held under the General Resolution which include a pool of mortgage loans, some of which are construction loans (which pool contains FHA-insured mortgage loans, REMIC-insured mortgage loans, SONYMA-insured mortgage loans, GNMA mortgage-backed securities, other mortgage loans and participation interests in mortgage loans), the revenues received on account of all such loans and securities, and other assets pledged under such resolution and any supplemental resolution for a particular series of bonds. Certain of the projects, which secure a portion of the mortgage loans, receive the benefits of subsidy

payments. As of July 31, 2006, seventy-four (74) series of bonds have been issued under the Housing Revenue Bond Program.

C. Liberty Bond Program. In accordance with Section 301 of the Job Creation and Worker Assistance Act of 2002, the Corporation has issued tax-exempt and taxable bonds, each secured by a letter of credit, to finance the development of multi-family housing within an area of lower Manhattan designated in such legislation as the “Liberty Zone.”

D. Section 223(f) Refinancing Program. Under this program, the Corporation acquires mortgages originally made by The City of New York (the “City”), obtains federal insurance thereon and either sells such insured mortgages or issues its obligations secured by said insured mortgages and pays the net proceeds of the sale of such mortgages or issuance of obligations to the City. Each series of bonds issued under this program is secured by a mortgage loan insured by FHA pursuant to Section 223(f) of Title II of the National Housing Act of 1934, as amended (the “National Housing Act”). Debt service on each series of bonds is paid only from monies received on account of the applicable mortgage loan securing such series, including, with respect to certain projects, interest reduction subsidy payments received by the Corporation pursuant to Section 236 of the National Housing Act.

The following table summarizes bonds outstanding under these bond programs as of July 31, 2006:

II. MORTGAGE LOAN PROGRAMS. The Corporation funds mortgage loans under various mortgage loan programs, including the significant programs described below. These mortgage loans are funded from bond proceeds and/or the Corporation’s unrestricted reserves. See “PART I—BOND PROGRAMS” above.

A. *Affordable Housing Permanent Loan Program.* The Corporation has established a program to make permanent mortgage loans for projects constructed or rehabilitated, often in conjunction with The City of New York Department of Housing Preservation and Development (“HPD”) and other lender loan programs.

B. *Low-Income Affordable Marketplace Program.* The Low-income Affordable Marketplace Program (“LAMP”) finances the creation of predominately low-income housing using tax-exempt bonds and as of right 4% tax credits with 10% to 30% of the project reserved for formerly homeless households. LAMP allows the direct infusion of subsidy from the Corporation’s reserves. The funds are advanced during construction and remain in the project through the term of the permanent mortgage loan. During construction, the funds bear interest at 1%. While in the permanent phase, the funds must at least bear interest at 1%, but may provide for amortization, depending on the particular project.

C. *Mixed Income.* Under the Mixed-Income Program, HDC combines the use of credit enhanced variable rate, tax-exempt private activity bonds with subordinate loans funded from the Corporation’s reserves to finance mixed-income multi-family rental housing. Typically, the developments reserve 50% of the units for market rate tenants, 30% of the units for moderate to middle income tenants and 20% of the units for low income tenants.

B. *New Housing Opportunities Program.* The Corporation has established a New Housing Opportunities Program (“New HOP”) to make construction and permanent mortgage loans for developments intended to house low and moderate income tenants. The developments also receive subordinate loans from the Corporation. The first mortgage loans under New HOP have been, or are expected to be, financed by the proceeds of obligations issued under the Housing Revenue Bond Program. See “Section B—Housing Revenue Bond Program” in PART I—BOND PROGRAMS above.

² This project was also financed under the “Multi-Family Rental Housing Revenue Bonds – Rental Projects; Fannie Mae or Freddie Mac Enhanced” Program as described in Section A above.

III. OTHER LOAN PROGRAMS. In addition to funding mortgage loans, the Corporation funds loans not secured by a mortgage under various programs, including the programs described below.

A. *New Ventures Incentive Program.* The Corporation participated in the New Ventures Incentive Program (“NewVIP”), a multi-million dollar public-private partnership between the City and member banks established in the fall of 2003. The Corporation originated three NewVIP loans, two of which have been repaid.

B. *Other.* Among other programs, the Corporation has funded a loan to finance the construction of military housing at Fort Hamilton in Brooklyn, New York secured by notes and financed through the issuance of bonds. The Corporation has funded a loan to the New York City Housing Authority (“NYCHA”) to provide funds for modernization and to make certain improvements to numerous various public housing projects owned by NYCHA in the City. The Corporation has provided interest-free working capital loans to not-for-profit sponsors of projects through HPD’s Special Initiatives Program. The proceeds of such loans are used for rent-up expenses and initial operation costs of such projects. The Corporation also has provided interim assistance in the form of unsecured, interest-free loan to the Neighborhood Partnership Housing Development Fund Company, Inc. to fund certain expenses associated with HPD’s Neighborhood Entrepreneurs Program.

IV. LOAN SERVICING. The Corporation services the majority of its own loans and also services loans for others. Such loan servicing activities, which are described below, relate to over 1,351 mortgage loans with an approximate aggregate face amount of \$8.3 billion.

A. *Portfolio Servicing.* The Corporation acts as loan servicer in connection with the permanent mortgage loans made to approximately 574 developments under its bond, mortgage loan and other loan programs (including its Housing Revenue Bond Program) in the approximate aggregate face amount of \$3.9 billion.

B. *HPD Loan Servicing.* The Corporation acts as loan servicer in connection with certain construction and permanent housing loan programs of HPD pursuant to several agreements with HPD. As of July 31, 2006, the Corporation was servicing construction and permanent loans made to approximately 566 developments in the approximate aggregate face amount of \$1.9 billion.

C. *Loan Servicing Monitoring.* In addition to the Corporation’s loan servicing activities, the Corporation monitors the loan servicing activities of other servicers who service approximately 211 mortgage loans made under the Corporation’s various bond, mortgage loan and other loan programs in the approximate aggregate face amount of \$2.5 billion.

PROPOSED FORM OF OPINION OF BOND COUNSEL TO THE CORPORATION

Upon delivery of the 2006 Bonds, Hawkins Delafield & Wood LLP, Bond Counsel to the Corporation, proposes to issue its approving opinion in substantially the following form:

NEW YORK CITY HOUSING
DEVELOPMENT CORPORATION
110 William Street
New York, New York 10038

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance of \$24,000,000 Multi-Family Mortgage Revenue Bonds (Spring Creek Apartments I and II), 2006 Series A (the “2006 Bonds”) of the New York City Housing Development Corporation (the “Corporation”), a corporate governmental agency, constituting a public benefit corporation created and existing under and pursuant to the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law (Chapter 44-b of the Consolidated Laws of New York), as amended (the “Act”).

The 2006 Bonds are authorized to be issued pursuant to the Act and the Multi-Family Mortgage Revenue Bonds (Spring Creek Apartments I and II) Bond Resolution of the Corporation, adopted November 9, 2006 (herein called the “Resolution”). The 2006 Bonds are being issued for the purpose of financing the Mortgage Loan (as defined in the Resolution).

The 2006 Bonds are dated, mature, are payable, bear interest and are subject to redemption as provided in the Resolution.

The Corporation is authorized to issue other Bonds (as defined in the Resolution), in addition to the 2006 Bonds, for the purposes and upon the terms and conditions set forth in the Resolution, and such Bonds, when issued, shall, with the 2006 Bonds and with all other such Bonds theretofore issued, be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

We have not examined nor are we passing upon matters relating to the real and personal property referred to in the Mortgage, nor are we passing upon the Loan Agreement, the Mortgage or the other Mortgage Documents or the Assignment (as such terms are defined in the Resolution). In rendering this opinion, we have assumed the validity and enforceability of the Loan Agreement, the Mortgage and the other Mortgage Documents and the Assignment.

Upon the basis of the foregoing, we are of the opinion that:

1. The Corporation has been duly created and validly exists as a corporate governmental agency constituting a public benefit corporation, under and pursuant to the laws of the State of New York (including the Act), and has good right and lawful authority, among other things, to finance the Mortgage Loan, to provide sufficient funds therefor by the adoption of the Resolution and the issuance and sale of the 2006 Bonds, and to perform its obligations under the terms and conditions of the Resolution, including financing the Mortgage Loan, as covenanted in the Resolution.
2. The Resolution has been duly adopted by the Corporation, is in full force and effect, and is valid and binding upon the Corporation and enforceable in accordance with its terms.

3. The 2006 Bonds have been duly authorized, sold and issued by the Corporation in accordance with the Resolution and the laws of the State of New York (the “State”), including the Act.

4. The 2006 Bonds are valid and legally binding special revenue obligations of the Corporation payable solely from the revenues, funds or moneys pledged for the payment thereof pursuant to the Resolution, are enforceable in accordance with their terms and the terms of the Resolution, and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

5. The Bonds, including the 2006 Bonds, are secured by a pledge in the manner and to the extent set forth in the Resolution. The Resolution creates the valid pledge of and lien on the Revenues (as defined in the Resolution) and all the Accounts (other than the Rebate Fund) established by the Resolution and moneys and securities therein, which the Resolution purports to create, subject only to the provisions of the Resolution permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Resolution.

6. Pursuant to the Resolution, the Corporation has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to finance the Mortgage Loan, subject to the requirements of the Resolution with respect thereto.

7. The 2006 Bonds are not a debt of the State or The City of New York and neither is liable thereon, nor shall the 2006 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged for the payment thereof.

8. Under existing statutes and court decisions, (i) interest on the 2006 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), except that no opinion is expressed as to such exclusion of interest on any 2006 Bond for any period during which such 2006 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with the proceeds of the 2006 Bonds or a “related” person, and (ii) interest on the 2006 Bonds, however, is treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code. In rendering this opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagor (as defined in the Resolution) and others, in connection with the 2006 Bonds, and we have assumed compliance by the Corporation and the Mortgagor with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2006 Bonds from gross income under Section 103 of the Code. In addition, under existing statutes, interest on the 2006 Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

We express no opinion regarding any other Federal or state tax consequences with respect to the 2006 Bonds. We render our opinion under existing statutes and court decisions as of the issue date, and we assume no obligation to update our opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation or otherwise. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2006 Bonds, or the exemption of interest on the 2006 Bonds from personal income taxes under state and local tax law.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2006 Bonds and the Resolution may be limited by bankruptcy, insolvency and other laws affecting creditors’ rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2006 Bond and in our opinion the form of said Bond and its execution are regular and proper.

Very truly yours,
