Report of Independent Accountants

The Members of the
New York City Housing Development Corporation

We have examined management's assertion, included in the accompanying *Report of Management on Compliance*, that the New York City Housing Development Corporation (the Corporation) complied with the servicing standards identified in Exhibit A (the specified minimum servicing standards) to the *Report of Management on Compliance*, as set forth in the Mortgage Bankers Association of America's *Uniform Single Attestation Program for Mortgage Bankers* (USAP) for the year ended October 31, 2016. Management is responsible for the Corporation's compliance with the specified minimum servicing standards. Our responsibility is to express an opinion on management's assertion about the Corporation's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Corporation's compliance with the specified minimum servicing standards and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Corporation's compliance with the specified minimum servicing standards.

In our opinion, management's assertion that the Corporation complied with the aforementioned specified minimum servicing standards for the year ended October 31, 2016 is fairly stated, in all material respects.

This report is intended solely for the information and use of management, the Members of the Corporation, and the Office of the State Comptroller of the State of New York and is not intended to be and should not be used by anyone other than these specified parties.

Report of Management on Compliance

January 30, 2017

We, as members of management of the New York City Housing Development Corporation (the Corporation), are responsible for complying with the minimum servicing standards identified in the attached Exhibit A (the specified minimum servicing standards) as set forth in the Mortgage Bankers Association of America's *Uniform Single Attestation Program for Mortgage Bankers* (USAP). We also are responsible for establishing and maintaining effective internal control over compliance with the specified minimum servicing standards. We have performed an evaluation of the Corporation's compliance with the specified minimum servicing standards as of October 31, 2016 and for the year then ended. Based on this evaluation, we assert that as of October 31, 2016 and for the year then ended, the Corporation complied with the specified minimum servicing standards and had in effect fidelity bonds in the amount of \$3 million and is self-insured for errors and omissions.
