Report of Independent Auditors

Management and the Members of the
New York City Housing Development Corporation

Report on the Financial Statements

We have audited the accompanying financial statements of the New York City Housing Development Corporation (the “Corporation”), a component unit of the City of New York, as of and for the year ended October 31, 2017, and the related notes to the financial statements, which collectively comprise the Corporation’s basic financial statements as listed in the table of contents.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of October 31, 2017 and the changes in financial position and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

Other Matters

Report on Summarized Comparative Information

We have previously audited the Corporation's 2016 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 30, 2017. In our opinion, the summarized comparative information presented herein as of and for the year ended October 31, 2016 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Required Supplementary Information

U.S. generally accepted accounting principles require that Management's Discussion and Analysis, the Schedule of Changes in the Net OPEB Liability and Related Ratios, the Schedule of the Corporation's OPEB Contributions, the Schedule of the Corporation's Proportionate Share of the Net Pension Liability and the Schedule of the Corporation's Pension Contributions to the New York City Employees' Retirement System, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

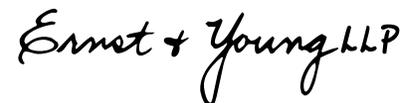

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Corporation's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we also have issued our report dated January 29, 2018 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

NEW YORK CITY HOUSING DEVELOPMENT CORPORATION
Management's Discussion and Analysis
Year Ended October 31, 2017

INTRODUCTION

The New York City Housing Development Corporation (“HDC” or the “Corporation”) is a State public benefit corporation created pursuant to Article XII of the New York State Private Housing Finance Law that finances affordable housing in New York City. HDC issues tax-exempt and taxable debt and uses the proceeds along with other monies of the Corporation to make loans to finance new residential construction and the rehabilitation of existing multi-family housing. HDC, which is financially self-supporting, also lends its own internally-generated funds for these purposes. All of these activities are reported in the financial statements under the heading “Housing Development Corporation.”

HDC currently has two active subsidiaries that are presented as blended component units in the financial statements. The New York City Residential Mortgage Insurance Corporation (“REMIC”) insures residential mortgages in New York City. The New York City Housing Assistance Corporation (“HAC”) made mortgage loans for affordable housing in the 1980s. Presently, it provides rental subsidy assistance to one residential development.

The Corporation’s annual financial report consists of four parts: *management’s discussion and analysis*, the basic *financial statements*, *required supplementary information*, which includes the Schedule of Changes in the net Postemployment Benefit Other Than Pensions (“OPEB”) Liability and Related Ratios, the Schedule of the Corporation’s OPEB Contributions, the Schedule of the Corporation’s Proportionate Share of the Net Pension Liability, and the Schedule of the Corporation’s Contributions, and *supplementary information*, which includes the Schedule of Net Position and Schedule of Revenues, Expenses and Changes in Net Position for the Housing Revenue Bond Program and the Multi-Family Secured Mortgage Revenue Bond Program. This follows directly after the notes to the financial statements.

This section of the Corporation’s annual financial report presents our discussion and analysis of the Corporation’s financial performance during the fiscal year that ended on October 31, 2017. This period is also referred to as Fiscal Year 2017. Data is presented for the primary governmental entity HDC only. Reported amounts have been rounded to facilitate reading.

OVERVIEW OF THE FINANCIAL STATEMENTS

The Corporation is a self-supporting entity and follows enterprise fund reporting. An enterprise fund reports activity that is financed with debt that is secured solely by a pledge of the net revenue from that activity as well as activity that is not supported by taxes or similar revenues. HDC’s financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. The accrual basis of accounting matches revenues and expenses to the time period in which they are earned or attributable, respectively, which may differ from the period in which the associated cash is received or expended.

Enterprise fund statements offer short-term and long-term financial information about the Corporation’s activities. While detailed sub-fund information is not presented in the

Corporation's financial statements, separate accounts are maintained for each bond issue and component unit, as well as the Corporation's general operating fund, known as the Corporate Services Fund. These sub-funds permit HDC to control and manage money for particular purposes and to demonstrate that the Corporation is properly using specific resources. In addition, HDC also services construction and permanent loans on behalf of New York City's Department of Housing Preservation and Development ("HPD").

CORPORATE AND FINANCIAL HIGHLIGHTS

During Fiscal Year 2017, HDC's financial activities, in continued support of the *Mayor's Housing New York Plan*, provided financing on twenty-five new bonded mortgages with senior loans for new construction and preservation projects. The senior loans were financed with a combination of new bond issuances and recycled loan prepayments. The total commitments on bonded loans were approximately \$1.1 billion. The Corporation also committed \$325.6 million in subsidy loans funded with a combination of corporate reserves and repayments from The City of New York for the Stuyvesant Town-Peter Cooper Village loan made on behalf of the City in December 2015.

In fiscal year 2017, the Corporation originated approximately \$126.8 million in senior and subordinate mortgages as part of its Mitchell-Lama restructuring program, ("MLRP"). The mortgages were funded with a combination of taxable bonds and corporate reserves. The MLRP offers a low cost solution to the capital needs facing an aging portfolio while requiring a long-term commitment to remain in the program and continuing to make available hundreds of affordable housing units.

As a means of reducing interest rates on affordable housing, HDC sells a participating interest in certain mortgage loans that are in its FHA Risk Sharing portfolio to the Federal Financing Bank ("FFB"). In July 2017, HDC closed one additional mortgage loan participation interest with the FFB in the amount \$103.0 million. To date, HDC has sold participating interests in five mortgage loans under the FHA Risk-Share program. At October 31, 2017, the total amount outstanding under the FFB loan participating financing program was \$202.0 million.

HDC also funded mortgages using the "Back to Back" structure, whereby Citibank, N.A. ("Citibank") issued tax exempt funding loans to the Corporation and HDC used the proceeds to fund mortgages to the developments. In fiscal year 2017, one new mortgage loan was closed using this loan structure for \$55.5 million. As of October 31, 2017, nine developments have been financed by this funding source with outstanding mortgage balances of \$268.8 million.

In fiscal year 2017, the Corporation's net position increased by \$204.8 million or 9.07%. Operating revenues were \$421.6 million, an increase of \$23.9 million or 6.0%. Operating expenses were \$321.6 million, an increase of \$28.4 million or 9.69%. Non-operating revenues increased by \$81.2 million. Non-operating revenues are comprised of two main components, investment income and grant revenues.

CONDENSED STATEMENT OF NET POSITION

The condensed statement of net position presents the Corporation's assets, deferred outflows of resources, liabilities, deferred inflows of resources, and net position as of October 31, 2017 and 2016. The following table represents the changes in the primary entity, HDC's, net position between October 31, 2017 and 2016 and should be read in conjunction with the financial statements. (Dollar amounts are in thousands):

Assets of the Corporation

Assets consist largely of the following: cash and investments from bond proceeds, debt service and other reserves, funds designated for various housing programs, mortgage loans, and other assets which include participation interests in cash flows from pools of mortgage loans, housing-related notes receivable and purpose investments. At October 31, 2017, HDC's total assets were \$16.1 billion, an increase of 11.85% from fiscal year 2016. The increase was due to the robust mortgage lending and bond financing activities in the fiscal year. In fiscal year 2016, total assets were \$14.4 billion, an increase of \$65.9 million or 0.46% from fiscal year 2015.

Cash and Investments: The Corporation ended the fiscal year with \$4.1 billion in cash and investments. Other than collateralized and purpose investments, investments were recorded at fair value. Approximately \$2.2 billion of that balance was un-advanced construction loan monies already committed to fund mortgage loans that have already closed. Cash and investments under management increased by a net of \$744.4 million from a year ago. This was mainly the result of the Corporation's bond financing and operating activities. New money raised this fiscal year exceeded \$1.7 billion. Bond issuances and other financings, net of bonds and other obligations principal repayments, netted \$773.7 million cash for the fiscal year.

Mortgage Loans: Mortgage loans comprised 66.51% of the Corporation's total assets. The mortgage loan portfolio at the end of the fiscal year was \$10.7 billion, an increase of \$991.7 million or 10.20% from the previous year. At October 31, 2016, the mortgage loan portfolio was \$9.7 billion. During fiscal year 2017, mortgage loan activities included advances of approximately \$1.5 billion and principal loan repayments of \$647.2 million. Mortgage loans assigned to the Corporation via purchase and sale agreements totaled \$81.6 million.

Loan Participation Receivable: Loan participation receivable at October 31, 2017 was \$595.7 million, a decrease of \$8.8 million from \$604.5 million a year ago. The Corporation generates loan participation income from prepayments of loans in its MLRP. Under the MLRP, the Corporation preserves affordable housing units by refinancing the developments' existing mortgages. In fiscal year 2017, four mortgages under the MLRP, with second mortgages owned by HDC (with the City retaining a residual interest) were either paid off or restructured.

Notes Receivable: Notes receivable was \$626.2 million, up from \$624.4 million in 2016. The Corporation has two outstanding notes receivable that relate to the bonds issued for a military housing development at Fort Hamilton ("Military Housing") and a Capital Fund ("Capital Fund Note") financing for the New York City Housing Authority ("NYCHA"), with outstanding balances of \$44.4 million and \$581.8 million, respectively. The net increase of \$1.8 million is comprised of loan advances of \$36.8 million for NYCHA Capital Fund notes and loan repayments of \$35.0 million. The Military Housing notes are secured by pledged revenues of the development and the NYCHA Capital Fund notes are secured by payments from the United States Department of Housing and Urban Development ("HUD").

Accrued Interest: Interest receivable increased from \$47.3 million at October 31, 2016 to \$58.3 million at October 31, 2017. The 23.26% increase was due to an increase in the mortgage loan portfolio outstanding balance.

Other Receivables: Other receivables were \$33.2 million, down by \$36.7 million from \$69.9 million at October 31, 2016. This decrease was primarily due to the receipt of \$37.2 million that was due from the Battery Park City Authority (“BPCA”). Other receivables also included servicing fees billed on loans serviced for others which increased by \$1.2 million and a decrease of \$0.7 million on other HDC loan related receivables.

Interest Rate Swaps: The Corporation entered into various interest rates swap contracts as a means of mitigating its exposure to its variable rate debt. At October 31, 2017, the net change of \$8.5 million in the fair value was recorded as an asset offset by a deferred inflow.

Capital and Other Assets: Other assets decreased \$4.8 million. This decrease was mainly due to a net \$4.3 million decrease in a receivable due to the Corporation arising from rental subsidy payments from the HAC subsidiary. Additionally, there was a \$0.6 million decrease relating to the amortization on 2011 participation interest cash flow and a slight decrease in capital assets.

Deferred Outflows of Resources

Deferred outflows of resources (deferred outflows) were \$10.9 million at October 31, 2017, a decrease of \$0.8 million from October 31, 2016 when deferred outflows were \$11.7 million. Deferred outflows consist of (a) the loss incurred on the early retirement of debt due to an advance refunding in 2013, (b) interest rate caps purchased to mitigate the Corporation’s exposure to its variable rate bonds in its General Resolution, (c) deferred outflows related to the pension plan and (d) deferred outflows related to the OPEB plan. In fiscal year 2017, the amount amortized on the deferred loss was \$0.7 million. During the year, the Corporation purchased an additional interest rate cap for \$0.3 million. The fair value of the outstanding interest rate caps were \$1.3 million. Included in deferred outflows related to the pension plan is the net difference between projected and actual earnings on the pension plan investments, the change in assumptions and the change in proportion related to the Corporation’s pension liability as calculated by the New York City Office of the Actuary (“NYCOA”). There was a net change of \$1.4 million in pension related deferred outflows. In fiscal year 2017, HDC adopted GASB Statement No. 75, “*Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions.*” HDC reported deferred outflows of resources of \$1,062,000 related to OPEB in fiscal year 2017.

Liabilities of the Corporation

Total liabilities were \$13.7 billion at October 31, 2017, an increase of \$1.5 billion or 12.28%. At October 31, 2016, total liabilities were \$12.2 billion. Liabilities are grouped into three main categories. The largest are HDC Bonds Payable and Debt Obligations, net, which were approximately \$10.9 billion, and accounted for approximately 79.70% of total liabilities. The second largest category is Payable to The City of New York. This includes funds received under Section 661 of the Private Housing Finance Law (“Section 661”) to make loans on behalf of the City acting through HPD. Other payables to the City include loans administered on behalf of HPD and other loans which will ultimately revert to the City pursuant to various loan

participation and other agreements. These include loan assets which are currently held by HDC and pledged to pay HDC bonds. These loans are transferred back to the City when the related bonds are retired. The last category of liabilities includes Payable to Mortgagors, Accounts and Other Payables, and Unearned Revenues. The Payable to Mortgagors funds are held and administered by HDC but are the property of others, such as escrows held by HDC in the course of its loan servicing functions.

Bonds Payable and Debt Obligations: Bonds and outstanding debt obligations were \$10.9 billion at October 31, 2017, an increase of \$769.5 million. At October 31, 2016, bonds and outstanding debt obligations were \$10.1 billion. In fiscal year 2017, HDC issued 26 new bond series for a total of \$1.5 billion. “Back to Back” draws during fiscal year 2017 totaled \$160.8 million. In fiscal year 2017, HDC closed on one new certificate of participation with the FFB on a mortgage included in the Corporation’s FHA Risk Sharing Program for a total of \$103.0 million. In addition, \$10.7 million was drawn down on a previously issued series. Total proceeds raised this fiscal year were \$1.7 billion. Repayments this fiscal year amounted to \$965.5 million. The Corporation’s scheduled debt service principal payments this fiscal year were \$192.8 million and redemptions were \$763.8 million. In addition, there was \$7.7 million in debt obligation redemptions and \$1.2 million of FFB repayments. (See Note 10: “Bonds Payable and Debt Obligations”)

Interest Payable: Accrued interest payable increased by \$7.4 million to \$104.9 million at October 31, 2017 from \$97.5 million in 2016. This increase was primarily due to rising interest rates and the 7.61% increase in bonds and other debt obligations outstanding.

Payable to The City of New York: Payable to The City of New York at October 31, 2017 was \$1.8 billion a net increase of \$691.8 million from 2016. Payable to the City is grouped into three categories for reporting purposes: loan participation agreements, HPD grant programs such as Section 661 and other. The City loan participation program had an outstanding balance of \$595.7 million, a net decrease of \$8.8 million resulting from payoffs and restructurings of mortgages in the MLRP and credit facilities fees due to HDC on the City mortgage loan sale program. The second category, HPD grant program Section 661 had an outstanding balance of \$803.1 million, a net increase of \$516.3 million as a result of funds received in this fiscal year. Under the program, the City, acting through HPD, grants monies to the Corporation for making loans on its behalf to developments that are also financed by HDC. The Other Payable to The City of New York had a net increase of \$184.3 million. This category includes a net increase of \$91.2 million in loans assigned and serviced for the City. It also includes a net increase of \$93.1 million primarily from the City’s continued repayment of the Stuyvesant Town-Peter Cooper Village loan made by HAC on behalf of the City in December 2015.

Payable to Mortgagors: Payable to mortgagors was \$752.7 million at October 31, 2017, an increase of \$156.7 million from \$596.0 million in 2016. There was a net increase in escrows and reserve for replacement funds of \$88.9 million, resulting from funds held in the course of the Corporation’s loan servicing function. Community Development Block Grants (“CDBG”) and other funds held on behalf of mortgagors increased by \$77.8 million. Prepaid debt service, equity funds held and other decreased by \$10.0 million.

Accounts Payable: Accounts payable at fiscal year-end was \$23.4 million, down from \$169.2 million at October 31, 2016. The net decrease of \$145.8 million was mainly due to payments

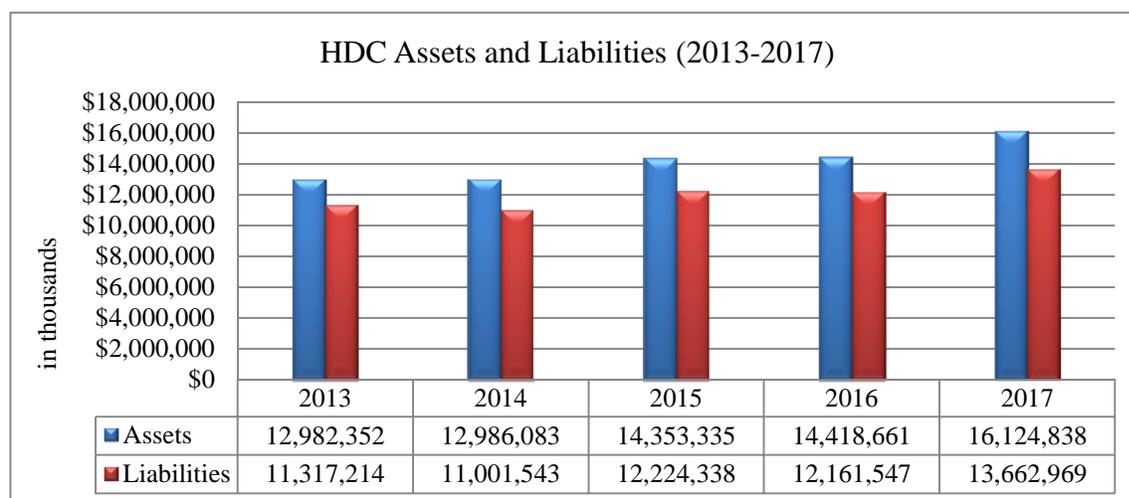

made by the Corporation on a construction loan participation agreement with Citibank. Under the agreement, Citibank funded mortgage advances on construction loans for a specified number of projects. In February 2017, the agreement expired and the balance due was paid in full. The Corporation paid to Citibank a net of \$152.4 million in principal and \$1.1 million in interest. Other accounts payable items primarily included bond issuance costs payable, credit enhancement fees and mortgage insurance premiums payable which increased by \$3.1 million. Payable to other lenders increased 4.6 million.

Net Pension and OPEB Liabilities: The accumulated amount of the Corporation’s net pension liability as calculated by the NYCOA was \$11.0 million as of October 31, 2017, a net decrease of \$1.9 million from 2016. Actual earnings on net pension plan assets were better than projected. As of November 1, 2016, HDC adopted GASB Statement No. 75 “*Accounting and Financial Reporting for Post Employment Benefits Other Than Pensions*”. The Corporation recorded a net OPEB liability of \$12.7 million as of October 31, 2017, an increase of \$1.6 million from \$11.1 million recorded at October 31, 2016. The increase consisted of the Corporation’s net obligation for the fiscal year, which includes normal cost, amortization of unfunded actuarial accrued liability (“UAAL”) and interest expense.

Unearned Revenues and Other Liabilities: Unearned revenues and other liabilities increased by \$14.5 million to \$110.8 million at October 31, 2017. There was a net increase of \$14.6 million mainly due to the receipt of construction and bond financing fees on mortgage closings which will be earned over the construction period of the related mortgages. Other unearned revenues including deferred guaranty and other fees received in advance, decreased by \$1.6 million due to amortization. Restricted earnings on investments increased by \$1.5 million.

Deferred Inflows of Resources

Deferred inflows of resources (deferred inflows) increased from \$1.6 million at October 31, 2016 to \$9.3 million as of October 31, 2017. The first deferred inflow is related to the fair value change on the interest rate swap agreements entered into by the Corporation. At October 31, 2017, the fair value was \$8.5 million in favor of HDC. The other deferred inflow is related to the Corporation’s pension liability, which represents the net difference between expected and actual investment earnings on pension plan investments and the difference between expected and actual experience as calculated by the NYCOA.

Net Position

Net position, the excess of assets and deferred outflows of resources over liabilities and deferred inflows of resources, totaled \$2.5 billion as of October 31, 2017. This represents an increase of \$204.8 million or 9.07% over the balance in the previous year. In 2016, net position increased by \$128.1 million. The \$204.8 million change includes \$100.0 million of net operating income, \$69.6 million from grants, \$24.9 million of investment income, net of the fair value adjustment and \$9.9 million from the purchase of loans from HAC.

Net position is classified as either restricted or unrestricted net position, with restricted net position being committed by law or contract for specific purposes. HDC's most significant restricted assets include debt service reserves for HDC bond issues and undisbursed bond proceeds held prior to construction advances. Unrestricted assets may be classified as designated or undesignated. Designated assets are those allocated by action or policy for specific purposes determined by HDC's Members, such as rating agency reserves (to support the Corporation's general obligation rating), specific housing loan programs to which the Corporation has committed resources under the Mayor's *Housing New York Plan* and working capital. Virtually all of the Corporation's net position is either restricted or designated. The following chart presents the comparative data of the Corporation's net position over the last five years:

Condensed Statement of Revenues, Expenses and Changes in Net Position

The condensed Statement of Revenues, Expenses and Changes in Net Position presents revenues recognized in and expenses attributed to the fiscal year ended October 31, 2017. The table below summarizes the primary entity, HDC's, revenues and expenses and presents comparative data. It should be read in conjunction with the financial statements. (Dollar amounts are in thousands):

	2017	2016	Change	Percent Change
Revenues				
Interest on Loans	\$342,577	\$306,193	\$36,384	11.88%
Fees and Charges	67,633	64,446	3,187	4.95
Income on Loan Participation Interests	8,996	21,735	(12,739)	(58.61)

Revenues of the Corporation are classified as operating and non-operating. Interest income from mortgages represents the Corporation's major source of operating revenue. It also includes various loan and bond program fees such as commitment, bond financing, mortgage insurance and servicing fees. The Corporation's non-operating revenues consist mostly of grants and earnings on investments and purpose investments. Investment income accrues to the benefit of the program for which the underlying sources of funds are utilized. Also reported separately as

part of non-operating revenues (expenses) is the amount of unrealized appreciation or (depreciation) on investments reported by the Corporation during the year.

HDC's expenses are also classified as operating and non-operating. Operating expenses consist primarily of interest on bonds, which accounted for 85.01% of operating expenses in fiscal year 2017. Other operating expenses include corporate operating expenses (salaries, overhead and depreciation) and fees. Non-operating expenses consist largely of the fair value adjustment of interest rate caps, loss on the early retirement of debt and the amortization of the capitalized value of a purchased cash flow.

RESULTS OF OPERATIONS

Revenues

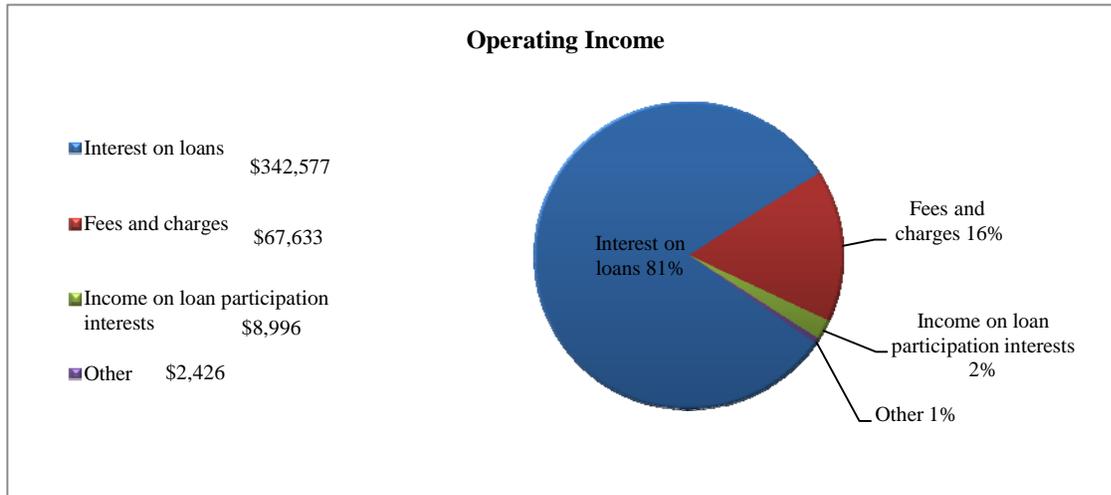

The Corporation had total revenues of \$526.4 million, an increase of \$105.1 million from a year ago. Operating revenues were \$421.6 million in 2017 compared to \$397.8 million in fiscal year 2016, an increase of \$23.9 million or 6.00%. Operating revenues were approximately 80.10% of total revenues in fiscal year 2017. Net operating income for the fiscal year was \$100.0 million. In fiscal year 2017, HDC recorded non-operating revenues of \$104.8 million, which included \$69.6 million from grants, \$24.9 million of net investment earnings and \$9.9 million resulting from the purchase of loans from HAC.

Interest on Loans: Interest on loans, the largest component of operating revenues, was \$342.6 million, an increase of \$36.4 million or 11.88% from 2016. In fiscal year 2016, interest on loans was \$306.2 million, an increase of 13.20% from fiscal year 2015. The increase in 2017 was a result of the higher mortgage and notes receivables balances as a result of the Corporation's mortgage closings in the year.

Fees and Charges: Fees and charges, which are mainly comprised of loan origination and servicing related fees, was \$67.6 million in 2017, an increase of \$3.2 million from 2016. Commitment fees were higher by \$5.3 million as a result of \$1.1 billion in bonded mortgage loans closed this year. There were also increases in deferred construction financing fees directly related to the loan closings. Loan satisfaction fees this fiscal year were \$3.1 million compared to \$7.1 million in 2016 when there were more prepayments of loans in the Corporation's conduit debt financing program.

Income on Loan Participation Interests: Loan participation income in fiscal year 2017 was \$9.0 million, compared to \$21.7 million the previous year. Loan participation income is driven by prepayments of second mortgage loans in the MLRP. In fiscal year 2017, there were partial or full prepayments of four mortgages in the MLRP compared to five in 2016, the prepayment amount was higher in the previous year.

Other Income: Other income in fiscal year 2017 was \$2.4 million compared to \$5.4 million in 2016. Other income is mainly comprised of a receivable setup for debt service on the NYCHA Capital Fund Grant program bonds (“NYCHA Bonds”), income on mortgage participations, and administrative fees on the CDBG related loans. The NYCHA bonds debt service is paid semiannually by HUD. In fiscal year 2017, the receivable was lower by \$3.1 million offset by higher loan interest accrued as a result of the funds that were advanced.

Expenses

Operating expenses in fiscal year 2017 were \$321.6 million, an increase of \$28.4 million or 9.69% compared to the previous year, when operating expenses amounted to \$293.2 million. This increase was mainly attributable to bond interest expense due to the Corporation’s issuances during the year and rising interest rates on variable rate bonds. There were decreases in trustee and other fees, and debt issuance costs. Corporate operating expenses were up by \$1.1 million.

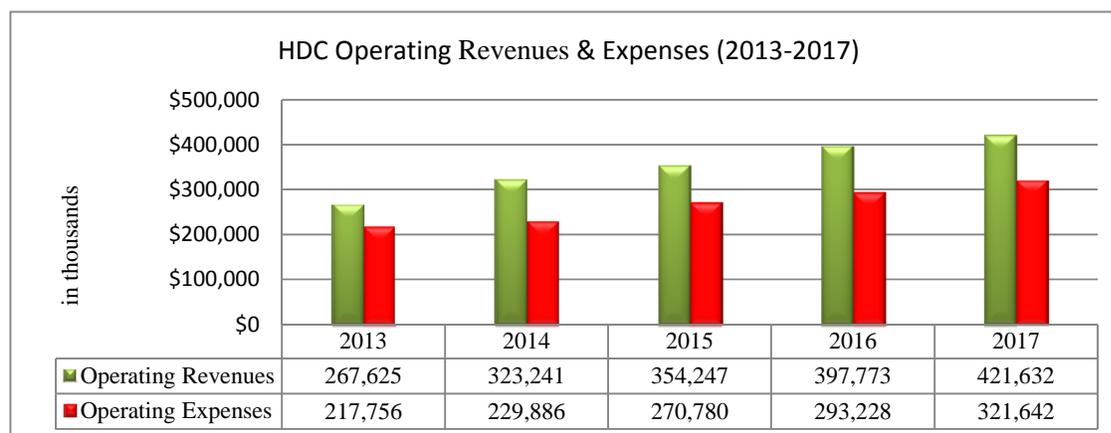

Bond Interest and Amortization: Interest expense constituted 85.01% of the total operating expenses. Total interest, net of amortization, was \$274.5 million. This included bond interest of \$261.8 million for fiscal year 2017 compared to \$233.1 million for fiscal year 2016. The Corporation’s interest expense on its “Back to Back” debt obligation portfolio increased by \$6.2 million this fiscal year as the outstanding balance increased from \$154.7 million to \$307.8 million. Interest on the FFB loan participation agreements also increased by \$1.3 million, as one new loan was added to the portfolio in 2017 in the amount of \$103.0 million.

Salaries and Related Expenses: Salaries and related expenses were \$23.1 million in fiscal year 2017, a decrease of \$2.5 million from \$25.6 million in fiscal year 2016. Actual payroll expenses decreased primarily due to vacancies. In addition, there was a decrease of \$1.8 million in the net pension liability resulting from the difference between expected and actual pension plan investments. OPEB expense increased as a result of the effects of the adoption of GASB Statement No. 75, “Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions”.

Bond Issuance and Other Expenses: Trustees’ and other fees, bond issuance costs and corporate operating expenses decreased by \$3.9 million. Trustees’ and other fees decreased \$4.7

million, mainly due to the decrease in credit enhancement fees and loan servicing fees. Bond issuance costs were \$0.2 million less in this fiscal year. Corporate operating expenses increased from \$5.2 million to \$6.3 million, an increase of \$1.1 million.

The following chart presents the comparative data of the Corporation's operating revenues and expenses over the last five years:

Non-Operating Revenues (Expenses)

Earnings on Investments and Unrealized Losses: Earnings on investments are recognized as non-operating income. Investment income, including the fair market valuation adjustment of outstanding investments, decreased \$0.9 million from the prior year. Realized investment income was \$31.9 million, an increase of \$8.4 million from a year ago. The Corporation reported a \$7.0 million unrealized loss on investments this fiscal year compared to a \$2.3 million gain in fiscal year 2016.

Other Non Operating Revenues: Other non-operating revenues include \$69.6 million in 421-A Grant Revenue from the BPCA. Other non-operating revenues (expenses) also include \$9.8 million on the purchase by HDC of loans originated by HAC, \$0.6 million of amortization on the 2011 participation interests purchased cash flow, and \$0.4 million in pass-through related revenue on the City loan sale participation programs, all of which are offset by \$0.5 million of operating transfers from the Corporation's REMIC subsidiary.

Change in Net Position

Change in net position for fiscal year 2017 was \$204.8 million, up from \$128.1 million from the previous year. The increase was mainly due to the \$69.6 million of grant revenue from the 421-A Grant Revenue program with BPCA as well as Department of Justice settlement funds received from Goldman Sachs and Morgan Stanley for affordable housing programs.

DEBT ADMINISTRATION

At year-end, the Corporation had approximately \$10.9 billion of bond principal and debt obligations outstanding, net of discount and premium, an increase of 7.61% over the prior year. The following table summarizes the changes in bonds payable and debt obligations between October 31, 2016 and October 31, 2017. (Dollar amounts are in thousands):

	2017	2016	Percentage increase FY 2016 to 2017
Bonds Payable & Debt Obligations	\$10,881,457	\$10,111,986	7.61%

In fiscal year 2017, all variable rate demand obligations (“VRDO”) bond series were successfully remarketed and there were no bonds that were tendered to become Bank Bonds. Additional information about HDC’s debt is presented in Note 10 to the financial statements.

NEW BUSINESS

In fiscal year 2017, the Corporation issued 26 new taxable and tax-exempt bond series totaling \$1.5 billion. Included in this total were 23 series of Housing Revenue Bond Program bonds totaling \$1.4 billion, two series of Multi-Family Secured Mortgage Revenue Bonds totaling \$65.3 million and one Insured Mortgage Loan Pass-Through Bond Series for \$59.9 million. The Corporation also made low interest loans from its net position.

Subsequent to October 31, 2017, HDC issued additional bond series, debt obligations and a loan participation certificate with the FFB totaling \$515.0 million. (See Note 20: “Subsequent Events”)

CONTACTING THE CORPORATION’S FINANCIAL MANAGEMENT

This financial report is designed to provide a general overview of the Corporation’s finances and to demonstrate the Corporation’s accountability for the resources at its disposal. If you have questions about this report or need additional financial information, contact the Public Information Officer, New York City Housing Development Corporation, 110 William Street, New York, NY 10038. The Corporation also maintains information on its website at www.nychdc.com.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Note 1: Organization

The New York City Housing Development Corporation (the “Corporation” or “HDC”) is a corporate governmental agency constituting a public benefit corporation organized and existing under the laws of the State of New York (the “State”). The Corporation is also a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “Code”). The Corporation was established in 1971 under the provisions of Article XII of the Private Housing Finance Law (the “Act”) of the State and is to continue in existence for at least as long as bonds, notes or other obligations of the Corporation are outstanding.

The Corporation was created to encourage the investment of private capital through low-interest mortgage loans in order to increase the supply of safe and sanitary dwelling accommodations for families and persons whose need for housing accommodations cannot be provided by unassisted private enterprise. To accomplish its objectives, the Corporation is empowered to finance housing through new construction or rehabilitation and to provide permanent financing for multi-family residential housing. The Corporation finances significant amounts of its activities through the issuance of bonds, notes and debt obligations. The bonds, notes and debt obligations of the Corporation are not debts of either the State or The City of New York (the “City”).

Pursuant to Governmental Accounting Standards Board (“GASB”) Codification 2100, *Defining the Financial Reporting Entity*, the Corporation’s financial statements are included in the City’s financial statements as a component unit for financial reporting purposes.

Primary Government Entity

For the purpose of these financial statements, the Corporation is the primary government entity. Financial activity in HDC’s bond and loan programs and in its Corporate Services Fund are aggregated and reported in the financial statements under Housing Development Corporation. The Corporation sells bonds, administers bond proceeds and manages bond revenues and repayments in accordance with bond resolutions adopted by its Board Members (see Note 10: “Bonds Payable”). Bond proceeds are used to make loans and provide for related costs and reserves, and loan repayments are applied to pay principal and interest on the related bonds (see Note 4: “Mortgage Loans”; Note 5: “Notes Receivable”; and Note 6: “Loan Participation Receivable for The City of New York”). Corporation resources that are not pledged under or governed by a bond resolution are managed in the Corporate Services Fund. This fund accounts for (1) fees and earnings transferred from the bond and loan programs; (2) fees earned on loans serviced for HDC and for the City; (3) compliance monitoring fees; (4) income from Corporate Services Fund investments; (5) grant revenues; (6) payments of the Corporation’s operating expenses; and (7) loans made with corporate funds.

The Corporation currently has four blended component units, two of which are inactive.

The New York City Housing Assistance Corporation (“HAC”) and the New York City Residential Mortgage Insurance Corporation (“REMIC”) are active subsidiaries and together with HDC, the Housing New York Corporation (“HNYC”) and the Real Estate Owned Corporation comprise the reporting entity. HAC and REMIC have been included in the Corporation’s financial statements as

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

blended component units of HDC. All of these entities have been reported as component units because HDC's Members comprise all or a controlling majority of the Board for each entity and HDC's staff provides all services for each entity.

Component Units

(A) New York City Housing Assistance Corporation

HAC is a public benefit corporation established pursuant to Section 654-b of the Act as a subsidiary of the Corporation.

HAC is empowered to receive monies from any source, including, but not limited to, the Corporation, the City or the State, for the purpose of assisting rental developments to maintain rentals affordable to low and moderate-income persons for whom the ordinary operation of private enterprise cannot supply safe, sanitary and affordable housing accommodations. In order to accomplish this objective, HAC may transfer, lend, pledge or assign these monies to any rental development or assist the Corporation in financing such developments. As a subsidiary of HDC, HAC's functions are administered by the Corporation and its Board Members substantially overlap with HDC's Board Members, so it is reported as a blended component unit in HDC's financial statements.

(B) New York City Residential Mortgage Insurance Corporation

REMIC is a public benefit corporation established pursuant to Section 654-d of the Act as a subsidiary of HDC. REMIC is the successor entity to the New York City Rehabilitation Mortgage Insurance Corporation ("Old REMIC"), which was dissolved on January 27, 1993. REMIC has the authority to insure residential mortgage loans throughout the City in order to promote the preservation of neighborhoods which are blighted, are becoming blighted or may become blighted, to discourage divestment and encourage the investment of mortgage capital in such neighborhoods and to provide safe, sanitary and affordable housing accommodations to persons and families for whom the ordinary operations of private enterprise cannot supply such accommodations.

REMIC currently maintains two reserves; the Housing Insurance Fund and the Premium Reserve Fund. The Housing Insurance Fund can be used as a revolving fund solely for the payment of liabilities arising from housing insurance contracts issued by REMIC. The Housing Insurance Fund requirement (as of any particular date) is established by statute and must be in an amount equal to the aggregate of (i) one hundred percent of the insured amounts due and payable pursuant to housing insurance contracts, plus (ii) twenty percent of the insured amounts under housing insurance contracts other than insured amounts which are due and payable pursuant to (i) above, plus (iii) twenty percent of the amounts to be insured under REMIC's commitments to insure. The Housing Insurance Fund requirement at October 31, 2017 is \$71,192,000.

Any income or interest earned on the Housing Insurance Fund in excess of its respective requirements is transferred at least annually to the Premium Reserve Fund. The Premium Reserve Fund must also be maintained to provide for the payment of REMIC's liabilities arising from its operations, including liabilities arising from housing and mortgage insurance contracts. REMIC also maintains an Operating

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Fund for operation purposes. As a component unit of HDC, REMIC functions are administered by the Corporation. The Premium Reserve Fund and Operating Fund have a combined balance of \$51,105,000 at October 31, 2017. REMIC is a blended component unit because HDC's Members comprise a controlling majority of the Board and HDC's staff provides all services for REMIC.

(C) Real Estate Owned Corporation

The NYC HDC Real Estate Owned Corporation ("REO Subsidiary Corporation") was established under Section 654-a of the Act on September 20, 2004. The REO Subsidiary Corporation has the power to hold property whenever, in the sole discretion of the Corporation, it has become necessary to acquire a project in the case of sale under foreclosure or in lieu of foreclosure to effectuate the purposes of the Act. There was no activity undertaken by this subsidiary during fiscal year 2017, and did not have any assets or liabilities at October 31, 2017. The REO Subsidiary Corporation is treated as a blended component unit of HDC.

Inactive Component Unit

(D) Housing New York Corporation

The Housing New York Corporation is a public benefit corporation established pursuant to Section 654-c of the Act as a subsidiary of the Corporation. Authorization for the funding of the Housing New York Program ended on July 1, 1995. Consequently, HNYC can no longer issue bonds or notes to fund the Housing New York Program.

Upon repayment of all of the outstanding HNYC bonds on November 3, 2003, HNYC became an inactive subsidiary of the Corporation and its remaining funds were transferred out of HNYC. However, HNYC is not expected to be dissolved.

Note 2: Summary of Significant Accounting Policies

The Corporation follows the principles of fund accounting, with a sub-fund for each bond series, for the Corporate Services Fund, and for each component unit. Each fund's assets, liabilities and net position are accounted for as separate entities and follow enterprise fund reporting. Certain individual funds are aggregated into larger categories for the purpose of financial reporting. The accompanying financial statements are presented using the economic resources measurement focus and the accrual basis of accounting wherein revenues are recognized when earned and expenses when incurred. In its accounting and financial reporting, the Corporation follows the pronouncements of the GASB.

Other significant accounting policies are:

A. Revenue and Expense Recognition

The Corporation's operating revenues consist of earnings on loans and loan participation interests, fees and charges associated with both financing and servicing mortgages and loans, and other revenues that are received to cover the costs of raising capital. All other revenue, which is primarily investment

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

income and grant revenue are considered non-operating. Revenues are recognized when earned.

Operating expenses include bonding costs, expenses for administering the various bond resolutions, personnel expenses, corporate operating expenses, bond issuance and financing costs, and depreciation expense. The Corporation reports all other expenses, including distributions of first mortgage earnings to the City in connection with loan participations and the payment, if necessary, of mortgage loan principal receipts on bond payments, as non-operating expenses. Expenses are recognized as incurred.

Virtually all resources are either restricted or designated. Net position has been restricted in accordance with terms of an award, agreement or by state law. Designated net position is committed for specific purposes pursuant to HDC policy and/or Board directives (see Note 19: "Net Position" for more detailed information).

B. Cash Equivalents and Investments

Short-term bank deposits and investments with stated maturities of 90 days or less are reported as Cash and Cash Equivalents. All investments are reported at fair value, except for certificates of deposit and investment agreements. The Corporation's investment agreements, which can take the form of open time deposits or fixed repurchase agreements, are reported at an amount equal to principal and accrued interest.

Generally Accepted Accounting Principles ("GAAP") require that restricted assets be reported as non-current assets. In the case of cash equivalents and investments, this treatment generally causes restricted investments with maturities less than one year to be reported as non-current. However, to more accurately report the alignment of HDC's current liability for payment of bond principal and interest with funds available to satisfy these liabilities, HDC has included in Current Assets, the cash, cash equivalents and investments totaling \$457,600,000 at October 31, 2017, to cover the payment of bond principal and interest due in the following year.

C. Purpose Investments

As part of its financing activities, HDC has made three housing development loans that are secured by GNMA certificates rather than mortgages on the related properties. The GNMA certificates provide payments at such times and in such amounts as to fully repay the respective HDC loans, and are the only source of repayment for these loans. The GNMA certificates are treated under U.S. Treasury regulations as acquired program obligations. The GNMA certificates are classified in the financial statements as purpose investments and identified separately from other investments and restricted investments in the financial statements. However, interest earned on the GNMA certificates is included in investment income.

It is the Corporation's policy to record GNMA certificates at amortized cost, which amounted to \$29,783,000 and \$30,452,000 at October 31, 2017 and October 31, 2016, respectively. The fair value of these purpose investments amounted to \$29,812,000 and \$31,532,000 at October 31, 2017 and at October 31, 2016, respectively.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

D. Mortgage Loans

As part of the Corporation's major financing activities, mortgage loans are funded from bond and debt obligation proceeds and corporate reserves. The mortgage loans funded from bond proceeds and debt obligations are generally classified as restricted receivables because the loan repayments of all such loans are pledged to cover the debt service on the related bonds and obligations. The loans funded from corporate reserves are not restricted but designated for a specific purpose.

E. Earnings on Investments

Investment earnings on monies held for the City, project reserves for replacement and certain other project escrows are not reported as revenues; rather, they are reported as payable to the City or payable to mortgagors, respectively.

F. Allowance for Credit Losses

HDC's loans are underwritten according to standards the Corporation believes prudent and are closely monitored for payment and for management of the associated housing developments. In addition, many of the Corporation's mortgages have credit enhancements through letters of credit, mortgage insurance and other supports. Therefore, HDC believes that the likelihood of experiencing material credit losses relating to its bonded mortgage programs is remote. Management has determined that current charges against income are not required.

G. Summarized Financial Information

The basic financial statements include summarized comparative information as of and for the year ended October 31, 2016 in total but not by reporting unit. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Corporation's financial statements for the year ended October 31, 2016, from which the summarized information was derived (which are available from the Corporation and on its website).

H. Recent and Upcoming Accounting Pronouncements

Accounting Standards Issued and Adopted

GASB Statement No. 75 ("GASB No. 75"), *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, was issued in June 2015. The primary objective of this statement is to improve accounting and financial reporting by state and local governments for postemployment benefits other than pensions (other postemployment benefits or OPEB). It also improves information provided by state and local governmental employers about financial support for OPEB that is provided by other entities.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

This statement results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for all postemployment benefits (pensions and OPEB) with regard to providing decision-useful information, supporting assessments of accountability and interperiod equity, and creating additional transparency. This statement replaces the requirements of Statements No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, as amended, and No. 57, *OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans*, for OPEB. The scope of this statement addresses accounting and financial reporting for OPEB that is provided to the employees of state and local governmental employers. This statement establishes standards for recognizing and measuring liabilities, deferred outflows of resources, deferred inflows of resources, and expense/expenditures. For a defined benefit OPEB, this statement identifies the methods and assumptions that are required to be used to project benefit payments, discount projected benefit payments to their actuarial present value, and attribute that present value to periods of employee service. Note disclosure and required supplementary information requirements about defined benefit OPEB also are addressed. In addition, this statement details the recognition and disclosure requirements for employers with payables to defined benefit OPEB plans that are administered through trusts that meet the specified criteria and for employers whose employees are provided with defined contribution OPEB. This statement also addresses certain circumstances in which a non-employer entity provides financial support for OPEB of employees of another entity. In this statement, distinctions are made regarding the particular requirements depending upon whether the OPEB plans through which the benefits are provided are administered through trusts that meet the following criteria:

- Contributions from employers and non-employer contributing entities to the OPEB plan and earnings on those contributions are irrevocable.
- OPEB plan assets are dedicated to providing OPEB to plan members in accordance with the benefit terms.
- OPEB plan assets are legally protected from the creditors of employers, non-employer contributing entities, the OPEB plan administrator, and the plan members.

The statement is effective for fiscal years beginning after June 15, 2017. The Corporation elected early adoption of GASB No. 75 in its current fiscal year 2017 financial statements. The implementation of GASB No.75 resulted in an adjustment to salaries and related expenses in the amount of \$1.3 million for the year ended October 31, 2017.

Accounting Standards Issued and Not Yet Adopted

GASB Statement No. 83, *Certain Asset Retirement Obligations*, was issued in March 2016. The primary objective of this statement is to provide financial statement users with information about asset retirement obligations (ARO's) that were not addressed in GASB standards by establishing uniform accounting and financial reporting requirements for those obligations. The requirements of this statement apply to financial statements of all state and local governments. For purposes of applying this statement, an ARO is a legally enforceable liability associated with the retirement of a tangible capital asset (that is, the tangible capital asset is permanently removed from service). The retirement of a tangible capital asset encompasses its sale, abandonment, recycling, or disposal in some other manner; however, it does not encompass the temporary idling of a tangible capital asset. This statement also applies to legally enforceable liabilities of a lessor in connection with the retirement of its leased property if those

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

liabilities meet the definition of an ARO.

The statement is effective for fiscal years beginning after June 15, 2018. The Corporation is in the process of evaluating the impact of its adoption on the financial statements.

GASB Statement No. 84, *Fiduciary Activities*, was issued in January 2017. The primary objective of this statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. This statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Separate criteria are included to identify fiduciary component units and postemployment benefit arrangements that are fiduciary activities.

This statement describes four fiduciary funds that should be reported, if applicable: (1) pension (and other employee benefit) trust funds, (2) investment trust funds, (3) private-purpose trust funds, and (4) custodial funds. Custodial funds generally should report fiduciary activities that are not held in a trust or equivalent arrangement that meets specific criteria.

The statement is effective for fiscal years beginning after December 15, 2018. The Corporation is in the process of evaluating the impact of its adoption on the financial statements.

GASB Statement No. 85, *Omnibus 2017*, was issued in March 2017. The primary objective of this statement is to address practice issues that have been identified during implementation and application of certain GASB Statements. This statement addresses a variety of topics including issues related to blending component units, goodwill, fair value measurement and application, and postemployment benefits (OPEB). Among the various topics that may pertain to the Corporation's financial reporting include; blending a component unit in circumstances in which the primary government is a business-type activity that reports in a single column for financial statement presentation, measuring certain money market investments and participating interest-earning investment contracts at amortized cost, timing of the measurement of pension or OPEB liabilities and expenditures recognized in financial statements prepared using the current financial resources measurement focus, and classifying employer-paid member contributions for OPEB.

The statement is effective for fiscal years beginning after June 15, 2017. The Corporation is in the process of evaluating the impact of its adoption on the financial statements.

GASB Statement No. 86, *Certain Debt Extinguishment Issues*, was issued in May 2017. The primary objective of this statement is to improve consistency in accounting and financial reporting for in-substance defeasance of debt by providing guidance in which cash and other monetary assets acquired with only existing resources (resources other than the proceeds of refunding debt) are placed in an irrevocable trust for the sole-purpose of extinguishing debt. This statement also improves accounting and financial reporting for prepaid insurance on debt that is extinguished and notes to financial statements for debt that is defeased in substance.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

The statement is effective for fiscal years beginning after June 15, 2017. The Corporation is in the process of evaluating the impact of its adoption on the financial statements.

GASB Statement No. 87, *Leases*, was issued in June 2017. The primary objective of this statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities.

The statement is effective for fiscal years beginning after December 15, 2019. The Corporation is in the process of evaluating the impact of its adoption on the financial statements.

Note 3: Investments and Deposits

The Corporation is authorized to engage in investment activity pursuant to the Act and the Corporation's respective bond resolutions. Investment policies are set for the Corporation by the Members of the Corporation on an annual basis, through the annual adoption of written investment guidelines. Investments are reviewed on a periodic basis by the Corporation's Audit Committee. Day-to-day investment decisions are made by the Corporation's Investment Committee. The Corporation principally invests in securities of the United States and its agencies, open time deposits ("OTDs") in the form of investment agreements, demand accounts, and repurchase agreements. In fiscal year 2017, HDC continued investing in taxable municipal bonds of New York State and New York City, consistent with the Corporation's enabling statute and Investment Guidelines. The Corporation did not enter into any reverse repurchase agreements during the year ended October 31, 2017. The Corporation is not aware of any violations of any provisions of the foregoing policies.

All securities, other than securities held by the respective trustees for the benefit of the bondholders, were held by the Corporation or its agents in the Corporation's name. Bond program investments are held by the trustee of the applicable program.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

All investment transactions are recorded on the trade date. Investments, other than purpose investments, at October 31, 2017, were as follows:

Investment Type <i>(in thousands)</i>	Investment Maturities at October 31, 2017 (in Years)				
	2017	Less than 1	1-5	6-10	More than 10
Money Market and NOW Accounts	\$1,677,282	1,677,282	—	—	—
FHLMC Bonds	1,123,108	497,847	571,952	25,070	28,239
U.S. Treasury (Bonds, Notes, Bills)	374,023	370,200	3,823	—	—
Fixed Repurchase Agreements	196,253	196,253	—	—	—
NYS/NYC Municipal Bonds *	131,961	25,451	54,463	—	52,047
FNMA Bonds	131,258	—	64,671	66,587	—
Term Repurchase Agreements	112,891	—	112,891	—	—
FHLB	71,549	69,564	1,985	—	—
Total	\$3,818,325	2,836,597	809,785	91,657	80,286
Less amounts classified as cash equivalents	(1,790,232)	(1,790,232)	—	—	—
Total investments	\$2,028,093	1,046,365	809,785	91,657	80,286

*Note: Primarily taxable VRDO instruments which can be put weekly.

Total investments recorded on the Statement of Net Position at October 31, 2017 of \$2,371,193,000 is made up the following: (a) Investments recorded at fair value of \$2,028,093,000, (b) Certificates of Deposits in the amount of \$296,963,000 and (c) Open Time Deposits in the amount of \$46,137,000.

As required by GASB No. 31, the Corporation has recorded a fair value adjustment in its investment portfolio. HDC recorded a net depreciation of \$6,541,000 for the year ended October 31, 2017.

Under Statement No. 72, *Fair Value Measurement and Application*, HDC categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the assets. Level 1 inputs are quoted prices in active markets for identical assets, Level 2 inputs are significant other observable inputs, and Level 3 inputs are significant unobservable inputs.

The Corporation has the following recurring fair value measurements as of October 31, 2017:

- NYC/NYS Municipal securities of \$131,961,000 are valued using quoted market prices. (Level 1 inputs)
- U.S. Treasury securities of \$374,023,000 are valued based on models using observable inputs. (Level 2 inputs)
- U.S. Agency securities of \$1,325,915,000 are valued based on models using observable inputs. (Level 2 inputs)

In addition to the investments identified above, as of October 31, 2017 and 2016, the Corporation held \$13,982,000 and \$5,878,000, respectively, uninvested as cash in various trust and escrow accounts.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Interest Rate Risk: As a means of limiting its exposure to fair value losses arising from rising interest rates, the Corporation's Investment Guidelines charge the Investment Committee with "...determining appropriate investment instruments...based on...length of time funds are available for investment purposes..." among other factors. Thus, maturities are matched to the Corporation's liquidity needs. As part of the Corporation's investment policies, it looks to invest its bond and corporate related reserves in long term securities that carry a higher yield, with the intent to hold the investments to maturity.

Credit Risk: The Corporation's investment guidelines and policies are designed to protect principal by limiting credit risk. This is accomplished by making decisions based on a review of ratings, collateral, and diversification requirements that vary according to the type of investment.

As of October 31, 2017, investments in Federal National Mortgage Association ("FNMA" or "Fannie Mae"), Federal Home Loan Mortgage Corporation ("FHLMC" or "Freddie Mac") and Federal Home Loan Bank ("FHLB") were rated by Standard & Poor's and/or Moody's Investors Service (Fannie Mae, Freddie Mac and FHLB are collectively referred to as "Agency"). These ratings were AA+ and A-1+ by Standard & Poor's, and Aaa and P-1 by Moody's for long-term and short-term instruments, respectively. Investments in Fannie Mae, Freddie Mac and FHLB are implicitly guaranteed by the U.S. government. They carry ratings equivalent to the credit ratings for the U.S. government. Some investments were not rated by Fitch Ratings. Of the investments that were rated by Fitch Ratings, they carried ratings from AAA to F2. Money market accounts are either backed by collateral held by the provider or letters of credit provided by third parties.

Ratings for NYS/ NYC municipal bonds are based on each issuer's rating for its general obligation debt. The issuers' ratings ranged from AAA to A by Standard & Poor's; ranged from Aaa to Aa2 by Moody's; and AAA to AA by Fitch Ratings Service. Money Market, Open Time Deposits and Repurchase Agreements in the form of OTDs are not rated; however, the providers are rated.

Custodial Credit Risk: For investments, custodial credit risk is the risk that in the event of the failure of the counterparty, the Corporation will not be able to recover the value of its investments or collateral securities that are in the possession of the outside party. Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the Corporation, and are held by either the counterparty or the counterparty's trust department or agent but not in the name of the Corporation. The Corporation manages custodial credit risk by limiting its investments to highly rated institutions and/or requiring high quality collateral be held by the counterparty in the name of the Corporation.

As of October 31, 2017, \$30,093,000 of the total \$46,137,000 in open time deposits, repurchase agreements in the amount of \$309,144,000, demand accounts in the amount of \$1,472,538,000 and certificates of deposits in the amount of \$296,963,000 were collateralized by high quality instruments such as U.S. Treasury Notes, U.S. Treasury Bills, and Agency investments and Letters of Credits held by the Corporation's agent in the name of the Corporation. A portion of collateral supporting the demand accounts was in the form of FHLB letters of credit.

For deposits, custodial credit risk is the risk that in the event of a bank failure the Corporation's deposit may not be returned to it. HDC bank deposits amounted to \$20,068,000 at October 31, 2017, of which

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

\$19,225,000 was uninsured by the Federal Deposit Insurance Corporation (“FDIC”) and uncollateralized. Correspondingly, \$13,420,000 was secured in trust accounts, which are protected under state law and \$6,648,000 was held in Demand Deposit Accounts (“DDA”). HDC limits its deposits to highly rated institutions, and such deposits are either in trust accounts or partially insured through the FDIC. The maximum coverage of \$250,000 is available to depositors under the FDIC’s general deposit insurance rules. All of the Corporation’s funds held in the DDA are subject to this provision.

Concentration of Credit Risk: The Corporation follows its annually adopted investment guidelines in accordance with concentration limits and reviews its credit concentration monthly. The Corporation’s Credit Risk unit monitors concentration risk amongst issuers and reports regularly to the Members of the Corporation’s Audit Committee.

The following table shows issuers that represent 5% or more of total investments at October 31, 2017 (\$ in thousands):

Issuer	Dollar Amount	Percentage
FHLMC	\$1,123,108	26.80%
Signature Bank (*)	707,918	16.89
NY Community Bank (*)	628,540	15.00

**Note: Covered by FHLB securities and/or FHLB letter of credit collateral held at FHLB as the Corporation’s collateral agent.*

Note 4: Mortgage Loans

The Corporation had outstanding, under various loan programs, mortgage loans of \$10,716,729,000 and \$9,724,987,000 as of October 31, 2017 and 2016, respectively. These amounts represent the portion of mortgage loans for which the Corporation has advanced monies. Of the total loans outstanding above, \$476,779,000 of loans funded from corporate reserves were not restricted assets as they were not pledged to any specific bonds or under any bond resolutions. However, they are considered designated as defined under Note 19: Net Position. The portion of mortgage loans that have not yet been advanced is recorded as investments and amounted to \$2,174,675,000 and \$1,532,424,000 at October 31, 2017 and October 31, 2016, respectively (see Note 16: “Commitments”).

Changes in Mortgage Loans

The changes in Mortgage Loans are as follows:

Mortgage loans outstanding at October 31, 2016	\$9,724,987,000
Mortgage Advances	1,606,230,000
Mortgage Transfers from HAC Subsidiary	32,383,000
Principal Collections	(646,878,000)
Discount/Premium Amortized	7,000
Mortgage loans outstanding at October 31, 2017	\$10,716,729,000

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

(A) New York City Housing Development Corporation

(i) The HDC mortgage loans listed above were originally repayable over terms of 2 to 50 years and bear interest at rates from 0.25% to 10.36% per annum. Almost all mortgage loans receivable are collateralized by first or second mortgages on the property of the housing sponsors and contain exculpatory clauses with respect to the liability of the principals of such housing sponsors. The table above does not include loans which are not secured by mortgages, which include a military housing loan and a loan to the NYCHA, each of which are secured by notes (see Note 5: “Notes Receivable”), and loans secured by GNMA certificates (see Note 2C: “Purpose Investments”). Of the total HDC mortgages including those that are in the Mitchell-Lama programs held as of October 31, 2017, 74% are first mortgages and 26% are subordinate loans.

(ii) In fiscal year 2014, the Corporation entered into a new financing agreement with the FFB for selling beneficial ownership interests in mortgage loans originated by housing finance agencies and insured with mortgage insurance provided by the Federal Housing Administration (“FHA”) pursuant to a risk sharing agreement between FHA and such housing finance agency like the Corporation. The Corporation was selected to be the first housing finance agency to participate in this new Federal initiative to reduce the costs of capital for affordable housing. The Corporation acts as servicer of the loans and receives the monthly mortgage payments from the borrower as per the schedule of the Certificates of Participation. The monthly loan principal and interest payment will be remitted to the FFB as per the schedule of the Certificates of Participation.

During fiscal year 2017, HDC closed one additional loan participation agreement for the Stevenson Commons development. HDC sold a participating interest in this mortgage to the FFB in the amount of \$103,030,000. The mortgage loan participation program with the FFB had a balance of \$201,964,000 and \$100,163,000 at October 31, 2017 and October 31, 2016, respectively. For more details on the loans included in the FFB Loan Participation program (see Note 10: “Bonds Payable and Debt Obligations”).

(B) Housing Assistance Corporation

The Housing Assistance Corporation financed construction and capitalized interest costs for eight affordable housing projects during the period of 1986 to 1990. These loans, funded by the City, accrue interest at the rate of 0-1% per annum.

The cash flows from these loans were used to provide funding for City directed subsidy programs. Beginning in 2003, the cash flows from mortgage loan interest and the investment portfolio were not sufficient to meet the payment requirements for the subsidy program. HDC’s Members approved fund transfers from the Corporation to HAC for an amount at any one time not to exceed \$10,000,000 in total to cover the shortfall of payments required. HAC is obligated to repay to HDC when funds become available to HAC.

In order to continue to fund the City subsidy program for the project named Ruppert/Yorkville (“RY Subsidy Program”) and to repay HDC for the obligations, HAC’s Board Members approved the sale of the remaining five mortgage loans in the HAC loan portfolio to HDC at its meeting on September 19, 2017. The total outstanding balance on these loans at the time of the loan sale was \$32,400,000. The sale

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

raised \$23,800,000 for HAC. This amount represented the discounted value of the future cash flow on the purchased loans. A portion of the sale proceeds was used to repay HDC for outstanding obligations and the remainder should be sufficient to continue to provide funds for the RY Subsidy Program through 2022.

In fiscal year 2016, The City of New York requested that the Corporation help facilitate the implementation of the new affordable housing regime for Stuyvesant Town-Peter Cooper Village. On December 15, 2015, HDC and Wells Fargo Bank entered into a Participation Agreement whereby HDC funded a \$143,236,000 subordinate loan to the purchasers of Stuyvesant Town-Peter Cooper Village. The Corporation executed this transaction through its subsidiary HAC. This subordinate loan bears no interest and is forgiven at the rate of 1/20th per annum over its 20 year term. HDC will be reimbursed for this transaction pursuant to a memorandum of understanding with the City. In fiscal year 2017, \$7,162,000 of the Stuyvesant Town-Peter Cooper Village loan was forgiven according to the 20 year term stated in the Participation Agreement. As of October 31, 2017, the outstanding mortgage loan balance was \$136,074,000. As of October 31, 2017, HDC has received a total of \$91,185,000 in Stuyvesant Town fund reimbursements from the City.

In fiscal year 2017, a construction loan was closed for a project named BEC Continuum Resyndication. One building at 145 Hart Street, Brooklyn, New York, with a loan commitment in the amount of \$335,000 was financed by HAC. The mortgage loan had a balance of \$9,000 as of October 31, 2017.

The total loan outstanding balance in HAC was \$136,083,000 and \$171,841,000 at October 31, 2017 and October 31, 2016, respectively.

Note 5: Notes Receivable

HDC has loans outstanding that are secured by notes and pledged revenues. Military Housing Notes receivable of \$44,850,000 was received in connection with the 2004 Series A Class I & II Military Housing Revenue Bond (Fort Hamilton LLC Project) issuance. The notes are secured by pledged revenues of the development under a Master Trust Indenture. The interest rate on the mortgage loan is a blended rate of 6.32% which is equal to the bond interest rate. The interest on the mortgage is collected semi-annually on the debt service date. As of October 31, 2017, the outstanding Military Housing Notes Receivable was \$44,435,000.

During fiscal year 2013, notes receivable from NYCHA received in connection with the Corporation's 2005 Series A Capital Fund Program Revenue Bonds were replaced upon the issuance of the Corporation's 2013 Series A Capital Fund Program Revenue Bonds. As of October 31, 2017, the outstanding NYCHA Notes Receivable relating to the 2013 Series A Bonds was \$144,711,000.

In addition to the NYCHA Notes Receivable of the 2013 Series A Bonds, the Corporation also agreed to provide additional funds for a second note from NYCHA for the purpose of modernizing and making capital improvements at NYCHA projects across the City. The Corporation issued the 2013 Series B Capital Fund Program Revenue Bonds for this purpose. As of October 31, 2017, the outstanding NYCHA Notes Receivable relating to the 2013 Series B Bonds was \$437,052,000.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

The 2013 Series A and B Notes Receivables are secured by a first priority pledge of NYCHA's Capital Grant money provided by the United States Department of Housing and Urban Development ("HUD").

Note 6: Loan Participation Receivable for The City of New York

In fiscal year 2002, the Corporation acquired interests in two real estate mortgage investment trusts in connection with its housing activities. In addition, the Corporation entered into various agreements with the City whereby HDC sold bonds and used the bond proceeds to purchase from the City interests in various mortgage loans and pools of mortgage loans.

In each of fiscal years 2002 and 2003, HDC used bond proceeds from its Multi-Family Housing Revenue Bonds, 2002 Series D (the "2002 Series D Bonds"), and Multi-Family Housing Revenue Bonds, 2003 Series D (the "2003 Series D Bonds"), to purchase a subordinated position in a 100% participation interest in a portion of the cash flows from a pool of mortgage loans the City had previously securitized in 1996. This pool is known as the Sheridan Trust II and HDC's purchased asset is the Sheridan Trust II Class B Certificate. Upon completion of the 2003 transaction, HDC's participation interest covered all of the City's cash flows from the Sheridan Trust II. In September 2005, the senior lien interests were satisfied and HDC became the primary beneficiary of the Sheridan Trust II. At that time, therefore, the loan asset was added to HDC's statement of net position and was valued at its principal amount.

In 2006, the Corporation issued its Multi-Family Housing Revenue Bonds, 2006 Series A, which refinanced its 2002 Series D and 2003 Series D Bonds. On May 1, 2014, the 2006 Series A bonds were fully redeemed. Simultaneously, the Corporation issued the Multi-Family Housing Revenue Bonds, 2014 Series B-1 and 2014 Series B-2 (collectively, the "2014 Series B Bonds") to re-securitize the remaining underlying loan portfolio, which included the Sheridan Trust II Class B Certificate. At that time, the Sheridan Trust II had a balance of \$57,372,000. The Sheridan Trust II, along with the other remaining underlying loans under the 2006 Series A Bonds totaling \$246,698,000, were transferred to the 2014 Series B Bonds.

As of October 31, 2017, the balance in the Sheridan Trust II was \$28,801,000. This balance is included under "Loan Participation Receivable – The City of New York" which totaled \$595,743,000 at October 31, 2017. This total balance represents the excess face amount of collateral over the related bonds. In each case, the "Loan Participation Receivable - The City of New York" are pledged to the associated bonds but revert to the City when such bonds are retired (see Note 12: "Payable to The City of New York").

Note 7: Other Receivables

Other Receivables of \$33,167,000 represent mortgage related fees, servicing fees receivable, Corporate Services Fund loans not secured by mortgages on the properties, bond interest receivable from HUD, and interest and servicing fees receivable on Department of Housing Preservation and Development ("HPD") loans serviced (but not owned) by HDC.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

On March 29, 2010, The City of New York entered into a grant agreement with the Battery Park City Authority (“BPCA”) whereby the City is to receive funds from BPCA that exceed BPCA’s operating expenses over the next seven years. This amount was anticipated to be \$400,000,000. The City designated HPD and the Corporation to each receive \$200,000,000 of these funds to further the purpose of creating additional affordable housing in New York City.

On April 20, 2011, the Corporation entered into a “421-A Fund Agreement” with the City which further details the roles and responsibilities of the Corporation and HPD related to the use and reporting of the BPCA funds. The funds are intended to be used by HDC and HPD to address the availability of affordable housing in the City with priority given to the fifteen sub-borough areas with the highest percentage of households below the poverty line according to the most recent United States census bureau data.

The Corporation has received the full \$200 million contractual obligation from the BPCA. In addition, the Corporation also received \$79,364,000 in 2017 from the “Pay-as-You-Go” Capital Funds. As of October 2017, the Corporation received a total of \$89,357,000 and may receive additional 421-A funds from BPCA under the “Pay-as-You-Go” Capital funds as directed by the City.

Note 8: Other Non-Current Assets

On June 27, 2011, a trust created by the City was dissolved and the Corporation and the City entered into the 2011 Participation Agreement. The trust when created consisted of a pledge of the income from Interest Reduction Payment Contracts (“Section 236 Contracts”) from HUD on 32 developments. Under the 2011 Participation Agreement, the Corporation holds a 100% participation interest in the second mortgages and related Section 236 Contracts on the remaining properties. The Corporation paid the City \$10,266,000 as the purchase price, which represents the discounted value of the future cash flows (monthly interest reduction payments). During fiscal year 2017, \$603,000 was amortized and was recorded as a non-operating expense. The unamortized value of the 2011 Participation Interest was \$4,968,000 at October 31, 2017.

Note 9: Deferred Inflows/Outflows of Resources

(A) Interest Rate Caps

The Corporation uses interest rate caps to mitigate its exposure to rising interest rates on its variable rate debt. On October 16, 2017, the Corporation purchased an additional interest rate cap from U.S. Bank in the amount of \$259,000 covering \$39,825,000 of its 2017 Series A-2 floating rate debt.

New York City Housing Development Corporation
Notes to the Financial Statements
October 31, 2017

At October 31, 2017, the values of all the interest rate caps were:

Trade Date	Bonds	Current Notional Amount	Counterparty	Effective Date	Termination Date	Cap Strike	Cap Ceiling	Fair Value at 10/31/17
11/29/2005	2008 Series K, as well as similar outstanding variable rate bonds	\$166,130,000	Goldman	12/2/2005	11/1/2032	7.35%	14.85%	\$173,000
10/23/2014	2014 Series B-2, as well as similar outstanding variable rate bonds	50,000,000	PNC	11/1/2014	11/1/2033	4.50%	7.50%	769,000
7/30/2015	2002 Series C, as well as similar outstanding variable rate bonds	150,000,000	Barclays Bank	8/3/2015	11/1/2020	3.50%	8.00%	76,000
10/16/2017	2017 Series A-2, as well as similar outstanding variable rate bonds	39,825,000	U.S. Bank	2/1/2018	2/1/2023	3.25%	7.50%	244,000
Total Caps		\$405,955,000						\$1,262,000

(B) Interest Rate Swaps

HDC has entered into certain interest rate swap contracts to manage the risk associated with the variable rate bonds in its portfolio.

As of October 31, 2017, the fair value balances of the interest rate swaps were recognized as either an asset or a liability, with the offsetting gains or losses recognized as deferred inflows or deferred outflows. The fair value for the derivative instruments is the estimated exit price that assumes a transaction takes place in the market. The fair value recorded was derived from a third party source as listed below as of October 31, 2017.

Description	Classification	Fair Value Amount	Classification	Notional Amount
Cash flow hedges:				
Pay-Fixed interest rate swap	Deferred Inflow	\$4,231,000	Debt	\$65,630,000
Pay-Fixed interest rate swap	Deferred Inflow	4,774,000	Debt	85,000,000
Pay-Fixed interest rate swap	Deferred Inflow	83,000	Debt	50,000,000
Pay-Fixed interest rate swap	Deferred Outflow	(569,000)	Debt	54,126,000
Total Swaps		\$8,519,000		\$254,756,000

At October 31, 2017, the total fair value of the interest rate swaps amounted to \$8,519,000 and were valued using other significant observable inputs (Level 2 inputs).

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

The following table displays the objectives and terms of HDC's interest rate swaps outstanding at October 31, 2017.

Trade Date	Type	Objective	Notional Amount	Counter-party	Term	Effective Date	Termination Date	Counter party Rating Moody's /S&P
7/26/2016	Pay-Fixed interest rate swap	Hedge of changes in cash flows for 2016 Series A draw down bonds (FFB 148 th Street Jamaica) and bank loan funded by Wells Fargo in accordance with the participation agreement.	\$65,630,000	Wells Fargo	Pay 2.24%; receive 100% 3M LIBOR;CXL-8/1/2031	8/1/2019	5/1/2047	Aa2/AA-
11/2/2016	Pay-Fixed interest rate swap	Hedge of changes in cash flows for 2016 Series G-2 bonds , as well as similar outstanding variable rate bonds.	85,000,000	PNC Bank	Pay 2.029% ; receive 100% 3M LIBOR; 7.50% Ceiling	5/1/2018	11/1/2035	A2/A
4/4/2017	Pay-Fixed interest rate swap	Hedge of changes in cash flows for 2017 Series A-3 bonds	50,000,000	PNC Bank	Pay 1.2028% ; receive 70% 1M LIBOR; 7.50% Ceiling	6/1/2017	8/1/2020	A2/A
7/5/2017	Pay-Fixed interest rate swap	Hedge of changes in cash flows for 2017 Series C-4 bonds (FFB Lexington Garden)	54,126,000	Wells Fargo	Pay 2.984% ; receive 100% 3M LIBOR; CXL-2/1/2033	2/1/2021	5/1/2048	Aa2/AA-
Total Swaps			\$254,756,000					

Credit Risk: HDC is exposed to credit risk on hedging derivative instruments. To mitigate the risk, HDC requires the swap be collateralized by the counterparty if the counterparty's credit rating falls below Baa1/BBB+. At October 31, 2017, the counterparty ratings were above the threshold; therefore, no collateral was required.

Termination Risk: HDC or the counterparty may terminate the swap if the other party fails to perform under the terms of the contract. If at the time of the termination, the fair value of the swap is negative, HDC would be liable to the counterparty for a payment equal to the fair value of the instrument. To mitigate this termination risk, the swap agreement provides that the counterparty may terminate the swap only if HDC's rating falls below investment grade (Baa3 or BBB-) for PNC and Baa2 or BBB for Wells Fargo. HDC's current ratings are Aa2 and AA+, respectively.

Interest Rate Risk: HDC is exposed to interest rate risk on the pay-fixed variable rate swap. As LIBOR decreases, HDC's net payments on the swap increase.

Basis Risk: Of the four interest rate swaps outstanding, HDC has basis risk exposure on two interest rate swaps because the variable rate interest payments received from the counterparty is indexed to LIBOR and the hedging item is indexed to a rate determined by the U.S. Treasury.

Rollover Risk: HDC is exposed to rollover risk on hedging derivative instruments should a termination event occur prior to the maturity of the hedged debt.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

(C) Deferred Loss on Early Retirement of Debt

On September 10, 2013, the 2005 Series A Capital Fund Program Revenue Bonds (NYCHA) were retired through an advance refunding and the Corporation incurred a loss in the amount of \$8,958,000 which will be amortized over the shorter of the life of the old bonds or the new bonds. At October 31, 2017, the balance of the unamortized deferred loss on early retirement of debt was \$6,366,000. This loss was covered by NYCHA as a part of this transaction.

(D) Pension

At October 31, 2017, the Corporation's pension contribution after the measurement date was \$1,724,000. In addition, as calculated by the NYCOA, the Corporation recorded a decrease in Deferred Outflows of Resources in the amount of \$2,301,000 (as per New York City Employees' Retirement System ("NYCERS") pension report). This amount represents the net difference between projected and actual investment earnings on pension plan investments, the change in assumptions and change in proportion. The outstanding balance of Deferred Outflows of Resources was \$2,241,000 and \$3,608,000 at October 31, 2017 and at October 31, 2016, respectively.

(E) OPEB

As of November 1, 2016, HDC adopted GASB Statement No. 75, "Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions". HDC reported Deferred Outflows of Resources of \$1,062,000 related to OPEB as of October 31, 2017 (see Note 14 for more details).

Note 10: Bonds Payable and Debt Obligations

The Corporation's authority to issue bonds and notes for any corporate purpose is limited by the Act to the extent that (i) the aggregate principal amount outstanding may not exceed \$12.5 billion, exclusive of refunding bonds or notes, and (ii) the maximum Capital Reserve Fund requirement may not exceed \$85 million. No bonds are currently subjected to the Capital Reserve Fund requirement. These limits may be changed from time to time through State legislation. As of October 31, 2017, the limit on the aggregate principal amount outstanding remains unchanged at \$12.5 billion.

Bond Programs

The Corporation issues bonds and notes to fund mortgage loans for multi-family residential developments under the bond programs described below. As of October 31, 2017, the Corporation had bonds outstanding in the aggregate principal amount of \$10,342,156,000. All of the bonds are separately secured, except for the bonds issued under the General Resolution which are equally and ratably secured by the assets pledged under the General Resolution (see "C. Housing Revenue Bond Program" below). None of the bonds under the bond programs described in "A. Multi-Family Mortgage Revenue Bond Program", "B. Military Housing Revenue Bond Program", "D. Liberty Bond Program", "E. Capital Fund Revenue Bond Program" and, "F. Multi-Family Housing Pass-Through Revenue Bond Program" provide security under the General Resolution, and none of the bonds under these programs is secured by the General Resolution.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

A. Multi-Family Mortgage Revenue Bond Program. The Corporation established its Multi-Family Program to develop privately-owned multi-family housing, all or a portion of which is reserved for low income tenants. The following describes the Corporation's activities under its Multi-Family Program.

(1) Rental Projects; Fannie Mae or Freddie Mac Enhanced: The Corporation has issued tax-exempt and/or taxable bonds which either (i) are secured by mortgage loan payments, which payments are secured by obligations of Fannie Mae under various collateral agreements, (ii) are secured by a Direct Pay Credit Enhancement Instrument issued by Fannie Mae or (iii) are secured by a Direct Pay Credit Enhancement Agreement with Federal Home Loan Mortgage Corporation ("Freddie Mac").

(2) Rental Projects; Letter of Credit Enhanced: The Corporation has issued tax-exempt and/or taxable bonds to finance a number of mixed income projects and entirely low income projects, which bonds are secured by letters of credit issued by investment-grade rated commercial lending institutions.

(3) Residential Housing; Credit Enhanced: The Corporation has issued bonds to provide financing for residential facilities for hospital staff and for post-secondary students, faculty and staff which bonds are secured by letters of credit issued by investment-grade rated institutions.

(4) Rental Projects; Not Rated: The Corporation has issued bonds and obligations to provide financing for rental projects, which bonds and obligations are not rated by a rating agency and were not publicly offered.

(5) Commercial Mortgage Backed Security Program: Under this program, the Corporation has issued bonds structured as commercial mortgage backed securities to refinance a multi-family housing development.

B. Military Housing Revenue Bond Program. Under this program, the Corporation has issued taxable obligations in order to fund a portion of the cost of the design, demolition, renovation, construction and operation of housing units in residential family housing areas located at Fort Hamilton.

C. Housing Revenue Bond Program. Under its Housing Revenue Bond Program, the Corporation may issue bonds payable solely from and secured by the assets held under its General Resolution which include a pool of mortgage loans, some of which are construction loans (which pool contains FHA-insured mortgage loans, REMIC-insured mortgage loans, State of New York Mortgage Agency ("SONYMA") insured mortgage loans, GNMA mortgage-backed securities, other mortgage loans and participation interests in mortgage loans), the revenues received on account of all such loans and securities, and other assets pledged under such resolution and any supplemental resolution for a particular series of bonds. Certain of the projects, which secure a portion of the mortgage loans, receive the benefits of subsidy payments.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

D. Liberty Bond Program. In accordance with Section 301 of the Job Creation and Worker Assistance Act of 2002, the Corporation has issued tax-exempt and taxable bonds, each secured by a letter of credit to finance the development of multi-family housing within an area of lower Manhattan designated in such legislation as the “Liberty Zone”.

E. Capital Fund Revenue Bond Program. Under this program, the Corporation has issued tax-exempt obligations in order to assist NYCHA with the execution of a multi-year construction initiative that addressed critical capital improvement needs of their aging housing portfolio.

F. Pass-Through Revenue Bond Program. Under this program, the Corporation has issued bonds to finance loans evidenced by a note and secured by a mortgage of privately owned multi-family housing. All repayments and prepayments derived from the associated mortgage loans, including a payment of insurance, if any, are passed through to the bondholder to redeem the bonds on a monthly basis.

Changes in Bonds Payable:
(in thousands)

The summary of changes in Bonds Payable was as follows:

refund certain outstanding bonds of the Corporation.

On April 5, 2017, seven Multi-Family Housing Revenue Bonds series were issued in the amount totaling \$258,940,000. The fixed rate 2017 Series A-1-A Bonds were issued in the amount of \$51,610,000, the fixed rate 2017 Series A-1-B Bonds were issued in the amount of \$11,165,000, the fixed rate 2017 Series A-2-A Bonds were issued in the amount of \$48,880,000, the fixed rate 2017 Series A-2-B Bonds were issued in the amount of \$11,285,000, the fixed rate 2017 Series B-1 (Federally Taxable) Bonds were issued in the amount of \$24,500,000, the index floating rate 2017 Series A-3 Bonds were issued in the amount of \$50,000,000, and the index floating rate 2017 Series B-2 (Federally Taxable) Bonds were issued in the amount of \$61,500,000. The 2017 Bonds were issued and combined with other monies to finance construction and permanent mortgage loans for certain developments and to refund certain outstanding bonds of the Corporation.

On June 28, 2017, six Multi-Family Housing Revenue Bonds series were issued in the amount totaling \$442,865,000. The fixed rate 2017 Series C-1 Bonds were issued in the amount of \$139,725,000, the fixed rate 2017 Series C-2 Bonds were issued in the amount of \$103,025,000, the fixed rate 2017 Series C-3-A Bonds were issued in the amount of \$40,000,000, the fixed rate 2017 Series C-3-B Bonds were issued in the amount of \$40,000,000, the variable rate 2017 Series C-4 Bonds were issued in the amount of \$57,830,000, and the term rate 2017 Series D Bonds were issued in the amount of \$62,285,000. The 2017 Bonds were issued and combined with other available monies to finance construction and permanent mortgage loans for certain developments and to refund certain outstanding bonds of the Corporation.

On October 12, 2017, the fixed rate Multi-Family Housing Pass-Through Revenue Bonds, 2017 Series A (Federally Taxable) were issued in the amount of \$59,891,000 to finance the acquisition of six permanent loans currently pledged to the Corporation's Open Resolution.

On October 12, 2017, two Multi-Family Secured Mortgage Revenue Bonds series were issued in the amount totaling \$65,325,000. The fixed rate 2017 Series A-1 (Federally Taxable) Bonds were issued in the amount of \$25,500,000, and the index floating rate 2017 Series A-2 (Federally Taxable) Bonds were issued in the amount of \$39,825,000. The 2017 Bonds were issued to finance the acquisition of certain permanent mortgage loans and to finance corporate purposes of the Corporation.

On October 12, 2017, three Multi-Family Housing Revenue Bonds series were issued in the amount totaling \$133,915,000. The fixed rate 2017 Series E-1 Bonds were issued in the amount of \$60,465,000, the fixed rate 2017 Series E-2 Bonds were issued in the amount of \$3,535,000, and the term rate 2017 Series F Bonds were issued in the amount of \$69,915,000. The 2017 Bonds were issued and combined with other available monies to finance construction and permanent mortgage loans for certain developments and to refund certain outstanding bonds of the Corporation.

All the bonds listed above are subject to regular redemption and certain issues are also subject to special redemption provisions as well. The parameters under which the redemptions may occur are set forth in the respective bond resolutions.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

In fiscal year 2016, the Corporation committed to issue a draw-down bond in the amount totaling \$22,130,000, under the variable rate Multi-Family Mortgage Revenue Bond 2016 Series A (148th Street Jamaica). As of October 31, 2017, the balance for the drawn down bonds for this series was \$12,181,000.

In fiscal year 2010, as part of the Housing Finance Agency (“HFA”) initiative using authority provided to the U.S. Treasury pursuant to the Housing and Economic Recovery Act of 2008 (“HERA”) to help expand resources to provide affordable mortgages for low and middle income households, and to support the development and rehabilitation of affordable housing units, the Corporation was allocated \$500,000,000 by the U.S. Treasury to issue bonds under the New Issue Bond Program (“NIBP”). HDC has issued two programs under the NIBP. The variable rate 2009 Housing Revenue Bonds Series 1 (Federally Taxable) Bonds were issued in the amount of \$415,000,000 and the 2009 Housing Revenue Bonds Series 2 (Federally Taxable) Bonds were issued in the amount of \$85,000,000 on December 23, 2009. During the period between June 2010 and December 2011, all the principal amount of the 2009 Series 1 (NIBP) Bonds and the 2009 Series 2 (NIBP) Bonds were converted to fixed rate tax exempt bonds. These bonds were designated as the “Converted Bonds”. As of October 31, 2017, portions of the NIBP Converted Bonds in the amount of \$212,790,000 were redeemed and defeased.

Debt Obligations Program

In fiscal year 2017, the Corporation closed one new funding loan agreement with Citibank to finance mortgage loans under its Multi-Family Housing Revenue Debt Obligations Program. Under the agreement, Citibank will provide the funds to the Corporation, which the Corporation will then use to advance to the project. This is also referred to as “Back to Back”. This debt obligation is subject to private activity bond volume cap. At October 31, 2017, the aggregate principal amount outstanding under the Debt Obligations program was \$307,796,000.

On December 29, 2016, the Corporation entered into a Funding Loan Agreement with Citibank (the “Multi-Family Housing Revenue Debt Obligations – One Flushing”). The proceeds in the amount of \$55,470,000 were committed to finance the acquisition and construction, and to pay certain other related costs, of a multi-family rental housing development located in the borough of Queens, New York. The total obligation outstanding as of October 31, 2017 was \$42,785,000.

Federal Financing Bank Loan Participation Certificates Payable

In fiscal year 2014, the Corporation entered into a new financing agreement with the FFB for selling beneficial ownership interests in mortgage loans originated by housing finance agencies and insured with FHA/HFA Risk Sharing mortgage insurance. The Corporation was selected to be the first housing finance agency to participate in this new federal initiative to reduce costs of capital for affordable housing, whereby, the Corporation will sell beneficial ownership interest in its mortgages to the FFB. Beneficial ownership interest in mortgage loans that the Corporation sells to the FFB will be evidenced by certificates of participation from the Corporation. The participation proceeds were recorded as payable to the FFB. The monthly mortgage payments from the borrower will be used to repay the interest to the FFB and principal payments will reflect the scheduled mortgage principal payments. The aggregate FFB Loan Participation Certificates Payable balance as of October 31, 2017 was

New York City Housing Development Corporation

On July 20, 2017, the Corporation sold a beneficial ownership interest in a mortgage for the development named Stevenson Commons in the amount of \$103,030,000. The FFB Loan Participation Certificates Payable as of October 31, 2017 was \$102,902,000.

The Corporation regularly defeases or retires bonds through in-substance defeasances whereby assets are placed in an irrevocable trust that is used exclusively to service the future debt requirement. During fiscal year 2015, the Corporation retired the 2007 Series B Multi-Family Rental Housing Revenue Bonds (West 61st Street Apartments) through an in-substance defeasance. The table below lists the series as well as the amount outstanding as of October 31, 2017. These bonds are held with an escrow agent.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Note 11: Consultants' Fees

The fees paid by the Corporation for legal, accounting and consulting services in fiscal year 2017 for HDC include \$22,937 to The City of New York Law Department; \$19,670 to Hawkins, Delafield & Wood; \$13,305 to Seyfarth Shaw LLP; \$3,157 to Epstein, Becker & Green, P.C.; \$450 to L.T. Service Corp and \$381 to Stewart Title Insurance Company. Auditing fees of \$226,000 were paid to Ernst & Young LLP.

The Corporation paid consulting fees in the amount of \$327,998 to R Square, Inc.; \$90,029 to COMSYS Services LLC; \$63,719 to KFORCE, Inc.; \$57,000 to Mei Kit Chan; \$42,539 to GCOM Software Inc.; \$35,303 to Bharat Shah; \$34,250 to Cristo Rey New York High School; \$28,227 to Conduent; \$22,500 to BDO USA, LLP; \$18,533 to Bartley & Dick Advertising/Design; \$12,728 to Carlton Architecture PC; \$2,400 to Insurance Advisors, LLC; and \$1,350 to Lincoln Tyler Mgmt Services, LLC.

In addition, the Corporation paid legal, accounting and consulting fees for services provided in connection with bond financings which have been reimbursed either from bond proceeds or from project developers. Fees of \$1,107,084 to Hawkins, Delafield & Wood; \$94,435 to Bay Area Economics; \$50,000 to Mohanty Gargiulo, LLC; \$20,000 to Caine Mitter & Associates, Inc.; \$8,000 to Hinckley Allen; and \$2,500 to Buchanan Ingersoll & Rooney P.C.

Note 12: Payable to The City of New York

(A) New York City Housing Development Corporation

The Corporation has entered into various agreements with the City whereby HDC sold bonds and used the bond proceeds to purchase from the City interests in various mortgage loans and pools of mortgage loans. Additionally, starting from fiscal year 2005 and 2006 and onward, HDC originated second mortgage loans in which it sold a residual interest to the City. Cash flow derived from these loan interests is pledged to the repayment of the related HDC bonds. At such time as these HDC bonds are retired, ownership of the associated loan interests transfers to the City. The excess of such interest over the amount of the related bonds totaled \$595,743,000 as of October 31, 2017 was reported in the Corporation's statement of net position as "Loan participation receivable - The City of NY" in the Noncurrent Assets section and "Payable to The City of New York: Loan participation agreements" in the Noncurrent Liabilities section. The related details are described in the next three paragraphs.

In May 2014 the 2006 Series A bonds were fully redeemed. Simultaneously, the Corporation issued the Multi-Family Housing Revenue Bonds, 2014 Series B-1 and 2014 Series B-2 collectively, the ("2014 Series B Bonds") to re-securitize the remaining underlying loan portfolio in the 2006 Series A (see Note 6: "Loan Participation Receivable for The City of New York"). As of October 31, 2017, the Corporation's payable to the City relating to the 2014 Series B Bonds was \$94,174,000.

The Corporation has completed numerous transactions as part of its MLRP, an affordable housing preservation program. Under this program the Corporation has funded various new first and second mortgage loans as well as the acquisition of participation interests in City-owned second mortgages and associated cash flows. As long as any Mitchell-Lama Restructuring Bonds are outstanding, all cash flows from the purchased interests must be applied to debt service on such bonds. Once all such bonds

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

are retired, HDC's participation interests revert to the City. HDC also has sold to the City a residual interest in the second mortgage loans the Corporation originated. These loans also transfer to the City when the Mitchell-Lama Restructuring Bonds are retired. As of October 31, 2017, the Corporation's payable to the City under the MLRP was \$501,569,000.

Since Fiscal Year 2013, the Corporation entered into several loan participation agreements with the City through HPD. In each case the Corporation made available to the mortgagors new mortgage loans, the proceeds of which were used for the acquisition or rehabilitation of existing properties, with the HDC mortgage holding the first position lien on the properties. The existing HPD loans were assigned to the Corporation, via a Purchase and Sale agreement, where the Corporation purchased the existing loans from the City and the City purchased a residual interest in the HDC Loans. As of October 31, 2017, the participation mortgage loans underlying the Participation Interest had an aggregate outstanding principal balance of \$322,656,000.

In 2009, HPD and HDC entered into a Memorandum of Understanding ("MOU"), which provides for the granting of funds by HPD to HDC pursuant to Section 661 of the Act, to make subordinate loans for affordable housing. At October 31, 2017, the total payable to the City relating to this MOU was \$803,119,000.

The Corporation also administers construction loans on behalf of HPD, using funds provided by HPD. All such funds are the property of HPD and thus are reported as due to the City in the Corporation's financial statements. At October 31, 2017, the total related payable to the City was \$87,333,000.

On December 18, 2015, at the request of The City of New York, the Corporation funded a \$143,236,000 subordinate loan to the purchasers of Stuyvesant Town-Peter Cooper Village to assist the preservation of the affordability of this project. During fiscal year 2017, the City reimbursed the Corporation by funding various subordinate loans originated by HDC totaling \$79,769,000. As of October 31, 2017, the remaining balance of the receivable from The City of New York was \$52,050,000.

(B) Housing Assistance Corporation

Funding for HAC was received through the City in 1985. All of HAC's assets, after repayment of HDC advances to HAC and if unused for HAC purposes, will revert back to the City. At October 31, 2017, total resources payable to the City amounted to \$150,703,000, of which \$136,074,000 was related to the funding of Stuyvesant Town-Peter Cooper Village. The remaining \$14,629,000 payable to the City was held to fund the RY Subsidy Program which is expected to cover the subsidy until 2022 (see Note 4: "Mortgage Loans" for a detailed explanation).

New York City Housing Development Corporation

Notes to the Financial Statements

Note 13: Retirement Programs

(A) NYCERS

The Corporation is a participating employer in NYCERS, a cost sharing multi-employer plan, of which 97 current employees of the Corporation are members. NYCERS provides defined benefit pension benefits to 186,000 active municipal employees and 145,000 pensioners through \$61.3 billion in assets. City employees who receive permanent appointment to a competitive position and have completed six months of service are required to participate in NYCERS, and all other employees such as HDC employees are eligible, but not required, to participate in NYCERS. NYCERS provides three main types of retirement benefits: service retirements, ordinary disability retirements (non-job related disabilities) and accident disability retirements (job-related disabilities) to members who are in different “tiers.” The members’ tier is determined by the date of membership. Subject to certain conditions, members generally become fully vested as to benefits upon completion of five years of service. Employees may be required to contribute a percentage of their salary to the pension plan based on their tier. Annual pension benefit is calculated as a percentage of final average salary times the number of years of membership service.

Contribution requirements of the active employees and the participating New York City agencies are established and may be amended by the NYCERS Board. Employees’ contributions are determined by their tier and number of years of service. They may range between 0.00% and 7.46% of their annual pay. Statutorily required contributions to NYCERS, determined by the New York City Office of the Actuary in accordance with State statutes and City laws, are funded by the employer within the appropriate fiscal year.

Copies of NYCERS’ financial statements can be obtained by writing to NYCERS at 335 Adams Street, Suite 2300, Brooklyn, NY 11201-3751 or its website (www.nycers.org).

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of NYCERS and additions to/deductions from NYCERS’ fiduciary net position have been determined on the same basis as they are reported by NYCERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit term. Investments are recorded at fair value.

As of October 31, 2017 and 2016, the Corporation reported a liability of \$10,991,000 and \$12,877,000, respectively, for its proportionate share of NYCERS’ net pension liability. The net pension liability was measured as of June 30, 2017 and June 30, 2016 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of those dates. The Corporation’s proportion of the net pension liability was based on a projection of the Corporation’s long-term share of contributions to the pension plan relative to the projected contributions of all participating employees, actuarially determined. At June 30, 2017 and 2016, the Corporation’s proportion was 0.053%.

New York City Housing Development Corporation
Notes to the Financial Statements
October 31, 2017

At October 31, 2017, the Corporation reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Net difference between projected and actual earnings on pension plan investments	\$ -	\$450,000
Differences between expected and actual experience	-	293,000
Changes in proportion and differences between Corporation contributions and proportionate share of contributions	(25,000)	-
Changes in assumptions	542,000	-
Corporation contributions subsequent to the measurement date	1,724,000	-
Total	\$2,241,000	\$743,000

Of the deferred outflows of resources related to pensions, \$1,724,000 was a contribution that the Corporation made subsequent to the measurement date and it will be recognized as a reduction of the net pension liability in fiscal year ending October 31, 2018. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

2018	\$ (63,804)
2019	(63,804)
2020	(63,804)
2021	(63,805)
2022	29,217
Total	(226,000)

At October 31, 2016, the Corporation reported \$1,266,000 as deferred inflow of resources from the accumulated net difference between projected and actual earnings on NYCERS investments.

Deferred outflows of resources amounted to \$3,608,000 at October 31, 2016. \$2,818,000 is related to the net difference between projected and actual earnings on pension plan investments, and the change in proportionate share and changes in assumptions. \$790,000 related to pensions resulting from the Corporation's contributions subsequent to the measurement date and was recognized as a reduction of the net pension liability in the year end October 31, 2017.

The Corporation recorded pension expense for fiscal years ending October 31, 2017 and 2016 in the amounts of \$1,306,000 and \$1,477,000 respectively.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Actuarial assumptions

The total pension liability in the June 30, 2015 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Investment Rate of Return	7% per annum, net of investment expenses
Salary Increases	In general, merit and promotion increases plus assumed general wage increases of 3.0% per annum.
Cost-of-Living Adjustments	1.5% and 2.5% for certain tiers

Mortality tables for service and disability pensioners were developed from an experience study of NYCERS. The mortality tables for beneficiaries were developed from an experience review. For more detail see the reports entitled “Proposed Changes in Actuarial Assumptions and Methods for Determining Employer Contributions for Fiscal Years Beginning on or After July 1, 2011,” also known as “Silver Books.” Electronic versions of the Silver Books are available on the New York City Office of the Actuary website (www.nyc.gov/actuary) under Pension Information.

Pursuant to Section 96 of the New York City Charter, studies of the actuarial assumptions used to value liabilities of the five actuarially-funded New York City Retirement Systems (“NYCRS”) are conducted every two years.

Expected Rate of Return on Investments

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Real Return Arithmetic Basis
U.S. Public Market Equities	29.00%	5.70%
International Public Market Equities	13.00%	6.10%
Emerging Public Market Equities	7.00%	7.60%
Private Market Equities	7.00%	8.10%
U.S. Fixed Income	33.00%	3.00%
Alternatives	11.00%	4.70%

Management of the pension plan has determined its expected rate of return on investments to be 7%. This is based upon an expected real rate of return from investments of 5.05% and a long-term Consumer Price Inflation assumption of 2.5% per year, which is offset by investment related expenses.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Discount Rate

The discount rate used to measure the total pension liability as of June 30, 2017, was 7.00% per annum. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the rates applicable to the current tier for each member and that employer contributions will be made based on rates determined by the Actuary. Based on those assumptions, the NYCERS fiduciary net position is projected to be available to make all projected future benefit payments of current active and non-active NYCERS members. Therefore, the long-term expected rate of return on NYCERS investments was applied to all periods of projected benefit payments to determine the total pension liability.

The following presents the Corporation's proportionate share of the net pension liability calculated using the discount rate of 7%, as well as what the Corporation's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one-percentage point lower (6%) or one percentage-point higher (8%) than the current rate.

	1% decrease (6%)	Discount rate (7%)	1% increase (8%)
HDC's proportionate share of the net pension liability	\$15,885	\$10,991	\$6,692

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued NYCER's report, which is available on their website (www.nycers.org).

(B) Tax Sheltered Annuity Plan

The Corporation also offers its employees the option of participating in a Tax Sheltered Annuity Plan managed by Wells Fargo Bank, N.A. as an alternate or supplemental retirement plan under Section 403(b) of the Internal Revenue Code. The Internal Revenue Service has approved the Corporation as an entity which can provide this type of plan to its employees. The majority of the Corporation's employees participate in this plan.

Note 14: Postemployment Benefits Other Than Pensions

Plan description. The Corporation sponsors a single employer postemployment defined benefit health care plan for eligible retirees and their spouses. Eligible retirees generally are classified into two groups as either NYCERS members or Non-NYCERS members. NYCERS members are those who have services ranged from 5 to 15 years at the time of their retirement. Non-NYCERS members are those who have services ranged from 10 to 15 years and retired at age 59 1/2. For NYCERS members, the Corporation provides retiree health care coverage and prescription drug coverage through the New York City Health Benefit Program ("NYCHBP"). For Non-NYCERS members the Corporation provides retiree health care coverage and prescription drug coverage through the Empire Plan offered by the New York State Health Insurance Program ("NYSHIP").

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Benefits provided. The Corporation provides comprehensive health care and prescription drug coverage for it eligible retirees and their spouses. No other benefits are provided. Benefit provisions for the plan are established and amended by actions taken by the Corporation's Members and there is no statutory requirement for HDC to continue this plan for future HDC employees. The plan is currently a non-contributory plan with all payments for plan benefits being funded by HDC on a pay-as-you-go-basis. The Corporation does not issue a publicly available financial report for the plan.

As of November 1, 2016, HDC adopted GASB Statement No. 75, "Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions". This statement establishes guidelines for reporting costs associated with "other postemployment benefits" ("OPEB") similar to accounting for pension under GASB No. 68, "Accounting and Financial Reporting for Pensions" and this statement replaces GASB Statement No. 45. HDC's annual OPEB cost for the plan is calculated based on the Entry Age Normal level percentage cost method, an amount actuarially determined in accordance with the parameters of GASB Statement No. 75.

The covered-employee payroll (annual payroll of active employees covered by the plan) was \$16,165,000 and the ratio of the net OPEB liability to the covered-employee payroll was 78.39%.

Projections of benefits are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits in force at the valuation date and the pattern of sharing benefit costs between HDC and the plan members to that point.

Employees covered by benefit terms. At October 31, 2016, the measurement date, the following employees were covered by the benefit terms:

Membership Status as of October 31, 2016	Count
Inactive employees or beneficiaries currently receiving benefit payments	24
Inactive employees entitled to but not yet receiving benefit payments	12
Active plan employees	163
Total	199

Net OPEB Liability

HDC's net OPEB liability was measured as of October 31, 2016, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of that date. The total OPEB liability was \$21,053,000 and the net OPEB liability was \$12,671,000. The actual benefit payments made during fiscal year 2017 amounted to \$107,000.

New York City Housing Development Corporation
Notes to the Financial Statements
October 31, 2017

Changes in the Net OPEB Liability

	Total OPEB Liability	Plan Fiduciary Net Position	Net OPEB Liability
Net OPEB liability at beginning of the year	\$ 18,112,000	\$ 8,364,000	\$ 9,748,000
Changes for the year:			
Service cost	1,346,000	—	1,346,000
Interest	683,000	—	683,000
Difference between expected and actual experience	—	—	—
Changes of assumptions	1,007,000	—	1,007,000
Contributions - HDC	—	—	—
Net investment income	—	113,000	(113,000)
Benefit payments	(95,000)	(95,000)	—
Administrative expense	—	—	—
Net changes	2,941,000	18,000	2,923,000
Net OPEB liability at end of the year	\$ 21,053,000	\$ 8,382,000	\$ 12,671,000

Sensitivity of the net OPEB liability to changes in the discount rate and healthcare cost trend rates. The following presents the net OPEB liability and what it would be if it were calculated using a rate that is 1-percentage-point lower or 1-percentage-point higher than the current discount rate and healthcare cost trend rate.

Sensitivity of the net OPEB liability to changes in the discount rate	1% Decrease (2.23%)	Discount Rate (3.23%)	1% Increase (4.23%)
Net OPEB liability	\$ 16,583,000	\$ 12,671,000	\$ 9,510,000

Sensitivity of the net OPEB liability to changes in the healthcare cost trend rate	1% Decrease Net OPEB Liability (7% decreasing to 4%)	Healthcare Cost Trend Rate (8% decreasing to 5%)	1% Increase Net OPEB Liability (9% decreasing to 6%)
Net OPEB liability	\$ 7,974,000	\$ 12,671,000	\$ 19,859,000

OPEB Plan Fiduciary Net Position

Since establishing an irrevocable OPEB trust in fiscal year 2012, the Corporation has funded a total of \$8,000,000 to date. All OPEB plan assets are held in a separate trust account for the exclusive purpose of paying OPEB obligations.

Investment policy. The Corporation's investment policy is set by the HDC Act and the guidelines are established and adopted by HDC's Board Members on an annual basis.

All investment transactions are recorded on the trade date. As of October 31, 2016, the outstanding OPEB trust investments were as follows:

Investment Type <i>(in thousands)</i>	2016	Investment Maturities at October 31, 2016 (in Years)			
		Less than 1	1-5	6-10	More than 10
FNMA Bonds	4,220	—	4,220	—	—
NYC Transitional Finance Authority Bonds	4,181	—	4,181	—	—
Total	\$8,401	—	8,401	—	—

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

As of October 31, 2016, fair value of the investment trust fund was \$8,401,000.

The Corporation has the following recurring fair value measurements as of October 31, 2016:

- NYC Transitional Finance Authority securities of \$4,181,000 are valued using quoted market prices. (Level 1 inputs)
- FNMA securities of \$4,220,000 are valued based on models using observable inputs. (Level 2 inputs)

As a means of limiting its exposure to fair value losses arising from rising interest rates, the Corporation's Investment Guidelines charge the Investment Committee with "...determining appropriate investment instruments...based on...length of time funds are available for investment purposes..." among other factors. Thus, maturities are matched to the Corporation's liquidity needs. As part of the Corporation's investment policies, it looks to invest its bond and corporate related reserves in long term securities that carry a higher yield, with the intent to hold the investments to maturity.

The Corporation's investment guidelines and policies are designed to protect principal by limiting credit risk. This is accomplished by making decisions based on a review of ratings, collateral, and diversification requirements that vary according to the type of investment.

As of October 31, 2016, investments in Federal National Mortgage Association ("FNMA" or "Fannie Mae") was rated by Standard & Poor's (Fannie Mae is referred to as "Agency"). The ratings were AA+ and A-1+ by Standard & Poor's for long-term and short-term instruments. Investment in Fannie Mae is implicitly guaranteed by the U.S. government. They carry ratings equivalent to the credit ratings for the U.S. government.

Ratings for the NYC Transitional Finance Authority Bond ranged from AAA to AA1 by Standard & Poor's and Moody's, respectively.

The Corporation follows its annually adopted investment guidelines in accordance with concentration limits and reviews its credit concentration monthly. The Corporation's Credit Risk unit monitors concentration risk amongst issuers and reports regularly to the Members of the Corporation's Audit Committee.

The following table shows issuers that represent 5% or more of total investments at October 31, 2016 (\$ in thousands):

Issuer	Dollar Amount	Percentage
FNMA	\$4,220,000	50.23%
NYC Transitional Finance Authority Bonds	4,181,000	49.77

For the year ended October 31, 2016, the annual money-weighted rate of return on investments, net of investment expense, was 1.71 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

For the year ended October 31, 2017, HDC recognized an OPEB expense of \$1,861,000. At October 31, 2017, HDC reported OPEB related deferred outflows of resources and deferred inflows of resources from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Deferred Outflows/Inflows as of November 1, 2016	\$ —	\$ —
Changes for the year		
Changes in benefit terms	—	—
Difference between expected and actual experience	—	—
Change in assumptions	1,007,000	—
Difference between projected and actual investment earnings	220,000	—
Recognition of deferred outflows/inflows in FY 2017	(165,000)	—
Deferred Outflows/Inflows as of October 31, 2017	\$ 1,062,000	\$ —

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense in future years as follows:

	FY 16 Changes in Assumptions	FY 16 Difference in Investment Earnings	Total
FY 2017	\$121,000	\$44,000	\$165,000
FY 2018	121,000	44,000	165,000
FY 2019	121,000	44,000	165,000
FY 2020	121,000	44,000	165,000
FY 2021	121,000	44,000	165,000
Thereafter	\$402,000	\$ —	\$402,000

Actuarial assumptions. The total OPEB liability at October 31, 2016 used the Entry Age Normal level percent cost method and the actuarial valuation was determined using the following actuarial assumptions.

Inflation	2.5%
Salary increases	3.0%, average, including inflation
Investment rate of return	4.0%
Healthcare cost trend rates	8.0% grading down to an ultimate rate of 5%

Mortality. The post-retirement mortality rates were based on the actual experience of the NYCERS population and the application of the mortality improvement scale (MP-2017). The mortality improvement scale was updated to MP-2017 based on the latest data released by the Society of Actuaries. The actuarial assumptions used in the October 31, 2016 valuation were based on the results of an actuarial experience study from 2006 to 2016.

Long-Term Expected Rate of Return. The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of returns (expected returns, net of OPEB plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

New York City Housing Development Corporation
Notes to the Financial Statements
October 31, 2017

The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Real Return Arithmetic Basis
U.S. Fixed Income	50.00%	3.00%
Municipal Bonds	50.00%	2.60%

Discount Rate. The discount rate is 4.00% per year, net of investment expenses, based on the long-term expected rate of return on plan assets. The weighted average discount rate is 3.23% in 2017, down from 3.53% in 2016. The projection of cash flows used to determine the discount rate assumed that the Corporation will continue to make payments for future benefits payments based on currently available assets and investment returns and will not make any additional contributions to the Trust. Based on those assumptions, the OPEB plan’s fiduciary net position was projected to be available to make all projected OPEB payments for current active and inactive employees until 2032. Therefore, the long-term expected rate of return on OPEB plan investments was applied until 2032 and the 20-year S&P bond index rate was applied for all years after 2032.

Note 15: Due to the United States Government – Non Current Liabilities

In order to maintain the exemption from federal income tax of interest on bonds issued subsequent to January 1, 1986, the Corporation established a separate fund, the Rebate Fund, into which amounts required to be rebated to the Federal Government pursuant to Section 148 of the Code are deposited. In general, the Code requires the payment to the U.S. Treasury of the excess of the amount earned on all non-purpose obligations over the amount that would have been earned if the gross proceeds of the issue were invested at a rate equal to the yield on the issue. Project or construction funds, debt service funds or any other funds or accounts funded with proceeds of such bonds, including earnings, or pledged to or expected to be used to pay interest on such bonds are subject to this requirement. Issues with respect to which all gross proceeds are expended for the governmental purpose of the issue within the required time period after the date of issue and debt service funds with annual gross earnings of less than \$100,000 are exempt from this requirement. Payment is to be made after the end of the fifth bond year and after every fifth bond year thereafter, and within 60 days after retirement of the bonds. As of October 31, 2017, HDC had set aside funds in the amount of \$550,000 to make future rebate payments when due.

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Note 16: Commitments

(A) *New York City Housing Development Corporation*

(i) The Corporation is committed under one operating lease for office space for minimum annual rentals for the next five years and thereafter as follows:

Year Ending October 31, 2017	
2018.....	\$2,137,000
2019.....	2,139,000
2020.....	2,143,000
2021.....	2,153,000
2022.....	2,156,000
2023-2024.....	180,000
Total	\$10,908,000

For fiscal year 2017, the Corporation’s rental expense including escalation, taxes and operating costs amounted to \$1,977,000 and utility expense amounted to \$81,000.

(ii) The Corporation’s practice is to close loans only when all the funds committed to be advanced have been made available through bond proceeds or a reservation of corporate funds. Funds are invested prior to being advanced, as described in Note 3: “Investments and Deposits”, and are reported as restricted assets.

(iii) The portion of closed construction loans that had not yet been advanced as of October 31, 2017 is as follows: (*in thousands*)

<u>Programs:</u>	
Multi-Family Bond Programs	
Housing Revenue	\$1,318,419
New Housing Opportunity Program (New HOP)	9,949
Corporate Services Fund Loans	301,816
421-A Housing Trust Fund	1,316
HPD Grant Funds	532,760
Department of Justice (“DOJ”) Settlement Funds	10,415
Unadvanced Construction Loans (closed loans)	\$2,174,675

The Corporation occasionally will have executed commitment letters for loans that had not yet closed at year end. There was no executed commitment for loans that have not yet closed at October 31, 2017.

(iv) The Corporation has made a programmatic funding commitment in support of the City’s housing initiatives. HDC has reserved funds to fulfill these commitments, but the timing and amount of remaining loan closings cannot be determined. The programmatic commitment is as follows:

- On June 6, 2016, the Corporation entered into a Memorandum of Understanding (“MOU”) with HPD, which was subsequently amended on December 15, 2016, that outlines the Corporation’s obligations to use corporate reserves to fund construction loans for projects eligible under the

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Green Housing Preservation Program (“GHPP”). Under the GHPP, HPD extends construction and permanent loans to projects specifically to finance energy efficiency and water conservation improvements, as well as moderate rehabilitation to improve building conditions, reduce greenhouse gas emissions, and preserve affordability. HDC has set aside \$13,361,000 of its reserves for this purpose. The total amount advanced as of October 31, 2017 was \$1,220,000.

(B) New York City Residential Mortgage Insurance Corporation

As of October 31, 2017, REMIC insured loans with coverage amounts totaling \$262,828,000 and had outstanding commitments to insure loans with a maximum insurance coverage amount of \$93,133,000.

Note 17: Financial Guaranties

(A) NYCHA Tax Credit Guaranty

On April 2, 2012, the Corporation entered into a Guaranty Agreement with Citibank to guaranty the yield on Citibank’s investment in the Low Income Housing Tax Credit (“LIHTC”) created pursuant to the NYCHA Tax Credit Transaction. In return, the Corporation received \$16.0 million as a guaranty fee from Citibank, less fees and expenses of \$929,000 incurred under this agreement.

On July 15, 2013, Citibank transferred 100% of its rights under the guaranty agreement to Wells Fargo Holdings (“Wells Fargo”). As of that date the Guaranty agreement between Citibank and HDC was terminated and a new agreement was signed between HDC and Wells Fargo. As a condition of Citibank selling its rights under the guaranty agreement, the Corporation received an additional \$8.0 million of Guaranty fee from Wells Fargo, less fees and expenses of \$320,000 incurred under this agreement.

Under the Guaranty Agreement between HDC and Wells Fargo the Corporation agreed to guaranty a minimum rate of return on Wells Fargo’s tax credit investment in the NYCHA I Housing Development Fund Corporation through a 15 year compliance period. The minimum rate of return is equal to an annual effective rate of 4.50% on an after tax basis return on its tax credit investment over the 15 year compliance period. During the compliance period, from time to time NYCHA LLC-I will determine if the total benefits allocated or paid to Wells Fargo through such date, together with the tax benefits projected to be received by Wells Fargo thereafter through the coverage period termination date, are sufficient to keep Wells Fargo on track to achieve the minimum return. If it is determined that Wells Fargo is not on track to achieve the minimum return through the coverage period termination date, the Corporation shall have the option, but not the obligation, subject to a cap amount of \$96,000,000, to make a payment to Wells Fargo under the guaranty agreement in an amount equal to the optional minimum return deficiency amount.

The NYCHA Tax Credit transaction required the establishment and funding of several project reserves and guaranties in order to ensure timely completion of rehabilitation, which has in fact proceeded on time and within budget. As of October 31, 2017, the unamortized guarantee fee was \$15,756,000 and the Corporation has designated this amount for the financial guaranty reserve (see Note 18: “Contingencies”). The likelihood that HDC has to pay out under this guaranty decreases with the

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

passage of time. HDC will recognize the guaranty fee on a straight-line basis over the covered period which is 15 years.

(B) Co-op City Guaranty

On November 28, 2012, the Corporation entered into a Credit Support Agreement with Wells Fargo Bank National Association (“Wells Fargo Bank”), HUD and SONYMA. Wells Fargo Bank agreed to make a mortgage in the amount of \$621,500,000 to a Mitchell Lama cooperative housing development named Co-op City in the Bronx, New York. As a precondition of endorsing the loan for insurance, HUD acting through FHA required SONYMA and HDC each to provide a portion of top-loss guaranty on the loan. Pursuant to the agreement between HDC and HUD, HDC agreed to provide \$15,000,000 as a guaranteed amount to Wells Fargo Bank in the event of a default by the cooperative. The Corporation agreed to fund the full amount of the top-loss guaranty in a segregated designated account for the duration of the HDC top-loss guaranty. As of October 31, 2017, the Corporation has designated \$15,000,000 as a financial guaranty reserve (see Note 18: “Contingencies”).

(C) Community Preservation Corporation Guaranty

On November 18, 2013, the Corporation’s Members authorized the purchase of a subordinate participation in the two or more of Citibank Revolving Credit Facilities (each a “Revolving Credit Facility” and collectively “the Revolver”) to Special Purpose Entities (each an “SPE”) to be created by the Community Preservation Corporation (“CPC”) in an amount not to exceed \$20 million. HDC’s exposure will be limited to 10% of each mortgage loan, and \$20 million overall. The purpose of this agreement is to provide financing for the CPC SPEs to facilitate the origination, or acquisition of, or participation in mortgage loans for the construction, rehabilitation, and refinancing of multi-family rental properties located in the City’s low and moderate income communities. In addition, this subordinate participation replaced the Limited Guaranty to CPC Funding SPE 1, LLC and the Corporation will not participate in a separate Citibank arranged working capital facility for CPC which was approved by the Corporation’s Members on April 9, 2012.

On May 17, 2016, HDC’s loan participation agreement was amended and the Corporation’s commitment increased, from \$20 million to \$25 million, with a new maturity date of May 17, 2022. The advance funded to date was \$20,339,000 with a revolving repayment of \$10,367,000. As of October 31, 2017, the outstanding balance was \$9,972,000 (see Note 18: “Contingencies”). The Corporation has designated \$2,500,000 as a loan participation reserve.

(D) Preserving City Neighborhoods Guaranty

On September 18, 2013, the Corporation’s Members authorized to provide a limited guaranty to the New York City Acquisition Fund LLC (“NYAF”) on behalf of qualified nonprofit organizations partnering with Preserving City Neighborhoods (“PCN”). The HDC guaranty will be equal to a 25% loss on acquisition loans up to maximum exposure of \$5 million. HPD will work together with PCN to develop a pipeline with a particular focus on smaller buildings of fewer than 30 residential units that have historically not generated interest in the open market (see Note 18: “Contingencies”). As of October 31, 2017, the Corporation has designated \$2,250,000 as a financial guaranty reserve.

New York City Housing Development Corporation
Notes to the Financial Statements
October 31, 2017

(E) Federal Housing Administration Risk Sharing Program

In November 2011, the Corporation entered into an amended risk sharing agreement with HUD. HDC participates in the Risk Sharing Program to obtain 100% insurance on certain loans made by HDC for affordable multifamily housing. The risk sharing allocation between HDC and HUD will be on a project by project basis and take effect when the loan converts to permanent financing.

In fiscal year 2014, the Corporation entered into a second risk-sharing agreement with HUD, which largely mirrors the terms of the existing amended Risk-Sharing Agreement.

HDC has established a guaranty reserve for risk sharing obligations to FHA if there is a loss on a mortgage loan.

As of October 31, 2017, HDC has designated a total of \$8,135,000 as a financial guaranty reserve under the FHA risk-sharing mortgage insurance program for twelve participating projects and future participating projects.

Note 18: Contingencies

In the normal conduct of business, the Corporation is involved in litigation matters. In the opinion of management and the Corporation’s legal counsel, the ultimate disposition of such litigations should not have a material adverse effect on the financial position of the Corporation.

As discussed in Note 17 above, the Corporation entered into several guaranty agreements with various entities in order to finance certain projects. These guaranties required the establishment and funding of reserves which put the Corporation in a better financial position to meet its’ obligations in the event that payments are required.

The reserves are summarized in the chart below:

Financial Guaranties	At October 31, 2017 Reserve Amounts
NYCHA Tax Credit Guaranty	\$15,756,000
Co-op City Guaranty	15,000,000
Community Preservation Corporation Guaranty	2,500,000
Preserving City Neighborhoods Guaranty	2,250,000
FHA Risk Sharing	8,135,000
Total	\$43,641,000

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Note 19: Net Position

The Corporation's Net Position represents the excess of assets and deferred outflows of resources over liabilities and deferred inflows of resources and consists largely of mortgage loans and investments. HDC's net position is categorized as follows:

- Restricted Net Position is net position that has been restricted in use in accordance with the terms of an award, agreement or by State law. This includes net position restricted by bond resolutions, contractual obligations with HPD and HUD, and REMIC reserves that are required by statute, among other items (see chart below).
- Unrestricted Net Position is the remaining net position, which can be further categorized as Designated or Undesignated. Designated Net Position is not governed by statute or contract but is committed for specific purposes pursuant to HDC policy and/or Member directives. Designated Net Position includes funds and assets committed to various housing initiatives, reserves to maintain HDC's credit ratings, and working capital.

Changes in Net Position

The changes in Net Position are as follows:

(in thousands)

	Restricted	Unrestricted	Total
Net position at October 31, 2015	\$1,271,641	969,939	2,241,580
Income	88,493	44,614	133,107
Transfers	104,153	(104,153)	—
Net position at October 31, 2016	\$1,464,287	910,400	2,374,687
Income	146,132	63,347	209,479
Transfers	(1,620)	1,620	—
Net position at October 31, 2017	\$1,608,799	975,367	2,584,166

Summary of Restricted Net Position

(in thousands)

	2017	2016
Multi-Family Bond Programs	\$1,258,576	1,160,539
421-A Housing Trust Fund	272,904	228,372
Corporate Debt Service Reserve 2014 Series B1 and B2 Bonds	5,996	6,719
Claim Payment Fund for 223(f) Program	131	363
REMIC Insurance Reserve	71,192	68,294
Total Restricted Net Position	\$1,608,799	1,464,287

New York City Housing Development Corporation

Notes to the Financial Statements

October 31, 2017

Of the total Unrestricted Net Position listed below, \$477,626,000 is for existing mortgages and other loans. An additional \$285,532,000 has been designated by senior management of the Corporation for future mortgage advances pursuant to housing programs established by the Corporation. The Corporation also has \$2,338,000 in capital assets.

Summary of Unrestricted Net Position (in thousands)	2017	2016
Designated Position:		
Existing Mortgages	\$477,626	\$361,099
Housing Programs and Commitments	285,532	339,997
Working Capital	22,625	22,111
Rating Agency Reserve Requirement	92,500	90,200
Financial Guaranty Reserves (Note 17)	43,641	45,241
REMIC Insurance Reserves	51,105	49,279
Total Designated Net Position	973,029	907,927
Net Investment in Capital Assets:		
Capital Assets, net	2,338	2,473
Total Net Investment in Capital Assets	\$2,338	\$2,473

In fiscal year 2017, net position transferred from restricted to unrestricted was a net amount of \$1,620,000. The amount represents excess in the Open Resolution, transfer of mortgage loans originated with corporate reserves into the Open Resolution as a result of securitizations, as well as transfer of amounts exceeding REMIC reserve requirement. In fiscal year 2016, \$104,153,000 was transferred from unrestricted to restricted as noted above.

Note 20: Subsequent Events

Subsequent to October 31, 2017, bonds and debt obligations, also commonly referred to as “Back to Back”, issued in the course of the Corporation’s normal business activities were \$394,369,000 and \$91,477,000, respectively. In addition, the Corporation sold \$29,115,000 of loan participation interest to FFB as well.

Notes to Schedule

Changes in benefit terms: None

Changes in assumptions: Yes

50% of deferred vested participants under age 65 are assumed to return to HDC and elect coverage.

Valuation date:

Actuarially determined contributions rates are calculated as of October 31, one year prior to the end of the fiscal year in which contributions are reported.

Actuarial cost method	Entry age normal
Amortization method	Level percentage of payroll closed
Amortization period	30 years
Asset valuation method	5-year amortization market
Inflation	2.5 percent
Healthcare cost trend rates	Current rate of 8% decreasing to an ultimate rate of 5%
Salary increases	3%, average, including inflation
Investment rate of return	4%, net of OPEB plan investment expense
Retirement age	In the 2016 actuarial valuation, expected retirement ages of general employees were adjusted to more closely reflect actual experience.
Mortality	In the 2016 actuarial valuation, assumed life expectancies were adjusted based on the actual experience of the NYCERS population and the application of the MP-2017 mortality improvement scale. In prior years, those assumptions were based on the application of the MP-2015 mortality improvement scale.

This schedule is intended to show information for 10 years.

New York City Housing Development Corporation

Notes to Schedule of Expenditures of Federal Awards

October 31, 2017

1. Basis of Accounting

The accompanying Schedule of Expenditures of Federal Awards (“SEFA”) presents the financial activity of the federally assisted programs of the New York City Housing Development Corporation as of and for the year ended October 31, 2017. The information in the SEFA is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Because the SEFA presents only a selected portion of the operations of the Corporation, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Corporation.

2. Summary of Significant Accounting Policies

Expenditures reported on the SEFA are presented using the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles of OMB Circular A-87, *Cost Principles for State, Local and Tribal Governments*, or the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Corporation has not elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

3. Interest Reduction Payments Program

Disbursements reported under the Interest Reduction Payments program (CFDA #14.103) fall under one of two project categories: those insured under Section 223(f) of the General Housing Act and those that are uninsured under General Housing subsidiary projects.

4. Hurricane Sandy Community Development Block Grant Disaster Recovery Grants

The City of New York, through the New York City Department of Housing Preservation and Development (“HPD”), applied for and was awarded funds from the United States Department of Housing and Urban Development (“HUD”) under the Hurricane Sandy Community Development Block Grant Disaster Recovery Grants (“CDBG-DR”) program. On October 29, 2013, the Corporation executed a subrecipient agreement with HPD in which the Corporation is responsible for implementing and administering a portion of the Multi-Family Rehabilitation Loan Program (the “Program”). The Program is intended to lend CDBG-DR funds to eligible owners of eligible buildings for eligible work under CDBG-DR and Program regulations.

Total	\$ 9,485,900	\$ 41,338,490	\$ 50,824,390	\$ 79,501,329	\$ 130,325,719

Pursuant to the Agreement with HPD, the Corporation may be reimbursed for general administrative costs incurred in conjunction with the program. This amount cannot exceed \$4,854,940 over the life of the agreement. Expenditures on the SEFA include \$442,221 of general administrative costs incurred by the Corporation during the year ended October 31, 2017. Cumulative general and administrative costs to date are \$2,184,864.

Reports and Schedule Required by the Uniform Guidance

Report of Independent Auditors on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

Management and the Members of the
New York City Housing Development Corporation

We have audited, in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the New York City Housing Development Corporation (the Corporation), a component unit of the City of New York, which comprise the statement of net position as of October 31, 2017, and the related statements of revenues, expenses and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 29, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Ernst + Young LLP

January 29, 2018

Report of Independent Auditors on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance

Management and the Members of the
New York City Housing Development Corporation

Report on Compliance for Each Major Federal Program

We have audited the New York City Housing Development Corporation's (the Corporation) compliance with the types of compliance requirements described in the US Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on the Corporation's major federal program for the year ended October 31, 2017. The Corporation's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Corporation's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Corporation's compliance.

Opinion on Each Major Federal Program

In our opinion, the Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended October 31, 2017.

Report on Internal Control Over Compliance

Management of the Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

January 29, 2018

New York City Housing Development Corporation

Schedule of Findings and Questioned Costs

For the Year Ended October 31, 2017

Section I – Summary of Auditor’s Results
