In the opinion of Bond Counsel to the Corporation, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on each issue of the 2007 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), except that no opinion is expressed as to such exclusion of interest on any 2007 Bond of an issue of 2007 Bonds for any period during which such 2007 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a "substantial user" of the facilities financed with the proceeds of such 2007 Bond or a "related person," and (ii) interest on each issue of the 2007 Bonds, however, is treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code. The 2007 Bonds will be issued in book-entry form only, in the name of Cede & Co., as registered owner and nominee of The Depository Trust Company, New York, New York ("DTC"). Interest on and principal of each issue of the 2007 Bonds will be payable by The Bank of New York, located in New York, New York, as trustee ("Trustee") for each issue of the 2007 Bonds, to Cede & Co., as nominee of DTC. Purchasers of the 2007 Bonds will not receive physical delivery of bond certificates. The 2007 Bonds will not be transferable or exchangeable, except for transfer to another nominee of DTC or otherwise as described herein.

Each issue of the 2007 Bonds relates to a project located in the Borough of the Bronx, New York. Each of the Projects is owned by a separate Mortgagor. Each issue of the 2007 Bonds is being issued to finance a Mortgage Loan to the respective Mortgagor in order to finance the Project owned by such Mortgagor and pay certain other costs related thereto.

Payment of principal of and interest on each issue of the 2007 Bonds will be secured, to the extent described herein, by certain revenues and assets pledged under the Resolution pursuant to which such issue of the 2007 Bonds is being issued, all as described herein. The principal of, interest on and purchase price of each issue of the 2007 Bonds are payable from the funds drawn under an irrevocable direct pay letter of credit (each a "Letter of Credit," and collectively, the "Letters of Credit") issued in favor of the Trustee by

Citibank, N.A.

issued pursuant to a Credit Agreement dated as of September 1, 2007 with the applicable Mortgagor. Each issue of the 2007 Bonds is subject to optional and mandatory redemption at the times and in the events set forth in the applicable Resolution and described herein.

The 2007 Bonds of each issue are being issued as variable rate obligations which will bear interest from their date of issuance to but not including the Wednesday following said date of issue at a rate per annum set forth in a certificate of the Corporation delivered on the date of issue of the 2007 Bonds. Thereafter, each issue of the 2007 Bonds will bear interest at the Weekly Rate, as determined for each issue of the 2007 Bonds from time to time by Bear, Stearns & Co. Inc., unless the method for determining the interest rate on such issue of the 2007 Bonds is changed to a different method or the interest rate is converted to a fixed rate to maturity. So long as an issue of the 2007 Bonds bears interest at a Weekly Rate, interest is payable on the first Business Day of each month, commencing on the first Business Day of November, 2007.

During the period that an issue of the 2007 Bonds bears interest at the Weekly Rate, any 2007 Bond of such issue shall be purchased upon demand by the owner thereof, at a purchase price of par plus accrued interest, on any Business Day, upon at least seven (7) days' notice and delivery of a tender notice with respect to such 2007 Bond to The Bank of New York, located in New York, New York, as Tender Agent as described herein. Each issue of the 2007 Bonds will be subject to mandatory tender for purchase upon a change in the method of determining the interest rate for such Bonds or upon any substitution of the Letter of Credit or provision for an Alternate Security. Each issue of the 2007 Bonds will also be subject to mandatory tender for purchase in other circumstances as described herein.

This Official Statement in general describes the 2007 Bonds only while the 2007 Bonds bear interest at the Weekly Rate.

The 2007 Bonds of each issue are special obligations of the New York City Housing Development Corporation, a corporate governmental agency, constituting a public benefit corporation organized and existing under the laws of the State of New York. The 2007 Bonds are not a debt of the State of New York or The City of New York and neither the State nor the City shall be liable thereon, nor shall the 2007 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged therefor. \$11,000,000 Multi-Family Mortgage Revenue Bonds (Boricua Village Apartments Site A-2), 2007 Series A **\$17,300,000 Multi-Family Mortgage Revenue Bonds (Boricua Village Apartments Site C), 2007 Series A**

This Official Statement (including the cover page and appendices) provides certain information concerning the New York City Housing Development Corporation (the "Corporation") in connection with the sale of two separately issued and secured bond issues of the Corporation consisting of \$11,000,000 aggregate principal amount of its Multi-Family Mortgage Revenue Bonds (Boricua Village Apartments Site A-2), 2007 Series A (the "Boricua Village A-2 Bonds") and \$17,300,000 aggregate principal amount of its Multi-Family Mortgage Revenue Bonds (Boricua Village Apartments Site C), 2007 Series A (the "Boricua Village C Bonds"; each an "issue of the 2007 Bonds," and collectively, the "2007 Bonds").

Each issue of the 2007 Bonds is to be issued in accordance with the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law, constituting Chapter 44-b of the Consolidated Laws of the State of New York, as amended (the "Act"), and pursuant to a resolution relating to such issue of the 2007 Bonds adopted by the Members of the Corporation on September 19, 2007. Each such resolution, as amended and supplemented from time to time, is herein referred to as a "Resolution," and collectively they shall be referred to as the "Resolutions." Pursuant to each of the Resolutions, bonds issued thereunder are equally and ratably secured by the pledges and covenants contained therein and all such bonds, including the 2007 Bonds issued thereunder, are herein referred to as the "Bonds." The Bank of New York, located in New York, New York, will act as trustee for each issue of the 2007 Bonds (in its capacity as trustee for an issue of the 2007 Bonds, with its successors, the "Trustee"). Certain defined terms used herein are set forth in Appendix A hereto.

INTRODUCTION

The Corporation, which commenced operations in 1972, is a corporate governmental agency constituting a public benefit corporation organized and existing under the laws of the State of New York (the "State"). The Corporation was created by the Act for the purpose of providing and encouraging the investment of private capital in safe and sanitary dwelling accommodations in the City of New York within the financial reach of families and persons of low income, which includes families and persons whose need for housing accommodations cannot be provided by the ordinary operations of private enterprise, or in areas designated as blighted through the provision of low interest mortgage loans. The Act provides that the Corporation and its corporate existence shall continue at least so long as bonds, notes or other obligations of the Corporation shall be outstanding.

Each issue of the 2007 Bonds relates to a project located in the Borough of the Bronx, New York (each a "Project," and collectively, the "Projects") which is owned by a separate entity (each such owner a "Mortgagor," and collectively, the "Mortgagors"). Each issue of the 2007 Bonds is being issued to finance a mortgage loan (each a "Mortgage Loan," and collectively, the "Mortgage Loans") to one of the two Mortgagors to finance the Project owned by such Mortgagor. The Boricua Village A-2 Bonds are being issued to finance a mortgage loan (the "Boricua Village A-2 Mortgage Loan") to Boricua Village Associates A-2, L.P., a New York limited partnership (the "Boricua Village A-2 Mortgagor"), for the purposes of paying a portion of the costs of acquiring, constructing and equipping a multi-family rental housing facility to be located at 508 East 163rd Street in the Borough of the Bronx, New York (the "Boricua Village A-2 Project"), and certain other costs related thereto. The Boricua Village C Bonds are being issued to finance a mortgage loan (the "Boricua Village C Mortgage Loan") to Boricua Village Associates, L.P., a New York limited partnership (the "Boricua Village C Mortgagor"), for the purposes of paying a portion of the costs of acquiring, constructing and equipping a multi-family rental housing facility to be located at 3213 Third Avenue in the Borough of the Bronx, New York (the "Boricua Village C Project"), and certain other costs related thereto. See "ESTIMATED SOURCES AND USES OF FUNDS" herein. The controlling entity of each Mortgagor is a single purpose corporation wholly owned by Peter Fine and Marc Altheim, principals of Atlantic Development Group, LLC, the developer of the Projects. See "THE PROJECTS AND THE MORTGAGORS."

Completion of construction of each Project depends upon, among other things, the ability of the applicable Mortgagor to obtain various permits and approvals, some of which have not yet been obtained. In the event that the applicable Project is not completed within approximately 24 months, subject to a six month extension and subject to force majeure, after the date of initial issuance and delivery of the applicable issue of the 2007 Bonds, as required by the respective Credit Agreement (as hereinafter defined), there may be a mandatory tender or redemption of the applicable issue of the 2007 Bonds, in whole or in part. See “DESCRIPTION OF THE 2007 BONDS—Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2007 Bonds Upon an Event of Termination” and “Redemption of 2007 Bonds - Mandatory - Mandatory Redemption Following an Event of Termination” herein. In addition, if a Mortgage Loan is made in an amount less than the amount originally anticipated, all or a portion of the applicable issue of the 2007 Bonds may be redeemed. See “DESCRIPTION OF THE 2007 BONDS—Redemption of 2007 Bonds - Optional - Special Redemption Without Premium” herein.

Simultaneously with the issuance of each issue of the 2007 Bonds, the Corporation will be making a separate subordinate mortgage loan in the amount of \$385,000 to the Boricua Village C Mortgagor (the “Non-Bond Loan”). No obligations will be issued by the Corporation to provide proceeds for the Non-Bond Loan and the Corporation has not pledged the scheduled or other payments required by the Non-Bond Loan or the subordinate mortgage securing the Non-Bond Loan (collectively, the “Non-Bond Mortgage”) for the benefit of the owners of any issue of the 2007 Bonds. Further, upon completion of construction of the applicable Project and satisfaction of certain conditions, each Mortgagor is required to prepay a portion of the respective Mortgage Loan (each a “Mandatory Mortgage Loan Prepayment”). The source of funds for each Mortgage Loan Mandatory Prepayment is expected to be derived from (i) proceeds of the applicable Mortgagor’s sale of certain low income housing tax credits, and (ii) the sale of Section 421-a negotiable certificates (the “Section 421-a Certificates”) by The Doe Fund, Inc. (“TDF”), the proceeds of which are anticipated to be loaned to the Mortgagors by TDF. Each Mandatory Mortgage Loan Prepayment is required to be applied to redeem the applicable issue of the 2007 Bonds in a principal amount equal to the amount of the Mandatory Mortgage Loan Prepayment. See “THE MORTGAGE LOANS AND OTHER FINANCING” and “DESCRIPTION OF THE 2007 BONDS—Redemption of the 2007 Bonds – Mandatory -Mandatory Redemption From Certain Recoveries of Principal”.

Concurrently with, and as a condition precedent to, the issuance of each issue of the 2007 Bonds, the Corporation will cause to be delivered to the Trustee two separate irrevocable direct pay letters of credit (each a “Letter of Credit,” and collectively, the “Letters of Credit”) executed and delivered by Citibank, N.A. (the “Credit Issuer”). Each Letter of Credit will permit the Trustee to draw up to an amount equal to the aggregate principal amount of the applicable issue of 2007 Bonds then Outstanding plus an amount equal to at least 34 days of interest at the Maximum Rate (defined below) on the Outstanding 2007 Bonds, in order to pay the principal or Purchase Price (defined below) of, and interest on, such 2007 Bonds. Each Letter of Credit will expire on September 28, 2009, unless extended or terminated earlier in accordance with the terms of the applicable Credit Agreement. See “THE LETTER OF CREDIT BANK,” “SECURITY FOR THE BONDS-Letter of Credit” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTERS OF CREDIT AND THE CREDIT AGREEMENTS” herein. Under certain circumstances, the Corporation or the applicable Mortgagor may replace each Letter of Credit with a Substitute Letter of Credit or an Alternate Security. Each Letter of Credit constitutes a “Credit Facility” under the respective Resolution, and the Credit Issuer constitutes a “Credit Issuer” under the respective Resolution. See “SECURITY FOR THE BONDS—Alternate Security” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTERS OF CREDIT AND CREDIT AGREEMENTS” herein.

Each Mortgagor will enter into a Letter of Credit and Reimbursement Agreement (each a “Reimbursement Agreement,” and collectively, the “Reimbursement Agreements”) with the Credit Issuer, in its capacity as the provider of the Letter of Credit and as agent and servicer (the “Agent”) pursuant to which the respective Mortgagor will agree to reimburse the Credit Issuer for any payments made by the Credit Issuer under the applicable Letter of Credit. The sole obligor under each Letter of Credit will be the Credit Issuer. The provisions of the Reimbursement Agreement for each issue of the 2007 Bonds are substantially identical (except as to the Mortgagor, the Project and the principal amount). Upon an event of default under a Reimbursement Agreement, the Credit Issuer may direct the mandatory tender or mandatory redemption of all or a portion of the related issue of the 2007 Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE LETTERS OF CREDIT AND THE REIMBURSEMENT AGREEMENTS – Events of Default” and “– Remedies,” “DESCRIPTION OF THE 2007 BONDS – Redemption of 2007 Bonds – Mandatory –Mandatory Redemption Following an Event of Termination” and “DESCRIPTION OF

THE 2007 BONDS – Credit Issuer’s Right To Cause a Mandatory Tender for Purchase of 2007 Bonds Upon an Event of Termination.”

Each Mortgage Loan is to be evidenced by a mortgage note (as the same may be amended and supplemented, each a “Mortgage Note,” and collectively, the “Mortgage Notes”) and secured by a mortgage on the respective Project (as the same may be amended and supplemented, each a “Mortgage” and collectively, the “Mortgages”). Each Mortgage Note and Mortgage is to be assigned by the Corporation to the applicable Trustee and the Credit Issuer, as their interests may appear, subject to the reservation by the Corporation of certain rights. See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTIONS—Covenants with Respect to the Mortgage Loan.”

The 2007 Bonds of each issue are special obligations of the Corporation payable solely from payments under the related Mortgage Loan and other Revenues pledged therefor under the applicable Resolution, including any investment earnings thereon, all as provided in accordance with the terms of the applicable Resolution. In addition, the 2007 Bonds are payable from amounts obtained under the applicable Letter of Credit, any applicable Substitute Letter of Credit or any applicable Alternate Security (collectively, the “Credit Facility”), provided in accordance with the terms of the applicable Resolution. See “SECURITY FOR THE BONDS.”

All of the 2007 Bonds are to be issued simultaneously. The provisions of the Mortgage, Mortgage Note, Resolution and Letter of Credit for each issue of the 2007 Bonds are substantially identical (except as to the Mortgagor, the Project and the principal amount). **However, payment of each issue of the 2007 Bonds is secured only by the related Mortgage Loan and the revenues or assets pledged under the related Resolution, and not by any other Mortgage Loan or revenues or assets pledged under any other Resolution. Payments under each Mortgage Note will be applied only to the payment of the related issue of the 2007 Bonds and are secured only by the related Letter of Credit, and not by any other Letter of Credit.**

The 2007 Bonds of each issue are being issued as variable rate obligations which will bear interest from their date of issue to but not including the Wednesday following said date of issue at a rate per annum set forth in a certificate of the Corporation delivered on the date of issue of the 2007 Bonds. Thereafter, each issue of the 2007 Bonds will initially bear interest at the Weekly Rate, to be determined for each issue of the 2007 Bonds weekly and as otherwise described herein by Bear, Stearns & Co. Inc., as remarketing agent for each issue of the 2007 Bonds (in such capacity, the “Remarketing Agent”). Under certain circumstances, and with the prior written consent of the Credit Issuer, the method of calculating the interest rate borne by an issue of the 2007 Bonds may be changed from time to time to a different method provided for in the applicable Resolution or the interest rate may be converted to a fixed rate to maturity. See “DESCRIPTION OF THE 2007 BONDS.” So long as the relevant Letter of Credit is in effect, each issue of the 2007 Bonds is subject to a maximum interest rate of ten percent (10%) per annum or such higher rate (which shall not exceed fifteen percent (15%) per annum) as may be established in accordance with the provisions of the applicable Resolution (the “Maximum Rate”).

During any period of time in which an issue of the 2007 Bonds bears interest at the Weekly Rate, such 2007 Bonds are subject to purchase at a price equal to 100% of the principal amount of such 2007 Bonds plus accrued and unpaid interest thereon to the date of purchase (with respect to each issue of the 2007 Bonds, the “Purchase Price”). Such purchase shall be made upon demand of the owner thereof on any Business Day upon seven days’ prior notice. The 2007 Bonds are also subject to mandatory tender for purchase and are subject to optional and mandatory redemption and defeasance as set forth in the Resolutions and described herein.

This Official Statement in general describes the 2007 Bonds only while the 2007 Bonds bear interest at the Weekly Rate.

The 2007 Bonds are not a debt of the State of New York or The City of New York and neither the State nor the City shall be liable thereon, nor shall the 2007 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged therefor. The Corporation has no taxing power.

Descriptions of the 2007 Bonds and sources of payment, the Corporation, the Credit Issuer, the Mortgagors, the Projects, the Mortgage Loans, the Letters of Credit, the Resolutions, the Credit Agreements and certain related agreements are included in this Official Statement. All summaries or descriptions herein of documents and

agreements are qualified in their entirety by reference to such documents and agreements and all summaries herein of the 2007 Bonds are qualified in their entirety by reference to the applicable Resolution and the provisions with respect thereto included in the aforesaid documents and agreements. Copies of the Resolutions are available for inspection at the office of the Corporation. The Corporation has covenanted in each Resolution to provide a copy of each annual report of the Corporation (and certain special reports, if any) and any Accountant's Certificate relating thereto to each Bond owner who shall have filed such owner's name and address with the Corporation for such purposes. See "SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTIONS – Accounts and Reports" herein. Other than as so covenanted in each Resolution, the Corporation has not committed to provide any information on an ongoing basis to any repository or other entity or person. Each Mortgagor has covenanted that in the event such Mortgagor exercises its right to convert the interest rate of the applicable issue of the 2007 Bonds to a Term Rate or a Fixed Rate, such Mortgagor will execute continuing disclosure agreement satisfactory to the Corporation and the Remarketing Agent prior to such conversion.

THE MORTGAGE LOANS AND OTHER FINANCING

Each of the Resolutions authorizes the issuance by the Corporation of a particular issue of the 2007 Bonds to provide moneys to finance a Mortgage Loan for the purposes of paying a portion of the costs of acquiring, constructing and equipping a Project and certain other costs related thereto. As a condition to the initial issuance and delivery of each issue of the 2007 Bonds, the Credit Issuer is to deliver the applicable Letter of Credit to the Trustee. In addition, the Corporation and each Mortgagor will enter into a financing agreement (as the same may be amended or supplemented, each a "Loan Agreement," and collectively, the "Loan Agreements"), simultaneously with the issuance of the 2007 Bonds. Each Mortgage Loan is to be evidenced by the applicable Mortgage Note, in an amount equal to the principal amount of the applicable issue of the 2007 Bonds, executed by the respective Mortgagor in favor of the Corporation and secured by a Mortgage on such Project. Each Mortgagor is required under the applicable Mortgage Note to make payments sufficient to pay principal of and interest on the related issue of the 2007 Bonds. Pursuant to the terms of the applicable Resolution and the applicable Assignment and Agreement by the Corporation to the Trustee and the Credit Issuer, and acknowledged by the applicable Mortgagor (each an "Assignment," and collectively, the "Assignments"), the Corporation will assign and deliver to the Credit Issuer and the Trustee, as their interests may appear, subject to the reservation of certain rights by the Corporation, all of its right, title and interest in and to the applicable Mortgage Loan and the related Mortgage Documents. The provisions of the Mortgage Loans, Loan Agreements and Mortgage Documents are substantially identical (except as to the Mortgagor, the Project and the principal amount). If the costs of acquiring, constructing and equipping the applicable Project are less than the amount originally anticipated and, in turn, the related Mortgage Loan is made in an amount less than the amount originally anticipated, a portion of the applicable issue of the 2007 Bonds may be redeemed. See "DESCRIPTION OF THE 2007 BONDS — Redemption of 2007 Bonds – Optional – Special Redemption Without Premium" herein.

Simultaneously with the issuance of each issue of the 2007 Bonds, the Corporation will be making the Non-Bond Loan to the Boricua Village C Mortgagor. No obligations will be issued by the Corporation to provide proceeds for the Non-Bond Loan and the Corporation has not pledged the scheduled or other payments required by the Non-Bond Loan or the Non-Bond Mortgage for the benefit of the owners of any issue of the 2007 Bonds.

In the applicable Credit Agreement, each Mortgagor agrees to complete the acquisition, construction and equipping of the applicable Project within approximately 24 months, subject to a six month extension and subject to force majeure, after the date of the initial issuance and delivery of the applicable issue of the 2007 Bonds. There can be no assurance that either of the Projects will be completed or that they will be completed on schedule. Failure to complete construction of the applicable Project by the date required in the respective Credit Agreement is an event of default under the applicable Credit Agreement and may, at the option of the Credit Issuer, result in a mandatory tender or redemption in whole or in part of the applicable issue of the 2007 Bonds. See "DESCRIPTION OF THE 2007 BONDS—Credit Issuer's Right to Cause a Mandatory Tender for Purchase of 2007 Bonds Upon an Event of Termination" and "Redemption of 2007 Bonds - Mandatory - Mandatory Redemption Following an Event of Termination" and "SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDITS AND THE CREDIT AGREEMENTS" herein.

Further, upon the completion of construction of the applicable Project and satisfaction of certain conditions, each Mortgagor is required to make a Mandatory Mortgage Loan Prepayment. Such prepayment is required to be applied to redeem prior to maturity a portion of the applicable issue of the 2007 Bonds (see "DESCRIPTION OF THE 2007 BONDS—Redemption of the 2007 Bonds – Mandatory – Mandatory Redemption From Recoveries of Principal"). The source of funds for each Mandatory Mortgage Loan Prepayment is expected to be derived from (i) proceeds of the applicable Mortgagor's sale of certain low income housing tax credits, and (ii) the sale of Section 421-a negotiable certificates by TDF, the proceeds of which are anticipated to be loaned to the applicable Mortgagor by TDF. However, each Mortgagor is required to make the applicable Mandatory Mortgage Loan Prepayment regardless of whether or in what amount such proceeds are available. A failure of a Mortgagor to make the required

Mandatory Mortgage Loan Prepayment is an event of default under the applicable Mortgage Loan and the applicable Credit Agreement. Upon an event of default under the applicable Credit Agreement, the Credit Issuer may cause a mandatory tender or redemption in whole or in part of the applicable issue of the 2007 Bonds. See “DESCRIPTION OF THE 2007 BONDS—Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2007 Bonds Upon and Event of Termination” and “Redemption of 2007 Bonds-Mandatory – Mandatory Redemption – Following an Event of Termination” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDITS AND THE CREDIT AGREEMENTS” herein.

The ability of each Mortgagor to pay its Mortgage Loan is dependent on the revenues derived from applicable Project. Due to the inherent uncertainty of future events and conditions, no assurance can be given that revenues generated by a Project will be sufficient to pay expenses of such Project, including without limitation, debt service on the applicable Mortgage Loan, operating expenses, servicing fees, fees due to the Credit Issuer, Remarketing Agent fees, Trustee and Tender Agent fees and fees owed to the Corporation. The ability of each Project to generate sufficient revenues may be affected by a variety of factors, including but not limited to completion of such Project, achievement and maintenance of a certain level of occupancy, the level of rents prevailing in the market, the ability to achieve increases in rents as necessary to cover debt service and operating expenses, interest rate levels, the level of operating expenses, project management, adverse changes in applicable laws and regulations, and general economic conditions and other factors in the metropolitan area surrounding the Project. Each Mortgagor is required to rent certain units in the applicable Project to persons or families of moderate income, and the amount of rent that may be charged for such units is expected to be less than market rates. In addition to these factors, other adverse events may occur from time to time which may have a negative impact on the occupancy level and rental income of each Project.

The Mortgagors have agreed to pay fees to the Credit Issuer in connection with the issuance and maintenance of each Letter of Credit and to indemnify the Credit Issuer in certain circumstances. Failure of a Mortgagor to make payments when due under the applicable Mortgage Loan, the Non-Bond Loan (with respect to the Boricua Village C Bonds) or the applicable Credit Agreement, as the case may be, will result in an event of default under the applicable Credit Agreement and may, at the option of the Credit Issuer, result in a mandatory tender or redemption, in whole or in part, of the applicable issue of 2007 Bonds. See “DESCRIPTION OF THE 2007 BONDS—Credit Issuer’s Right To Cause a Mandatory Tender for Purchase of 2007 Bonds Upon an Event of Termination” and “Redemption of 2007 Bonds—Mandatory—Mandatory Redemption Upon a Declaration of Acceleration—Following an Event of Termination”. See also “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT”.

Under the terms of a completion guaranty for each Project (as same may be amended or supplemented, the “Completion Guaranty”) executed and delivered by Atlantic Development Group, LLC, a New York limited liability company affiliated with principals of the Mortgagor (collectively, the “Completion Guarantor”), to the Credit Issuer, the Completion Guarantor has agreed to guarantee completing construction of the Projects. Failure by the Completion Guarantor to perform its obligations under either Completion Guaranty may result in an event of default under the applicable Credit Agreement and may, at the option of the Credit Issuer, result in a mandatory tender or redemption, in whole or in part, of the applicable issue of 2007 Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT” and “DESCRIPTION OF THE 2007 Bonds—Credit Issuer’s Right To Cause a Mandatory Tender for Purchase of 2007 Bonds Upon an Event of Termination” and “Redemption of 2007 Bonds—Mandatory—Mandatory Redemption Upon a Declaration of Acceleration—Following an Event of Termination”. Neither the owners of the 2007 Bonds nor the Corporation will have any rights with respect to either Completion Guaranty, and the obligations thereunder, provided by the Completion Guarantor. Each Completion Guaranty is provided for the sole benefit of the Credit Issuer.

Each Mortgage Loan is a non-recourse obligation of the respective Mortgagor with respect to which its partners have no personal liability and as to which its partners have not pledged for the benefit of the Bondholders any of their respective assets, other than the respective Project and its rents, profits and proceeds.

THE PROJECTS AND THE MORTGAGORS

Each Mortgagor has provided the following information regarding such Mortgagor and the Project owned by it and the information regarding Atlantic Development Group, LLC for use herein. Atlantic has financed the construction of approximately 40 projects over the past decade containing more than 4,000 units, primarily in the Bronx and Manhattan.

Each Project is to be constructed on land owned by TDF and leased to the applicable Mortgagor under a long-term ground lease. TDF will mortgage its fee simple interest in the applicable land under the applicable Mortgage and will be joining the applicable Mortgagor in the execution of the applicable Regulatory Agreement. The officers of TDF are George T. McDonald, Dennis Piervicenti, John McDonald and Joanna West.

The general contractor for each Project will be Knickerbocker Construction II, LLC which has entered into a fixed price construction contract with each Mortgagor. THE LETTER OF CREDIT BANK

Citibank, N.A. (“Citibank”) was originally organized on June 16, 1812, and now is a national banking association organized under the National Bank Act of 1864. Citibank is an indirect wholly-owned subsidiary of Citigroup Inc. (“Citigroup”), a Delaware holding company. The obligations of Citibank under the Letter of Credit will not be guaranteed by Citigroup. As of June 30, 2007, the total assets of Citibank and its consolidated subsidiaries represented approximately 51% of the total assets of Citigroup and its consolidated subsidiaries.

Citibank is a commercial bank that, along with its subsidiaries and affiliates, offers a wide range of banking and trust services to its customers throughout the United States and the world.

As a national bank, Citibank is a regulated entity permitted to engage only in banking and activities incidental to banking. Citibank’s earnings may be affected by certain monetary policies of the Board of Governors of the Federal Reserve System (the “Federal Reserve Board”). Citibank is primarily regulated by the Office of the Comptroller of the Currency (the “Comptroller”), which also examines its loan portfolios and reviews the sufficiency of its allowance for credit losses.

Citibank’s deposits at its U.S. branches are insured by the Federal Deposit Insurance Corporation (the “FDIC”) and are subject to FDIC insurance assessments. The Letter of Credit is not insured by the FDIC or any other regulatory agency of the United States or any other jurisdiction.

Any FDIC-insured depository institution sharing common ownership with a failed FDIC-insured institution can be required to indemnify the FDIC for the FDIC’s losses resulting from the insolvency of the failed FDIC-insured institution, even if such indemnification causes the affiliated institution also to become insolvent. As a result, Citibank may, under certain circumstances, be obligated for the liabilities of its affiliates that are FDIC-insured depository institutions. Citibank’s FDIC-insured depository affiliates include: Citibank (South Dakota), National Association; Citicorp Trust Bank, fsb; Citibank (Banamex USA); and Department Stores National Bank.

Under U.S. law, deposits in U.S. offices and certain claims for administrative expenses and employee compensation against a U.S. insured depository institution which has failed will be afforded a priority over other general unsecured claims, including deposits in non-U.S. offices and claims under non-depository contracts in all offices, against such an institution in the “liquidation or other resolution” of such an institution by any receiver. Such priority creditors (including the FDIC, as the subrogee of insured depositors) of such FDIC-insured depository institution will be entitled to priority over unsecured creditors in the event of a “liquidation or other resolution” of such institution.

As conservator or receiver for an insured depository institution, the FDIC also may disaffirm or repudiate any burdensome contract to which such institution is a party. The FDIC has not taken the position that such repudiation would impair the right of a holder of an unsecured obligation, such as the beneficiaries of the Letter of Credit, to claim principal and interest accrued through the date of appointment of a conservator or receiver. (The amount paid on such a claim would depend on the amount of assets in the receivership and the relative priority of the claim.) Disaffirmance or repudiation could, at a minimum, expose the beneficiaries of the Letter of Credit to reinvestment risk.

As conservator or receiver, the FDIC is also empowered to enforce most types of contracts, including the Letter of Credit, pursuant to their terms notwithstanding any acceleration provisions therein, and may transfer to a new obligor any of Citibank’s assets or liabilities, including the Letter of Credit, without the approval or consent of Citibank’s creditors.

The FDIC is authorized to settle all uninsured and unsecured claims in the insolvency of an insured bank by making a final settlement payment at a percentage rate reflecting an average of the FDIC’s receivership recovery experience and constituting full payment and disposition of the FDIC’s obligation to uninsured and unsecured creditors.

The Basel Committee on Banking Supervision (the Basel Committee), consisting of central banks and bank supervisors from 13 countries, has developed a new set of risk-based capital standards (the New Accord or Basel II), on which it has received significant input from Citibank and other major banking organizations. Citibank generally supports the move to a new set of risk-based regulatory capital standards, published on June 26, 2004 (and subsequently amended in November 2005) by the Basel Committee on Banking Supervision (the Basel Committee), consisting of central banks and bank supervisors from 13 countries. The international version of the Basel II framework will allow Citibank to leverage internal risk models used to measure credit, operational, and market risk exposures to drive regulatory capital calculations.

On July 20, 2007, the U.S. banking regulators announced that the implementation of Basel II in the U.S. should be technically consistent in most aspects with the international version. This should lead to the finalization of a rule for implementing the advanced approaches for computing Citibank's risk-based capital requirements under Basel II. The U.S. implementation timetable is expected to consist of parallel calculations under the current regulatory capital regime (Basel I) and Basel II, starting January 1, 2008, and an implementation transition period, starting January 1, 2009 through year-end 2011 or possibly later. The U.S. regulators have reserved the right to change how Basel II is applied in the U.S. following a review at the end of the second year of the transitional period, and to retain the existing Prompt Corrective Action and leverage capital requirements applicable to U.S. banking organizations.

Citibank continues to monitor, analyze and comment on the developing capital standards in the U.S. and in countries where Citibank has a significant presence, in order to assess their collective impact and allocate project management and funding resources accordingly.

Citibank does not publish audited financial statements. However, Citigroup publishes audited financial statements which include certain data relevant to Citibank and its consolidated subsidiaries, including an audited balance sheet of Citibank and its consolidated subsidiaries. Citibank's earnings may differ significantly from those of Citigroup. The activities carried on by subsidiaries of Citigroup other than Citibank and its subsidiaries generally include certain consumer lending activities in the United States (including the credit card business, some residential mortgage lending, and secured and unsecured personal loans) and certain overseas banking operations, as well as investment banking services and securities brokerage activities around the world.

The Quarterly Report on Form 10-Q of Citigroup and its subsidiaries for the quarter ended June 30, 2007 (the "June 2007 10-Q"), sets forth certain data relative to the consolidated financial position of Citibank and its subsidiaries as of June 30, 2007 and December 31, 2006.

The Consolidated Balance Sheets of Citibank as of December 31, 2006 and as of December 31, 2005 are set forth on page 108 of the Annual Report on Form 10-K of Citigroup and its subsidiaries for the year ended December 31, 2006 and as of June 30, 2007 and December 31, 2006 are set forth on page 50 of the June 2007 10-Q. NONE OF SUCH INFORMATION OR ANY OF THE STATEMENTS REFERRED TO IN THE PRECEDING PARAGRAPHS UNDER THIS HEADING "LETTER OF CREDIT BANK" IS GUARANTEED AS TO ACCURACY OR COMPLETENESS BY THE CORPORATION, THE UNDERWRITER OR THE MORTGAGORS, OR IS TO BE CONSTRUED AS A REPRESENTATION BY THE CORPORATION, THE UNDERWRITER OR THE MORTGAGORS. FURTHERMORE, NEITHER THE CORPORATION, THE UNDERWRITER NOR THE MORTGAGORS MAKE ANY REPRESENTATIONS AS TO THE FINANCIAL CONDITION OR RESOURCES OF CITIBANK OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES SUBSEQUENT TO JUNE 30, 2007 IN SUCH INFORMATION OR IN THE INFORMATION CONTAINED IN THE STATEMENTS REFERRED TO ABOVE.

DESCRIPTION OF THE 2007 BONDS

The terms of each issue of the 2007 Bonds are substantially identical (except as to the Mortgagor, the Project and the principal amount). The description of the 2007 Bonds set forth below is applicable to each issue of the 2007 Bonds and should be read as describing each issue of the 2007 Bonds individually. For example, the interest rate on each issue of the 2007 Bonds will be determined separately, the method of calculating the interest rate to be borne by an issue of the 2007 Bonds may be changed to a different method separately and apart from the other issue of the 2007 Bonds, all or a portion of each issue of the 2007 Bonds may be redeemed separately and apart from each other issue of the 2007 Bonds, and all or a portion of each issue of the 2007 Bonds may be subject to mandatory tender separately and apart from the other issue of the 2007 Bonds.

General

The 2007 Bonds are to be dated and will mature as set forth on the cover page of this Official Statement. The 2007 Bonds will bear interest from the date of their delivery until payment of the principal thereof is made or provided for in accordance with the provisions of the Resolution, whether at maturity on September 1, 2042, upon redemption or otherwise. The 2007 Bonds are being issued as variable rate obligations which will bear interest from their date of issue to but not including the Wednesday following said date of issue at a rate per annum set forth in a certificate of the Corporation delivered on the date of issuance of the 2007 Bonds. Thereafter, the 2007 Bonds will bear interest initially at the Weekly Rate as determined from time to time by the Remarketing Agent. At no time shall the interest rate on the 2007 Bonds exceed the Maximum Rate. The 2007 Bonds are subject to conversion to alternate methods of determining interest rates thereon from time to time and to conversion to an interest rate fixed to maturity upon the terms and conditions described herein.

This Official Statement in general describes the 2007 Bonds only while the 2007 Bonds bear interest at a Weekly Rate.

The 2007 Bonds shall be issued solely in fully registered form, without coupons, issuable during a Weekly Rate Period in the denomination of \$100,000 or any \$5,000 increment in excess of \$100,000.

Interest on the 2007 Bonds shall be payable on a monthly basis on the first Business Day of each month commencing on the first Business Day of November, 2007, on any Change Date and on the maturity date of the 2007 Bonds. Interest on the 2007 Bonds shall be computed on the basis of a 365 or 366-day year, for the actual number of days elapsed. If the date for payment of interest on or principal or Redemption Price of the 2007 Bonds is a day other than a Business Day, then payment may be made on the next succeeding Business Day with the same force and effect as if made on the date originally fixed for payment, and in the case of such payment no interest shall accrue for the period from the date originally fixed for payment to such next succeeding Business Day.

Book-Entry Only System

The Depository Trust Company (“DTC”), New York, New York, will act as the securities depository for the 2007 Bonds. The 2007 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2007 Bond certificate will be issued for each maturity of the 2007 Bonds, totaling in the aggregate the principal amount of the 2007 Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation and Emerging Markets Clearing Corporation (“NSCC”, “FICC” and “EMCC”, respectively, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”, and together with Direct Participants, “Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of the 2007 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2007 Bonds on DTC’s records. The ownership interest of each actual purchaser of each 2007 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2007 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2007 Bonds, except in the event that use of the book-entry system for such 2007 Bonds is discontinued.

To facilitate subsequent transfers, all 2007 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the 2007 Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2007 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the 2007 Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2007 Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the 2007 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the 2007 Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Corporation or the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Trustee or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Corporation or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the 2007 Bonds at any time by giving reasonable notice to the Corporation or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, the 2007 Bond certificates are required to be printed and delivered.

The Corporation may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, the 2007 Bond certificates will be printed and delivered to DTC.

A Beneficial Owner shall give notice to elect to have its 2007 Bonds purchased or tendered, through its Participant, to the Tender Agent, and shall effect delivery of such 2007 Bonds by causing the Direct Participant to transfer the Participant's interest in the 2007 Bonds, on DTC's records, to the Tender Agent. The requirement for physical delivery of the 2007 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the 2007 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered 2007 Bonds to the Tender Agent's DTC Account.

The information herein concerning DTC and DTC's book-entry-only system has been obtained from sources that the Corporation and the Underwriter believe to be reliable, but neither the Corporation nor the Underwriter takes responsibility for the accuracy thereof.

Each person for whom a Participant acquires an interest in the 2007 Bonds, as nominee, may desire to make arrangements with such Participant to receive a credit balance in the records of such Participant, and may desire to make arrangements with such Participant to have all notices of redemption or other communications to DTC, which may affect such persons, to be forwarded in writing by such Participant and to have notification made of all interest payments. **NEITHER THE CORPORATION NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE 2007 BONDS.**

So long as Cede & Co. is the registered owner of the 2007 Bonds, as nominee for DTC, references herein to the Bondholders or registered owners of the 2007 Bonds (other than under the caption "TAX MATTERS" herein) shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the 2007 Bonds.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the Trustee to DTC only.

For every transfer and exchange of 2007 Bonds, the Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

The Corporation, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the 2007 Bonds if the Corporation determines that (i) DTC is unable to discharge its responsibilities with respect to the 2007 Bonds, or (ii) a continuation of the requirement that all of the Outstanding Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interests of the Beneficial Owners. In the event that no substitute securities depository is found by the Corporation or restricted registration is no longer in effect, 2007 Bond certificates will be delivered as described in the Resolution.

NONE OF THE CORPORATION, THE UNDERWRITER NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2007 BONDS UNDER THE RESOLUTIONS; (III) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2007 BONDS; (IV) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2007 BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE 2007 BONDS; OR (VI) ANY OTHER MATTER.

Interest Rate Periods

Weekly Rate Period. The 2007 Bonds shall bear interest at the Weekly Rate determined in accordance with the Resolution, during the period from the date of initial issuance and delivery of the 2007 Bonds to the earlier of the first Interest Method Change Date or the final maturity or redemption in whole of the 2007 Bonds.

The Weekly Rate shall be the lowest interest rate, not exceeding the Maximum Rate, which, in the determination of the Remarketing Agent as of the date of determination and under prevailing market conditions, would result as nearly as practicable in the market price for the 2007 Bonds on the Weekly Effective Rate Date being one hundred percent (100%) of the principal amount thereof, such interest rate to be determined as follows. The Remarketing Agent shall determine the Weekly Rate for the 2007 Bonds not later than 10:00 a.m., New York City time, on the Weekly Effective Rate Date for each Weekly Rate Term; provided, however, that the Weekly Rate from the date of initial issuance and delivery of the 2007 Bonds to but not including the Wednesday following said date of issue shall be the rate for the 2007 Bonds determined by the Corporation and delivered in writing to the Trustee on the date of such issuance and delivery. The Remarketing Agent shall immediately give notice of the determination of any Weekly Rate to the Corporation, the Mortgagor, the Trustee, the Tender Agent and the Credit Issuer by telecopy or other similar means of electronic communication or by such other method of communication as shall be mutually agreed upon by the Remarketing Agent and the recipients of such notice.

On the Business Day immediately following (i) the issuance and delivery of the 2007 Bonds and (ii) the establishment of any subsequent Weekly Rate Period, the Trustee shall deliver or mail by first-class mail, postage prepaid, to the owner of each 2007 Bond at the address shown on the registration books of the Corporation held by the Trustee, a notice stating the Weekly Rate to be borne by the 2007 Bonds and that from and after the Weekly Effective Rate Date the 2007 Bonds will bear interest at the Weekly Rate for the duration of the applicable Weekly Rate Period. Such notice shall further specify the name, address and telephone number of the person or persons from whom information with respect to the Weekly Rate for each succeeding Weekly Rate Term may be obtained. Unless an Interest Method Change Date occurs, a new Weekly Rate Term shall automatically commence on the day after the termination of the current Weekly Rate Term.

If for any reason the position of the Remarketing Agent is vacant, or if the Remarketing Agent fails in the performance of its duty to determine the Weekly Rate for any Weekly Rate Term or the Weekly Rate is held to be invalid or unenforceable by a court of law, as set forth in a written notice from the Corporation to the Trustee, the Weekly Rate for such Weekly Rate Term shall be determined by the Trustee and shall be one hundred percent (100%) of the most recent The Securities Industry and Financial Markets Association™ (SIFMA) Municipal Swap Index theretofore published in *The Bond Buyer* or otherwise made available to the Trustee.

Interest Rate Changes. No change in the method of determining the interest rate on the 2007 Bonds shall be made unless the Trustee has received, at least 30 days prior to the Change Date, (1) a Certificate of an Authorized Officer of the Mortgagor specifying (i) the date which is to be the Interest Method Change Date and (ii) the method of determining the interest rate which shall take effect on such date, (2) a Certificate of an Authorizes Officer of the Credit Issuer, evidencing consent to such change by the Credit Issuer if a Credit Facility is then in effect and, if necessary, an amendment to such Credit Facility conforming such Credit Facility to the requirement of the Resolution applicable to such instrument from and after the Interest Method Change Date, together with various opinions of counsels as set forth in the Resolutions, or provision for the issuance of a Substitute Letter of Credit or Alternate Security meeting the requirements of the Resolution, in which case the Interest Method Change Date shall also be a Facility Change Date, (3) an opinion of Bond Counsel to the Corporation to the effect that the proposed change in the method of determining the interest rate on the 2007 Bonds is consistent with the provisions of the Resolution and will not adversely affect the exclusion of the interest on the 2007 Bonds from gross income for Federal income tax purposes, and (3)(i) permission from Bond Counsel to the Corporation, the opinion of which as to the exclusion from gross income for Federal income tax purposes of interest on the 2007 Bonds is on file with the Trustee, to deliver such opinion in connection with the 2007 Bonds, or (ii) an opinion from Bond Counsel to the Corporation as described in the Resolution to the effect that the interest on the 2007 Bonds is not included in gross income for Federal income tax purposes.

Purchase of the 2007 Bonds on Demand of Owner

Each owner of a 2007 Bond may, by delivery of a written notice of tender to the Principal Office of the Tender Agent at 101 Barclay Street, Floor 7W, Attention: New York Municipal Finance Unit, New York, New York 10286 (or such other address as may be established by the Tender Agent from time to time), and the Remarketing Agent at 383 Madison Avenue, 11th Floor, New York, New York 10179 (or such other address as may be established by the Remarketing Agent from time to time), not later than 4:00 p.m., New York City time, on any Business Day not less than seven calendar days before the particular Business Day chosen as the purchase date, demand payment of the Purchase Price on and as of such purchase date of all or a portion of such 2007 Bond in any denomination authorized by the Resolution; provided, however, that no portion of a 2007 Bond shall be purchased unless any remaining portion of such 2007 Bond is in a denomination authorized by the Resolution. Each such notice of tender shall be irrevocable and effective upon receipt and shall:

(i) be delivered to the Tender Agent and the Remarketing Agent at their respective Principal Offices and be in a form satisfactory to the Tender Agent; and

(ii) state (A) the aggregate principal amount of the 2007 Bonds to be purchased and the numbers of the 2007 Bonds to be purchased, and (B) the date on which such 2007 Bonds are to be purchased, which date shall be a Business Day not prior to the seventh (7th) day next succeeding the date of delivery of such notice and which date will be prior to any Change Date.

If any 2007 Bonds are to be purchased prior to an Interest Payment Date and after the Record Date in respect thereof, the owner of such 2007 Bond demanding purchase thereof shall deliver to the Tender Agent a due bill, payable to bearer, for interest due on such Interest Payment Date.

Any 2007 Bonds for which a demand for purchase has been made shall be delivered to the Tender Agent as agent for the Credit Issuer at or prior to 12:00 noon, New York City time, on the date designated for purchase, with an appropriate endorsement for transfer or accompanied by a bond power endorsed in blank.

Any 2007 Bonds not so delivered to the Tender Agent (“Undelivered 2007 Bonds”) on or prior to the purchase date for which there has been irrevocably deposited in trust with the Trustee or the Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2007 Bonds shall be deemed to have been purchased at the Purchase Price. IN THE EVENT OF A FAILURE BY AN OWNER OF 2007 BONDS TO DELIVER ITS 2007 BONDS ON OR PRIOR TO THE PURCHASE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE PURCHASE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2007 BONDS, AND ANY UNDELIVERED 2007 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Notwithstanding the above, in the event that any 2007 Bond whose owner has exercised its demand purchase option is remarketed to such owner, such owner need not deliver such 2007 Bond to the Tender Agent but such 2007 Bond shall be deemed to have been delivered to the Tender Agent and remarketed and redelivered to such owner.

Mandatory Purchase of 2007 Bonds on Interest Method Change Date

The 2007 Bonds shall be subject to mandatory tender for purchase on any Interest Method Change Date at the Purchase Price. The Trustee shall deliver, or mail by first class mail, postage prepaid, to the Remarketing Agent and to the owner of each 2007 Bond, at its address shown on the registration books of the Corporation held by the Trustee, a notice not later than the fifteenth (15th) day prior to the Interest Method Change Date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Interest Method Change Date and reason therefor, that all owners of 2007 Bonds shall be deemed to have tendered their 2007 Bonds for purchase on the Interest Method Change Date, and the Purchase Price for such 2007 Bonds.

Owners of 2007 Bonds shall be required to tender their 2007 Bonds to the Tender Agent for purchase at the Purchase Price on the Interest Method Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2007 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2007 Bonds shall be deemed to have been purchased at the Purchase Price on the Interest Method Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2007 BONDS TO DELIVER ITS 2007 BONDS ON OR PRIOR TO THE INTEREST METHOD CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE INTEREST METHOD CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2007 BONDS, AND ANY UNDELIVERED 2007 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Mandatory Purchase of 2007 Bonds Upon Replacement, Termination or Expiration of Credit Facility

On any Facility Change Date, the 2007 Bonds are subject to mandatory tender for purchase at the Purchase Price. In connection with a purchase on a Facility Change Date, the Trustee shall deliver, or mail by first class mail, postage prepaid, a notice not later than the fifteenth (15th) day prior to the Facility Change Date to the Remarketing Agent and to the owner of each 2007 Bond at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Facility Change Date and reason therefor, that all owners of 2007 Bonds shall be deemed to have tendered their 2007 Bonds for purchase on the Facility Change Date, and the Purchase Price for such 2007 Bonds.

Owners of 2007 Bonds shall be required to tender their 2007 Bonds to the Tender Agent for purchase at the Purchase Price on the Facility Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2007 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2007 Bonds shall be deemed to have been purchased at the Purchase Price on the Facility Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2007 BONDS TO DELIVER ITS 2007 BONDS ON OR PRIOR TO THE FACILITY CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE FACILITY CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2007 BONDS, AND ANY UNDELIVERED 2007 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Mortgagor's Right to Cause a Mandatory Tender for Purchase of 2007 Bonds Upon a Notice of Prepayment of the Mortgage Loan

Pursuant to the Resolution, upon notice to the Trustee from the Corporation of the Mortgagor's election to prepay the Mortgage Loan in full (said notice from the Corporation to the Trustee being defined in the Resolution as a "Notice of Prepayment of the Mortgage Loan"), the Corporation shall specify a Change Date on which all the 2007 Bonds bearing interest at the Weekly Rate shall be subject to mandatory tender for purchase, which Change Date shall be the date specified by the Mortgagor for such prepayment of the Mortgage Loan.

Following receipt by the Trustee of such Notice of Prepayment of the Mortgage Loan, the Trustee shall deliver, or mail by first-class mail, postage prepaid, to the Remarketing Agent and to the owner of each 2007 Bond to which such notice relates, at its address shown on the registration books of the Corporation held by the Trustee, a notice not less than fifteen (15) days prior to such Change Date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice.

Any notice of mandatory tender relating to a Notice of Prepayment of the Mortgage Loan shall set forth, in substance, the Change Date and reason therefor, that all owners of 2007 Bonds shall be deemed to have tendered their 2007 Bonds for purchase on the Change Date and the Purchase Price for the 2007 Bonds. Owners of 2007 Bonds to which a mandatory tender for purchase relates shall be required to tender their 2007 Bonds to the Tender Agent for purchase at the Purchase Price on the Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2007 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2007 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2007 BONDS TO DELIVER ITS 2007 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2007 BONDS, AND ANY UNDELIVERED 2007 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Upon such prepayment of the Mortgage Loan and payment to the Credit Issuer (other than from the proceeds of the remarketing of the 2007 Bonds so purchased or from moneys on deposit in the Principal Reserve Fund) of all amounts due under the Credit Agreement, all 2007 Bonds tendered or deemed tendered as a result of such prepayment shall be deemed paid and shall be delivered to the Trustee for cancellation.

Credit Issuer's Right To Cause a Mandatory Tender for Purchase of 2007 Bonds Upon an Event of Termination

Pursuant to the Resolution, for so long as the Credit Facility is in effect, upon the receipt by the Trustee of written notice from the Credit Issuer that one or more events of default have occurred under the Credit Agreement (defined in the Resolution as an "Event of Termination"), including, but not limited to, a default under the Mortgage Loan or the Guaranty (as defined in the Credit Agreement), a failure to reimburse the Credit Issuer under the Credit Agreement or a failure to complete the Project within the time required by the Credit Agreement, the Credit Issuer may specify a Change Date on which the 2007 Bonds shall be subject to mandatory tender for purchase, which Change Date shall not be later than eight (8) days following receipt by the Trustee of the direction to purchase such 2007 Bonds; provided however, that if the Credit Issuer shall have directed that the mandatory tender for purchase of the 2007 Bonds be for a portion of the 2007 Bonds, only such portion of the 2007 Bonds shall be subject to mandatory tender for purchase by the owners thereof on such Change Date, and the particular 2007 Bonds to be tendered (which shall be in authorized denominations) shall be selected by the Trustee by lot, using such method as it shall determine in its sole discretion, except that the Trustee shall not select any 2007 Bond for tender which would result in any remaining 2007 Bonds not being in an authorized denomination as provided in the Resolution. Upon receipt of such written notice from the Credit Issuer, the Trustee shall promptly deliver to the Remarketing Agent and to the owner of each affected 2007 Bond a notice of mandatory tender for purchase by overnight express mail or courier service. Any notice given in such manner shall be conclusively presumed to have been duly given,

whether or not the owner receives such notice. See “SUMMARY OF CERTAIN PROVISIONS OF THE LETTER OF CREDIT AND THE CREDIT AGREEMENT”.

Any notice of mandatory tender relating to an Event of Termination specified by the Credit Issuer shall set forth, in substance, the Change Date and reason therefor, that all owners of affected 2007 Bonds shall be deemed to have tendered their 2007 Bonds for purchase on the Change Date and the Purchase Price for such 2007 Bonds. Owners of affected 2007 Bonds shall be required to tender their 2007 Bonds to the Tender Agent for purchase at the Purchase Price with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2007 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of the Undelivered 2007 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2007 BONDS TO DELIVER ITS AFFECTED 2007 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2007 BONDS, AND ANY UNDELIVERED 2007 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Additional Provisions Regarding Pledged Bonds

Pursuant to the Resolution, 2007 Bonds for which the Purchase Price is funded with moneys provided under the Credit Facility and which are not remarketed shall become Pledged Bonds. The Credit Facility shall not constitute security or provide liquidity support for Pledged Bonds. Pledged Bonds shall be pledged pursuant to the Pledge Agreement.

Failure to pay interest on Pledged Bonds when due, or failure to pay principal and interest on Pledged Bonds upon any Redemption Date or purchase date or the maturity date of Pledged Bonds, shall not constitute an Event of Default. Upon the maturity date of the 2007 Bonds, or upon any Redemption Date for the redemption in whole of the 2007 Bonds (whether by reason of optional or mandatory redemption) or date of acceleration of the 2007 Bonds, all Pledged Bonds shall be deemed cancelled. Pledged Bonds shall also be cancelled at the direction of the Credit Issuer. At such time as a Pledged Bond is remarketed, the Trustee or the Tender Agent, as appropriate, shall (a) remit the proceeds from the remarketing to the Credit Issuer, and (b) to the extent that the Credit Facility has been reinstated by the amount required as specified in the Resolution, give written notice to the Remarketing Agent, the Mortgagor and the Credit Issuer that such Bond is no longer a Pledged Bond.

Provisions Affecting 2007 Bonds if a Change of Method of Determining the Interest Rate Cannot be Effected or if a Credit Facility Cannot be Replaced

In the event of a Facility Change Date or an Interest Method Change Date and following the provision of notice of mandatory purchase of 2007 Bonds, the Trustee receives notice from the Corporation or the Remarketing Agent, as applicable, that a change in the method of determining the interest rate on the 2007 Bonds cannot be effected, or a Credit Facility that was to be replaced cannot be replaced, the Change Date shall be cancelled, unless the prior Credit Facility is expiring within sixty (60) days after the Change Date. The Trustee shall promptly deliver or mail by first class mail, postage prepaid, a notice to the owners of the 2007 Bonds stating that such change shall not occur and the reasons therefor.

Changes of Time Period for Provision of Notice Relating to Mandatory Purchase Provision or Demand Purchase Option

The Resolution provides that it is subject to amendment and supplement by a Supplemental Resolution, from time to time, to effect a change with respect to the time periods for provision of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination or the time periods for interest rate determination or the procedure for tendering 2007 Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option, which Supplemental Resolution may be adopted and become effective (i) upon filing of a copy thereof certified by an Authorized Officer of the Corporation with the Trustee, (ii) upon

filing with the Trustee and the Corporation of a consent to such Supplemental Resolution executed by the Trustee, and (iii) if such Supplemental Resolution is to effect a change with respect to the time periods for provision of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination or the time periods for interest rate determination or the procedure for tendering 2007 Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option, after such period of time as the Trustee and the Corporation deem appropriate following notice to the 2007 Bond owners but not less than thirty (30) days. A copy of any such Supplemental Resolution shall be provided to the owners of the 2007 Bonds.

Delivery of 2007 Bonds in Book-Entry-Only Form

Notwithstanding any other provision of the Resolution to the contrary, so long as any 2007 Bond is held in book-entry form, such 2007 Bond need not be delivered in connection with any optional or mandatory tender of 2007 Bonds described under “DESCRIPTION OF THE 2007 BONDS.” In such case, payment of the Purchase Price in connection with such tender shall be made to the registered owner of such 2007 Bonds on the date designated for such payment, without further action by the Beneficial Owner who delivered notice, and transfer of beneficial ownership shall be made in accordance with the procedures of DTC. See “DESCRIPTION OF THE 2007 BONDS – Book-Entry Only System” herein.

Redemption of 2007 Bonds – Mandatory

Mandatory Redemption From Certain Recoveries of Principal. The 2007 Bonds are subject to mandatory redemption, in whole or in part, at any time prior to maturity, in an amount not in excess of any Recoveries of Principal (other than the advance payment in full of all amounts to become due pursuant to the Mortgage Loan, at the option of the Mortgagor, with monies other than amounts transferred from the Principal Reserve Fund), at a Redemption Price equal to 100% of the principal amount of the 2007 Bonds or portions thereof to be redeemed plus accrued interest to the Redemption Date.

Mandatory Redemption on Bankruptcy of Credit Issuer. The 2007 Bonds are subject to mandatory redemption in whole at any time prior to maturity, if, within 30 days after an Act of Bankruptcy of the Credit Issuer, the Trustee has not received a new Credit Facility, at a Redemption Price equal to 100% of the principal amount of the 2007 Bonds to be redeemed plus accrued interest to the Redemption Date.

Mandatory Redemption Upon a Declaration of Acceleration.

Mandatory Redemption Following an Event of Default. The 2007 Bonds are subject to mandatory redemption, in whole, without notice, upon a declaration of acceleration by the Trustee as a remedy for an Event of Default under the Resolution at a Redemption Price equal to 100% of the principal amount of the 2007 Bonds to be redeemed, plus accrued interest thereon to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

Following an Event of Termination. The 2007 Bonds are subject to mandatory redemption, in whole or in part, without notice, upon a declaration of acceleration by the Trustee as a remedy for an Event of Termination under the Resolution at a Redemption Price equal to 100% of the principal amount of the 2007 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

Mandatory Redemption from Certain Transfers from Principal Reserve Fund. The 2007 Bonds are subject to mandatory redemption, in whole or in part, on the first Business Day of September of each year if and to the extent amounts in excess of the Principal Reserve Amount are transferred from the Principal Reserve Fund to the Redemption Account on the immediately preceding August 1 (or, if such day is not a Business Day, the next succeeding Business Day). (See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTIONS – Principal Reserve Fund.”) Each such redemption will be at a Redemption Price equal to 100% of the principal amount of such 2007 Bonds or portions thereof to be redeemed plus accrued interest to the Redemption Date.

Mandatory Redemption Following a Determination of Taxability. The 2007 Bonds shall be subject to mandatory redemption, in whole, as soon as practicable after the occurrence of a “Determination of Taxability” at a Redemption Price equal to 100% of the aggregate principal amount of the 2007 Bonds to be redeemed plus accrued interest to the Redemption Date. A “Determination of Taxability” with respect to the 2007 Bonds shall be deemed to occur if there shall be a final decree or judgment of a Federal court, or a final determination by the Internal Revenue Service for which all appeal or challenge periods have expired without challenge or appeal having been instituted, to the effect that the interest paid or payable on any 2007 Bond is or was includable in the gross income of the owner of such 2007 Bond for Federal income tax purposes, other than as a result of the owner of such 2007 Bond being a “substantial user” of the facilities financed by the 2007 Bonds or a “related person” within the meaning of the Code.

Redemption of 2007 Bonds – Optional

Optional Redemption. The 2007 Bonds are subject to redemption, at the option of the Corporation, in whole or in part, on any Business Day, at a Redemption Price equal to 100% of the principal amount of the 2007 Bonds or portions thereof to be so redeemed plus accrued interest to the Redemption Date.

Special Redemption. The 2007 Bonds are subject to redemption, at the option of the Corporation, in whole or in part, at any time prior to maturity, in an amount not in excess of amounts on deposit in the Bond Proceeds Account representing unexpended amounts allocable to the 2007 Bonds that are not used to finance the Mortgage Loan at a Redemption Price equal to 100% of the principal amount of the 2007 Bonds or portions thereof to be so redeemed, plus interest accrued thereon to the Redemption Date.

Selection of 2007 Bonds to be Redeemed

In connection with any redemption of the 2007 Bonds in part, the Trustee, after first selecting for redemption any 2007 Bonds pledged to the Credit Issuer, shall select the remaining 2007 Bonds or portions thereof to be redeemed by lot, in such manner as the Trustee may determine. Notwithstanding the foregoing, (i) for so long as the Credit Facility shall be in full force and effect, the first 2007 Bonds to be redeemed shall be Pledged Bonds and (ii) no 2007 Bond shall be selected for redemption if the portion of such 2007 Bond remaining after such redemption would not be a denomination authorized by the Resolution.

Notice of Redemption

When the Trustee receives notice from the Corporation of its election or direction to redeem the 2007 Bonds, or is required pursuant to the Resolution to redeem the 2007 Bonds, the Trustee is to give notice, in the name of the Corporation, of the redemption of such 2007 Bonds. Such notice is to specify, among other things, the 2007 Bonds to be redeemed, the Redemption Price, the Redemption Date, any conditions precedent to such redemption and the place or places where amounts due upon such redemption will be payable. The Trustee is to mail a copy of such notice, postage prepaid, to the registered owners of any 2007 Bonds or portions of 2007 Bonds which are to be redeemed, at their last addresses appearing upon the registry books not less than fifteen (15) days before the Redemption Date. The foregoing provisions of this paragraph do not apply in the case of any redemption of 2007 Bonds for which, pursuant to the Resolution, notice is not required to be given. If the conditions precedent to the redemption, if any, have been satisfied, interest shall cease to accrue and be payable on the 2007 Bonds after the Redemption Date if notice has been given, or is not required to be given, and if sufficient moneys have been deposited with the Trustee to pay the applicable Redemption Price and interest on the 2007 Bonds on such date. So long as the 2007 Bonds are in book-entry only form, notice of redemption shall only be given to Cede & Co., as nominee for DTC. See “DESCRIPTION OF THE 2007 BONDS – Book-Entry Only System.”

Corporation’s Right to Purchase

The Corporation retains the right to purchase the 2007 Bonds at such times, in such amounts and at such prices less than or equal to par as the Corporation shall determine, subject to the provisions of the Resolution, and thereby reduce its obligations, if any, for the 2007 Bonds.

Disclosure Concerning Remarketing of the 2007 Bonds

The information contained under this subheading “Disclosure Concerning Remarketing of the 2007 Bonds” has been provided by the Remarketing Agent for use in this Official Statement but has not been required by the Corporation or the Mortgagor to be included herein and, to the extent such information does not describe express provisions in the Resolution or the Remarketing Agreement, neither the Corporation nor the Mortgagor accepts any responsibility for its accuracy or completeness.

The Remarketing Agent is Paid by the Mortgagor.

The Remarketing Agent's responsibilities include determining the interest rate from time to time and remarketing Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Remarketing Agreement), all as further described in this Official Statement. The Remarketing Agent is appointed by the Mortgagor and is paid by the Mortgagor for its services. As a result, the interests of the Remarketing Agent may differ from those of existing holders and potential purchasers of 2007 Bonds.

The Remarketing Agent Routinely Purchases Bonds for its Own Account.

The Remarketing Agent acts as remarketing agent for a variety of variable rate demand obligations and, in its sole discretion, routinely purchases such obligations for its own account. The Remarketing Agent is permitted, but not obligated, to purchase tendered 2007 Bonds for its own account and, in its sole discretion, routinely acquires such tendered 2007 Bonds in order to achieve a successful remarketing of the 2007 Bonds (i.e., because there otherwise are not enough buyers to purchase the 2007 Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase 2007 Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the 2007 Bonds by routinely purchasing and selling 2007 Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the 2007 Bonds. The Remarketing Agent may also sell any 2007 Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the 2007 Bonds. The purchase of 2007 Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the 2007 Bonds in the market than is actually the case. The practices described above also may result in fewer 2007 Bonds being tendered in a remarketing.

2007 Bonds May be Offered at Different Prices on Any Date Including an Interest Rate Determination Date.

Pursuant to the Remarketing Agreement, the Remarketing Agent is required to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the 2007 Bonds bearing interest at the applicable interest rate at par plus accrued interest, if any, on and as of the applicable Rate Determination Date. The interest rate will reflect, among other factors, the level of market demand for the 2007 Bonds (including whether the Remarketing Agent is willing to purchase 2007 Bonds for its own account). There may or may not be 2007 Bonds tendered and remarketed on a Rate Determination Date, the Remarketing Agent may or may not be able to remarket any 2007 Bonds tendered for purchase on such date at par and the Remarketing Agent may sell 2007 Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the 2007 Bonds at the remarketing price. The Remarketing Agent, in its sole discretion, may offer 2007 Bonds on any date, including the Rate Determination Date, at a discount to par to some investors.

The Ability to Sell the 2007 Bonds other than through Tender Process May Be Limited.

The Remarketing Agent may buy and sell 2007 Bonds other than through the tender process. However, it is not obligated to do so and may cease doing so at any time without notice and may require holders that wish to tender their 2007 Bonds to do so through the Tender Agent with appropriate notice. Thus, investors who purchase the 2007 Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their 2007 Bonds other than by tendering the 2007 Bonds in accordance with the tender process.

Under Certain Circumstances, the Remarketing Agency May Be Removed, Resign or Cease Remarketing the 2007 Bonds, Without a Successor Being Named.

Under certain circumstances, the Remarketing Agent may be removed or have the ability to resign or cease its remarketing efforts, without a successor having been named, subject to the terms of the Remarketing Agreement. In the event there is no Remarketing Agent, the Trustee may assume such duties as described in the Resolution.

2007 Bonds Not Remarketed.

The purchase price of any tendered 2007 Bonds that are not remarketed by the Remarketing Agent is to be paid with the proceeds of a draw under the Letter of Credit.

ESTIMATED SOURCES AND USES OF FUNDS

The proceeds of each issue of the 2007 Bonds will be used to fund the applicable Mortgage Loan to the applicable Mortgagor in the principal amount equal to the principal amount of such issue of the 2007 Bonds, which amount will be used to finance a portion of the costs of the acquisition, construction and equipping of the applicable Project and to pay certain costs of issuance of the 2007 Bonds, including the Underwriter's fee in an amount equal to \$40,982.60 (with respect to the Boricua Village A-2 Bonds) and \$64,453.51 (with respect to the Boricua Village C Bonds). Subject to satisfying certain conditions specified in the applicable Resolution and the applicable Credit Agreement, the Boricua Village A-2 Mortgagor expects to draw approximately \$1,200,000 of the applicable Mortgage Loan upon the issuance of the 2007 Bonds and approximately \$9,800,000 from time to time thereafter. Subject to satisfying certain conditions specified in the applicable Resolution and the applicable Credit Agreement, the Boricua Village C Mortgagor expects to draw approximately \$1,500,000 of the applicable Mortgage Loan upon the issuance of the 2007 Bonds and approximately \$15,800,000 from time to time thereafter.

To the extent any proceeds of any issue of the 2007 Bonds are not used to fund the applicable Mortgage Loan, a portion of such issue of the 2007 Bonds may be redeemed. See "DESCRIPTION OF THE 2007 BONDS – Redemption of 2007 Bonds – Optional – Special Redemption Without Premium" herein.

SECURITY FOR THE BONDS

The description of the security for each issue of the 2007 Bonds set forth below is applicable to each issue of the 2007 Bonds individually (and not in the aggregate). Each issue of the 2007 Bonds is secured only by the related Resolution, Mortgage Loan and Letter of Credit and not by any other Resolution, Mortgage Loan or Letter of Credit. The terms of each Resolution, Mortgage Loan and Letter of Credit and the security for each issue of the 2007 Bonds are substantially identical (except as to the Mortgagor, the Project and the principal amount).

Pledge of the Resolution

The Resolution constitutes a contract among the Corporation, the Trustee and the owners of the Bonds issued thereunder and its provisions are for the equal benefit, protection and security of the owners of all such Bonds, each of which, regardless of the time of issue or maturity, is to be of equal rank without preference, priority or distinction except as provided in the Resolution.

The Bonds are special obligations of the Corporation payable from the Revenues and amounts on deposit in the Accounts (other than amounts deposited in or to be deposited in the Rebate Fund) as described herein. In addition, the 2007 Bonds are payable from amounts obtained under the Letter of Credit or an Alternate Security. Payment of the principal or Redemption Price of and interest on all Bonds is secured by a pledge of the Revenues, which consists of all payments received by the Corporation from or on account of the Mortgage Loan, including scheduled, delinquent and advance payments of principal and interest, proceeds from the sale, assignment, or other disposition of the Mortgage Loan in the event of a default thereon, proceeds of any insurance or condemnation award, and income derived from the investment of funds held by the Trustee in Accounts established under the Resolution, including earnings and gains received by the Trustee pursuant to any investment agreement. Revenues

do not, however, include any administrative or financing fee paid to the Corporation, other escrow deposits or financing, extension, late charges or settlement fees on account of the Mortgage Loan. Payment of the Bonds is also secured by a pledge by the Corporation of the rights and interest of the Corporation in all amounts held in any Accounts (other than amounts deposited in or to be deposited in the Rebate Fund) established pursuant to the Resolution (including the investments of such Accounts, if any). The Credit Issuer shall have certain rights with respect to, among other things, extensions, remedies, waivers, amendments and actions unless there is a Wrongful Dishonor of the Credit Facility by the Credit Issuer or the Credit Facility is no longer in effect, to the extent and as provided in the Resolution.

The pledges described in the immediately preceding paragraph are also subject to the terms and provisions of the Resolution requiring transfers of amounts to the Rebate Fund and permitting the application of the Revenues and amounts in such Accounts for the purposes described therein.

Pursuant to the Assignment, all of the Corporation's rights under the Mortgage Loan (except certain reserved rights as described in the Assignment) will be assigned to the Trustee on behalf of the owners from time to time of the Bonds, as security for the payment of the principal of and interest on the Bonds, and to the Credit Issuer, as security for the obligations of the Mortgagor under the Credit Agreement. The Corporation has also assigned under the Assignment its rights to enforce the terms, covenants and conditions of the Mortgage Loan to the Credit Issuer and the Trustee as their respective interests may appear. See "SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION—Covenants with Respect to the Mortgage Loan".

Letter of Credit

The 2007 Bonds when initially issued will have the benefit of an irrevocable direct pay Letter of Credit issued by the Credit Issuer, which Letter of Credit will expire on September 28, 2009, unless earlier extended or terminated earlier in accordance with the terms of the Credit Agreement. Each Letter of Credit will permit the Trustee to draw up to an amount equal to the aggregate principal amount of the applicable issue of 2007 Bonds then Outstanding plus an amount equal to at least 34 days of interest at the Maximum Rate on the Outstanding 2007 Bonds, in order to pay the principal or Purchase Price of, and interest on, such 2007 Bonds. The Credit Issuer will deliver the Letter of Credit to the Trustee upon the issuance of the 2007 Bonds. The Letter of Credit may be replaced with a Substitute Letter of Credit or various other forms of credit enhancement ("Alternate Security"; the Letter of Credit, Substitute Letter of Credit or Alternate Security being herein referred to as the "Credit Facility"), as described below under the caption "Alternate Security." Upon replacement, termination or expiration of the Letter of Credit, the 2007 Bonds are subject to mandatory tender as described above under the caption "DESCRIPTION OF THE 2007 BONDS – Mandatory Purchase of 2007 Bonds Upon Replacement, Termination or Expiration of Credit Facility." Further information regarding the Letter of Credit is contained herein under the caption "SUMMARY OF CERTAIN PROVISIONS OF THE LETTERS OF CREDIT AND THE CREDIT AGREEMENTS" and further information regarding the Credit Issuer is contained herein under the caption "THE LETTER OF CREDIT BANK."

Alternate Security

Pursuant to the Resolution, the Corporation reserves the right to make provision for or cause the replacement of any Credit Facility; provided, however, that during any Weekly Rate Period, a Credit Facility must be in effect with respect to the 2007 Bonds.

The Corporation may not exercise its right to make provision for or cause the replacement of any Credit Facility, unless the Corporation has provided the Trustee with (i) certain opinions as to, among other things, the effect of such replacement on the tax status of the 2007 Bonds and the legality, validity and enforceability of the new Credit Facility; (ii) a letter from Standard & Poor's Ratings Services, a Division of The McGraw-Hill Companies, Inc. or the national rating agency or agencies then rating the 2007 Bonds (a) in the case of a Substitute Letter of Credit, to the effect that such Substitute Letter of Credit will not result in a reduction or withdrawal of the rating on the 2007 Bonds in effect at the time of such substitution; and (b) in the case of Alternate Security, to the effect that such Alternate Security will provide the 2007 Bonds with an investment grade rating; and (iii) moneys

sufficient to pay all costs incurred by the Trustee and the Corporation in connection with the provision of such Credit Facility.

In addition, the Mortgagor has agreed that, upon the written direction of the Corporation in the event that the unsecured or uncollateralized long-term debt obligations of a provider of a Credit Facility fall below investment grade, the Mortgagor will use commercially reasonable efforts to obtain a Substitute Letter of Credit or Alternate Security; provided, however, that notwithstanding the provisions of the Resolution, the Mortgagor shall provide the Corporation with a letter from at least one nationally recognized rating agency to the effect that such Substitute Letter of Credit or Alternate Security will provide the 2007 Bonds with a rating in a category not lower than the "A" category.

Principal Reserve Fund

The Principal Reserve Fund is established pursuant to the Resolution and is to be held by the Trustee. Pursuant to the Resolution, there is to be deposited into the Principal Reserve Fund all of the monthly payments made by the Mortgagor in accordance with the Principal Reserve Fund deposit schedule attached to the Credit Agreement, as such schedule may be amended and any amounts provided by or at the direction of the Mortgagor to replenish withdrawals from the Principal Reserve Fund described in paragraphs (1) and (2) below. *At the request of the Mortgagor (with the written approval of the Credit Issuer), the Corporation, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Mortgagor (unless and to the extent such amounts, in the judgment of the Corporation, are needed to be transferred to the Rebate Fund pursuant to the Resolution), (ii) no longer require deposits to the Principal Reserve Fund and/or (iii) consent to a change in the Principal Reserve Schedule. The consent of the Bondholders or the Trustee is not required for such actions. Any amounts so released shall no longer secure the 2007 Bonds.*

Any income or interest earned or gains realized in excess of losses suffered due to the investment of amounts on deposit in the Principal Reserve Fund is to be deposited to the Revenue Account following receipt, except as otherwise provided in the Resolution and except for interest income representing accrued interest, if any, included in the purchase price of the investment, which is to be retained in the Principal Reserve Fund; provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then in lieu of retaining such amounts in the Principal Reserve Fund or depositing such amounts in the Revenue Account, such amounts (up to the amount of such deficiency) shall be transferred to the Rebate Fund.

Amounts in the Principal Reserve Fund will be applied by the Trustee:

(1) at the written direction of the Credit Issuer to reimburse the Credit Issuer for advances under the Letter of Credit which were applied to pay interest due on and/or principal of the 2007 Bonds on any Interest Payment Date, Redemption Date, date of acceleration or the maturity date or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such interest and/or principal;

(2) at the written direction of the Credit Issuer to reimburse the Credit Issuer for advances under the Letter of Credit which were applied to pay the Purchase Price of tendered 2007 Bonds to the extent that remarketing proceeds, if any, are insufficient for such purpose or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such Purchase Price;

(3) at the written direction of the Credit Issuer with the written consent of the Mortgagor (so long as the Mortgagor is not in default under the Mortgage, Mortgage Note, Loan Agreement, Regulatory Agreement or the Credit Agreement beyond the expiration of any applicable grace or cure period) to make improvements or repairs to the Project; and

(4) at the written direction of the Credit Issuer if a default has occurred and is continuing beyond the expiration of any applicable notice and cure period under the Credit Agreement, or if the Mortgagor otherwise consents in writing, to any other use approved in writing in the Credit Issuer's sole and absolute discretion by the an Authorized Officer of the Credit Issuer.

All amounts in the Principal Reserve Fund in excess of the Principal Reserve Amount (rounded down to the nearest multiple of \$100,000) are required to be transferred to the Redemption Account on August 1 of each year (or, if such day is not a Business Date, the next succeeding Business Day) to be applied to reimburse the Credit Issuer for amounts advanced under the Letter of Credit to effect the redemption of the 2007 Bonds on the next succeeding Interest Payment Date. See “DESCRIPTION OF THE 2007 BONDS – Redemption of 2007 Bonds – Mandatory – Mandatory Redemption from Certain Transfers from Principal Reserve Fund.”

The Credit Issuer is entitled to direct the Trustee to transfer from the Principal Reserve Fund to the Redemption Account all or a specified portion of the amount on deposit in the Principal Reserve Fund to be applied to reimburse the Credit Issuer for amounts advanced under the Letter of Credit to effect the redemption of the 2007 Bonds. Any amounts so transferred shall constitute a prepayment of the Mortgage Loan and be a Recovery of Principal. See “DESCRIPTION OF THE 2007 BONDS – Redemption of 2007 Bonds – Mandatory – Mandatory Redemption From Certain Recoveries of Principal.” Also, under certain circumstances, the Credit Issuer can require that amounts on deposit in the Principal Reserve Fund be applied to reimburse the Credit Issuer for amounts advanced under the Letter of Credit to effect the mandatory tender or mandatory redemption in whole or in part of the 2007 Bonds. See “DESCRIPTION OF THE 2007 BONDS – Redemption of 2007 Bonds – Mandatory – Mandatory Redemption Upon A Declaration of Acceleration – Mandatory Redemption Following an Event of Termination,” “DESCRIPTION OF THE 2007 BONDS” – Credit Issuer’s Right to Cause a Mandatory Tender for Purchase of 2007 Bonds Upon an Event of Termination” and “SUMMARY OF CERTAIN PROVISIONS OF THE LETTERS OF CREDIT AND THE CREDIT AGREEMENTS.”

See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTIONS – Principal Reserve Fund.”

Additional Bonds

Additional Bonds, on parity with the 2007 Bonds then Outstanding, may be issued by the Corporation pursuant to the Resolution for any one or more of the following purposes: (i) financing increases in the Mortgage Loan, (ii) refunding Bonds, (iii) establishing reserves for such Additional Bonds, and (iv) paying the costs of issuance related to such Additional Bonds. For so long as the Credit Facility shall be in effect for the 2007 Bonds, no Additional Bonds shall be issued unless such Bonds are secured by the same Credit Facility in effect for the 2007 Bonds, as such Credit Facility shall be amended, extended or replaced in connection with the issuance of such Additional Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTIONS – Additional Bonds” herein.

Bonds Not a Debt of the State or the City

The Bonds are not a debt of the State of New York or of The City of New York, and neither the State nor the City shall be liable thereon, nor shall the Bonds be payable out of any funds other than those of the Corporation pledged therefor. The Corporation has no taxing power.

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTIONS

Set forth below are abridged or summarized excerpts of certain sections of each Resolution. The summarized excerpts should be read as describing each Resolution individually. Each Resolution is substantially identical. Each issue of the 2007 Bonds is authorized and issued pursuant to the related Resolution and is secured thereunder. Each Resolution secures only the related 2007 Bonds and any other bonds issued thereunder (the 2007 Bonds and any other bonds issued under a Resolution are referred to as the “Bonds”). These excerpts do not purport to be complete or to cover all sections of each Resolution. Reference is made to the Resolutions, copies of which are on file with the Corporation and the Trustee, for a complete statement of the rights, duties and obligations of the Corporation, the Trustee and the applicable Bond owners thereunder.

Contract With Bond Owners – Security for Bonds – Limited Obligation

In consideration of the purchase and acceptance of the Bonds by those who shall own the same from time to time, the provisions of the Resolution shall be deemed to be and shall constitute a contract among the Corporation, the Trustee and the owners from time to time of such Bonds. The pledges and assignments made in the Resolution and the provisions, covenants and agreements therein set forth to be performed by or on behalf of the Corporation shall be for the equal benefit, protection and security of the owners of any and all of such Bonds, each of which, regardless of the time of its issue or maturity, shall be of equal rank without preference, priority or distinction over any other thereof except as expressly provided in the Resolution. The Corporation pledges the Revenues and all amounts held in any Account, including investments thereof, established under the Resolution, to the payment of the principal or Redemption Price of and interest on the Bonds, subject to provisions permitting the use or application of such amounts for stated purposes, as provided in the Resolution and the Assignment. The foregoing pledge does not include amounts on deposit in or required to be deposited in the Rebate Fund. The Corporation also assigns to the Trustee on behalf of the Bond owners and to the Credit Issuer, as their interests may appear and in accordance with the terms of the Assignment, all of its right, title and interest in and to the Mortgage Loan and the Mortgage Documents, except as otherwise provided in the Assignment. The Bonds shall be special revenue obligations of the Corporation payable solely from the revenues and assets pledged therefor under the Resolution. In addition, the Bonds shall be payable from Credit Facility Payments.

Provisions for Issuance of Bonds

In order to provide sufficient funds to finance the Project, Bonds of the Corporation are authorized to be issued without limitation as to amount except as may be provided by law. The Bonds shall be executed by the Corporation for issuance and delivered to the Trustee and thereupon shall be authenticated by the Trustee and delivered upon the order of the Corporation, but only upon the receipt by the Trustee of, among other things:

- (a) a Bond Counsel's Opinion to the effect that (i) the Resolution and the Supplemental Resolution, if any, have been duly adopted by the Corporation and are in full force and effect and are valid and binding upon the Corporation and enforceable in accordance with their terms (except to the extent that the enforceability thereof may be limited by bankruptcy, insolvency and other laws affecting creditors' rights and remedies and is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law)); (ii) the Resolution and, if applicable, such Supplemental Resolution create the valid pledge and lien which it or they purport to create of and on the Revenues and all the Accounts established under the Resolution and moneys and securities on deposit therein, subject to the use and application thereof for or to the purposes and on the terms and conditions permitted by the Resolution and such Supplemental Resolution; and (iii) upon the execution, authentication and delivery thereof, such Bonds will have been duly and validly authorized and issued in accordance with the laws of the State, including the Act as amended to the date of such Opinion, and in accordance with the Resolution and such Supplemental Resolution;
- (b) a written order as to the delivery of such Bonds, signed by an Authorized Officer of the Corporation;
- (c) the amount of the proceeds of such Bonds to be deposited with the Trustee pursuant to the Resolution; and
- (d) with respect to the 2007 Bonds, the Letter of Credit, and with respect to any Additional Bonds, the Credit Facility, if required.

Parity Bonds

Additional Bonds may be issued, at the option of the Corporation, on a parity with the Bonds then Outstanding for the purposes of (i) financing increases in the Mortgage Loan, (ii) refunding Bonds, (iii) establishing reserves for such Additional Bonds, and (iv) paying the Costs of Issuance related to such Additional Bonds. Any Additional Bonds shall contain such terms and provisions as are specified in the Supplemental Resolution

authorizing the same. The Supplemental Resolution authorizing such Additional Bonds shall utilize, to the extent possible, Accounts established for the Outstanding Bonds.

For so long as a Credit Facility shall be in effect for the 2007 Bonds, no Additional Bonds shall be issued unless such Bonds are secured by the same Credit Facility in effect for the 2007 Bonds, as such Credit Facility shall be amended, extended or replaced in connection with the issuance of such Additional Bonds; provided that the Credit Facility shall not secure Pledged Bonds.

Application and Disbursements of Bond Proceeds

The proceeds of sale of a Series of Bonds, shall, as soon as practicable upon the delivery of such Bonds by the Trustee, be applied as follows:

(1) the amount, if any, received at such time as a premium above the aggregate principal amount of such Bonds shall be applied as specified in a Certificate of an Authorized Officer of the Corporation, and the amount, if any, received as accrued interest shall be deposited in the Revenue Account;

(2) with respect to any Series issued for the purpose of refunding Bonds, the amount, if any, required to pay Costs of Issuance, as designated by an Authorized Officer of the Corporation, shall be deposited in the Bond Proceeds Account;

(3) with respect to any Series issued for the purpose of refunding Bonds, the balance remaining after such deposits have been made as specified in (1) and (2) above shall be applied as specified in the Supplemental Resolution authorizing such Series;

(4) with respect to the 2007 Bonds, the balance remaining after such deposits have been made as specified in (1) above shall be deposited in the Bond Proceeds Account; and

(5) with respect to any Series (other than the 2007 Bonds) issued for a purpose other than refunding Bonds, the balance remaining after such deposits have been made shall be deposited in the Bond Proceeds Account.

Amounts in the Bond Proceeds Account shall not be disbursed for financing the Mortgage Loan unless, among other things, (1) the Mortgage Documents and any other document securing the Mortgage Loan shall have been duly executed and delivered, (2) there shall have been filed with the Trustee an opinion of counsel to the effect that the Mortgage Loan complies with all provisions of the Act and the Resolution, and (3) the Mortgage is the subject of a policy of title insurance, in an amount not less than the amount of the unpaid principal balance of the Mortgage Loan, insuring a first mortgage lien subject only to Permitted Encumbrances on the real property securing the Mortgage Loan.

Deposits and Investments

Any amounts held by the Trustee under the Resolution may be deposited in the corporate trust department of the Trustee and secured as provided in the Resolution. In addition, any amount held by the Trustee under the Resolution may be invested in Investment Securities, unless otherwise provided. In computing the amount in any Account, obligations purchased as an investment of moneys therein shall be valued at amortized value or if purchased at par value, at par.

Upon receipt of written instructions from an Authorized Officer of the Corporation, the Trustee shall exchange any coin or currency of the United States of America or Investment Securities held by it pursuant to the Resolution for any other coin or currency of the United States of America or Investment Securities of like amount.

Any other provisions of the Resolution notwithstanding, amounts on deposit in the Letter of Credit Payments Sub-Account, pending application may only be invested in Government Obligations maturing or being

redeemable at the option of the holder thereof in the lesser of thirty (30) days or the times at which such amounts are needed to be expended.

Establishment of Accounts

The Resolution establishes the following special trust accounts to be held and maintained by the Trustee in accordance with the Resolution:

- (1) Bond Proceeds Account;
- (2) Revenue Account (including the Letter of Credit Payments Sub-Account therein);
- (3) Redemption Account; and
- (4) Principal Reserve Fund.

In the event provision is made for Alternate Security with respect to the Bonds, the Trustee may establish a special trust account with an appropriate designation, and the provisions of the Resolution applicable to the Letter of Credit Payments Sub-Account shall be applicable to the newly created trust account in all respects as if the newly created trust account replaced the Letter of Credit Payments Sub-Account.

Bond Proceeds Account

There shall be deposited from time to time in the Bond Proceeds Account any proceeds of the sale of Bonds representing principal or premium or other amounts required to be deposited therein pursuant to the Resolution and any other amounts determined by the Corporation to be deposited therein from time to time.

Amounts in the Bond Proceeds Account shall be expended only (i) to finance the Mortgage Loan; (ii) to pay Costs of Issuance; (iii) to pay principal or Redemption Price of and interest on the Bonds when due, to the extent amounts in the Revenue Account and the Redemption Account are insufficient for such purposes; (iv) to purchase or redeem Bonds in accordance with the Resolution; (v) to reimburse the Credit Issuer for moneys obtained under the Credit Facility for the purposes set forth in (iii) above; and (vi) to pay to the Credit Issuer any regularly scheduled fees due and owing to the Credit Issuer pursuant to the Credit Agreement.

Revenue Account

Subject to the provisions of the Assignment, the Corporation shall cause all Pledged Receipts, excluding all amounts to be deposited pursuant to the Resolution in the Principal Reserve Fund, to be deposited promptly with the Trustee in the Revenue Account. There shall also be deposited in the Revenue Account any other amounts required to be deposited therein pursuant to the Resolution. Except as otherwise provided in the Resolution with respect to the Principal Reserve Fund, earnings on all Accounts established under the Resolution shall be deposited, as realized, in the Revenue Account, except for moneys required to be deposited in the Rebate Fund in accordance with the provisions of the Resolution and except for interest income representing a recovery of the premium and accrued interest, if any, included in the purchase price of any Investment Security, which shall be retained in the particular Account for which the Investment Security was purchased. During the term of the Letter of Credit, the Trustee shall draw moneys thereunder in accordance with the terms thereof, in a timely manner and in amounts sufficient to pay the principal or Redemption Price of and interest on the Bonds as such become due, whether at maturity or upon redemption or acceleration or on an Interest Payment Date or otherwise, and shall deposit such amounts in the Letter of Credit Payments Sub-Account. During the term of any other Credit Facility, the Trustee shall obtain moneys under such Credit Facility, in accordance with the terms thereof, in a timely manner, in the full amount required to pay the principal or Redemption Price of and interest on the Bonds as such become due, whether at maturity or upon redemption or acceleration or on an Interest Payment Date or otherwise and shall deposit such amounts in the Letter of Credit Payments Sub-Account.

On or before each Interest Payment Date, the Trustee shall pay, from the sources described below and in the order of priority indicated, the amounts required for the payment of the Principal Installments, if any, and interest due on the Outstanding Bonds on such date, and on or before the Redemption Date or date of purchase (but not with respect to any purchase pursuant to the Mandatory Purchase Provision or the Demand Purchase Option), the amounts required for the payment of accrued interest on Outstanding Bonds to be redeemed or purchased on such date (unless the payment of such accrued interest shall be otherwise provided for) as follows:

- (1) first, from the Letter of Credit Payments Sub-Account, and to the extent the moneys therein are insufficient for said purpose;
- (2) second, from the Revenue Account, and to the extent the moneys therein are insufficient for said purpose;
- (3) third, from the Redemption Account, and to the extent moneys therein are insufficient for said purpose;
- (4) fourth, from the Bond Proceeds Account, and to the extent moneys therein are insufficient for said purpose; and
- (5) fifth, from any other moneys held by the Trustee under the Resolution and available for such purpose.

After payment of the Principal Installments, if any, and interest due on the Outstanding Bonds has been made, and to the extent payments on the Bonds are made from the source described in subparagraph (1) above, the amounts available from the sources described in subparagraphs (2) through (5) above, in the order of priority indicated, shall be used immediately to reimburse the Credit Issuer for amounts obtained under the Credit Facility and so applied.

Notwithstanding any provision to the contrary which may be contained in the Resolution, (i) in computing the amount to be drawn under the Credit Facility on account of the payment of the principal of or interest on the Bonds, the Trustee shall exclude any such amounts in respect of any Bonds which are Pledged Bonds on the date such payment is due, and (ii) amounts drawn by the Trustee under the Credit Facility shall not be applied to the payment of the principal of or interest on any Bonds which are Pledged Bonds on the date such payment is due.

Any moneys accumulated in the Revenue Account up to the unsatisfied balance of each Sinking Fund Payment (together with amounts accumulated in the Revenue Account with respect to interest on the Bonds for which such Sinking Fund Payment was established) shall, if so directed in writing by the Corporation, be applied by the Trustee on or prior to the forty-fifth day preceding such Sinking Fund Payment (i) to the purchase of Bonds of the maturity for which such Sinking Fund Payment was established at prices (including any brokerage and other charges) not exceeding the Redemption Price plus unpaid accrued interest or (ii) to the redemption of such Bonds, if then redeemable by their terms, at the Redemption Prices referred to above.

Upon the purchase or redemption of any Bond for which Sinking Fund Payments have been established from amounts in the Revenue Account, an amount equal to the principal amount of the Bonds so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due with respect to the Bonds of such maturity and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer of the Corporation at the time of such purchase or redemption.

As soon as practicable after the forty-fifth day preceding the due date of any such Sinking Fund Payment, the Trustee shall call for redemption on such due date, Bonds in such amount as shall be necessary to complete the retirement of a principal amount of Bonds equal to the unsatisfied balance of such Sinking Fund Payment. The Trustee shall so call such Bonds for redemption whether or not it then has moneys in the Revenue Account sufficient to pay the applicable Redemption Price thereof on the Redemption Date.

On each Interest Payment Date, the Trustee shall transfer from the Revenue Account (after providing for all payments required to have been made prior thereto pursuant to the Resolution) (i) first, if so directed by the Corporation, to the Trustee, an amount equal to the Trustee's unpaid fees and expenses, (ii) second, at the direction of the Corporation, to the Credit Issuer, an amount equal to any fees due and owing to the Credit Issuer pursuant to the Credit Agreement, (iii) third, if so directed by the Corporation, to the Tender Agent, an amount equal to the Tender Agent's unpaid fees and expenses, (iv) fourth, if so directed by the Corporation, to the Remarketing Agent, an amount equal to the Remarketing Agent's unpaid fees and expenses, and (v) fifth, to the Corporation, the Administrative Fee to the extent unpaid. The amount remaining after making the transfers or payments required hereinabove shall be retained in the Revenue Account. Such remaining balance shall be used to offset the Mortgagor's obligation under the Mortgage Loan (in direct chronological order of such obligation), unless the Trustee receives a certificate from the Corporation stating that a default has occurred with respect to any agreement between the Corporation and the Mortgagor. If the Trustee shall thereafter receive a Certificate from the Corporation stating that such default has been cured or waived, such remaining balance shall once again be used to offset the Mortgagor's obligation under the Mortgage Loan (in direct chronological order of such obligation).

Redemption Account

Subject to the provisions of the Assignment, there shall be deposited in the Redemption Account all Recoveries of Principal and any other amounts which are required by the Resolution to be so deposited and any other amounts available therefor and determined by the Corporation to be deposited therein. Subject to the provisions of the Resolution or of any Supplemental Resolution authorizing the issuance of Bonds, requiring the application thereof to the payment, purchase or redemption of any particular Bonds, the Trustee shall apply amounts from the sources described in the following paragraph equal to amounts so deposited in the Redemption Account to the purchase or redemption of Bonds at the times and in the manner provided in the Resolution.

On or before a Redemption Date or date of purchase of Bonds in lieu of redemption, the Trustee shall pay, from the sources described below and in the order of priority indicated, the amounts required for the payment of the principal of Outstanding Bonds to be redeemed or purchased and cancelled on such date, as follows:

- (1) first, from the Letter of Credit Payments Sub-Account, and to the extent the moneys therein are insufficient for such purpose;
- (2) second, from the Redemption Account, and to the extent the moneys therein are insufficient for such purpose;
- (3) third, from the Revenue Account, and to the extent the moneys therein are insufficient for such purpose;
- (4) fourth, from the Bond Proceeds Account, and to the extent the moneys therein are insufficient for such purpose; and
- (5) fifth, from any other moneys held by the Trustee under the Resolution and available for such purpose.

After payment of the principal of such Outstanding Bonds to be redeemed or purchased has been made, and to the extent payments for the redemption or purchase of the Bonds are made from the source described in subparagraph (1) above, amounts available from the sources described in subparagraphs (2) through (5) above, in the order of priority indicated, shall be used to reimburse the Credit Issuer for amounts obtained under the Credit Facility and so applied.

Rebate Fund

The Resolution also establishes the Rebate Fund as a special trust account to be held and maintained by the Trustee. Earnings on all amounts required to be deposited in the Rebate Fund are to be deposited in the Rebate Fund.

The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bond owner or any other person other than as set forth in the Resolution.

The Trustee, upon the receipt of a certification of the Rebate Amount from an Authorized Officer of the Corporation, shall deposit in the Rebate Fund at least as frequently as the end of each fifth Bond Year and at the time that the last Bond that is part of the Series for which a Rebate Amount is required is discharged, an amount such that the amount held in the Rebate Fund after such deposit is equal to the Rebate Amount calculated as of such time of calculation. The amount deposited in the Rebate Fund pursuant to the previous sentence shall be deposited from amounts withdrawn from the Revenue Account, and to the extent such amounts are not available in the Revenue Account, directly from earnings on the Accounts. The Trustee shall also transfer certain amounts on deposit in the Principal Reserve Fund to the Rebate Fund in accordance with the provisions of the Resolution described under "Principal Reserve Fund".

Amounts on deposit in the Rebate Fund shall be invested in the same manner as amounts on deposit in the Accounts, except as otherwise specified by an Authorized Officer of the Corporation to the extent necessary to comply with the tax covenant set forth in the Resolution, and except that the income or interest earned and gains realized in excess of losses suffered by the Rebate Fund due to the investment thereof shall be deposited in or credited to the Rebate Fund from time to time and reinvested.

In the event that, on any date of calculation of the Rebate Amount, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the Trustee, upon the receipt of written instructions from an Authorized Officer of the Corporation, shall withdraw such excess amount and deposit it in the Revenue Account.

The Trustee, upon the receipt of written instructions and certification of the Rebate Amount from an Authorized Officer of the Corporation, shall pay to the United States, out of amounts in the Rebate Fund, (i) not less frequently than once each five (5) years after the date of original issuance of each Series for which a Rebate Amount is required, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Amount with respect to each Series for which a Rebate Amount is required as of the date of such payment, and (ii) notwithstanding the provisions of the Resolution, not later than sixty (60) days after the date on which all Bonds of a Series for which a Rebate Amount is required have been paid in full, 100% of the Rebate Amount as of the date of payment.

Principal Reserve Fund

Amounts on deposit in the Principal Reserve Fund shall be applied as set forth in the Resolution. There shall be deposited into the Principal Reserve Fund all of the monthly payments made in accordance with the Principal Reserve Fund deposit schedule attached to the Credit Agreement and provided to the Trustee by the Credit Issuer, as such schedule may be amended in accordance with the provisions of the Credit Agreement and provided to the Trustee by the Credit Issuer, and any amounts provided by or at the direction of the Mortgagor to replenish withdrawals from the Principal Reserve Fund described in paragraphs (1) and (2) below. Any income or interest earned or gains realized in excess of losses suffered due to the investment of amounts on deposit in the Principal Reserve Fund shall be deposited to the Revenue Account following receipt, except as otherwise provided in the Resolution and except for interest income representing accrued interest, if any, included in the purchase price of the investment, which is to be retained in the Principal Reserve Fund; provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then in lieu of retaining such amounts in the Principal Reserve Fund or depositing such amounts in the Revenue Account, such amounts (up to the amount of such deficiency) shall be transferred to the Rebate Fund.

In addition to the other payments required or permitted by the Resolution, amounts in the Principal Reserve Fund shall be used, at the written direction and in the sole discretion of the Credit Issuer:

(1) to reimburse the Credit Issuer for advances under the Credit Facility which were used to pay interest due on and/or principal of the 2007 Bonds on any Interest Payment Date, Redemption Date, date of acceleration or the maturity date or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such interest and/or principal;

(2) to reimburse the Credit Issuer for advances under the Credit Facility which were used to pay the Purchase Price of tendered 2007 Bonds to the extent that remarketing proceeds, if any, are insufficient for such purpose or, in the event a Wrongful Dishonor has occurred and is continuing, to directly pay such Purchase Price;

(3) with the written consent of the Mortgagor (so long as the Mortgagor is not in default under the Mortgage, Mortgage Note, Loan Agreement, Regulatory Agreement or the Credit Agreement beyond the expiration of any applicable grace or cure period) to make improvements or repairs to the Project; and

(4) if a default has occurred and is continuing beyond the expiration of any applicable notice and cure period under the Credit Agreement, or if the Mortgagor otherwise consents in writing, to any other use approved in writing in the Credit Issuer's sole and absolute discretion by the Authorized Officer of the Credit Issuer.

On each August 1 (or, if such date is not a Business Day, the next succeeding Business Day), after providing for all payments and transfers required to be made pursuant to the Resolution, all amounts in the Principal Reserve Fund in excess of the Principal Reserve Amount (rounded down to the nearest multiple of \$100,000) shall be transferred by the Trustee to the Redemption Account to be applied to the reimbursement of the Credit Issuer in connection with the redemption of 2007 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of 2007 Bonds) on the first Business Day of the next succeeding September.

The Credit Issuer shall be entitled to direct the Trustee to transfer from the Principal Reserve Fund to the Redemption Account all or a specified portion of the amount on deposit in the Principal Reserve Fund to be applied to the reimbursement of the Credit Issuer in connection with the redemption of 2007 Bonds (or, in the event a Wrongful Dishonor has occurred and is continuing, directly to the redemption of 2007 Bonds). Any amounts so transferred shall constitute a prepayment of the Mortgage Loan at the option of the Mortgagor and shall be a Recovery of Principal; provided however, that such right of the Credit Issuer to direct such transfers may be exercised only at the times, and subject to any conditions, set forth in the Loan Agreement with respect to optional prepayments of the Mortgage Loan by the Mortgagor.

Moneys on deposit in the Principal Reserve Fund shall be invested in Government Obligations or, to the extent otherwise permitted by the Resolution, (a) other short-term variable rate instruments rated by S&P in a category equivalent to the rating then in effect for the 2007 Bonds or (b) as otherwise permitted by the Credit Issuer, in its sole discretion.

At the request of the Mortgagor (with the written approval of the Credit Issuer), the Corporation, in its sole and absolute discretion, may (i) consent to the release of all or a portion of the amounts on deposit in the Principal Reserve Fund to the Mortgagor (in which case the Trustee shall release such amounts to the Mortgagor, provided that if, in the judgment of an Authorized Officer of the Corporation, the amount on deposit in the Rebate Fund at such time is less than the Rebate Amount as of such time, then prior to any such release to the Mortgagor, any amounts on deposit in the Principal Reserve Fund (up to the amount of such deficiency) shall be transferred to the Rebate Fund) and/or (ii) no longer require deposits to the Principal Reserve Fund. Any amounts so released shall no longer secure the 2007 Bonds.

Payment of Bonds

The Corporation covenants that it will duly and punctually pay or cause to be paid, as provided in the Resolution, the principal or Redemption Price of every Bond and the interest thereon, at the dates and places and in the manner stated in the Bonds, according to the true intent and meaning thereof and shall duly and punctually pay or cause to be paid all Sinking Fund Payments, if any, becoming payable with respect to any of the Bonds.

Tax Covenants

The following covenants are made solely for the benefit of the owners of, and shall be applicable solely to, the 2007 Bonds and any Additional Bonds, as designated in a Supplemental Resolution, to which the Corporation intends that the following covenants shall apply:

The Corporation shall at all times do and perform all acts and things permitted by law necessary or desirable in order to assure that interest paid on the Bonds shall be excluded from gross income for Federal income tax purposes, except in the event that the owner of any such Bond is a “substantial user” of the facilities financed by the Bonds or a “related person” within the meaning of the Code.

The Corporation shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Corporation to be used directly or indirectly to acquire any securities, obligations or other investment property, the acquisition of which would cause any Bond to be an “arbitrage bond” as defined in Section 148(a) of the Code.

The Corporation shall not permit any person or “related person” (as defined in the Code) to purchase Bonds (other than Pledged Bonds) in an amount related to the Mortgage Loan to be acquired by the Corporation from such person or “related person”.

Covenants with Respect to Mortgage Loan

In order to pay the Principal Installments of and interest on the Bonds when due, the Corporation covenants that it shall from time to time, with all practical dispatch and in a sound and economical manner consistent in all respects with the Act, the provisions of the Resolution and sound banking practices and principles, (i) use and apply the proceeds of the Bonds, to the extent not reasonably or otherwise required for other purposes of the kind permitted by the Resolution, to finance the Mortgage Loan pursuant to the Act and the Resolution and any applicable Supplemental Resolution, (ii) do all such acts and things as shall be necessary to receive and collect Pledged Receipts (including diligent enforcement of the prompt collection of all arrears on the Mortgage Loan) and Recoveries of Principal, and (iii) diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Corporation to protect its rights with respect to or to maintain any insurance on the Mortgage Loan or any subsidy payments in connection with the Project or the occupancy thereof and to enforce all terms, covenants and conditions of the Mortgage Loan and the Mortgage Documents, including the collection, custody and prompt application of all Escrow Payments for the purposes for which they were made; provided, however, that the obligations of the Corporation in (ii) and (iii) above may be suspended during the term of the Assignment, except as otherwise provided in the Assignment.

Issuance of Additional Obligations

The Corporation shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a superior or, except in the case of Bonds, an equal charge and lien on the Revenues and assets pledged under the Resolution. The Corporation shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a subordinate charge and lien on the Revenues and assets pledged under the Resolution (other than the Non-Bond Mortgage with respect to the Boricua Village C Bonds) unless the Corporation shall have received the written consent of the Credit Issuer.

Accounts and Reports

The Corporation shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Mortgage Loan and all Accounts established by the Resolution which shall at all reasonable times be subject to the inspection of the Trustee and the owners of an aggregate of not less than 5% in principal amount of Bonds then Outstanding or their representatives duly authorized in writing. The Corporation may authorize or permit the Trustee to keep such books on behalf of the Corporation.

If at any time during any fiscal year there shall have occurred an Event of Default or an Event of Default shall be continuing, then the Corporation shall file with the Trustee, within forty-five (45) days after the close of such fiscal year, a special report accompanied by an Accountant’s Certificate as to the fair presentation of the financial statements contained therein, setting forth in reasonable detail the individual balances and receipts and disbursements for each Account under the Resolution.

The Corporation shall annually, within one hundred twenty (120) days after the close of each fiscal year of the Corporation, file with the Trustee a copy of an annual report as to the operations and accomplishments of the various funds and programs of the Corporation during such fiscal year, and financial statements for such fiscal year, setting forth in reasonable detail, (i) the balance sheet with respect to the Bonds and Mortgage Loan, showing the assets and liabilities of the Corporation at the end of such fiscal year; (ii) a statement of the Corporation's revenues and expenses in accordance with the categories or classifications established by the Corporation in connection with the Bonds and Mortgage Loan during such fiscal year; (iii) a statement of changes in fund balances, as of the end of such fiscal year; and (iv) a statement of cash flows, as of the end of such fiscal year. The financial statements shall be accompanied by the Certificate of an Accountant stating that the financial statements examined present fairly the financial position of the Corporation at the end of the fiscal year, the results of its operations and the changes in its fund balances and its cash flows for the period examined, in conformity with generally accepted accounting principles applied on a consistent basis except for changes with which such Accountant concurs.

Except as provided in the second preceding paragraph, any such financial statements may be presented on a consolidated or combined basis with other reports of the Corporation.

A copy of each annual report or special report and any Accountant's Certificate relating thereto shall be mailed promptly thereafter by the Corporation to each Bond owner who shall have filed such owner's name and address with the Corporation for such purposes.

Supplemental Resolutions

Any modification of or amendment to the provisions of the Resolution and of the rights and obligations of the Corporation and of the owners of the Bonds may be made by a Supplemental Resolution, with the written consent given as provided in the Resolution, (i) of the owners of at least two-thirds in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the Bonds then Outstanding are affected by the modification or amendment, of the owners of at least two-thirds in principal amount of the Bonds so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Payment, of the owners of at least two-thirds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Payment and Outstanding at the time such consent is given; provided, however, that a modification or amendment referred to in (iii) above shall not be permitted unless the Trustee shall have received a Bond Counsel's Opinion to the effect that such modification or amendment does not adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds to which the tax covenants of the Resolution apply. If any such modification or amendment will not take effect so long as any Bonds of any specified Series and maturity remain Outstanding, the consent of the owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this paragraph. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

The Corporation may adopt, without the consent of any owners of the Bonds, Supplemental Resolutions, to, among other things, provide limitations and restrictions in addition to the limitations and restrictions contained in the Resolution on the issuance of other evidences of indebtedness; add to the covenants and agreements of or limitations and restrictions on, the Corporation's other covenants and agreements or limitations and restrictions which are not contrary to or inconsistent with the Resolution; surrender any right, power or privilege of the Corporation under the Resolution but only if such surrender is not contrary to or inconsistent with the covenants and agreements of the Corporation contained in the Resolution; confirm any pledge under the Resolution, of the Revenues or of any other revenues or assets; modify any of the provisions of the Resolution in any respect whatever (but no such modification shall be effective until all Bonds theretofore issued are no longer Outstanding); provide for the issuance of Bonds in coupon form payable to bearer; authorize the issuance of Additional Bonds and prescribe the terms and conditions thereof; provide that specified provisions of the Resolution that relate to the 2007 Bonds shall also apply to a Series of Additional Bonds; cure any ambiguity or correct any defect or inconsistent provision in the Resolution (provided that the Trustee shall consent thereto); comply with the Code; provide for such changes (other than any changes that

adversely affect the exclusion from gross income for Federal income tax purposes of interest on any series of bonds to which the tax covenants apply) as are deemed necessary or desirable by the Corporation upon delivery of an Alternate Security or a Substitute Letter of Credit; provide for such changes as are deemed necessary or desirable by the Corporation in connection with either (a) providing for a book-entry system with respect to a Series of Bonds or (b) discontinuing a book-entry system with respect to a Series of Bonds; provide for such changes as are deemed necessary or desirable by the Corporation to take effect on a Change Date on which 100% of the Bonds are subject to mandatory tender; during any period that all Bonds bear interest at a Weekly Rate, provide such changes as are deemed necessary or desirable by the Corporation, if, not less than thirty (30) days before the effective date of such changes, the Trustee sends notice of the proposed changes to the Bond owners and the Bond owners have the right to tender their Bonds for purchase before such effective date; or make any additions, deletions or modifications to the Resolution which, in the opinion of the Trustee, are not materially adverse to the interests of the Bond owners.

The foregoing notwithstanding, for so long as the Credit Facility shall be in effect, no supplement, modification or amendment of the Resolution shall take effect without the consent of the Credit Issuer.

Events of Default and Termination

Each of the following events set forth in clauses (1) through (3) below constitutes an “Event of Default” and the following event set forth in clause (4) below constitutes an “Event of Termination” with respect to the Bonds: (1) payment of the principal or Redemption Price, if any, of or interest on any Bond (other than Pledged Bonds) when and as the same shall become due, whether at maturity or upon call for redemption or otherwise, shall not be made when and as the same shall become due; (2) payment of the Purchase Price of any 2007 Bond (other than Pledged Bonds) tendered in accordance with the Resolution shall not be made when and as the same shall become due; (3) the Corporation shall fail or refuse to comply with the provisions of the Resolution or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained in the Resolution or in any applicable Supplemental Resolution or the Bonds (other than any such default resulting in an Event of Default described in clause (1) or (2) above), and such failure, refusal or default shall continue for a period of forty-five (45) days after written notice thereof by the Trustee or the owners of not less than five percent (5%) in principal amount of the Outstanding Bonds; or (4) receipt by the Trustee of written notice from the Credit Issuer that an “Event of Default” has occurred under the Credit Agreement together with a written direction from the Credit Issuer to the Trustee to exercise either the remedy set forth in clause (5) of the following paragraph or the remedy set forth in clause (8) of the following paragraph, as provided in such direction.

Remedies

Upon the happening and continuance of an Event of Termination specified in the Resolution, the Trustee shall proceed, in its own name pursuant to the direction of the Credit Issuer as described in clause (4) of the preceding paragraph, to protect and enforce the remedies of the Bond owners and the Credit Issuer by the remedies set forth in either clause (5) or (8) below as specified in the direction of the Credit Issuer as described in clause (4) of the preceding paragraph; provided, however, that anything in the Resolution to the contrary notwithstanding, the Trustee shall enforce the remedies set forth in clauses (5) and (8) within the time limits provided therein. Upon the happening and continuance of any Event of Default specified in clause (1) or (2) of the preceding paragraph, the Trustee shall proceed, or upon the happening and continuance of any Event of Default specified in clause (3) of the preceding paragraph, the Trustee may proceed and, upon the written request of the owners of not less than 25% in principal amount of the Outstanding Bonds, shall proceed, in its own name, subject, in each such case, to the provisions of the Resolution and the receipt of the written consent of the Credit Issuer, to protect and enforce the rights of the Bond owners by the remedies specified below for particular Events of Default, and such other of the remedies set forth in clauses (1) through (7) below, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights: (1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bond owners, including the right to require the Corporation to receive and collect Revenues adequate to carry out the covenants and agreements as to the Mortgage Loan (subject to the provisions of the Assignment) and to require the Corporation to carry out any other covenants or agreements with such Bond owners, and to perform its duties under the Act; (2) by bringing suit upon the Bonds; (3) by action or suit in equity, to require the Corporation to account as if it were the trustee of an express trust for the owners of the Bonds; (4) by action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds; (5) with the written consent of the Credit Issuer in the case of an Event of Default or upon the

direction described in clause (4) of the preceding paragraph in the case of an Event of Termination, by immediately declaring all Bonds or, with respect to an Event of Termination, a portion of the 2007 Bonds specified by the Credit Issuer due and payable, whereupon, with respect to any affected 2007 Bonds, such Bonds shall be immediately redeemed, without premium, pursuant to the Resolution, provided that upon the happening and continuance of an Event of Default specified in clause (1) or (2) of the preceding paragraph, the Trustee shall declare all Bonds due and payable; (6) in the event that all Outstanding Bonds are declared due and payable, by selling the Mortgage Loan (subject to the provisions of the Assignment) and any Investment Securities securing such Bonds; (7) by taking such action with respect to or in connection with the Credit Facility as the Trustee deems necessary to protect the interests of the owners of the 2007 Bonds; or (8) upon the happening and continuance of an Event of Termination and upon receipt of direction from the Credit Issuer, by carrying out a purchase of all or, if so designated by the Credit Issuer, a portion of the 2007 Bonds pursuant to the Resolution on a date specified by the Credit Issuer, which date shall not be later than eight (8) days following receipt by the Trustee of such direction.

Anything in the Resolution to the contrary notwithstanding, except as otherwise provided in clause (5) or (8) of the preceding paragraph, the owners of the majority in principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee under the Resolution, provided that such direction shall not be otherwise than in accordance with law or the provisions of the Resolution, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bond owners not parties to such direction and provided, further, that notwithstanding the foregoing, the Credit Issuer shall be entitled to direct the method of conducting all remedial proceedings to be taken by the Trustee under the Resolution.

No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law under the Resolution, or for the protection or enforcement of any right under the Resolution unless such owner shall have given to the Trustee written notice of the Event of Default or an Event of Termination or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 25% in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in the Resolution or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the fees, costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Nothing contained in the Resolution shall affect or impair the right of any Bond owner to enforce the payment of the principal of and interest on such owner's Bonds, or the obligation of the Corporation to pay the principal of and interest on each Bond to the owner thereof at the time and place in said Bond expressed.

Unless remedied or cured, the Trustee shall give to the Bond owners notice of each Event of Default or Event of Termination under the Resolution known to the Trustee within ninety (90) days after actual knowledge by the Trustee of the occurrence thereof; provided that in the case of the 2007 Bonds, such notice need not be given with respect to any 2007 Bond for which the Trustee has proceeded to carry out a mandatory purchase of such 2007 Bonds pursuant to the Resolution. However, except in the case of default in the payment of the principal or Redemption Price, if any, of or interest on any of the Bonds, or in the making of any payment required to be made into the Bond Proceeds Account, the Trustee may withhold such notice if it determines that the withholding of such notice is in the interest of the Bond owners.

Priority of Payments After Event of Default or Event of Termination

In the event that upon the happening and continuance of any Event of Default or an Event of Termination the funds held by the Trustee shall be insufficient for the payment of the principal or Redemption Price, if any, of and interest then due on the Bonds affected, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the Act and the Resolution, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interest of the owners of such Bonds and for the payment of the fees, charges and expenses and liabilities incurred and advances made by the Trustee in

the performance of its duties under the Resolution, shall be applied in the order of priority with respect to Bonds as set forth in the following paragraph and as follows:

(1) Unless the principal of all of such Bonds shall have become or have been declared due and payable:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any such Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the principal of all such Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon such Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any such Bond over any other such Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds.

If, at the time the Trustee is to apply amounts in accordance with the provisions of the preceding paragraph, any of the Bonds Outstanding are Pledged Bonds, the Trustee shall make the payments with respect to the Bonds prescribed by the preceding paragraph, first, to the owners of all Bonds Outstanding other than Pledged Bonds and second, to the owner of Pledged Bonds.

Rights of the Credit Issuer

Notwithstanding anything contained in the Resolution to the contrary, all rights of the Credit Issuer under the Resolution, including, but not limited to, the right to consent to, approve, initiate or direct extensions, remedies, waivers, actions and amendments thereunder shall cease, terminate and become null and void (a) if, and for so long as, there is a Wrongful Dishonor of the Credit Facility by the Credit Issuer, or (b) if the Credit Facility is no longer in effect; provided, however, that notwithstanding any such Wrongful Dishonor, the Credit Issuer shall be entitled to receive notices pursuant to the Resolution in accordance with the terms of the Resolution.

Payments Due on Days Not Business Days

If the date for making any payment of principal or Redemption Price of or interest on any of the Bonds shall be a day other than a Business Day, then payment of such principal or Redemption Price of or interest on such Bonds need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date originally fixed for such payment, except that interest shall continue to accrue on any unpaid principal to such next succeeding Business Day.

SUMMARY OF CERTAIN PROVISIONS OF THE LETTERS OF CREDIT AND THE CREDIT AGREEMENTS

Each issue of the 2007 Bonds is secured by the applicable Letter of Credit, which is issued pursuant to the related Credit Agreement that obligates the applicable Mortgagor, among other things, to reimburse the Credit Issuer for funds provided by the Credit Issuer under the applicable Letter of Credit and to pay various fees and expenses, in each case as provided in the applicable Credit Agreement. The applicable Credit Agreement governs obligations of the applicable Mortgagor to the Credit Issuer on account of the Credit Issuer providing such credit enhancement.

Each Credit Agreement sets forth various affirmative and negative covenants of the applicable Mortgagor.

Set forth below is an abridged or summarized excerpt of the events of default and remedies sections of each Credit Agreement. The summarized excerpts should be read as describing each Credit Agreement individually. Each Credit Agreement is substantially identical. This excerpt does not purport to be complete or to cover all sections of each Credit Agreement. Reference is made to the Credit Agreements, copies of which are on file with the Trustee, for a complete statement of the rights, duties and obligations of the Credit Issuer and the applicable Mortgagor. All terms used in this summary and not defined in this Official Statement have the respective meanings ascribed to such terms in each Credit Agreement.

The Letter of Credit

The Letter of Credit, which is irrevocable, shall be issued in an original stated amount equal to the principal of the 2007 Bonds or the portion of the Purchase Price corresponding to the principal thereof, plus an amount equal to at least thirty-four (34) days of accrued interest with respect to the 2007 Bonds, or in each case the portion of the Purchase Price corresponding to interest at the Maximum Rate. The Letter of Credit shall be issued to the Trustee for the account of the Mortgagor. The stated amount of the Letter of Credit shall be reduced after the date of issuance in amounts equal to the amount of any drawing thereunder, subject to reinstatement as described below.

The Letter of Credit will terminate upon the earliest of: (i) the honoring of the final drawing available to be made under the Letter of Credit which is not subject to reinstatement; (ii) receipt by the Credit Issuer of a written notice that either no 2007 Bonds remain Outstanding and unpaid or a substitute Credit Facility has been received by the Trustee; or (iii) September 28, 2009, the Letter of Credit expiration date, unless extended in accordance with the terms of the Credit Agreement. In addition, the Letter of Credit will terminate upon the conversion of the interest borne by such 2007 Bonds to certain other interest rate calculation methods.

The Credit Agreement

Issuance of the Letter of Credit. The Mortgagor requested the issuance by the Credit Issuer of the Letter of Credit to enhance the marketability of the 2007 Bonds by securing a source of funds to be devoted exclusively to the payment by the Trustee, when and as due, of the principal or Purchase Price of and interest on the 2007 Bonds. The Credit Issuer has agreed to provide the Letter of Credit subject to certain terms and conditions as provided in the Credit Agreement. The Mortgagor has agreed to pay fees to the Credit Issuer in connection with the issuance and maintenance of the Letter of Credit and to indemnify the Credit Issuer in certain circumstances.

The Mortgagor agrees to reimburse the Credit Issuer in full for drawings made upon the Letter of Credit on the date each drawing is honored, or in the case of a drawing to acquire unremarketed 2007 Bonds, on the earliest to occur of (i) the Letter of Credit expiration date or (ii) the date of redemption of the related unremarketed 2007 Bonds.

Reduction. Upon payment by the Credit Issuer of a drawing to pay principal on the 2007 Bonds (upon maturity, acceleration or redemption, but not to acquire unremarketed 2007 Bonds), the amount available to be drawn under the Letter of Credit for payment of principal on the 2007 Bonds shall be reduced automatically and permanently by an amount equal to the amount so drawn, the reduction of such amount to be effective on the date payment of such drawing is made by the Credit Issuer. In addition, upon payment by the Credit Issuer of any such

drawing to pay principal on the 2007 Bonds upon maturity, acceleration or redemption, the amount available to be drawn under the Letter of Credit for payment of interest on the 2007 Bonds shall be reduced automatically and permanently in an amount equal to with respect to the 2007 Bonds, thirty-four (34) days' interest on the amount of such principal reduction in the amount available to be drawn under the Letter of Credit for payment of principal on the 2007 Bonds.

Upon payment by the Credit Issuer of a drawing to pay interest on the 2007 Bonds (other than interest on Pledged Bonds and on the 2007 Bonds paid upon maturity, acceleration or redemption), the amount available to be drawn under the Letter of Credit for the payment of interest on the 2007 Bonds shall be reduced automatically, subject to reinstatement as described below, by an amount equal to the amount so drawn, the reduction of such amount to be effective on the date payment of such drawing is made by the Credit Issuer.

Upon payment by the Credit Issuer of a drawing to acquire unremarketed 2007 Bonds, the stated amount of the Letter of Credit shall be reduced automatically, subject to reinstatement, as described below.

Reinstatement. The amount available to be drawn under the Letter of Credit for payment of interest on the 2007 Bonds shall be reinstated automatically in the full amount of the amount so drawn (other than such amounts pertaining to a drawing to pay interest on 2007 Bonds paid with a drawing to pay principal on the 2007 Bonds upon maturity, acceleration or redemption) immediately following payment of such drawing.

The amount available to be drawn under the Letter of Credit to acquire unremarketed 2007 Bonds will be reinstated upon receipt by the Credit Issuer of (i) an amount by which the Credit Issuer is then requested to increase such amount (as to interest and/or principal); and (ii) notice from the Trustee in the appropriate form, unless prior to receipt by the Credit Issuer of such notice, the Trustee shall have received from the Credit Issuer notice or telephonic notice, promptly confirmed in writing, of the occurrence of an event of default under the Credit Agreement.

Extension. The Mortgagor shall initially have the option to extend the Letter of Credit expiration date for six (6) months in order to complete the Project, upon satisfaction of certain conditions set forth in the Credit Agreement. Thereafter, upon satisfaction of certain additional conditions in the Credit Agreement including, but not limited to, substantial completion of the Project and achievement and maintenance of certain financial covenants, the Borrower shall have the option to extend the Letter of Credit expiration date for a fifteen (15) year term (the "Initial Permanent Period Extension Term"). Prior to the expiration of the Initial Permanent Period Extension Term, and again upon satisfaction of certain additional conditions in the Credit Agreement, the Mortgagor shall be entitled to extend the Letter of Credit expiration date by three five (5) year terms and one three (3) year term (each, an "Extended Permanent Period Extension Term") (in the event Borrower exercises the six month Construction Period Extension, the three (3) year Extended Permanent Period Extension Term shall be reduced two (2) years six (6) months); provided, however, that in no event shall the Letter of Credit expiration date extend beyond September 5, 2042. In the event that the Mortgagor does not exercise its options to extend the letter of credit expiration date as described in this paragraph, the 2007 Bonds will be subject to mandatory tender. See "DESCRIPTION OF THE 2007 BONDS -- Mandatory Purchase of 2007 Bonds Upon Replacement, Termination or Expiration of Credit Facility" above.

Events of Default. Each of the following events shall be an event of default under the Credit Agreement (with capitalized terms not otherwise defined having the meaning assigned such terms in the Credit Agreement):

- (i) If the Mortgagor shall be in default under any of the provisions or covenants of the Credit Agreement (other than covenants specifically referred to hereinafter in this section) (i) for payment to reimburse any Drawing pursuant to the terms of the Credit Agreement or making of any payment in connection with a Swap or other Hedging Arrangement, (ii) for five (5) Business Days after written notice from the Credit Issuer in the case of any other default which can be cured by the payment of a sum of money, or (iii) for thirty (30) days after written notice from the Credit Issuer in the case of any other default, provided, that if such other default cannot be cured by the payment of money and cannot reasonably be cured within such thirty (30) day period and the Mortgagor shall have commenced to cure such other default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as it shall require the Mortgagor in

the exercise of due diligence to cure such other default, it being agreed that no such extension shall be for a period in excess of one hundred twenty (120) days, or shall be construed as having the effect of extending the Completion Date or the Credit Facility Termination Date;

(ii) If a default shall occur and be continuing beyond any applicable grace and cure period under the Note, the Mortgage, the Loan Agreement, the Bond Resolution, the Regulatory Agreement, any of the other Bond Documents or any of the other Credit Facility Documents;

(iii) If an Event of Taxability shall occur, which term is defined under the Credit Agreement to be any event the result of which is that interest on the Bonds shall not be excludable from gross income for federal income tax purposes, other than by reason of any Bond being held by a person who, within the meaning of section 147(a) of the Internal Revenue Code of 1986, as amended, is a substantial user of the Premises and the Improvements or is a related person, within the meaning of said section 147(a);

(iv) If any survey required or requested by the Credit Issuer pursuant to the provisions of the Credit Agreement shows any material, adverse condition not approved by the Credit Issuer, and such condition is not removed within one hundred twenty (120) days after notice thereof by the Credit Issuer to the Mortgagor;

(v) If the Improvements are not completed substantially in accordance with the Plans and Specifications and the provisions of the Credit Agreement on or before the Completion Date, subject to force majeure;

(vi) If construction of the Improvements is suspended for a period of thirty (30) consecutive days other than by reason of the occurrence of an event of force majeure, or if construction of the Improvements in the reasonable judgment of the Credit Issuer or the Construction Consultant is not carried on with reasonable diligence within thirty (30) days of the Mortgagor's receipt of written notice thereof;

(vii) If the Mortgagor fails to obtain and maintain a partial exemption from real property taxes for the Improvements pursuant to Section 420-c of the New York Real Property Tax Law;

(viii) If the Mortgagor shall fail to cover any Construction Loan Project Cost Deficiency, any General Project Loan Deficiency or any Non-Qualified Cost Deficiency in the manner and within the time period respectively specified in the Credit Agreement;

(ix) Except for any leases for equipment and similar items in the ordinary course of the Mortgagor's business, if the Mortgagor executes any chattel mortgage or other security agreement with respect to any materials, equipment, furniture or fixtures used in the construction of the Improvements or the operation of the Improvements or with respect to any articles of personal property constituting part of the Property, or if any such materials, equipment, furniture, fixtures or articles of personal property are not substantially in accordance with the Plans and Specifications or are leased or purchased pursuant to any conditional sales contract or other security agreement or otherwise so that the ownership thereof will not vest unconditionally in the Mortgagor free from encumbrances upon being made a part of the Property;

(x) If any Credit Facility Document shall cease to be in full force or effect or shall cease to constitute, or to continue as, a lien on the assets, property or collateral purported to be encumbered thereby, and such default has not been cured within twenty (20) Business Days after notice thereof by the Credit Issuer to the Mortgagor or such additional time as is reasonably necessary to cure such default, provided that such default is susceptible to cure and such extended time does not exceed an additional thirty (30) days;

(xi) If any Guarantor pursuant to any guaranty or environmental indemnity executed and delivered by such Guarantor, shall disclaim all or any portion of such Guarantor's obligations pursuant to any such Guaranty, shall otherwise be in default, beyond the expiration of any applicable grace and cure

periods, under any such Guaranty; or if there is a material adverse change in the financial condition of any Guarantor, for so long as any Guaranty remains in effect;

(xvi) If any representation or warranty made to the Credit Issuer or the Corporation in the Credit Agreement, any of the Bond Documents or any of the other Credit Facility Documents shall be incorrect in any material respect when made or remade and same has a material adverse effect on the Mortgagor, the Credit Issuer or the Property;

(xvii) If by order of a court of competent jurisdiction, a trustee, receiver or liquidator of the Property or any part thereof, or of the Mortgagor, shall be appointed and such order shall not be discharged or dismissed within ninety (90) days after such appointment;

(xviii) If the Mortgagor shall file a petition in bankruptcy or for an arrangement or for reorganization pursuant to the federal bankruptcy act or any similar federal or state law, or if, by decree of a court of competent jurisdiction, the Mortgagor shall be adjudicated a bankrupt, or be declared insolvent, or if the Mortgagor shall make an assignment for the benefit of creditors, or shall be generally unable or admit in writing its inability to pay its debts generally as they become due, or shall consent to the appointment of a receiver or receivers of all or any part of its property;

(xx) If final judgment for the payment of money shall be rendered against the Mortgagor and the Mortgagor shall not discharge the same or cause it to be discharged within ninety (90) days from the entry thereof, or shall not appeal therefrom or from the order, decree or process upon which or pursuant to which said judgment was granted, based or entered, and secure a stay of execution pending such appeal;

(xxi) For so long as any Guaranty is in effect, if any of the events enumerated in clauses (xvi) through (xx) of this section shall happen to any Guarantor or any of Guarantor's property and the Credit Issuer, in its reasonable discretion, does not believe the remaining Guarantors have the wherewithal to perform their obligations;

(xxii) If there shall occur a default by the Mortgagor which is not cured within the applicable grace period, if any, under any loan in excess of \$75,000 under which the Mortgagor is the obligor;

(xxiii) If the Mortgagor shall violate or allow to be violated, beyond any applicable notice and cure periods, any applicable law, rule, regulation or ordination of the Corporation or the New York State Division of Housing and Community Renewal which is applicable to the Mortgagor and/or the Property and any such violation has a material adverse effect on the Mortgagor or the Property;

(xxx) If any of the Mortgagor's agreements to sell Section 421-a tax certificates applicable to the Project (the "Tax Certificate Purchase Agreements") or successor replacements Tax Certificate Purchase Agreements entered into with the prior consent of the Credit Issuer shall at any time cease to be in full force and effect, or the Mortgagor shall fail to comply with any of the terms or conditions thereof, or if the Mortgagor shall fail to take any action which is necessary or a conditions precedent to the effectiveness of the Tax Certificate Purchase Agreements or the obligations of the purchasers of the Tax Certificates thereunder, and (i) said Tax Certificate Purchase Agreements are not replaced with substitute Tax Certificate Agreements or alternate collateral suitable to the Credit Issuer in its sole discretion, or (ii) said breach by the purchaser of Section 421-a tax certificates or the Mortgagor is not cured within thirty (30) days after the date of the termination or breach, as applicable;

AGREEMENT OF THE STATE

Section 657 of the Act provides that the State agrees with the holders of obligations of the Corporation, including owners of the 2007 Bonds, that it will not limit or alter the rights vested by the Act in the Corporation to fulfill the terms of any agreements made with the owners of the 2007 Bonds, or in any way impair the rights and remedies of such owners until the 2007 Bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such owners of the 2007 Bonds, are fully met and discharged.

TAX MATTERS

Opinion of Bond Counsel to the Corporation

In the opinion of Bond Counsel to the Corporation, under existing statutes and court decisions, (i) interest on each issue of the 2007 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, except that no opinion is expressed as to such exclusion of interest on any 2007 Bond of an issue of 2007 Bonds for any period during which such 2007 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with the proceeds of such 2007 Bond or a “related person,” and (ii) interest on each issue of the 2007 Bonds, however, is treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code. In rendering such opinion, Bond Counsel to the Corporation has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, each Mortgagor and others, in connection with the 2007 Bonds, and Bond Counsel to the Corporation has assumed compliance by the Corporation and each Mortgagor with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2007 Bonds from gross income under Section 103 of the Code.

In the opinion of Bond Counsel to the Corporation, under existing statutes, interest on each issue of the 2007 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

Bond Counsel to the Corporation expresses no opinion regarding any other Federal or state tax consequences with respect to the 2007 Bonds. Bond Counsel to the Corporation renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel to the Corporation expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2007 Bonds, or the exemption from personal income taxes of interest on the 2007 Bonds under state and local tax law.

Summary of Certain Federal Tax Requirements

Under applicable provisions of the Code, the exclusion from gross income of interest on each issue of the 2007 Bonds for purposes of Federal income taxation requires that (i) at least 25% of the units in each Project financed by such issue of the 2007 Bonds be occupied during the “Qualified Project Period” (defined below) by individuals whose incomes, determined in a manner consistent with Section 8 of the United States Housing Act of 1937, as amended, do not exceed 60% of the median income for the area, as adjusted for family size, and (ii) all of the units of each Project be rented or available for rental on a continuous basis during the Qualified Project Period. “Qualified Project Period” for each such Project means a period commencing upon the later of (a) occupancy of 10% of the units in each such Project or (b) the date of issue of such issue of the 2007 Bonds and running until the later of (i) the date which is 15 years after occupancy of 50% of the units in each such Project, (ii) the first date on which no tax-exempt private activity bonds issued with respect to each such Project are outstanding, or (iii) the date on which any assistance provided with respect to such Project under Section 8 of the 1937 Housing Act terminates. Such Project will meet the continuing low income requirement as long as the income of the individuals occupying the unit does not increase to more than 140% of the applicable limit. Upon an increase over 140% of the applicable

limit, the next available unit of comparable or smaller size in the Project must be rented to an individual having an income of 60% or less of the area median income, as adjusted for family size.

In the event of noncompliance with the requirements described in the preceding paragraph arising from events occurring after the issuance of the 2007 Bonds, the Treasury Regulations provide that the exclusion of interest on the respective issues of the 2007 Bonds from gross income for Federal income tax purposes will not be impaired if the Corporation takes appropriate corrective action within a reasonable period of time after such noncompliance is first discovered or should have been discovered by the Corporation.

Compliance and Additional Requirements

The Code establishes certain additional requirements which must be met subsequent to the issuance and delivery of the 2007 Bonds in order that interest on each issue of the 2007 Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to the use and expenditure of the proceeds of the 2007 Bonds, yield and other limits regarding investment of the proceeds of the 2007 Bonds and other funds, and rebate of certain investment earnings on such amounts on a periodic basis to the United States.

The Corporation has covenanted in each Resolution that it shall at all times do and perform all acts and things necessary or desirable in order to assure that interest paid on the related issue of the 2007 Bonds shall be excluded from gross income for Federal income tax purposes. In furtherance thereof, the Corporation is to enter into the applicable Regulatory Agreement with each Mortgagor to assure compliance with the Code. However, no assurance can be given that in the event of a breach of any such covenants, or noncompliance with the provisions, procedures or certifications set forth therein, the remedies available to the Corporation and/or the owners of the 2007 Bonds can be judicially enforced in such manner as to assure compliance with the above-described requirements and therefore to prevent the loss of the exclusion of interest from gross income for Federal income tax purposes. Any loss of such exclusion of interest from gross income would be determined independently for each issue of the 2007 Bonds and may be retroactive to the date from which interest on the 2007 Bonds is payable.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the 2007 Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a 2007 Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the 2007 Bonds.

Prospective owners of the 2007 Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S Corporations and certain foreign corporations), financial institutions, property, casualty and life insurance companies, individual recipients of Social Security or railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and to taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the 2007 Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Information Reporting and Backup Withholding

Information reporting requirements will apply to interest paid after March 31, 2007 on tax-exempt obligations, including the 2007 Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9 "Request for Taxpayer Identification Number and Certification", or unless the recipient is one of a limited class of exempt recipients, including corporations. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to "backup withholding", which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a "payor" generally refers to the person or

entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a 2007 Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the 2007 Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner's Federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities and court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of interest on the 2007 Bonds under federal or state law and could affect the market price for, or the marketability of, the 2007 Bonds. Currently, litigation in various jurisdictions (including *Davis v. Kentucky Dep't of Revenue of the Finance and Admin. Cabinet*, 197 S.W.3d 557 (2006), which the U.S. Supreme Court has agreed to hear pursuant to a writ of *certiorari* granted on May 21, 2007) has called into question the permissibility under the U.S. Constitution of disparate state tax treatment of interest on bonds issued by a state and its political subdivisions and on obligations issued by other states and their political subdivisions. New York State statutes currently result in such disparate treatment. Prospective purchasers of the 2007 Bonds should consult their own tax advisers regarding the foregoing matters.

ACTIVITIES OF THE CORPORATION

The Corporation is engaged in the various activities and programs described below.

I. **BOND PROGRAMS.** The Corporation issues bonds and notes to fund mortgage loans for multi-family residential developments under the programs described below. The multi-family residential developments financed under the Corporation's Multi-Family Housing Revenue Bonds Bond Resolution, adopted by its Members on July 27, 1993, as amended from time to time (the "General Resolution") are described below in "Section B – Housing Revenue Bond Program". As of July 31, 2007, the Corporation had bonds outstanding in the aggregate principal amount of approximately \$5,856,097,346. All of the bonds are separately secured, except for the bonds issued under the General Resolution which are equally and ratably secured by the assets pledged under the General Resolution. None of the bonds under the bond programs described in "Section A–Multi-Family Program," "Section C–Liberty Bond Program," and "Section D–Section 223(f) Refinancing Program" provide security under the General Resolution, and none of the bonds under these programs is secured by the General Resolution.

(A) *Multi-Family Program.* The Corporation established its Multi-Family Program to develop privately-owned multi-family rental housing, all or a portion of which is reserved for low income tenants. The following describes the Corporation's activities under its Multi-Family Program.

(1) Rental Projects; Fannie Mae or Freddie Mac Enhanced: The Corporation has issued tax-exempt and/or taxable bonds which either (i) are secured by mortgage loan payments, which payments are secured by obligations of Fannie Mae under various collateral agreements, (ii) are secured by a Direct Pay Credit Enhancement Instrument issued by Fannie Mae or (iii) are secured by a Direct Pay Credit Enhancement Agreement with Federal Home Loan Mortgage Corporation ("Freddie Mac").

(2) Rental Projects; Letter of Credit Enhanced: The Corporation has issued tax-exempt and/or taxable bonds to finance a number of mixed income projects and entirely low income projects, which bonds are secured by letters of credit issued by investment-grade rated commercial lending institutions.

(3) Rental Projects; FHA-Insured Mortgage Loan: The Corporation has issued bonds to finance a number of mixed income projects with mortgages insured by the Federal Housing Administration ("FHA").

(4) Hospital Staff Housing; Credit Enhanced: The Corporation has issued bonds to provide financing for residential facilities for hospital staff, which bonds are secured by bond insurance or letters of credit issued by investment-grade rated institutions.

(5) Cooperative Housing; SONYMA-Insured Mortgage Loan: The Corporation has issued tax-exempt obligations in order to fund underlying mortgage loans to cooperative housing developments. Each mortgage loan in this program is insured by the State of New York Mortgage Agency ("SONYMA").

(6) Rental Project; REMIC-Insured Mortgage Loan: The Corporation has issued tax-exempt bonds to finance a mortgage loan for a residential facility, which mortgage loan is insured by the New York City Residential Mortgage Insurance Corporation ("REMIC"), which is a subsidiary of the Corporation.

(7) Senior Housing; Letter of Credit Enhanced: The Corporation has issued tax exempt obligations to finance a mortgage loan for low income senior housing, which obligations are secured by letters of credit issued by investment-grade rated commercial lending institutions.

(B) *Housing Revenue Bond Program.* Under its Housing Revenue Bond Program, the Corporation may issue bonds payable solely from and secured by the assets held under the General Resolution which include a pool of mortgage loans, some of which are construction loans (which pool contains FHA-insured mortgage loans, REMIC-insured mortgage loans, SONYMA-insured mortgage loans, GNMA mortgage-backed securities, other mortgage

loans and participation interests in mortgage loans), the revenues received on account of all such loans and securities, and other assets pledged under such resolution and any supplemental resolution for a particular series of bonds. Certain of the projects, which secure a portion of the mortgage loans, receive the benefits of subsidy payments. As of July 31, 2007, eighty-five (85) series of bonds have been issued under the Housing Revenue Bond Program.

(C) Liberty Bond Program. In accordance with Section 301 of the Job Creation and Worker Assistance Act of 2002, the Corporation has issued tax-exempt and taxable bonds, each secured by a letter of credit, to finance the development of multi-family housing within an area of lower Manhattan designated in such legislation as the “Liberty Zone”.

(D) Section 223(f) Refinancing Program. Under this program, the Corporation acquires mortgages originally made by The City of New York (the “City”), obtains federal insurance thereon and either sells such insured mortgages or issues its obligations secured by said insured mortgages and pays the net proceeds of the sale of such mortgages or issuance of obligations to the City. Each series of bonds issued under this program is secured by a mortgage loan insured by FHA pursuant to Section 223(f) of Title II of the National Housing Act of 1934, as amended (the “National Housing Act”). Debt service on each series of bonds is paid only from monies received on account of the applicable mortgage loan securing such series, including, with respect to certain projects, interest reduction subsidy payments received by the Corporation pursuant to Section 236 of the National Housing Act.

II. **MORTGAGE LOAN PROGRAMS.** The Corporation funds mortgage loans under various mortgage loan programs, including the significant programs described below. These mortgage loans are funded from bond proceeds and/or the Corporation's unrestricted reserves. See "PART I—BOND PROGRAMS" above.

(A) *Affordable Housing Permanent Loan Program.* The Corporation has established a program to make permanent mortgage loans for projects constructed or rehabilitated, often in conjunction with The City of New York Department of Housing Preservation and Development ("HPD") and other lender loan programs.

(B) *Low-Income Affordable Marketplace Program.* The Low-income Affordable Marketplace Program ("LAMP") finances the creation of predominately low-income housing using tax-exempt bonds and as of right 4%

¹ Aggregate information for all eighty-five (85) series of bonds that the corporation has issued under its housing revenue bond program from 1993 through 2007 as described in section b above.

² This project was also financed under the "Multi-Family Rental Housing Revenue Bonds – Rental Projects; Fannie Mae or Freddie Mac Enhanced" Program as described in Section A above.

³ This project was also financed under the "Multi-Family Mortgage Revenue Bonds – Rental Projects; Letter of Credit Enhanced" Program as described in Section A above.

tax credits with 10% to 30% of the project reserved for formerly homeless households. LAMP allows the direct infusion of subsidy from the Corporation's reserves. The funds are advanced during construction and remain in the project through the term of the permanent mortgage loan. During construction, the funds bear interest at 1%. While in the permanent phase, the funds must at least bear interest at 1%, but may provide for amortization, depending on the particular project.

(C) Mixed Income. Under the Mixed-Income Program, HDC combines the use of credit enhanced variable rate, tax-exempt private activity bonds with subordinate loans funded from the Corporation's reserves to finance mixed-income multi-family rental housing. Typically, the developments reserve 50% of the units for market rate tenants, 30% of the units for moderate to middle income tenants and 20% of the units for low income tenants.

(D) New Housing Opportunities Program. The Corporation has established a New Housing Opportunities Program ("New HOP") to make construction and permanent mortgage loans for developments intended to house low and moderate income tenants. The developments also receive subordinate loans from the Corporation. The first mortgage loans under New HOP have been, or are expected to be, financed by the proceeds of obligations issued under the Housing Revenue Bond Program. See "Section B—Housing Revenue Bond Program" in PART I—BOND PROGRAMS above.

III. **OTHER LOAN PROGRAMS.** In addition to funding mortgage loans, the Corporation funds loans not secured by a mortgage under various programs, including the programs described below.

(A) New Ventures Incentive Program. The Corporation participated in the New Ventures Incentive Program ("NewVIP"), a multi-million dollar public-private partnership between the City and member banks established in the fall of 2003. The Corporation originated three NewVIP loans, two of which have been repaid.

(B) Other. Among other programs, the Corporation has funded a loan to finance the construction of military housing at Fort Hamilton in Brooklyn, New York secured by notes and financed through the issuance of bonds. The Corporation has funded a loan to the New York City Housing Authority ("NYCHA") to provide funds for modernization and to make certain improvements to numerous various public housing projects owned by NYCHA in the City. The Corporation has provided interest-free working capital loans to not-for-profit sponsors of projects through HPD's Special Initiatives Program. The proceeds of such loans are used for rent-up expenses and initial operation costs of such projects. The Corporation also has provided interim assistance in the form of unsecured, interest-free loan to the Neighborhood Partnership Housing Development Fund Company, Inc. to fund certain expenses associated with HPD's Neighborhood Entrepreneurs Program.

IV. **LOAN SERVICING.** The Corporation services the majority of its own loans and also services loans for others. Such loan servicing activities, which are described below, relate to over 1,411 mortgage loans with an approximate aggregate face amount of \$9.2 billion.

(A) Portfolio Servicing. The Corporation acts as loan servicer in connection with the permanent mortgage loans made to approximately 599 developments under its bond, mortgage loan and other loan programs (including its Housing Revenue Bond Program) in the approximate aggregate face amount of \$4.6 billion.

(B) HPD Loan Servicing. The Corporation acts as loan servicer in connection with certain construction and permanent housing loan programs of HPD pursuant to several agreements with HPD. As of July 31, 2007, the Corporation was servicing construction and permanent loans made to approximately 606 developments in the approximate aggregate face amount of \$2 billion.

(C) Loan Servicing Monitoring. In addition to the Corporation's loan servicing activities, the Corporation monitors the loan servicing activities of other servicers who service approximately 206 mortgage loans made under the Corporation's various bond, mortgage loan and other loan programs in the approximate aggregate face amount of \$2.6 billion.

NEW YORK CITY HOUSING
DEVELOPMENT CORPORATION
110 William Street
New York, New York 10038

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance of \$11,000,000 Multi-Family Mortgage Revenue Bonds (Boricua Village Apartments Site A-2), 2007 Series A (the “2007 Bonds”) of the New York City Housing Development Corporation (the “Corporation”), a corporate governmental agency, constituting a public benefit corporation created and existing under and pursuant to the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law (Chapter 44-b of the Consolidated Laws of New York), as amended (the “Act”).

The 2007 Bonds are authorized to be issued pursuant to the Act and the Multi-Family Mortgage Revenue Bonds (Boricua Village Apartments Site A-2) Bond Resolution of the Corporation, adopted September 19, 2007 (herein called the “Resolution”). The 2007 Bonds are being issued for the purpose of financing the Mortgage Loan (as defined in the Resolution).

The 2007 Bonds are dated, mature, are payable, bear interest and are subject to redemption and tender as provided in the Resolution.

The Corporation is authorized to issue other Bonds (as defined in the Resolution), in addition to the 2007 Bonds, for the purposes and upon the terms and conditions set forth in the Resolution, and such Bonds, when issued, shall, with the 2007 Bonds and with all other such Bonds theretofore issued, be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

We have not examined nor are we passing upon matters relating to the real and personal property referred to in the Mortgage, nor are we passing upon the Loan Agreement, the Mortgage, the other Mortgage Documents or the Assignment (as such terms are defined in the Resolution). In rendering this opinion, we have assumed the validity and enforceability of the Loan Agreement, the Mortgage, the other Mortgage Documents and the Assignment.

Upon the basis of the foregoing, we are of the opinion that:

(1) The Corporation has been duly created and validly exists as a corporate governmental agency constituting a public benefit corporation, under and pursuant to the laws of the State of New York (including the Act), and has good right and lawful authority, among other things, to finance the Mortgage Loan, to provide sufficient funds therefor by the adoption of the Resolution and the issuance and sale of the 2007 Bonds, and to perform its obligations under the terms and conditions of the Resolution, including financing the Mortgage Loan, as covenanted in the Resolution.

(2) The Resolution has been duly adopted by the Corporation, is in full force and effect, and is valid and binding upon the Corporation and enforceable in accordance with its terms.

(3) The 2007 Bonds have been duly authorized, sold and issued by the Corporation in accordance with the Resolution and the laws of the State of New York (the “State”), including the Act.

(4) The 2007 Bonds are valid and legally binding special revenue obligations of the Corporation payable solely from the revenues, funds or moneys pledged for the payment thereof pursuant to the Resolution, are enforceable in accordance with their terms and the terms of the Resolution, and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

(5) The Bonds, including the 2007 Bonds, are secured by a pledge in the manner and to the extent set forth in the Resolution. The Resolution creates the valid pledge of and lien on the Revenues (as defined in the Resolution) and all the Accounts (other than the Rebate Fund) established by the Resolution and moneys and securities therein, which the Resolution purports to create, subject only to the provisions of the Resolution permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Resolution.

(6) Pursuant to the Resolution, the Corporation has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to finance the Mortgage Loan, subject to the requirements of the Resolution with respect thereto.

(7) The 2007 Bonds are not a debt of the State or The City of New York and neither is liable thereon, nor shall the 2007 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged for the payment thereof.

(8) Under existing statutes and court decisions, (i) interest on the 2007 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), except that no opinion is expressed as to such exclusion of interest on any 2007 Bond for any period during which such 2007 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with the proceeds of the 2007 Bonds or a “related” person, and (ii) interest on the 2007 Bonds, however, is treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code. In rendering this opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagor (as defined in the Resolution) and others, in connection with the 2007 Bonds, and we have assumed compliance by the Corporation and the Mortgagor with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2007 Bonds from gross income under Section 103 of the Code. In addition, under existing statutes, interest on the 2007 Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

We express no opinion regarding any other Federal or state tax consequences with respect to the 2007 Bonds. We render our opinion under existing statutes and court decisions as of the issue date, and we assume no obligation to update our opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation or otherwise. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2007 Bonds, or the exemption from personal income taxes of interest on the 2007 Bonds under state and local tax law.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2007 Bonds and the Resolution may be limited by bankruptcy, insolvency and other laws affecting creditors’ rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2007 Bond and in our opinion the form of said Bond and its execution are regular and proper.

Very truly yours,

Upon delivery of the Boricua Village C Bonds, Hawkins Delafield & Wood LLP, Bond Counsel to the Corporation, proposes to issue its approving opinion in substantially the following form:

NEW YORK CITY HOUSING
DEVELOPMENT CORPORATION

New York, New York 10038

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance of \$17,300,000 Multi-Family Mortgage Revenue Bonds (Boricua Village Apartments Site C), 2007 Series A (the “2007 Bonds”) of the New York City Housing Development Corporation (the “Corporation”), a corporate governmental agency, constituting a public benefit corporation created and existing under and pursuant to the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law (Chapter 44-b of the Consolidated Laws of New York), as amended (the “Act”).

The 2007 Bonds are authorized to be issued pursuant to the Act and the Multi-Family Mortgage Revenue Bonds (Boricua Village Apartments Site C) Bond Resolution of the Corporation, adopted September 19, 2007 (herein called the “Resolution”). The 2007 Bonds are being issued for the purpose of financing the Mortgage Loan (as defined in the Resolution).

The 2007 Bonds are dated, mature, are payable, bear interest and are subject to redemption and tender as provided in the Resolution.

The Corporation is authorized to issue other Bonds (as defined in the Resolution), in addition to the 2007 Bonds, for the purposes and upon the terms and conditions set forth in the Resolution, and such Bonds, when issued, shall, with the 2007 Bonds and with all other such Bonds theretofore issued, be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

We have not examined nor are we passing upon matters relating to the real and personal property referred to in the Mortgage, nor are we passing upon the Loan Agreement, the Mortgage, the other Mortgage Documents or the Assignment (as such terms are defined in the Resolution). In rendering this opinion, we have assumed the validity and enforceability of the Loan Agreement, the Mortgage, the other Mortgage Documents and the Assignment.

Upon the basis of the foregoing, we are of the opinion that:

(1) The Corporation has been duly created and validly exists as a corporate governmental agency constituting a public benefit corporation, under and pursuant to the laws of the State of New York (including the Act), and has good right and lawful authority, among other things, to finance the Mortgage Loan, to provide sufficient funds therefor by the adoption of the Resolution and the issuance and sale of the 2007 Bonds, and to perform its obligations under the terms and conditions of the Resolution, including financing the Mortgage Loan, as covenanted in the Resolution.

(2) The Resolution has been duly adopted by the Corporation, is in full force and effect, and is valid and binding upon the Corporation and enforceable in accordance with its terms.

(3) The 2007 Bonds have been duly authorized, sold and issued by the Corporation in accordance with the Resolution and the laws of the State of New York (the “State”), including the Act.

(4) The 2007 Bonds are valid and legally binding special revenue obligations of the Corporation payable solely from the revenues, funds or moneys pledged for the payment thereof pursuant to the Resolution, are enforceable in accordance with their terms and the terms of the Resolution, and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

(5) The Bonds, including the 2007 Bonds, are secured by a pledge in the manner and to the extent set forth in the Resolution. The Resolution creates the valid pledge of and lien on the Revenues (as defined in the Resolution) and all the Accounts (other than the Rebate Fund) established by the Resolution and moneys and securities therein, which the Resolution purports to create, subject only to the provisions of the Resolution permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Resolution.

(6) Pursuant to the Resolution, the Corporation has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to finance the Mortgage Loan, subject to the requirements of the Resolution with respect thereto.

(7) The 2007 Bonds are not a debt of the State or The City of New York and neither is liable thereon, nor shall the 2007 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged for the payment thereof.

(8) Under existing statutes and court decisions, (i) interest on the 2007 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), except that no opinion is expressed as to such exclusion of interest on any 2007 Bond for any period during which such 2007 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a "substantial user" of the facilities financed with the proceeds of the 2007 Bonds or a "related" person, and (ii) interest on the 2007 Bonds, however, is treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code. In rendering this opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagor (as defined in the Resolution) and others, in connection with the 2007 Bonds, and we have assumed compliance by the Corporation and the Mortgagor with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2007 Bonds from gross income under Section 103 of the Code. In addition, under existing statutes, interest on the 2007 Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

We express no opinion regarding any other Federal or state tax consequences with respect to the 2007 Bonds. We render our opinion under existing statutes and court decisions as of the issue date, and we assume no obligation to update our opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation or otherwise. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2007 Bonds, or the exemption from personal income taxes of interest on the 2007 Bonds under state and local tax law.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2007 Bonds and the Resolution may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2007 Bond and in our opinion the form of said Bond and its execution are regular and proper.

Very truly yours,
